Eli: Okay there has to be something magical at work in those dice.

SpongeBob: DAH TARTAR SAUCE!

Iron Lung: Let's check what it is

Brittney: Wait.

Brittney saw tiny footprints on the dice and with her spirit senses found something.

Brittney: Aha!

She used her magic and revealed DICE IMPS!

Brittney: Dice Imps! I knew it!

Nico: I thought we took care of the gremlins before.

Brittney: Now we have Dice Imps. They are mischief makers that make certain people lose.

Nico: Jeez.

Power Girl: Are these the culprits?

Brittney: Yep.

Brittney banished them back to the Spirit Realm.

Qin: Good riddance.

Lincoln then had a premonition!

Lincoln: OH MAN! Guys we have a scary one! The Akuma of Harry Potter. His name is Wizardgeist. He was made because of the constant abuse of the Dursley's and their hatred towards all wizards and he vowed to avenge his parents and kill the Dursleys no matter what.

WE GASPED!

Lola: WHOA MAN!

Camie: Geez!

Varie: What does he look like?

He showed a sketch of him and he looked like a scary faceless spirit from hell.

Lola: That one is scary!

Qin: Yikes!

Brittney: Looks like a Dementor.

Harry Potter: It sure does.

Camie: The Dursley's really are heartless fiends.

Varie: Yeah.

Me: Professor McGonagall did call them the worst ever muggles ever to walk the face of the Earth.

Qin: It's true.

Camie: Man no kidding.

Poliwag: And they also killed 75 wizards. And we should know because we did bust them.

Nico: Wait i remember that. That is too true.

Ranamon: Wasn't this in 2019?

Me: Yes it was! I remember that.

Qin: That was crazy.

Poliwag: But yeah that is what we did back then.

Nico: We need to take care of the Akuma first

Camie: How did the Dementors come?

Me: Well a telltale sign of them coming is when everything around them freezes in seconds.

Nico: Look!

We saw stuff being frozen and out came WIZARDGEIST!

Me: WHOA!

Lola: Scary!

Wizardgeist: (British Accent) I heard about the Dursley's coming. Now I can make them pay.

Me: Whoa! Harry your Akuma form is amazing!

Wizardgeist: Why thank you J.D.

Ginny: (British Accent) Harry? Is that you?

Wizardgeist: Yes Ginny it's me. I became this because of those wretched monsters I call my aunt, uncle and cousin.

Lily Potter: (British Accent) My sister and brother in law really hated your guts.

James Potter: (British Accent) What they did to you son is completely unforgivable.

Me: Yeah.

Wizardgeist: I heard about how you brought everyone back with the Cosmic Cube, J.D. including my mum and dad. You have my thanks for that.

Me: I could only use the Cosmic Cube once so it was the least I could do.

Nico: It's true. But Harry we can let you release your rage on the Dursley's. They will be here any minute.

Tala: Harry, stand down or we'll make you.

Me: Tala wait! Harry listen. Just give us time to wait and then you can unleash the 9 Circles of Hell unto them.

Eli: Yeah. I sense that they are here... (Concentrates) Oh right now!

Me: Wow that was fast.

Lola: Yeah.

Me: Lets get ready everyone.

Nico: Right! Battlestations.

We got to hiding and got ready.

Hagrid was outside as he heard a noise.

Hagrid: (Scottish Accent) Is someone there? If that's a student, you're supposed to be in your room. But don't worry. I won't tell Dumbledore if you run back right-

Hagrid then saw that it was only Hedwig.

Hagrid: Hedwig? It's okay, girl. I won't hurt you. There's nothing to be afraid of.

Hedwig kept making noises.

Hagrid: What's wrong with you? You want to wake everyone up?

Hagrid had no idea the Dursleys were right behind him!

Hagrid sensed them.

Hagrid: Dursley I know you're behind me now!

POW!

He punched Vernon and sent him, Petunia and Dudley flying and then they crashed through the door!

Me: Wow nice one Hagrid.

Nico: Entrance time.

We went at thim.

Vernon: (British Accent) (Groans) Blimey he is strong.

Then the spirits of Hogwarts came and they swirled around them and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off above them and then a Phoenix Cry was heard and we came out.

Me: Okay Dursley's This is as far as you go!

Qin: YEAH!

Hedwig came.

Gilda: Hedwig! There you are!

Hedwig hooted.

I punched Vernon and threw him into Petunia.

Lily Potter: You have had this coming for over 17 years "Sister!"

She punched Petunia and bashed her face in.

Lily Potter: You are dead to me!

Merman: (to Wizardgeist) Wanna battle Tala and some of us while J.D. and the rest have their fun?

Wizardgeist: Oh, why not? It'll pass the time while waiting

Tala: Okay then.

She fired waves of magic and Ginny and Ron fired waves of magic and blasted him.

Lola: EXPECTO PETRONUM!

SHE FIRED A BLAST OF LIGHT AND IT FORMED INTO THE PHOENIX PETRONUM AND BLASTED WIZARDGEIST BACK!

I punched Vernon and Lily and James bashed him all over too.

Qin kicked Petunia in her face.

Lily kicked Petunia in her face too.

Petunia roared and went after Ginny!

She had a knife in her hands and then Molly Weasley went at her and kicked her in the face.

Molly Weasley: (British Accent) Not my daughter you bitch!

She punched her in the face and her nose was dripping blood!

Qin kicked Petunia in her face and Luna Lovegood fired magic blasts and blasted her all over

She fired magic blasts.

Eli went over to the Dursley's.

Eli: Vernon, Petunia and Dudley Dursley, in the name of the Galactic Senate of the Republic, (Ignites Lightsaber) You three are under arrest!

Myrtle and Eli fired waves of lightning and fire and blasted the Dursleys all over.

Me: You 3 make me sick! For 17 years you have abused and tormented Harry Potter and made him feel unwanted and also called Wizards and Witches freaks because of your own petty jealousy! But the only abnormal ones here are YOU THREE!

Vernon: HOW DARE YOU!

He went at me and he punched at me and I grabbed his fist and crushed his hand and broke every single bone in his hand.

Wizardgeist got up and set his sights on the Dursleys.

Wizardgeist: This is for years of shit!

Apeface: You're in for it now!

Me: Yep!

Wizardgeist then gave the 3 of them the BIGGEST EVER BEATDOWN OF THEIR LIVES!

Wizardgeist: Sure.

He used the Riddikulus spell and made the Dursley dress up in stupid clothes that would make even the humorless of souls laugh!

WE THEN BURSTED OUT INTO HYSTERICAL LAUGHTER!

Discord: Oh that was amusing! But this is too.

He used his chaos magic and turned them into escaped mental patients and then trees with billy clubs came and bashed them all over the place.

?: That was awesome!

A figure came out and it was KING POTDEUS from the Zenkaiger VS Kiramager VS Senpaiger movie!

King Potdeus (王・ポットデウス Ō Pottodeusu) is a Kikainoid who had been led to believe that he was the illegitimate son of Great King Boccowaus and a major antagonist of Kikai Sentai Zenkaiger vs. Kiramager vs. Senpaiger.

A lonely Kikainoid who coincidentally looked similar to Boccowaus himself, he was misled by Dr Iokal into believing that he was Boccowaus' illegitimate son. As a result, he had restored the Tojitendo Dynasty under the belief that he was following his false birthright with himself as the new leader of said dynasty.

However, in spite of his position as being the leader of the newly restored dynasty, he was overreliant on Dr Iokal's guidance and had proven himself to be a very incompetent fighter due to the leader in question greatly relying on Kuddakks and Kudaiters whenever he is faced with a threat. Eventually, during the final battle against the Zenkaigers, the Kiramagers and their allies, Potdeus had desperately asked his one and only friend for help but then, Dr Iokal proceeded to expose the fact that Potdeus' relation to Boccowaus was nothing but a lie that the scientist in question had cooked up so that the Kikainoid himself could unknowingly do Dr Iokal's bidding.

As a result of the person whom he had thought of as his one and only friend revealing his true colors to him, Potdeus could only run away from the fight in question and cry. After Dr Iokal as well as both Beef Rib World and Great Beef Rib World had been defeated, Potdeus was found by the heroes themselves before he proceeded to apologize to them for his actions. Thankfully, Stacy decided to give him a chance to atone for his sins and work for Kikaitopia with the aforementioned Kikainoid accepting the chance of redemption that he had been offered

---

Eli: King Potdeus! I remember you! You were going to restore the Tojitendo Dynasty under your rule!

King Potdeus: That's right Eli! Good memory.

Me: We never faced you before as one of the targets of the Zenkaigers.

King Potdeus: Yeah it's because I'm fairly brand new.

Me: Oh.

?: That is cool!

A figure came out and it was SUSHI WORLD!

Sushi World is created from a Kudaiter by Barashitara as an attempt to appease Great King Boccowaus who is extremely angry over the loss of the Tojiru Gears and sent to Earth with the mission of turning it into Sushitopia for Tojitendo to conquer. In order to do this, Sushi World has to trap the entire population of Earth by using his arms to trap them to random objects like one would a piece of sushi. As the Zenkaigers practice jumping to try and access Kikaitopia, Sushi World uses his extendable arms to stick random people to objects but their screams soon attract the attention of the Zenkaigers who arrive quickly. Sushi World welcomes them but prepares to stick them to objects with his sushi dough so Kaito and Juran henshin and take on Sushi World's accompanying Kudakks whilst the other Zenkaigers help the trapped citizens. Whilst Kaito continues to fight the Kudakks, and the other Zenkaigers discover how indestructible the sushi is, Juran fights Sushi World but his Juran Sword is no match for Sushi World's gauntlets though he swiftly cuts down the World monster. He fires off sushi missiles but Kaito obliterates them with his Geartlinger before grabbing hold of Sushi World and demanding that he get taken to the Tojitendo Empire. Unfortunately, Sushi World smacks him off and plans to make him into sushi so Juran intervenes only for both of them to be stuck to a bench instead. Satisfied, Sushi World humiliates them further by spraying them with wasabi sauce before departing for the time being.

The next day, Sushi World is lured to the quarry by smelling some sushi dust spread by the remaining three Zenkaigers cooking sushi. Obsessed and unable to control himself, Sushi World swiftly approaches whilst gushing about sushi but gets in close enough to Gaon for him and Vroon to grab him and for Magine to send him flying with a boot up the rear end. They transform and do battle with Sushi World and swiftly knock him down but Barashitara arrives and blasts them down and Sushi World very much appreciates the help. With Barashitara's help, Sushi World gains the upper-hand against the three Zenkaigers and sends Magine flying with his bombs whilst Barashitara makes short work of Gaon and Vroon. At this point however, Kaito and Juran fly in from high above having used the former's Geartlinger equipped with Lucky's luck powers from the Uchu Sentai Kyuranger Gear to destroy a fire hydrant. Using this method, they have transported themselves to the battlefield using a combination of weird contrivances (including an UP style sequence where they fly into the air on balloons and have a woodpecker destroy them at a convenient time) and crush Sushi World under their combined weight in a makeshift sushi stack. Trapped under their combined weight, Sushi World is helpless and complains about becoming a sushi roll himself and they do eventually release the World monster. However, even stuck together, Kaito and Juran are still able to transforms and perform their roll call at which point Sushi World (frustrated) pulls out a Plug Lancer and charges only to be overwhelmed by their teamwork. Even when he manages to knock the two over, Kaito's feet are able to fend off the Plug Lancer and a follow-up attack is blocked by the Juran Sword before Kaito blasts him away with his Geartlinger. Before Sushi World can recover, the two spin so fast that they go underground before popping up right under him and sending Sushi World flying. The World Monster soon recovers angry but the two Zenkaigers fire the Zenkai Finish Buster which finishes Sushi World off, crippling him with a devastating rip through the stomach and getting him explosively crushed by the Zenkaiger symbol.

With Sushi World gone, his evil effects vanish and his victim are completely freed from his captivity. Unfortunately, his Tojiru Gear survives his explosion which allows Barashitara to summon a Kudaitest to step on it and become Great Sushi World.

Nico: SUSHI WORLD!

Kaito: Oh boy.

Me: I remember you! You were going to turn our dimension into a world of sushi!

?: (Six girls voices) Aw man, we missed the fight!

Suddenly, we saw six girls appear before us with hair, eyes, and angel wings matching the colors of ice, earth, fire, and water, while four of the girls have the symbols of The Four Elemental Nations on their foreheads and skirts, and they have Keyblades in hand.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Caleb, or we're forcing you out!

A figure came out, and it was none other than Caleb, The Priest of The First Evil.

Brittney: Should've known you'd show up once again, Caleb.

Ellie Davies: But, this is where it all ends for you.

Suddenly, Ellie Davies' brown eyes turned neon brown and she was surrounded by a brown and orange energy aura with stars, earth, moles, phoenixes, and angels, she unholstered her massive earth greatsword, and as she approached Caleb, she left brown and orange energy, stars, earth, moles, phoenixes, and angels with every step.

Ellie Davies: You really make me sick to no end, Caleb, you're just a monstrous serial killer and vile misogynist and you're also a heretic who turned away from God and worshipped The First Evil. You're just as despicable as the vampires who destroyed Barrow, and now, I will see to it that you die here and now.

Suddenly, Ellie Davies was surrounded by a massive vortex of brown and orange energy with stars and earth surrounding the vortex, there are moles, phoenixes, angels, and Neo-Spacian Grand Mole flying around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at Caleb: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Ellie's right, what this bastard has done proved he's just as worse as the vampires who destroyed Barrow. Now, he's going to be destroyed forever.

Then, as the vortex faded, Ellie Davies emerged, but she was changed forever.

Suddenly, Ellie Davies felt a sharp pain on her back, and then, her massive orange angel wings with brown tips on the large orange feathers grew much larger for her new body with a wingspan of 20'0" and medium sized orange angel wings with brown tips grew and sprouted out underneath her massive orange angel wings with a wingspan of 15'0" and small sized orange angel wings with brown tips grew and sprouted out underneath her medium sized orange angel wings with a wingspan of 10'0" and she now has eleven massive and long brown wolf tails with orange tips and orange markings, Ellie Davies has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Ellie Davies, Lincoln, Nico, and I went after Caleb, and we fired extremely powerful blasts of rainbow energy, brown and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Caleb and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ellie Davies also did the same by firing white and black energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ellie Davies, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Caleb even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit Caleb with full force, and he exploded into nothing and he was sent to The Black Abyss forever.

Everyone cheered wildly for what Ellie Davies, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ellie Davies' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large brown and orange planets orbiting around her legs, fifteen smaller brown and orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath her massive brown angel wings are permanent.

Ellie Davies: Don't you ever come back, you fucking sicko. Thanks for helping me take down Caleb, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ellie.

Me and Nico: Our pleasure, Ellie.

Suddenly, Ellie Davies wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Riis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Grand Mole flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ellie Davies sucked in and

absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that heretic down and Lincoln fired that beam of rainbow light.

Me: And sent him to The Black Abyss forever. So, Lincoln, you going to introduce us to the six girls who showed up?

But, before he could, the girls had their hands on Lincoln's hairy pecs, and they began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When they were done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave this to us. The first girl is Diana Dharmok, Keyblade Knight of Dharmok, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of the stars and omnipotent power. She is the Keyblade Knight of the planet Dharmok which is in the same system as Glaren and she's a powerful master of a force called The Aura Star which is a powerful omnipotent force that can create worlds. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of the stars, and she made a prison planet for all of Lincoln's enemies and she hates them all with a vengeance, and she intends to give Lincoln the power of The Aura Star by letting him feed on her blood.

Shanan: (GASPS) The legendary Aura Star?! I remembered hearing stories about it, The Aura Star is a powerful omnipotent force that can create worlds.

Me: Incredible! And the energy I sensed from her is also just as powerful as ours.

Nico: Whoa! That's really awesome! We've heard about that before, but we all thought it was a myth, but Lincoln, I never knew you had a Keyblade Knight who has the power of The Aura Star.

Lincoln: No one asked, and I was amazed at the planets Diana can create.

Eli: That's really amazing.

Valentine Emperyous: The second girl is Ida Idourhin, Keyblade Knight of Idourhin, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. Me: Whoa!

She's a powerful and deadly warrior of good and master of water. She is the Keyblade Knight of The Water Tribe and she's one of the most powerful waterbenders ever and one that has waterbending that is stronger than a million Fire Lord Ozai's put together, and she can single-handedly annihilate an entire Fire Nation Army with absolute ease. Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of water and waterbending, and she hates all of Lincoln's enemies and Ozai with a vengeance.

Melanie Emperyous: The fifth girl is Houou Ka, Keyblade Knight of The Fire Nation, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of fire. She is the Keyblade Knight of The Fire Nation and she's a powerful Firebender that's as strong as 500 billion Ozai's enhanced by Sozin's Comet and she is powerful enough to single-handedly annihilate the entire Fire Nation with absolute ease. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of fire and firebending, plus, she's the leader of The Anti-Ozai Rebellion, a rebel group whose sole purpose is to destroy Ozai and Azula and help Zuko bring The Fire Nation on the right path of good, and she hates all of Lincoln's enemies and Ozai with a vengeance.

Rachel Emperyous: The sixth girl is Kaze Wynn, Keyblade Knight of The Air Nomads, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of wind and tornadoes. She is the Keyblade Knight of The Air Nomads and she has Airbending powers that is as strong as 600 million Airbenders combined into one and she can blow an entire Fire Nation Army away with incredible power and single-handedly annihilate them. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of wind and tornadoes and Airbending, and she hates all of Lincoln's enemies with a vengeance. But, she harbors a special kind of hatred towards Sozin, Azulon, and Ozai, because when the news of The Genocide of The Air Nomads was heard, she VOWED TERRIBLE ETERNAL VENGEANCE ON SOZEN, AZULON AND OZAI and she vowed to avenge her people and kill those three monsters and banish them all to The Black Abyss!

Selene Emperyous: And the seventh girl is Rhonda Rura Penthe, Keyblade Knight of Rura Penthe, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. Nico: No way, and there were also Keyblade Knights of The Water Tribe, Earth Kingdom, Fire Nation, and Air Nomads?! That's incredible!

Me: Along with a Keyblade Knight of Rura Penthe, the prison planet The Enterprise has encountered?! Wicked!

Lincoln: I was amazed myself, and it's so good to see you all again.

Diana Dharmok: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around the girls and he leaned his head down to their right trapezius and he slowly bit them on the right trapezius and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them along with gaining the power of The Aura Star, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius as the marks healed and the puncture marks sealed up, and he also kissed where he bit them.

Then, seven Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Diana Dharmok, Ida Idourhin, Aoi Mizu, Terra Tsuchi, Houou Ka, Kaze Wynn, and Rhonda Rura Penthe with colored gems on the gold lightning bolt links with colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valencia Valenciana with purple gems on the gold lightning bolt links with purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Diana Dharmok, Ida Idourhin, Aoi Mizu, Terra Tsuchi, Houou Ka, Kaze Wynn, and Rhonda Rura Penthe saw them and they knew they became part of his harem and are among his many future wives, and they kissed on the lips which he returned as we cheered.

Me: That was really awesome. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a horse made of Prussian Blue fire pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: Carla Pulushilanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Horse Prince.

Selene Arcangela: I knew it was her, and you guys are going to love meeting her, Carla Pulushilanhuo is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of Prussian blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Horse Prince, along with having angel wings along with having intense Prussian blue fire powers. She's known as The Horse Master of The Sisterhood of The Fists of Fire, because she's known as the horse trainer and tamer and she owns a horse ranch in Gotham Royal York, and she and Lincoln have ridden the horses many times. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of Prussian blue fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Carla hates Lisa, because of what she's done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, broken bloody nose, and an irreversible super double mega wedgie.

Nico: Yikes!

Me: I remembered her all too well, she's one powerful and skilled warrior, and Lincoln literally kept up with her in his training with her and she was so proud of how strong he's gotten.

Lincoln: She's going to be even more proud of how much stronger I've gotten the last time when we meet her again, and I'm not going to show the photos of Lisa after Carla got done with them, it's way too graphic and way too ugly.

Qin: Good idea, we'd wind up barfing once again.

Lincoln: And tomorrow is the day we meet with Ace and the Geats team.

Himiko: You said it.

Yona: Ace, everyone, hang in there, we're coming.

Carlota Santiago: And of course, we'll be facing another of Anti-Monitor's lackeys, so we got to be ready for who's next.

Kangor: This time, the Dursleys reign is at an end mon.

Spot: You said it.

Me: Good riddance.

Johnny 13: They'll be back to normal in 24 hours.

Me: Yep.

Kitty: (to Dumbledore) Tell everyone else it's safe to come out.

Me: Yeah.

Titanium Titan: So we can have a victory feast!

Dumbledore: I shall tell everyone.

Me: Great.

Dumbledore: Thank you all so much for saving us.

Me: You're welcome Professor Dumbledore.

Nico: Yep. Great job today everyone.

Harry Potter: (To the viewers) Now the Dursleys are going to live in misery for their crimes.

Me: That is for sure.

We had a great feast and enjoyed the rest of the day

As we were watching TV we heard the Doorbell ring.

Me: Come in.

In came an owl and it dropped a paper in my lap.

Fluttershy: Oh you're a pretty one.

Me: Lets see.

I unrolled the paper and it was a newspaper.

Me: It's a Wizard Newspaper. Lets see. (Reading) "Trial of the Dursleys results in Consecutive Life Terms in Azkaban."

Nico: Wow.

Me: (Reading more) "Team Loud Phoenix Storm apprehended England and the Wizarding World's most hated Muggle family in existence, the Dursley's. Vernon, Petunia and Dudley were tried and convicted in Wizarding Court Wizengamot and the British Justice Tribunal. The Dursleys were then sentenced to 75 life terms in Azkaban Prison plus an additional 40,234 years for additional crimes against both worlds and ordered to have Whole Life Orders on them making them never allowed to be released as they are now an absolute menace to both the Wizarding World and Society of England. The British Government ordered to have Number 4 Privet Drive demolished and destroyed as it was labeled a house of horrors. And the Dursley's were ordered to pay Lord Harry Potter of the House of the Potter Family £489,000,000,000 in restitution. Dudley Dursley was sent to live in a Foster Home and ordered to take remedial classes in a boarding school for spoiled children."

Nico: Good riddance.

Qin: Yeah.

Camie: How much is that he got?

Me: That's the equivalent of $620,792,835,000 in US Dollars.

Nico: WHOA!

Harry Potter: Wow! The Dursleys are never going to hurt me again.

Lola: Thank goodness.

Me: And they will never get out of Azkaban alive. The Dementors will kill them long before they get out.

Nico: Yep.

We then went to sleep

Meanwhile in Japan, The Geats Team was getting ready for our arrival.

Ace: It'll be awesome to have the team help us tomorrow.

Neon: I agree there.

Ace: I can't wait for that. Lets do it!

Gears Team: HENSHIN!

They transformed...

TO BE CONTINUED!

Chapter 8 done.

WOW! I always hated the Dursleys.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Emerald Coast, and we're going to take down the Deceptihogs and send them to The M.O.E., and we're going to meet the next of the Gene-Slammers and Avatars of The Brotherhood of The Fire Fist Duel Monsters, her name is Carla Pulushilanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Horse Prince, she's Lincoln's

Guardian Angel from China and she's a very powerful martial artist and master of Prussian blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Horse Prince, along with having angel wings along with having intense Prussian blue fire powers. She's known as The Horse Master of The Sisterhood of The Fists of Fire, because she's known as the horse trainer and tamer and she owns a horse ranch in Gotham Royal York, and she and Lincoln have ridden the horses many times. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of Prussian blue fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Carla hates Lisa, because of what she's done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, broken bloody nose, and an irreversible super double mega wedgie.

Next is Kamen Rider Geats and we're going to battle Stain and Suel and make those monsters pay!

See you all next time.

Morning Star and Doomwing as well as Sailor Venus, Vina Venus, Fayra Halinora, Venia Halinora, Varya Halinorova and Hiyori Kazane and the bus was acting.

Me: Man the bus breaks down a lot doesn't it?

Simone Houou: It does. But we always fix it up whenever there's something wrong with it.

Me: Yeah. Let me take a look.

I looked under the undercarriage and it was okay.

Me: Well the mechanics on the undercarriage are fine.

Qin: Good.

Lana: Yep.

Sailor Venus: So far everything is fine.

Nico: Mina, I want to thank you, Underbite, and your teams for coming

Sailor Venus: No problem Nico.

Vina Venus: I'm excited for this.

Nico: Vina, what do you like to do in your free time?

Vina Venus: I like teaching everyone at school about Venus and it's awesome.

Me: Cool. Do they know that Venus is now fully terraformed?

Vina Venus: They sure do and they were shocked about that.

Leeli: (LAUGHS) You have me to thank for that one. My song did that.

Vina Venus: I heard about that. That is amazing.

Qin: It sure is.

Girl Jordan: It's my song too.

Leeli: Yeah.

Me: That was still cool.

Qin: Yep.

Nico: Whew! Man that was an epic adventure with Harry Potter yesterday.

Me: And now we've seen the last of that Walrus, Horse and Hippo.

Eddy: We, of course, are talking about Vernon, Petunia, and Dudley.

Me: (LAUGHS) Yeah!

The kids laughed!

Phoebe: The Dursleys really had it coming didn't they?

Me: For 17 years of abuse on Harry? That is an understatement.

Qin: Yeah no kidding.

Laney: And they got sentenced to 75 life terms plus over 40,000 years in Azkaban.

Me: And ordered to pay over $620,000,000,000.00 in damages to Harry Potter.

Laney: That's over £489,000,000,000.

Wanda: Boy that is a nasty price.

Qin: Yeah but it was worth it.

Nico: They got turned into said animals temporarily

Girl Jordan: Yeah but it was still funny doing all that.

Qin: It sure was.

Lola: Yeah was funny.

Xenia: It sure was.

Me: Yep. Now they are permanent residents of Azkaban.

Nico: Well Vernon and Petunia are.

Lincoln: And I put a huge curse on them that if they escape and get killed by the Dementors they will be banished to the Black Abyss.

Me: Good.

Nico: Yeah.

Camie: Good riddance.

Lola: They had it coming.

Varie: Yep.

Eli: What could be the problem with the bus?

Me: Hmm. Maybe the problem is on the inside.

Lana: Good idea.

Ms. Frizzle: Lets find out. Heads up.

She pulled a handle and out came 8 suits for the kids and one for Ms. Frizzle.

Arnold and the kids got in them.

Arnold: This is gonna be a field trip.

Me: Yep.

Ms. Frizzle: Hit it Liz!

She shrunk them and then they went into the Bus through the fuel tank.

Me: They got teleported into the fuel tank!

Nico: Wow!

Eli: I sense them in there.

Dorothy Ann: I know that smell! It's gasoline!

Arnold: I hate that smell.

Wanda: Get used to it Arnold. We're inside the Frizz's gas tank.

Me: Well when you guys get out of there you're going to need to get cleaned up right away.

Arnold: Why?

Me: When you get gas on you, you have to get it off immediately or else it will burn you.

Arnold: What's gasoline made with?

Me: It's made of Crude Oil and it has 150 hydrocarbons in it also has butane, pentane, isopentane and the BTEX compounds (benzene, ethylbenzene, toluene, and xylenes).

Nico: He's right.

Me: Also I had to learn the hard way about what happens when you get gas on you. I accidentally tripped and pulled the nozzle for the gas out and splashed myself with it. I had to be rushed home and into the tub.

Nico: Oops

Wanda: Yuck.

Me: Yeah. That was an accident.

Nico: Lana could fix this up no problem

Me: So can I. I've learned a lot about automechanics from her and my dad.

Nico: Cool.

Lana: Yep.

Me: We're also learning all about how the Internal Fuel System works.

Nico: Neat.

Ralphie: Okay so the question is how the gas get from the fuel tank to the engine?

Keesha: That way! The gas is going through some kind of tunnel or pipe.

Ms. Frizzle: As Christpher Columbus once said when he set sailed for America, (Gets out a boat) All Aboard for parts unknown!

Nico: Did he really say that?

Me: Yeah back in 1492.

Nico: Cool.

They got in and they were off.

They went down the fuel pipe.

Arnold: It's a tight squeeze in here.

Me: You're heading down the fuel pipe.

Nico: Yep.

Keesha: Guys up ahead! The gas seems to be trying to get through.

Me: Is it blocked by something?

Keesha: Yeah it is.

Ralphie: Is it just me or is that peanut butter I smell?

He took some and smelled it.

Ralphie: It IS Peanut butter!

Nico: Did someone eat a sandwich earlier?

Me: I don't know.

Laney: Not me.

Me: How did peanut butter get into your fuel line Ms. Frizzle?

Ms. Frizzle: I think we know.

Simone Honou: That snake Junkit!

Eli: (GROWLS)

Simone Houou: I've always hated that guy! He had it out for Ms. Frizzle ever since I remember doing this trip.

Me: I don't blame you!

Camie: Who is Junkit?

Simone Houou: He was a Vehicle Maintenence Inspector that tried to destroy the bus.

Me: Man what a rotten temper jerk! We're going to have to have a serious talk with him later on.

The peanut butter got cleared.

Wanda: Fuel clear!

Me: Okay lets try it now!

I went and started it up but the kids were sucked into the Carburator.

Me: Did it work?

Simone Houou: Nothing.

Qin: Darn!

Me: But you guys are in the carburator.

Ms. Frizzle: My favorite place.

Maria: You guys okay in there?

Phoebe: We're fine Maria.

Maria: Good.

Tim: I don't get it. We got the gas flowing. So why won't the engine start.

Me: It needs more than just gasoline to run Tim.

Wanda: Maybe it's too chilly in here for the gas to work.

Dorothy Ann: Yeah! I feel a draft too.

Tim: It's coming from up there.

They saw the air intake and it was partly blocked by something.

Phoebe: Air! Of course. Don't you remember what we learned in fire safety? You need the air for things to burn and since a running engine needs gas...

Carlos: The engine needs gas and air to run.

Arnold: But we're not getting that much air. Something is partly blocking the cover.

Me: Let me check.

I went and popped the bus hood and looked.

Me: Aha! Someone left a half eaten Peanut Butter Sandwich on the Air Intake valve

Nico: I knew it!

Lana: Ooh!

Lana ate it.

Lana: Mmm! Delicious.

Nico: Lana. You don't know where that was.

Lana: Aw it's not so bad.

Phoebe: Lana ate it?

All: YUCK!

Me: Oh that's Lana for you. She eats EVERYTHING gross.

Qin: Yeah.

Simone Houou: Junkit!

Me: That guy is getting on my nerves!

Camie: Me too.

Me: Okay lets try this again.

We went and started it and the kids got went down into the engine.

Me: You guys are in the engine.

Qin: Yeah.

Tim: Hey we're going down like an elevator.

Keesha: (Sniffs) That smells like. I think I smell gas.

But the piston later went back up and then nothing happened.

Me: I think I know what's up. You need a spark to burn the gas.

Ralphie: That's it! That's what's missing! The Engine burns gas!

Tim: We need to find a way to get it to burn.

Dorothy Ann: According to my research, you have to be very careful around gasoline because it burns so easily.

Me: That's right. Because if you light gasoline on fire it will burn.

Ms. Frizzle: That's right guys. In fact a big fire can start with just a tiny spark.

Me: That's right. All it takes is just one little spark and boom!

Qin: Yeah!

Wanda: Gas, Air and a Spark.

Carlos: Did you say spark? As in a Spark Plug? Like that thing up there?

He saw the Spark Plug and it was in between the 2 valves.

Ms. Frizzle: What an explosive discovery Carlos.

Wanda: But I don't see any sparks.

Tim: No wonder! More peanut butter.

Me: That Junkit! Okay I got this.

I went to the engine and unscrewed the spark plug and found the peanut butter on it.

Me: Aha! Here's the culprit! This is why the bus wouldn't start!

Nico: Sure about that?

Me: Yep. Without a spark it can't ignite the gas which starts the engine.

Nico: Oh right!

I wiped off the spark plug and it was clean.

Me: There.

I put it back in.

Me: Okay that oughta do it.

We started it.

Tim: The engine should start now.

Me: Brace yourselves guys.

Keesha: Wait a minute. Just how big is this fire going to be?

Me: One way to find out.

I started it and then...

ELECTRICITY CRACKLE!

BOOM!

The gas and air ignited! THE BUS STARTED!

Ms. Frizzle: WAHOO!

They went through the muffler and out the exhaust pipe!

They were back to normal size.

Me: There!

Nico: That did it!

Eli: YEAH!

Nico: Good as new!

Me: Yep and the bus is all fixed.

Qin: Yep.

Ms. Frizzle: Well done everyone!

Lana: Yeah!

Me: Okay Bathtub stations people! Luckily I brought this.

I pulled out a capsule and pressed it and threw it and then...

BOOOOOOOOOOOOOOOOMMMM!

Out came a bigger portable bathroom.

Me: There.

Later The girls got the girls in the girls side cleaned up and the boys got the boys in the boys side cleaned up.

I stayed outside and kept a watch.

Nicole too.

Nico: I wish I could see the look on Junkit's face now!

Me: Me too.

Qin: Yeah!

Simone Houou: Yeah.

Everyone was clean.

Me: There. Feel better?

Phoebe: We sure do.

Nico: How about you, bus?

The bus honked and was happy to be back.

Me: Awesome. Now it should be time for us to get down to business

Lincoln: Okay, gang, we're in for one really dangerous battle: and here's the dangerous part, I found out that an evil version of Zoisite has shown up.

WE GASPED!

Me: Oh shit!

Nico: So, we got an evil version of Zoisite running loose? I thought we would be running into the real Zoisite.

Lincoln: No, not this time. I heard from Vypra that the real Zoisite was already recruited into The M.O.E., this evil version of Zoisite was created by Queen Beryl and sent out to get revenge on us.

Shanan: That bitch!

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Breakfast Princess, Engagement Ring Princess, Frozen Yogurt Princess, Jungle

Princess, Lullaby Princess, Nightmare Princess, Princess Chewypaste, See-Thru Princess, Slumber Princess, Water Princess, Ebony Fox, Crystal Melody, Sparkle Shine, Brenda, Kauane, Abigal Blanquiz, Ebi Demare, Peri Longfox, Ahdia Aqsa Smith, Magic Dash, Star Song, Aaliyah Rosado, Angelic Harmony, Triple S, and Stephanie Gadget and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

Vina Venus: Of all the heartless, vile, deplorable...! When we do go after her, she's going to regret being brought back from the dead by Anti-Monitor.

Lincoln: You said it, Vina.

Suddenly, Lincoln had a premonition, and it wasn't good: it turns out Morgana Midnight Sparkle and the other Midnight Princesses have resurrected Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle from The Black Gates and sent them after us.

Lincoln: I don't believe it, that bitch!

Me: Lincoln, what's wrong?

Lincoln: Morgana Midnight Sparkle and the other Midnight Princesses have done the absolute worst thing ever: they've resurrected Audrey Madison, Clarissa Mallory, The Church of

Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle from The Black Gates and sent them after us.

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, that bitch!

Nico put his skeleton back.

Nico: I hate when that happens. But, I can't believe that insane bitch and her friends did that stunt: resurrecting Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle from The Black Gates and sent them after us?! We're bound to run into them along with Evil Zoisite.

Lincoln: I'm not letting Morgana get away with that, I'm ending Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle and sending them to The Black Abyss.

Suddenly, Lincoln's long shoulder-length wild white hair, large white wolf ears on top of his head, eleven massive and long white wolf tails and rabbit tail, and massive white angel wings and medium sized and small sized white angel wings underneath his massive white angel wings turned neon blue except for the multi-colored phoenix fire ombre streaks in the back of his hair and front strands of hair in front of his face, the rainbow markings on his large wolf ears, the rainbow tips and markings on the wolf tails and rabbit tail, his orange loincloth and large white pants turned neon blue except for the elemental forces on them, the fifteen large colored planets orbiting around his legs and the fifteen smaller planets orbiting around his waist turned neon blue, and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned neon blue as lightning crashed down behind him.

Lincoln has transformed into LIGHTNING LINCOLN, ELEMENTAL HERO OF LIGHTNING AND THE STORMS!

Me: I knew he was going to turn into that!

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, Evil Zoisite's next, and I can't believe Morgana Midnight Sparkle and the other Midnight Princesses have resurrected Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle from The Black Gates and sent them after us.

Catherine Fontaine: I knew they were insane, but this! This has gone too far, when The Ridonculous Race starts, they're all heading for a one-way trip to The Black Abyss.

Lincoln: That they are, Catherine, I'm not going to let Morgana get away with this stunt.

Me: Same here.

Lincoln: Yeah. (Sensed for Evil Zoisite) AHA! Gotcha! I just spotted Evil Zoisite, she's 20 yards away, but she's waiting for us. (Sensed Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: She's sure to have some soldiers waiting for us, so we better be ready for them.

Suddenly, we hear a demonic choir sing as the flames of Hell burst out with intensity, and we saw the sigil of Pythius, Demon of Fraud, form from the fires of Hell.

Anna Anyanova: The Sigil of Pythius?! That means, we're running into the eighth of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

Ariel heard a Pokemon cry.

Ariel: Look guys.

We saw a Poliwrath!

Me: WHOA A Poliwrath!

Nico: Wow!

Poliwrath: Yep and I'm ready for some action.

Me: And you must be hungry.

We gave it some apples.

Poliwag: You're my evolved form!

Poliwrath: Yep I sure am.

He finished eating.

Ariel: Do you want to come with us?

Poliwrath: Sure.

Me: Awesome. You won't regret it.

Ariel: Nope.

We then took off into the air and set our sights on destroying Evil Zoisite, along with Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle who were resurrected by The Midnight Princesses.

We were flying in the air, and we spotted our target: Evil Zoisite.

Lincoln: There's Evil Zoisite (Suddenly picked up on Evil Zoisite's monsters) I knew she wasn't alone, she's summoned some monsters for us to deal with.

Nico: Figures.

Caleb Maxwell: What the?! Okay, time for me to do a little demolition.

Lincoln: No, Caleb. Let me.

Lincoln fired yellow energy and lightning blasts that hit the group of Evil Zoisite's monsters and he sucked out their energy and they flowed into him making him even stronger than ever and the monsters died and he fired lightning blasts at Evil Zoisite and they hit her and electrocuted her as we landed in front of Evil Zoisite, and she was pissed.

Nico: Queen Beryl has some nerve sending you after us.

Lincoln: Since the original Zoisite's already with us, she created you to destroy us. And Audrey, you and the others better get out here right now! There's no use hiding!

We then saw our other targets: Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle and they had a demonic Alicorn on their foreheads: which was proof that they were resurrected by The Midnight Princesses.

Selene Arcangela: And Lincoln was right, so Morgana and her minions did bring you assholes back!

Audrey Madison: THIS IS ALL THAT FREAK'S FAULT! IF HE HAD DIED, WE WOULD'VE FINALLY KILLED EVERY LAST MISERABLE LIVING THING IN THE UNIVERSE!

Damian Alaister: BECAUSE OF YOU, WE WERE ALL SENT TO THE BLACK GATES! NOW, WE HAVE RETURNED TO GET REVENGE ON ALL OF YOU!

Lincoln: And you say that it's my fault, Audrey? No, it was all your fault, you tried to make me rebel against Nico, get me kicked out and killed, and then, kill Nico, you've always been a heartless insane evil bitch and a piece of garbage just like your brother and the rest of your insane family, and you're no better, Damian, you and the rest of The Church of Necrom are nothing but bloodthirsty demons and agents of chaos, same with the rest of you. Morgana Midnight Sparkle and the other Midnight Princesses went way too far bringing you all back, now I'm going to make absolutely sure that you all are wiped out of existence forever.

Adrastea Chernabog: WHAT?! HOW?! MORGANA SAID THAT WE WERE UNSTOPPABLE?!

Lincoln: Seriously? You believe that insane monster bitch, she used all of you, Adrastea, she has no place for any of you, she's willing to double-cross and backstab any of her pawns, and now, this is where you all meet your end.

Lincoln fired rainbow energy blasts that hit Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle and he sucked out their energy and they flowed into him making him even stronger than ever and Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle died from having their energy drained.

Then, their spirits appeared.

Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle: YOU! YOU! WE'RE NOT DONE YET!

Lincoln: Oh no, you all are done forever! YOUR TIME'S FINALLY UP!

Suddenly, the bell of judgement rang in their ears meaning that their time was finally up! Then, the spirits of all those they've killed appeared and grabbed them.

Spirits: GUILTY!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on the foreheads of Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Evil Zoisite gasped seeing her!

Evil Zoisite: So you are me redeemed!

Zoisite: That's right! Shanan showed me the error of my ways back then.

Nico: That's right!

Shanan: So you better be ready to hit us with everything you got!

Evil Zoisite: Gladly!

She fired lightning blasts and Shanan fired energy blasts and the blasts collided and exploded!

Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Evil Zoisite, and Caleb Maxwell fired more bullets at Evil Zoisite and she got hit in the legs and arms, and Caleb Maxwell, Cage Blunt, James Blunt and Travis Tackett fired blasts of darkness and dark energy and they hit Evil Zoisite and she got sent flying into a wall, she got out and she was now pissed off.

Sailor Venus: Jeez, you guys pissed her off big time. Alright, now it's our turn, it's payback time!

Suddenly, Sailor Venus' dark blue eyes turned neon dark blue eyes and she was surrounded by a yellow energy aura with stars, light, metal, iron, love, cats, phoenixes, and angels, she had her Sailor Venus' True Venus Princess Eternal Love Angel Mage's Staff of Eternal Celestial Light Metal Justice in hand, and as she approached Evil Zoisite, she left yellow energy, stars, light, metal, iron, love, cats, phoenixes, and angels with every step.

Sailor Venus: You know, I was surprised that witch created a clone of you, one of her generals, just to piss us off and try to kill us for revenge, but knowing that insane witch, I knew she'd do something like this, but at least I'll get rid of you once and for all, you insane madwoman.

Suddenly, Sailor Venus was surrounded by a massive vortex of yellow energy with stars, light, metal, iron, and love surrounding the vortex, there are cats, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with blood red eyes glaring at Evil Zoisite: the blood red eyes of eternal death and eternal judgement.

Nico: Uh oh, the blood red eyes of eternal judgement!

Me: At least, Mina's going to get payback on Zoisite for everything.

Lincoln: Only on that evil version of her. But, it's been a long time coming though, this'll also serve as a warning to Kunzite who we're facing next, and it'll serve as a warning to Queen Beryl as well when we truly face her.

Then, as the vortex faded, Sailor Venus emerged, but she was changed forever.

Sailor Venus grew from 7'9" to 8'4" in height, she has metal gold braces on her biceps and thighs, and she now has fifteen golden blonde planets orbiting around her legs and fifteen smaller golden blonde planets orbiting around her waist, she has the body of a goddess, she has yellow highlights in the bangs of her long golden blonde hair and yellow phoenix fire ombre streaks in the back and on the two strands and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a yellow energy aura with stars, light, metal, iron, love, cats, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a cat with the Astrological Sign of Venus emblazoned on her forehead and Third Eye with red iris, she has on cat earrings with yellow gems for eyes and holding the Star, Magic, Iron, Love, Light, and Eternity Kanjis in its paws, she also has a cat with dark blue gems for eyes and holding the Star, Magic, Iron, Love, Light, and Eternity Kanjis in its paws on the bottom of her yellow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck, she has on a short-sleeved white blouse, yellow short-sleeved shirt with lights on it, long yellow skirt with stars on it, white stockings, white knee-high high heels, and long sleeveless white trenchcoat with stars, light, metal, iron, love, cats, phoenixes, and angels on the coattails and on the back is an angel with the astrological sign of Venus above its head surrounded by light and metal and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a yellow gem with neon glowing yellow lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Sailor Venus felt a sharp pain on her back, and then, her massive golden blonde angel wings with yellow tips grew much larger for her new body with a wingspan of 20'0" and medium sized golden blonde angel wings with yellow tips grew and sprouted out underneath her massive golden blonde angel wings with a wingspan of 15'0" and small sized golden blonde angel wings with yellow tips grew and sprouted out underneath her medium sized golden blonde angel wings with a wingspan of 10'0" and her eleven massive and long golden blonde wolf tails with yellow tips and yellow markings grew larger and longer for her new body, she has on a Ring of The Phoenix with golden yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow thunderbird wedding ring on her left pinkie finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by Sailor Venus' Super Angel-Sailor Venus Soldier-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but he quickly recovered.

Vina Venus: And it's with that rotten creation of Queen Beryl's.

Suddenly, Vina Venus' yellow eyes turned neon yellow and she was surrounded by a golden yellow energy aura with stars, light, love, phoenixes, and angels, she summoned her Earthshaker Keyblade in her left hand and unholstered her greatsword in her right hand, and as she approached Evil Zoisite, she left golden yellow energy, stars, light, love, phoenixes, and angels with every step.

Vina Venus: Don't think I hadn't known about the real Zoisite, but at least, she proved to be worthy of change, but you, you're just a construct created by that insane witch, Queen Beryl, and for that, I'm going to destroy you here and now, and we're going to make sure you never ever come back.

Suddenly, Vina Venus was surrounded by a massive vortex of golden yellow energy with stars, love, and light surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a white phoenix with the Astrological Symbol of Venus on its stomach and blood red eyes glaring at Evil Zoisite: the blood red eyes of eternal death and eternal judgement.

Me: Oh, Triple Shit! Now, she's mad!

Nico: WHOA!

Lincoln: Angering one of The Keyblade Knights of The Planets is literally the worst thing that anyone could do, and it always ends with them dying horribly.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Sailor Venus, Vina Venus, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Evil Zoisite even angrier than ever.

Evil Zoisite: Impossible! You...! YOU SHOULD BE BENEATH ME, YOU WORTHLESS HUMANS!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Continuous training makes a really huge difference, and it's no surprise you're still as arrogant as ever, Evil Zoisite. Well, then, time for this fight to end.

Suddenly, The Astrological Symbol of Venus appeared underneath Lincoln's feet, and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was surrounded by golden yellow energy and light.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) COSMIC VENUS SOLAR LIGHT BLADE STORM!

Lincoln swung his massive greatsword and fired a massive shower of golden yellow energy blades with light that hit Evil Zoisite, and she was pierced and impaled all over the place, and the final golden yellow energy blade pierced her black heart and she exploded into light and turned to dust and she was sent to the M.O.E.

Nico: WHOA!

Everyone cheered as we holstered our weapons and we powered down and Sailor Venus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large golden yellow planets orbiting around her legs, fifteen smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive golden yellow angel wings and medium sized golden yellow angel wings and small sized golden yellow angel wings underneath her massive golden yellow angel wings are permanent and Vina Venus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large golden yellow planets orbiting around her legs, fifteen smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive golden yellow angel wings and medium sized golden yellow angel wings and small sized golden yellow angel wings underneath her massive golden yellow angel wings are permanent.

Nico: That takes care of Evil Zoisite. But, I still can't believe that Morgana and her minions had some nerve to resurrect Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle.

Lincoln: That's not all, they've also resurrected Oliver Trabol and many of J.D.'s other enemies and many of your old enemies, Nico.

Me: You're kidding me?!

Lincoln: I'm not, J.D. That's the last straw, I'm sending my message to those insane she-demons at once!

Suddenly, Lincoln's deep blue sapphire eyes glowed, and he found the prison of Morgana Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer in the deepest regions of The Netherworld, and they were plotting how to get out.

Then, the image of Lincoln's deep blue sapphire eyes appeared to them.

Lincoln: I should've known that you were behind this, Morgana. It's bad enough you brought back Viktor and Kraven to cause havoc, now you went and Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle, but that's not all, you've also resurrected Oliver Trabol and many of J.D.'s other enemies and many of Nico's old enemies as well, as if you haven't stooped that much lower than that!

Morgana Midnight Sparkle: We will never stop until you are all dead and this entire world is destroyed forever! (LAUGHING MALEVOLENTLY)

Lincoln: Not happening, Morgana, besides, you're just using them for your own schemes, but you and the rest of your minions can watch while I drain them all dry of their energy and send them to The Black Abyss, and I'm not done yet, we're declaring war on you and your minions, come the day of The Ridonculous Race, we'll be ready and we won't stop until the battle that began eight years ago ends and all of you are dead and gone forever in The Black Abyss!

The image of Lincoln's glowing deep sapphire eyes disappeared, and The Midnight Princesses roared in extremely insane anger and rage making Lincoln's message clear: LINCOLN AND THE DAYDREAM PRINCESSES ALONG WITH TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL DECLARED AN ALL-OUT WAR ON THE MIDNIGHT PRINCESSES!

Me: Looks like you've sent the message, Lincoln.

Lincoln: I did, and now, we've got a war coming on the day of The Ridonculous Race, but before then, she and her minions can watch as I drain my resurrected old enemies aside from The Dark Sides of me and my sisters, Killjoy Huggins, Scoots, Hawk, Hank, and Dark Chase Young, along with your resurrected old enemies and Nico's resurrected old enemies dry of energy and send them to The Black Abyss and piss them off even more.

Nico: That's awesome.

Me: We'll finally be rid of those shitheads once and for all. So, Lincoln, you going to introduce us?

But, before he could, Fiona Fraua had their hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Fiona Fraua, Keyblade Knight of Hell and the Avatar of the 8th Circle - Fraud, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of of 10 kinds of punishments that are from that Circle: Panderers and Seducers: they are whipped by devils, Sinners guilty of excessive flattery: they are immersed in the dung, Simonists: they are stuck in a hole upside down, with the soles of their feet burning with flames, Soothsayers: they walk with their heads turned backward, Grafters: they are immersed in boiling pitch, Hypocrites: they walk wearing heavy leaden robes, painted with gold, Thieves: they have their hands tied behind their backs by snakes and suffer horrible metamorphosis, Deceivers who gave false or corrupted advice to others for personal benefit: they roam the pit, wrapped in a flame, Sinners who in life promoted scandals, schism, and discord: they are mutilated by a devil with a sword, and Falsifiers: forgers of metals are affected by scabies, those of people snapping together, forgers of coins are tormented by thirst, and those of words are suffering from high fever. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained

Lincoln a lot in everything that she knows in mastering the powers of darkness and the punishments of Fraud, and she hates all of Lincoln's enemies that lie and cheat like Flip and she vowed to inflict all these punishments on those that do all that.

WE GASPED!

Nico: OH MAN!

Me: She'd sent many of them who do all those to that circle of Hell, which means the last Keyblade Knight of Hell we're meeting on Nico's rescue tomorrow...?!

Lincoln: Is none other than Caina Cocytus, The Keyblade Knight of Hell and the Avatar of The 9th Circle - Treachery, and she's someone no one ever wants to mess with, she can easily sense anyone who has treachery in their hearts.

Eli: This means anyone who has treachery in their hearts...?!

Sebastian Mendez: Are ultimately doomed! She and the rest of The Keyblade Knights of Hell had been after me for years because the crimes I committed when I went mad: murder, genocide, attempted omnicide, death, destruction, and chaos, were more than enough for Caina and the rest of her ilk to come after me!

Laina Acheron: And to say that with disdain? You still harbor hatred for us even after all that time?!

Sebastian Mendez: WHAT DO YOU THINK?! I'VE LIVED IN FEAR OF WHEN YOU ALL WOULD COME OUT OF HELL TO KILL ME!

Winona Wrath: That's the fault of your Dark Side and the demons that lived in you, had you told us in the past, we would've helped you.

Qin: No, you wouldn't, you would've killed him because of how much trouble he caused you all and the fact that he was once that "thing" from the past!

Nico: And it's not surprising given the fact that he's also pissed off all of Lincoln's Guardian Angels in the past as well.

Lincoln: And that one of them put a curse on him forcing him to face karma for all his misdeeds, and it's so good to see you again, Fiona.

Fiona Fraua: You too, Lincoln, and whoa, you've really really grown into quite a large, sexy, and extremely manly rugged hunk of a man.

Lincoln then wrapped his massive and muscular arms around Fiona Fraua and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the mark healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Fiona Fraua with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Fiona Fraua saw them and she knew she became part of his harem and is among his many future wives, and she kissed him on the lips which he returned as we cheered.

Nico: All taken care of.

Me: Yep.

Carlos: It was amazing learning about how an engine works.

Lola: Yeah it sure was.

Qin: At least we figured out what was causing the bus not to work.

Laney: A half eaten peanut butter sandwich.

Varie: Yeah.

Lana: And a tasty one too.

Wanda: Jeez Lana you like to eat gross stuff huh?

Me: Yeah she does. Been that way for her since we first met.

Nico: Nice job Poliwrath!

Poliwrath: Thanks Nico!

Poromon: Want some beer?

Poliwrath: Oh no thanks I don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: You're my evolved form and yet, you don't drink?!

Poliwrath: I don't like the taste.

Poliwag: Okay than.

Nico: Good.

But then...

KROW!

Nico got kicked in the butt big time!

Nico: OUCH! HEY!

I laughed!

Nico: HEY WHAT'S THAT BIG IDEA!?

Me: You had this on you.

I pulled off a sign on Nico.

Nico: (Reading) "Kick me, I'm a big dumb nutchewing buttface!" Oh very funny! Who is the wiseass that did that!?

Me: Wasn't me.

Poliwag: Don't look at me!

Eddy: Or me!

Luan: Not me! But that sure was a Kick! (LAUGHS) Get it? But seriously it wasn't me.

Poromon: It wasn't me!

Johnny Bravo: It was these two.

He held up the clowns that he faced before.

Nico: Clowns?

Johnny Bravo: One of these is Tornado Bolt's archenemy and the other is not.

Nico: Oh. PUT A KICK ME SIGN ON ME WILL YA!?

Nico went and grabbed them and shoved them into a tiny car and sent it rolling down the road!

Nico: That'll show em!

May: Yeah!

Nico: That was stupid funny though.

Camie: Yeah.

Nanette: (to Ed Grant) I thought you were hot when you used your Quirk yesterday

Ed Grant: (Blushes) Aw thanks Nanette.

Nico: That was cool.

Lola: Yeah it was.

Disk Wars Hulk: Fitting since it's your turn to shine today

Ed Grant: That is true.

Nanette: Yep. We go see Ace today.

Qin: We sure do.

Lola: Yeah!

Nico: And bring an end to Suel and make him pay for his crimes.

Lana: Big time!

Nico: I think he has another of the Geats' teams enemies with him.

Me: We'll find out.

Qin: Yep.

Nico: We'll find out.

Me: Now time for the main part.

Nico: The Anothers.

Sailor Venus: Yeah that's right.

Eli: (CONCENTRATES) Whoa! We got Another Underbite, Nanette, Antar (Skannerz), Despair Tenko Chabashira, Despair Ryoma Hoshi, Marya Meshkov A.K.A. Morning Star and Doomwing.

WE GASPED!

Qin: Whoa!

Nico: This will be crazy!

Me: So Sailor Venus, Vina Venus, Fayra Halinora, Venia Halinora, Varya Halinorova and Hiyori Kazane.

Qin: Yep.

Eli: And I sense that the Anothers minus Underbite and Nanette are 2 people.

Qin: Wow.

Nico: There they are!

We saw Another Antar (Skannerz), Despair Tenko Chabashira, Despair Ryoma Hoshi, Marya Meshkov A.K.A. Morning Star and Doomwing!

Nico: WHOA!

Me: This will be good!

Another Antar: (In a girls voice) It sure will.

Another Despair Tenko Chabashira: (In a girls voice) And we're ready.

Nico: (GASP) Those voices!

They merged and split into two and they reverted back and were the gene-slammers of Rosemon and Lotusmon!

Nico: Rhonda Rose and Leia Lotus!

Me: Wow! The gene-slammers of Rosemon and Lotusmon.

Rhonda Rose: That's right.

Leia Lotus: Awesome to see you again Nico.

Nico: Same here. They went to my botany classes together and we grew all sorts of flowers.

Nicole: Awesome.

Me: Yeah. By the way girls is the Another Underbite and Nanette friendly or hostile.

Rhonda Rose: Friendly and the Another Underbite is a weird one.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: Now we wait.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL?!

Nico: Oh man! It smells like something died! ED!?

Ed: Wasn't me!

Me: It smells like rotten meat!

Lola: I think it was from them!

We saw ANOTHER UNDERBITE AND NANETTE!

Nico: WHOA!

Lola: Yeah!

Nico: And you guys are?

Another Underbite: (In a girls voice) It sure is.

Nico: (GASP) That voice!

Another Nanette: That is a rancid smell.

They reverted back. The Another Underbite was the Rafflesimon Gene-slammer! And Another Nanette was someone that Nanette knows all too well. She was a girl with black hair, blue eyes, blue clothes and had blue angel wings.

Nico: (GASP) Renee Rafflesia!? Wow!

Nanette: (GASP) Lolanna Taylor!

Lolanna Taylor: Nanette!

They went and hugged.

Lolanna Taylor: I'm so glad you're okay!

Nanette: I am too!

Me: And the Rafflesimon gene-slammer! No wonder!

Renee Rafflesia: Yeah I sure am and also smelling like rotten meat comes with my gene-slammer form.

We saw that her teeth were all shattered and chipped!

Me: What happened to your teeth?

Renee Rafflesia: I was eating metal and it smashed all my teeth!

Underbite: OUCH! I eat metal and it makes me stronger.

Nico: What's your story, Lolanna?

Lolanna: Me and Nanette went to cooking school together and we are best friends and made the most awesome gourmet dishes.

Me: That is cool. We'll have to try them sometime.

Nanette: Yep. You guys will love eating them.

Me: Nice.

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out Geats gear) Because we can grant it instead.

Kaito got a King Ohger Sword and Zocks got a Geats Blaster

Renee Rafflesia: No he didn't. Because of my stench.

Lolanna: He sent us on our way.

Me: Not surprised. Rafflesia flowers smell like rotten meat and he couldn't handle the smell.

Sougo: (gets out King Ohger Ridewatch) Poromon, speaking of food, aren't you and the other mascots helping out Homer later?

The mascots nodded.

Geiz:(gets out Tycoon Ridewatch) Oh boy. This isn't going to end well.

Sougo got KuwagataOhgerArmor while Geiz got TycoonArmor

Me: They are going to work at the donut shop.

Nico: Yep.

Homer: WOOHOO!

Qin: Yeah!

Lincoln: Lets separate you two first.

We did so.

Me: Lets get it on.

Nico: (gets out Underbite's ridewatch) Someone give me some metal to eat!

May: (Gets out Despair Tenko Chabashira's ridewatch) Lets dance.

Maria: (Gets out Morning Star's Ridewatch) Lets brighten up the sky.

Vina Venus: (Gets out Antar's ridewatch) Lets bring the snake power.

The used the powers of Underbite, Antar (Skannerz), Despair Tenko Chabashira, Despair Ryoma Hoshi, Marya Meshkov A.K.A. Morning Star and Doomwing and blasted the anothers.

But then...

KRABLAM!

Nico got bashed on the head by 2,000,000 Year Old Caveman!

Nico: OUCH!

Nico then had a nasty lump on his head.

Nico: HEY WHAT'S THE BIG IDEA!?

2,000,000 Year Old Caveman: Sorry force of habit.

Out came 2,000,000 Year Old Caveman, Thorn (Skannerz) Despair Kirumi Tojo, Sadie Snake, Omochiloid and Maid (Dust Buddies).

Nico: Nice team!

Shanan: WHOA! Is that a Saguarrian?

Thorn (Skannerz): That's right.

Qin: What are Saguarrians?

Shanan: They are cactus aliens and they are from the Desert planet of Saguarrus and they are deadly and powerful living cactuses.

Me: Yikes! Prickly

Nico: (to 2,000,000 Year Old Caveman) Seriously, nice team.

2,000,000 Year Old Caveman: Thanks Nico.

Me: Yeah that is cool.

?: I agree there.

JetSilphymon came.

Me: Whoa JetSilphymon!

Nico: I feel like I know this one.

?: And you do.

Mammothmon came too!

Me: Mammothmon! Wow!

Mammothmon: (In a girls voice) (Swiss Accent) Ja seems JetSilphymon remembers you Nico.

Nico: Catharina Mammoth! Wow!

She reverted back and was a girl with red hair, blue eyes, had red Swiss Clothes on and had red angel wings had a new Crest in the middle of her forehead and had Mammothmon on her shirt and skirt and had a fire sword and had a Digivice on her hip.

Catharina Mammoth: Good to see you Nico. I got this. (Echoing) TUSK CRUSHERS!

She fired energy beams that formed into Mammothmon's tusks

JetSilphymon: (echoing) ULTRA TURBULENCE!

She fired a wave of wind from her pinwheel and the blasts hit the Anothers and I caught their ridewatches and purified them!

Me: Nice one!

Nico: YEAH!

Maria: Two Digimon Gene Slammers at once?!

JetSilphymon: Nope. I'm Catharina's partner Digimon.

Catherina Mammoth: Ja. I'm the Digidestined from Switzerland.

Me: Wow Switzerland's Digidestined. That is cool.

Nico: It sure is.

Maria: Sorry. Got confused there. But you remember Poromon, right?

Catharina Mammoth: I sure do.

Poromon: YAY!

Vina Venus: Do you have any favorite memories of Nico?

Catharina Mammoth: Ja I do. When me and Nico were at my family's chocolate restaurant and we made all kinds of great chocolate.

Qin: Her family makes some of the best chocolate.

Nico: Oh yeah it's good.

Qin: Yep.

Nico and Catharina hugged.

Nico: I've missed you.

Catharina Mammoth: Same here.

We went back home.

Lincoln: Ah, we're here in Emerald Coast, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to take down the Deceptihogs and send them to The M.O.E.

Nico: Leonard told me about them, they're the pig versions of The Decepticons, this is going to be a good one.

Me: You said it.

Kaan Demir-Vanhoof: (Belgian Accent) And this is my first time joining the rescue group, it's amazing.

Lincoln: Thanks, Kaan. Plus, the villains we face are either potential candidates for the Masters of Evil or in many cases, old enemies whom we'd destroyed in the past who've come back for revenge, and it usually ends with them getting The Black Abyss. Originally, we'd sent them to The Black Gates, but due to Anti-Monitor, we have to use The Black Abyss.

Me: And on special occasions, someone in our group winds up transforming.

Sailor Venus: And it also gets incredibly wilder than ever.

CHINESE MUSIC PLAYS

We then saw a horse made of Prussian blue fire fly through the skies.

Lincoln: The horse made of Prussian blue fire, she's here.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair with Prussian blue streaks and Prussian blue headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she has on a necklace with a red gem pendant, she's dressed in a sleeveless Prussian blue crop top, white bridal gloves, crimson red skirt, Prussian blue stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, Prussian blue fire, Prussian blue flames, horses, phoenixes, and angels on the coattails and on the back is Brotherhood of The Fire Fist - Horse Prince, holstered on her back is a massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and red pointed tip for the pommel and with her are the six girls.

Lincoln: (GASPS) Carla Pulushilanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Horse Prince.

Carla Pulushilanhuo: That's right, and I got the girls away from the Deceptihogs.

Suddenly, we saw The Deceptihogs heading right for us, but we saw their eyes were red, and we soon found out they're possessed.

Suddenly, Loopy De Loop's black eyes turned neon grey and he was surrounded by a white, yellow, and grey energy aura with stars, light, moonlight, darkness, wolves, phoenixes, and angels, and as he approached Vârcolac, he left white, yellow, and grey energy, stars, light, moonlight, darkness, wolves, phoenixes, and angels with every step.

Loopy De Loop: (French Canadian Accent) I should've known someone had sent demons after the Deceptihogs and they've wound up getting possessed, unfortunately, they've made a huge mistake, now I intend to exorcise the demons out of them and find out who's responsible for that.

Suddenly, Loopy De Loop was surrounded by a massive vortex of white, yellow, and grey energy with stars, light, moonlight, and darkness surrounding the vortex, there are wolves, phoenixes, and angels flying around the vortex, and in the vortex is a brown and yellow phoenix with the symbol of The Wolf Moon on its stomach and blue and blood red eyes glaring at the demonic-possessed Deceptihogs: the eyes of salvation and blood red eyes of eternal damnation towards the demons.

Huckleberry Hound: Well, hush my mouth. Loopy's going to transform again.

Me: You said it.

Nico: I didn't expect that, but wow!

Lincoln: This is going to be one awesome fight.

But, Loopy De Loop fired a massive barrage of white and grey energy, stars, light, moonlight, darkness, wolves, phoenixes, and angels which hit them, and he also sent his new talisman cards at the demon-possessed Deceptihogs and they got hurt bad, but that angered them badly.

Then, Loopy fired multiple talisman cards at the demon-possessed Deceptihogs and the talisman cards removed the demons from them, and to our shock, it was a contingency plan made by Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle, and they were sent back to Hell for good and The Deceptihogs were sent to The Masters of Evil. We cheered as we holstered our weapons and powered down and Loopy De Loop's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, longer and larger brown tail, large gold halo with four orbiting gold rings on each corner behind his head, fifteen large white and grey planets orbiting around his legs, fifteen smaller white and grey planets orbiting around his waist, smaller planets orbiting around his fingers, planets orbiting around his wrists, and massive brown angel wings and medium sized brown angel wings and small sized brown angel wings underneath his massive brown angel wings are permanent.

Nico: I don't believe it, so the demon possessions were...!

Lincoln: A final contingency plan made by Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle before I sent all of them to The Black Abyss. Well, consider that a final farewell to the last of them. (To Carla Pulushilanhuo) And it's so good to see you again, Carla.

Carla Pulushilanhuo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Carla Pulushilanhuo perched her hands on Lincoln's massive pecs, and she lifted herself up to Lincoln and proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Carla

Pulushilanhuo were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Carla Pulushilanhuo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carla Pulushilanhuo and hugged her, and Carla Pulushilanhuo is very surprised at just how much more taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carla Pulushilanhuo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs his massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as

J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, this is Carla Pulushilanhuo, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Horse Prince, she's Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of Prussian blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Horse Prince, along with having angel wings along with having intense Prussian blue fire powers. She's known as The Horse Master of The Sisterhood of The Fists of Fire, because she's known as the horse trainer and tamer and she owns a horse ranch in Gotham Royal York, and she and Lincoln have ridden the horses many times. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of Prussian blue fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Carla hates Lisa, because of what she's done to Lincoln in the past, and in one incident, she beat her up so bad, she wound up in the hospital with two black eyes, broken arms and legs, broken bloody nose, and an irreversible super double mega wedgie.

Lisa Loud: I request you don't show the photo, for it will make those with weak constitutions sick.

Qin: Good point.

Lincoln: Everyone in the family almost barfed when they saw Lisa in that condition after Carla got done with her. (Shudders) Lisa should've never ever made her mad by trying to kill me, she wound up in the hospital for a month, and now that you're here, Carla.

Lincoln leaned his head down the right side of Carla Pulushilanhuo's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carla Pulushilanhuo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carla Pulushilanhuo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Mary Zihuo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carla Pulushilanhuo.

Carla Pulushilanhuo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carla Pulushilanhuo's waist, and he leaned down to her face and kissed her on the lips, and with her hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carla Pulushilanhuo had an atomic red blush on her face, hearts in her eyes, and her heart was pounding like a drum. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Hitomi Hoshiken, Katana Fujiwara, Kyoko Sanada, Ranko Souma, Sascha Noburugu, and Yukari Yamamoto from Hoshizora Planet ~Yumebako~.

Lincoln: Oh wow, it's Hitomi Hoshiken, Katana Fujiwara, Kyoko Sanada, Ranko Souma, Sascha Noburugu, and Yukari Yamamoto from Hoshizora Planet ~Yumebako~.

Nicole: So, those were the girls that got kidnapped by those assholes?! They were trying to piss you off by killing them!

Lincoln: Which is why I'm glad I sent them to The Black Abyss forever. Are you girls okay?

Hitomi Hoshiken: Yes, we're okay, thanks to you.

Hitomi Hoshiken: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hitomi Hoshiken: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hitomi Hoshiken, Katana Fujiwara, Kyoko Sanada, Ranko Souma, Sascha Noburugu, and Yukari Yamamoto with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villains we went after were The Deceptihogs, and the bad news: they wound up getting possessed by demons that were summoned by Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle as part of one final contingency plan before Lincoln sent them to The Black Abyss.

But, when Lincoln showed what happened with Loopy De Loop transforming and attacking The Deceptihogs and all of us joining in as well and thrashing him and Loopy using the talisman cards to remove the demons and send them back to Hell and sent The Deceptihogs to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Carla Pulushilanhuo have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that bitch and the rest of those assholes did this! I guess getting sent to The Black Gates still made Audrey Madison even more of an absolute monster bitch, along with Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle.

Lincoln: That's why I'm so glad I sent them to The Black Abyss.

Nico: And it figures that Audrey Madison being the bitch that she is tried to arrange one last "Fuck You" to Lincoln with that stupid contingency plan, but we ruined that for good.

Me: You said it, but knowing the rest of our old enemies, they're bound to have contingency plans for your rescue to get revenge one last time.

Eli: Which is why we have to keep our guards up.

Qin: You got that right, but we're finally rid of Audrey Madison for good, that slut deserved it.

Caleb Maxwell: Qin, language, you know my sister's present and there are also kids here.

Allie Maxwell: Caleb, you know I'm not a child anymore, I'm now 18: the same age you were when you told Mom to divorce Dad and kick him and Drake out after you and Hunter found out about his Syndicate, and you're still 20 years old even after you came back from the dead.

Nico: She's right, we watched the video, and when you came back from the dead, you were still 20, and it proved us right: you missed eight years of your life when Drake killed you.

Caleb Maxwell: Yes, and thanks to the rest of Mom's relatives, I'm caught up on what's happened since my death all those years ago.

Lincoln: And we've seen memories of your life.

Allie Maxwell: There is another memory though: it also shows that along with Caleb, the relatives on Mom's side along with me and Mom were also introduced to the world of the vampires that Cage and Travis knows.

May: Wait, you mean there's more?

Caleb Maxwell: (Sighs) Yes, there is, there are more stories that you all should know about me and only the relatives on Mom's side, Mom, and Allie know all too well, but we excluded Dad and Drake along with those goddamn vultures who I call the relatives on Dad's side.

* * *

After Lincoln and all of us beat down The Deceptihogs and freed them from the demons and sent them to Vypra, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carla

Pulushilanhuo saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Carla Pulushilanhuo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carla, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carla Pulushilanhuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carla Pulushilanhuo: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Allie Maxwell: Alright, now to show you the memory of the relatives on Mom's side along with me and Mom were also introduced to the world of the vampires that Cage and Travis knows along with Caleb.

Allie put up the video, and it showed Allie Maxwell who was sixteen and in high school. Then, during gym, she felt a pain on her right arm, and she saw something form: it was a vampiric cross in black ink with red ink in the center.

Past Allie Maxwell: What the? What on Earth is this?

Allie Maxwell kept it hidden under her shirt sleeve, but that got the attention of a vampire cat clad in black outside.

Gunner: The mark, there's no doubt the council will need to hear of this, it's been over 40 years since that day. To think the children and relatives of those who saved one of our own that day now possess that very mark.

Allie Maxwell turned around, but there was no one there as she continued on. Then, when it was time to leave school, But as Allie Maxwell was coming back home, she saw Drake Maxwell, her lowlife ex-older brother who murdered Caleb Maxwell, and he was out to kill her too.

Past Allie Maxwell: Get the Hell away from me, you piece of shit!

Past Drake Maxwell: Time to die, bitch. I can't wait to see Mom die of a broken heart when I take your life just like I did with Caleb.

Past Allie Maxwell: Even though I was ten at that time, I knew you were the one who killed Caleb all those years ago, you miserable little roach.

But, before Drake Maxwell could kill her, he was attacked by two Watchers sent by the council and he was driven away.

Past Allie Maxwell: Huh? What the?

Just then, The Watchers approached Allie Maxwell.

Gunner: Allie Maxwell?

Past Allie Maxwell: Who...are you?

Draven: We need you to come with us, your mother's also with us as well.

Allie followed the vampire cats to a building and she was met by her mother, and then, a group of vampire cats dressed in fancy clothes appeared.

Past Marlene Maxwell: Can someone explain to us what's going on?

Past Allie Maxwell: Mom, what's going on?

Marcus Mackenzie: I know it's a bit much for you to take in, but allow us to explain. One of the Watchers had found out your daughter possessed a mark on her right arm.

Allie remembered the mark on her right arm and pulled the sleeve up.

Past Marlene Maxwell: A mark?

Vampire Elder: The mark we speak of is a deep connection that your family has with us. Do you remember what happened 40 years ago?

Past Marlene Maxwell: 40 years ago? (Gasps) Mom, Dad.

Marcus Mackenzie: Correct, four decades ago, your parents saved one of our own: a vampire, he was attacked by the parents of your ex-husband, Marcus Maxwell. Your parents saved him with a blood transfusion, and this caught the attention of the council quickly. We wanted to make sure they didn't remember that day by wiping that memory clean, but things actually took a different turn, the council saw your parents were a rare case: humans who help out all those in need including vampires.

Past Allie Maxwell: What about the mark?

Marcus Mackenzie: The mark you possess was given to your grandparents the night we approached them and only they and those in their family line pure of heart possess the mark forever welcoming your mother and her relatives to our world, and The Watchers found out your brother also possesses the mark as well which came in late the night he met two vampires who came to New York.

Past Marlene Maxwell: I remember now, when he woke up with pain the next morning after coming home in a panic. He also has that mark, and I couldn't ask him about it, and now, he's gone.

?: Mom.

Suddenly, Marlene and Allie heard a voice and saw a figure that they hadn't heard in years, it was Caleb Maxwell.

Past Allie Maxwell: Caleb? But, how?

The vampires explained the situation, and they were stunned.

Past Caleb Maxwell: I know it was too much to take in, but I'm just so glad to see that you and Mom are both still safe.

I'm so sorry that I hurt you both, and on top of that, now you two are in danger at the hands of that lowlife, Drake, and Dad's relatives, it's all my fault.

But, Caleb was hugged by Allie and his mom.

Past Marlene Maxwell: No, it wasn't your fault, Caleb, it was your ex-brother's fault, and your Dad's relatives are still nothing but scum.

Caleb Maxwell had a blood tear fall from his eye seeing the video.

Past Caleb Maxwell: Mom..., Allie...,

Then, Caleb Maxwell walked up to his mom and Allie.

Past Caleb Maxwell and Caleb Maxwell: I swear, I won't let anyone hurt any of you ever again.

Caleb hugged his mom and Allie as the video ended.

Nico: So, that's how you, your sister, your mom, and her relatives were welcomed into the world of the vampires Cage and Travis are a part of.

Lincoln: Because of an encounter 40 years ago.

Caleb Maxwell: And because of it, I was already exposed to a world hidden from ordinary citizens for centuries, because my grandparents on Mom's side were rare cases, and it was due to the heartless actions of Dad's parents. But while my Mom's relatives, Allie, and I were brought into their world, the vampires sought to get revenge on my dad, his relatives, and Drake because of what his parents did four decades ago. If Dad and Drake dare to escape from Hell, I'll drag them to the council and let them decide their punishment.

Nico: Because you killed them last time, this time, we'll let the council deal with them.

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Bowser's Castle for Round 1.

Me: WHOA! You know I'll be going for that one.

Nico: I know you would.

Emerald Goldenbraid: Me and Scarlett will go too.

Scarlett: This will be awesome.

Nico: Lets get a move on then.

We went into the simulator and it activated and we were at Bowser's Kingdom! It looked like an amazing Japanese Temple.

Bowser's Kingdom is the thirteenth kingdom visited in Super Mario Odyssey. It is the home of Bowser and the greater location of Bowser's Castle. Unlike most games, which feature a Western-European design for his castle, Bowser has constructed a new castle for his wedding with Princess Peach, resulting in a lush, flowering traditional Japanese castle, with a concentric series of walls and baileys, a traditional garden and tea house, and a central keep. Instead of the usual lava, its moats are filled with poison.

At the end of the kingdom, Mario and Cappy must defeat RoboBrood, a giant robot piloted by the Broodals. After defeating the Broodals, Mario and Cappy visit the Moon Kingdom to chase after Bowser and Princess Peach.

We were amazed!

Me: Wow! This is like a Japanese castle.

Nico: Amazing!

Emerald Goldenbraid: This is amazing!

Me: Boy we should have saved this level for the Chinese Moon Festival.

Nico: That would have been a more fitting day for this wouldn't it.

Scarlett: Indeed.

Nicole: You guys are ready for the first boss of this one. That is gonna be RoboBrood. I'll tell you how to take that one down when you get there.

Nico: Okay.

Scarlett: We can always revisit this place for a boss battle Nicole chooses

Me: Good idea.

Nicole: I'll think of something.

Me: Okay.

Nico: Lets get a move on.

We were off.

Me: Wow! It's amazing. Reminds me of the wedding we had for Jack and Ashi in his kingdom when we were the Brave 12.

Nico: That is awesome!

Nicole: It sure was. Also Princess Peach in this level looked really gorgeous in a Pink Kimono.

Emerald: Really?

Nicole: I'm not kidding there. She was beautiful there.

Princess Peach: It's true.

Scarlett: Good to know.

We got to the top of the castle and there we saw ROBOBROOD!

Me: WHOA!

Emerald: Cool!

Me: Nice Mechsuit guys!

Rango: Thank y'all kindly!

Spewart: Y'all gonna get a thrill from this.

It was a robot piloted by the Broodals.

Nico: Awesome work you all put into it.

Hariet: It sure is a great suit.

Me: I'm impressed. Lets dance then! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

Nicole: Okay you guys have to defeat him by smashing the 4 domes on the mechsuits body.

Nico: Easy.

Rango: Lets dance then y'all!

Me: Here we go.

Scarlet: Lets do this!

Me: RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

A massive vortex of blue fire exploded out and I was ready for action!

Me: I wonder if my quirk is different every time I turn into Wolf Moon.

Nico: Lets find out.

Me: Lets see.

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I tested my quirk for Wolf Moon and then in a massive vortex of blue fire I summoned THE SOULS OF ALL THOSE WE BANISHED TO THE BLACK GATES OVER THE YEARS AND THEY WERE MINDLESS HUSKS OF THEIR FORMER SELVES! I HAD THEM ATTACK ROBO-BROOD! They went at it and blasted and smashed it all over!

Me: WHOA! All those we banished to the Black Gates!

Nico: Amazing!

Me: WOW! Wolf Moon Servant. This is amazing! So the Quirk is different.

Among them was the husk of Slade!

Me: WOW! Slade too!? That is amazing!

Qin: WHOA! That was incredible!

Sakura Knudson: YEAH! Way to go bro!

Me: Yeah! Kabuto does this ring any bells?

Kabuto Yakushi: Actually yes it does. It's very similar to my Dead Soul Jutsu. Except you used the souls of those you banished to the Black Gates.

Me: Wow! So now their body husks are now mine to command as my minions in a way.

Nico: That is amazing!

Me: Yeah!

Rango: What are y'all doing! STOP IT!

They weren't listening.

Me: I guess they obey only me.

Nico: Wow!

Emerald Goldenbraid: Boy that is awesome!

The husk of Dark Chandler was there too

And he bashed the Robo-Brood all over.

Nico: Boy J.D. that is so cool! I didn't know that you had this kind of power. Anti-Monitor is now not the only one that can use the souls of those from the Black Gates.

Me: You learn something new every day.

Nico: Yeah.

Laney: Boy that is cool! Dark Chandler's spirit may be gone but his body isn't.

Me: Now that body is mine to use.

Nico: Yep.

The husk of Lady Tremaine was there too

Cinderella: Oh this is an amazing twist of irony. Now Tremaine is J.D.'s servant.

Me: That is an awesome twist of irony! Tremaine, Smash Rango's dome!

She obeyed my command and smashed the dome to pieces.

Nico: WOW! They really do Obey only you!

Me: No doubt there!

Scarlet: Is that all?

Me: There must be MANY MORE of them. But we'll find out soon.

?: QUAGMIRE TWISTER!

A huge brown arm came and clotheslined the Robo-Brood and knocked it down!

Me: WHOA!

We saw GIGASMON! And with it was a girl with brown hair and brown eyes and brown clothes and brown angel wings and had a tiara with Ground Scaravich on it.

Amber Scaravich: Amber Scaravich, Embodiment of Ground Scaravich at your service.

Keiko: Amber! Wow!

Yusuke: Awesome to see you again.

Amber Scaravich: You too Keiko and Yusuke. Been a while.

Gigasmon: (In a girls voice) And Nico you're looking great.

Nico: Gloria Gigas? Wow! Been a while. Lets get them!

Me: YEAH!

I fired blasts of fire and blasted them all over.

Nico: (gets out Underbite and Creature of The 5th Dimension's Ridewatches) Let's eat metal from other dimensions!

Nico activated them and fired waves of energy and blasted them.

Emerald, Scarlet and Amber fired energy blasts and blasted the Robo-Brood!

Gloria reverted back and was a girl with brown hair, brown eyes, brown clothes and had brown angel wings and Gigasmon in the middle of her forehead and on her skirt and had the Earth Spirit Kanji on her arm and had a powerful warhammer in her hand.

Gloria Gigas: Take this one! TECTONIC SLAM!

She smashed the hammer onto the ground and released a massive seismic shockwave and it sent the Robo-Brood flying into the sky and it exploded! All 4 Broodals exploded into an awesome fireworks display!

Nico: NICE!

Me: Awesome fireworks!

We got 30 red moons.

Me: YEAH!

We all high five

Nico: How did you meet Yusuke and Keiko?

Amber Scaravich: I met them when I was helping them battle Toguro in the Dark Tournament. My opponent was a woman named Ruka. She put up a good fight.

Me: I know Ruka. She's in our frenemies in the M.O.E. And she is a powerful one. Also I battled Toguro myself. I wasn't nearly as powerful back then as I am now but that was awesome.

Amber Scaravich: Wow!

Me: I know. Gloria do you have any memories of Nico?

Gloria Gigas: I sure do. When me and Nico were over in the San Andreas Fault and we studied all about how Faults work we found a bunch of cool rocks and showed them. They gave us an A for it.

Nico: Yep.

Me: Cool.

Nico: Yeah.

Nico and Gloria hugged.

Nico: I've missed you.

Gloria Gigas: Same here.

Me: Would you two like to join us?

Amber Scaravich: We would be honored.

We left the simulator and everyone cheered wildly for us.

At the Donut Shop, we saw the mascots doing some stuff.

Aoi Sangū: What are you guys up to now?

Poromon: Helping Homer.

They were glazing donuts and even decorating them.

Me: Boy look at all these are donuts.

Poliwag: My job is to make sure Homer doesn't eat all the donuts.

Lily: You know how Homer is with his donuts.

Homer: Mmm donuts. (DROOLS)

SLAP!

Poliwag: Easy there.

Shinoa Hiiragi: How about the jobs of the rest of you?

Manaphy: I make the dough for the donuts.

Horsea: And I clean up as the busgirl.

Me: Good jobs for you.

Poromon: Yep and I glaze and bake the donuts.

Camie: Awesome.

Runabout: You should be also worried about you 4 eating the donuts.

Poromon: Whoa whoa. We control ourselves.

Nico: I taught them how to restrain themselves when it comes to sweets.

Poromon: Yeah. Besides we control ourselves like that.

Blur: Speaking of donuts, can we have some?

Poromon: Sure.

We got some donuts and paid for them and man were they good.

We were eating the donuts we got.

Me: (eating) Mmm! Delicious.

Lea: Man, these donuts are good!

Me: They sure are.

Nico: The mascots did a very good job surprisingly

Me: I'll say.

We were really having a great time.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Yona, Himiko, and Carlota's main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with

Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Suel, and he's on the move and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: So, you've finally made your move, Suel.

Lincoln sounded the alarm.

Qin: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a seriously huge emergency, and we're in for one brutal fight: I just had a vision and I saw who it was that we're going to confront today: it was none other than Suel, and he's on the move and is causing havoc.

WE GASPED!

Himiko: I knew it.

Nico: Suel's finally on the move, and now, we can finally destroy him forever.

Me: You said it.

Eli: He's finally getting The Black Abyss for what he's done.

Me: You got that right, Eli. This is gonna be one explosive battle.

Nico: He's finally heading for The Black Abyss. Alright, team, let's get ready to head to Japan and destroy that piece of shit, Suel.

Lincoln: He's not getting away with this, the time to destroy him has finally come.

The previous group came.

Firebrand: Can me, Man Boy, Femme Fetale, Trapster, Kangor, Saix, Spot, Johnny 13, Kitty, and Titanium Titan go with you guys?

Nico: Yes you all can come with us.

Xenia: We're going to be in for an intense battle.

Lola: Yep.

Runamuck: Boss, which Gene Slammer do you think you'll meet next?

Nico: Gesomon next.

Qin: Ooh awesome.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: the figure was none other than Chizome Akaguro A.K.A. Stain, and he's come back from the dead wanting revenge on us for killing him. When we saw it, we knew it meant trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Rayman: Please, tell me that wasn't who I think we just saw!

Lincoln: I'm afraid it is, Rayman, and I thought we were through with this mess. The figure we saw was none other than Chizome Akaguro A.K.A. Stain, and he's come back from the dead wanting revenge on us for killing him.

Bakugo: I thought we were done with him forever!

Izuku: Anti-Monitor did this, he brought him back.

Lincoln: Exactly, Izuku. But, we're not sending him to The Black Abyss after we send Suel there, no, I'm going to strip him of his abilities and throw him in jail as punishment.

Me: Good idea, Lincoln.

Nico: He did lose his Quirk thanks to All For One stealing it, but he's still as dangerous as ever, plus, he also has a Monitor Orb embedded in him, so we can't underestimate him. Alright, team, let's go, we're off to Japan to help Ace and the team destroy Suel.

Lincoln: That madman's time is finally up, now he'll answer for all of his crimes, and once we get done with him, you're next, Stain.

Himiko: We've said it before and we'll say it again, you're no vigilante, you're just a psycho serial killer and a delusional monster who deserves to spend the rest of your life in prison.

Yona: But, not before we pulverize him into the ground.

Carlota Santiago: Considering everything he's done, he deserves to rot in prison forever. Ace, you and your team hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us went out to Japan to help Ace and the team destroy Suel and send him to The Black Abyss, and then after that's done, it'll be the turn of Stain, and he'll be spending eternity rotting in jail for his crimes.

We were off to Japan

We arrived.

Femme Fatale: Here we are!

Me: Awesome to see Japan.

Nico: Yep.

Then we heard fighting.

Me: Uh oh.

We then went and saw the Geats team fighting Vivix!

Me: They're fighting Vivix. So the Dino Charge Rangers get their chance today.

Lola: Nice.

Nico: Lets use the mini-entrance.

We went at them!

The riders were really showing off. But then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Ace: That's Zocks!

Then we landed.

Me: Looks like the fun has started.

Ace: You guys made it!

Nanette: Like we would miss this!

We fired energy waves and blasted the Vivix!

Poromon threw donuts at them and they hit the Vivix and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMMM! KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMMMMMM! KRABBBBBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Nico: WHOA!

Me: Exploding donuts! Wow!

Poromon: The secret is in the frosting. But I'll never tell.

Brian: You guys have got to stop paying attention to the cutaways we did.

Poromon: Sorry. But I would never use that on us.

Me: Good.

Poliwag: Is that all of them?!

Poromon: Yep it is!

I saw a Vivix going up behind Ace.

I fired a blast of energy and destroyed it before it got to him.

Me: Okay NOW it is.

They powered down.

Ace: Glad you all came!

Neon: Yeah we owe you big time.

Me: Lets just say that's number one in our debts to you guys.

Eli: Yeah that was for helping us with Xehanort.

Ace: No problem.

Jewel Man: We want to thank you guys for helping to hold off Kemur Man

Ace: Aw no problem guys.

Me: That was awesome.

Himiko: It sure was.

Lily: Let me guess Poromon you put in nitroglycerin in the donuts.

Poromon: HOW DID YOU KNOW!?

Lily: I just figured it out.

Kangor: (Jamaican Accent) Did you really, mon?!

Poromon: Yes I did. Wanted to try something else other than just beer bottles and all that.

Me: It works perfectly. But only use it on bad guys.

Nico: I was gonna say.

Ace: Lets talk more at base.

Me: Okay.

We went to the DGR temple.

Papillon: This base looks nice

Me: And the view of the planet is incredible too.

Papillon: Wow! Look how high up we are!

Me: This is only 50,000 feet up.

Nico: Yep.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

We saw huge lightning bolts being shot into the sky.

Me: Whoa! Something is generating tons of lightning down there!

Nico: YEAH! We'll find out what it is later.

Spot: Ace, is Magnum really your default form?

Ace: That's right.

Me: That is awesome. I loved the 9-Tailed version too.

Naruto: That's very similar to my powers with Kurama.

Ace: It sure is. And fitting too.

Naruto: Awesome comparison.

Tsumuri: I must warn you that Kamen Rider XGeats is helping Suel too.

WE GASPED!

Me: Whoa I remember him! He was that dark version of you Ace.

Qin: Yeah.

Nico: He was brutal and tough. He put up one helluva fight.

Ace: He sure did.

Neon: That was when Ace had an identity crisis.

Me: I remember. That was nuts.

Eli: Yeah.

Me: XGeats will be an awesome addition to the M.O.E.

Nico: Yeah I was just about to say that.

Nico: Yep.

Horsea: Oh and Neon, I said this during Christmas last year but you are an adorable rider.

G1 Venom: It's true. She DID say that

Neon: (LAUGHS) I like that Horsea. Thank you.

Me: (LAUGHS) We thought that was really cute.

Horsea: Yeah.

Maria: Yeah. Horsea did say that.

Neon: I'm glad.

Me: Yeah.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to the Geats team) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Kitty: You get ones under your pillows if you're good!

Neon: Aw Poromon looks so cute as a fairy.

Me: Yeah he sure is.

Nico: Yeah.

Ace: Unfortunately we don't drink.

Poliwag: (Does puppy eyes) Aw pwetty pwease?

Nico: Poliwag that's enough.

Me: We call this our Ambassador Tradition. Poromon dresses up as a beer fairy to give people who are good beer under their pillows.

Laney: Yeah it's cute and awesome.

Camie: Yep.

Ace: (laughs) Nice try, Poromon. But I witnessed your love of beer firsthand

Elec Man: And you offering new mascots said beer.

Poromon: Oh right. Sorry.

Me: Yeah.

Neon: We heard that Gotham Royal York is amazing.

Me: It's awesome. And the view of the entire planet from our 528,000 foot high tree is incredible.

Ace: It sure is.

Me: Gotham Royal York has it's likes and dislikes. Especially because of a certain movie we loathe so much.

Neon: Let me guess. Winnie the Pooh: Blood and Honey.

Me: Bingo!

Horsea: YOU GET A FIRSTHAND LOOK AT THE ABOMINATION! (shows trailer close to Ace's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Ace: That movie was horrible and I saw the trailer already.

Poromon: (shows trailer close to Neon's face) YOU LOOK AT IT!

Neon: HORRIBLE! But yeah I saw it!

Manaphy: (shows trailer close to Michinaga's face) YOU LOOK AT IT!

Michinaga: THAT IS AWFUL!

Poliwag: (shows trailer close to Keiwa's face) LOOK AT IT!

Keiwa: HORRIBLE!

Jirachi: (shows trailer close to Tsumuri's face) LOOK AT IT!

Tsumuri: HOW HORRIBLE!

Tentacool: (shows trailer close to Win's face) LOOK AT IT!

Win: WHAT KIND OF HORROR IS THAT!?

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN HORROR!

Titanium Titan: Be honored. You guys are getting the full version of this!

Me: Yeah!

Neon: That was awful!

Nico: It was.

Neon: But we saw the lawsuit you guys did for that movie! That was amazing!

Kit Taylor: It sure was. They took that movie to court and banned it.

Me: Yep.

Blot: The mascots wanted them to get the Black Gates.

Poromon: POOH DOES NOT DESERVE TO BE DISGRACED BY THIS MOVIE! THERE WERE NOT EVEN HEARTLESS IN THE HUNDRED ACRE WOOD WHEN SORA HAS HIS JOURNEYS!

Neon: And normally I agree there but J.D. would never do that to those people.

Me: No I wouldn't! Because the people that made that movie are innocent people and our code never allows us to hurt the innocent!

Neon: That is right!

Keiwa: I don't blame you guys though. Pooh is sacred.

Kitty: I know! Oh, and J.D. and the rest fought the real Blood and Honey versions last year.

Nico: It's true.

Qin: Yeah.

Lola: And all because of Christopher Robin leaving for College!

Michinaga: Seriously?! I know college is expensive nowadays but growing up is a part of life!

Kevin Levin: Apparently, those versions were too lazy to see that!

Nico: Yeah I agree.

Qin: Me too.

Me: Same here.

Johnny 13: (to Ace and Neon) How come you guys aren't that horrified by it?

Me: Ace was with us after we found him and he saw the trailer before.

Ace: He's right.

Neon: Yeah and I saw the movie in the theaters and I HATED It.

Me: Wow! You have a lot of guts to see it.

Saix: Ace, let's try to defeat Suel without sacrificing everyone's memories of you, okay?

Ace: Don't worry that is not going to happen again.

Me: Good.

Lincoln then had a premonition.

Lincoln: WHOA!

Me: What is it?

Lincoln: I know who Nanette's Akuma is. Her name is Thunderstag. She's a Stag Beetle made entirely out of pure lightning. She is a master of intense lightning. She was made when the Shredder turned her into Thunderlegs and vowed to kill the Shredder

WE GASPED!

Qin: WHOA!

Me: That explains what all that intense lightning was from.

He showed a sketch of her and we saw that she really was a Stag Beetle made entirely out of pure lightning.

2003 Mikey: Aw man! It was hard to defeat her as Thunderlegs. How are we gonna defeat her now?!

Me: We're going to need a powerful lightning rod.

Qin: Yeah.

Lincoln: Like me.

Linka: And me.

Me: Good idea. Better call Beast Man too.

Beast Man came.

Beast Man: Sorry I'm late!

Me: You made it just in time actually.

Lola: Yep.

Me: Shall we head down?

Nico: Lets shall.

We were off.

We landed in the city.

2003 Donnie: Look for anything electrical!

Me: Right.

THUNDERCLAP!

We saw the lightning

Me: There!

We then saw people running and then we saw THUNDERSTAG!

WE GASPED!

Me: WHOA!

Nico: WOW! That is one electrically charged bug!

Thunderstag: Yes I sure am.

Me: WOW!

Ed Grant: Nanette? Is that you?!

Thunderstag: Yes Ed it's me. I became this way because of the Shredder.

Me: The Shredder is dead. We all killed him.

2003 Leo: Nanette, we'll stop you if we have to!

Thunderstag: (to the 2003 Turtles) How can you stop me if you could barely defeat my Thunderlegs form the first time?

Me: We just need to absorb all your lightning.

Thunderstag fired a blast of lightning and Lincoln absorbed it.

Nico: Like that.

Beast Man: My turn! (charges at her)

And knocks her down.

She fired lightning at Beast Man

But he ducked and Lincoln absorbed the lightning.

Lincoln fired waves of wind and blew her down and knocked her out.

Lola: Nice one!

Demolishor: That was... shocking!

Nico: Tell me about it.

Qin: Yeah.

Lola: Now for another fun thing.

Me: The usual battles.

Beast Man: How about I go see the DGR Temple while that's going on?

Trapster: You go do that.

He teleported there.

Me: Okay.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex came

Nico: Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex

Firefly: How high is the DGR Temple?

Ace: Very high up.

Me: About 50,000 feet up.

Plastique: Whoa!

Me: Yep

Whiteout: We'll have to check it out after today!

Nico: Good idea.

Gearhead: (to Nico) We heard you went on another Frizzle field trip.

Nico: Yep we sure did.

Ghost: (to Ariel) You should take care of that Poliwrath.

Ariel: I will.

Then Keisatsuki came.

Me: Up for another round Keisatsuki?

Keisatsuki: I sure am.

Me: Sweet.

Keisatsuki: I actually get along very well with Tokusouki.

William: Because you're both Police Hitotsuki, right?

Keisatsuki: Yep.

Me: Awesome.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Lola Loud, Fire Man, Chunk, Numbuh 362, Numbuh 86, Numbuh 274, The Kid, Sunset Shimmer, Pipsqueak, Fire Skylanders, Lea and Francis VS Firefly, Evil Fire Man, Stone Dragon, Living Monolith, Haroud Hazi Bin, Nadare Rouga, Dark Boma Zimba and Fire Elementor (Theme including Fire Man) - Us learning about the mechanics of the bus with Ms. Frizzle's class and battling an Evil Zoicite

---

Firefly was first.

Firefly: (to Lola) Nico's rescue was learning about the mechanics of the bus with Ms. Frizzle's class. And battling an Evil Zoicite

Lola: Yeah we learned all about how the engine works and it was awesome.

Fire Man: Lana sure knew what she was doing. Also we found the cause of why the bus didn't work.

Chunk: Someone left a half eaten peanut butter sandwich on the bus.

Firefly: Who in their stupid mind would do that?

Sunset Shimmer: Some guy named Junkit.

Pipsqueak: (British Accent) Yeah that was crazy. He really had it out for the bus and Ms. Frizzle.

Sunburn: He sure did.

Firefly: And Lana ate that sandwich no doubt. Lets do it!

LOLA OF FIRE! MAGMA MAN! BEST MATCH!

Lola: Watch this!

She fired waves of rainbow fire and it blasted them down.

Lola: My quirk is Spectrum Fire.

They fired waves of fire and smashed them down.

He pointed to a warehouse on top of the Tokyo Skytree.

Me: The Tokyo Skytree. Whoa.

Nico: Lets get a move on everyone. (EYES GLOW RED) Get ready Suel it's time for us to pull the plug on your evil games!

We were off!

We arrived at the tower.

Me: This is it.

Nico: I heard they just opened up this building.

Me: Yep.

We went to the entrance and saw BEROBA!

Me: Beroba!

Nico: Beroba! Let me guess. Suel got you out?

Beroba: So I can have revenge on all of you!

Nico: We're just going to send you to the Noto Prison again. It's Suel who's going to die!

Me: Yeah!

?: Leave her to me!

We saw Daichi!

Daichi: I'll hold her off. You guys pull the plug on that monster.

Me: With pleasure! Thanks Daichi!

Eli: Me, Smolder, and Chloe are helping too!

Daichi: Thanks Eli.

Me: Be careful bro.

Eli: I will.

We went into the tower.

In the tower we looked around.

Me: Nice place.

Anakin: I sense them on the top floor.

Me: Okay. All of us aren't going to fit in the elevator. So we'll have to take the stairs.

Mesmeralda, LeFou and Crazy Cat Lady came.

Beast Man: (to Crazy Cat Lady, Mesmeralda, and Lefou) Thanks for coming, guys.

Crazy Cat Lady: (YELLING INCOHERENTLY)

Me: SHH!

Nico: We can't let him know we're here. But this tower is brand new so we'll have to take the fight to another planet to avoid having it damaged.

Me: Good idea.

We went up the stairs to the top floor like a SWAT Team coming in.

We got to the top floor and saw a rainbow door.

Me: That must it.

Anakin: Yes it is. I sense Suel through it.

Me: Okay lets get ready.

We hid and Beast Man, Mesmeralda, Crazy Cat Lady and LeFou went through it.

They saw SUEL!

Suel: So good of you 3 to come.

Mesmeralda: We have a habit of showing up.

Suel: (to Crazy Cat Lady, Mesmeralda, and Lefou) You 3 are just in time witness me conquering he world and reviving the Desire Grand Prix!

LeFou: Sorry to disappoint you pal but that won't happen.

Ace: I agree.

Ace went in.

Suel: ACE!? You're alive?! I thought you died!

Ace: I did die. I sacrificed myself to save the world from you and the Desire Grand Prix.

Suel: So you were brought back. How pathetic.

AcE: That's right and now I'm going to stop you.

Suel: (to Ace) What makes you think you can defeat me this time without sacrificing everyone's memories of you?

Ace: Because this time, I'm not really alone!

Suel: What do you mean?

Then the spirits of the Video Games came in and swirled around him and then the area turned into the planet Glaren as they were taken there. Then the spirits converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted off above him and then a Phoenix Cry was heard and then we came out.

Me: Suel your time has come!

Nanette: Hello Suel! Been a long time.

Stain Came out!

Nanette: Stain. I would say it's nice to see you again but I would be lying.

Stain: You false heroes will all die!

Me: The only false heroes were those douchebags of Team Buktu! Including your fallen comrades for All For One.

Nanette: And to be honest I was expecting him to show up for my day to shine but you will do.

Nico: (to Stain) You're lucky we're not killing you this time.

Stain: (amused) Oh, and why's that?

Nico: Because you're right about one thing. There ARE fake heroes like Team Buktu out there. That's why you became who you are. So, you're gonna spend the rest of your life in prison. But don't get too comfortable. We're still beating your ass.

Me: And it's going to hurt really bad!

Suel: We'll see! Vivix, rise!

An army of Vivix appeared.

Me: Kind of weird for you having the Dino Charge Footsoldiers with you.

Suel: Maybe so.

I fired energy beams and blasts and blasted the Vivix all over the place in fiery explosions.

KRABBBBBBBOOOOOOOMMM! KRABBBBBBOOOOOMMM! KRABBBBBOOOOOOOOOMM!

The Geats team got jumped on by them

The Geats team lay defeated at the hands of the Vivix

Suel: (to Ace) The first thing I do when I revive the Desire Grand Prix is erasing you from existence!

POW!

I punched Suel in his face and knocked him down.

Me: Not on my watch!

Poliwag: (slaps Vivix with his tail) Oh no! What do we do?!

Himiko, Yona, and Carlota got an idea

Himiko: (to everyone watching) Everyone out there! Lend the Geats team your strength! They get stronger with your support! When I go "1,2", shout "Here comes the Highlight"! Okay? 1, 2...

All: HERE COMES THE HIGHLIGHT!

Yona: One more time! 1, 2...

All: HERE COMES THE HIGHLIGHT!

Carlota: Louder! 1, 2...

All: HERE COMES THE HIGHLIGHT!

Jamesdean5842: HERE COMES THE HIGHLIGHT!

At this, Ace found the strength to get up!

Ace: (smirks) Erase me from existence? Clearly, you forgot what I can do!

Ace then punched a nearby Vivix, knocking it down

Suel: WHAT!?

Stain: IMPOSSIBLE!

Ace: Sorry Suel but I died once and I'm not going to die again!

Me: You got that right!

Ace: Thanks for the help, everyone.

Neon: I knew I was this popular!

Keiwa: I'm surprised I'm even popular at all.

Nitoh holds his ring on his right hand over his belt buckle, causing it to become a black based belt with two projections on the side

Beast Driver: Driver ON!

Haruto flips what looks like a visor down on his left hand ring, while Nitoh readies his left hand ring. Haruto then uses the switches on the WizarDriver once, switching the hand sigil so it appears left handed.

WizarDriver: Shabadoobi Touch Henshin! Shabadoobi Touch Henshin!

Haruto and Nitoh: Henshin!

With that, Haruto scans his ring over the WizarDriver, while Nitoh plugs his left hand ring into the left hand portion of his Driver and twists counterclockwise, revealing a golden lion face inside and golden decorations on the now open panels

WizarDriver: Flame! Please. Hi, Hi, Hi, Hi, Hi!

Beast Driver: Set! Open! L-I-O-N! Lion!

After completing their respective actions, Haruto and Nitoh are hit by a circle of sigils in red and gold respectively, transforming them into their Kamen Rider forms, with Haruto being a primarily black suit almost like a trenchcoat, save silver accents and red gem-like plates on his chest and helmet, and Nitoh being a black and gold lion themed warrior, with a face very much akin to his transformation ring, save a silver mouthpiece!

Kamen Rider XGeats came out!

Kamen Rider XGeats: Did you forget about me?!

Nico: Actually, we didn't!

Me: That is awesome that you look like a black version of Kamen Rider Geats.

Kamen Rider XGeats: I know.

Suel turned into Kamen Rider Regad Omega

Me: Now this will be a challenge.

Suel: You will all die for ruining my plans!

Stain: You false heroes will all die!

BUT, CALEB MAXWELL HAVING HAD ENOUGH OF STAIN FIRED BULLETS FROM HIS GUNS!

Stain: (SCREAMING IN ABSOLUTE AGONY)

Caleb Maxwell: I have had it up to hear with you for the last time, you delusional serial killing son of a bitch! Team Loud Phoenix Storm are the true heroes, but you, you're just a psychotic bastard who enjoys killing anyone who gets in your goddamn way, and for what, your delusional crusade to kill all "false" heroes, you make me sick, and for that..., (SCLERA TURNS BLACK AND HIS RED EYES TURN BRIGHT RED) (DEMONIC VOICE) I WILL END YOU!

Then, we saw his shadow rise, and his shadow's coat unfurled and opened out even more as if the coat had turned into massive bat wings and demons and bats flew out into the skies.

Hunter: (German Accent) Mein Gott.

Hunter's Friends: Not good.

Cage Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase: Not again.

James Blunt: Now, he's pissed.

Stain tried to use his killing intent on Caleb Maxwell, but the murderous intent coming off of Caleb was far darker and much more horrific: it's as if Hell on Earth had been unleashed, and that caused Stain's body to be struck with paralyzing fear far worse than his.

Stain: (Strained Voice) W-what the Hell?! W-who is this bastard?!

Himiko: Keep him paralyzed just like that.

Yona: She's right, we've got some business to take care of with Suel.

Carlota Santiago: We've had it up to hear with you.

Suddenly, the eyes of Yona, Himiko Toga, and Carlota Santiago turned neon brown, neon green, and neon olive brown, and they were surrounded by colored energy auras, stars, magic, elemental forces, mythological animals, phoenixes, and angels, and as they approached Suel and Stain, they left colored energy, stars, elemental forces, mythological animals, phoenixes, and angels with every step.

Yona: You really really make me sick, Suel, you caused Ace and his team more than enough trouble for the last time.

Carlota Santiago: And now, we will make absolutely sure you pay the price for your crimes with your life.

Himiko: That's right, and as for you, Stain, you should've never returned. If we could, we wish we could kill you once more, but no, we're going to make absolutely sure that you pay for what you've done this time by going straight to prison, where you'll stay there and rot forever.

Lincoln: You deserved it though, Stain, and now, we're going to make sure you never return again.

Himiko: Forget us killing you again, say hello to a lifetime behind bars.

Yona: Even after we sent you to The Black Gates last year, you still make us sick to no end, Stain. You're a serial killer and a delusional monster who has a complete disregard for all life on Earth.

Carlota Santiago: And now, we will make absolutely sure you pay the price for your crimes with your life.

Lincoln, Yona, Himiko, Carlota Santiago, Nico, and I went after Stain, and we fired extremely powerful blasts of rainbow energy, moderate scarlet and spring green energy, golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Stain and they exploded with incredible power as they hit him.

Beast Man: (to Stain) I know just how to take you down!

Beast Man summoned DEADLY SANDWORMS FROM ETERNIA! They bashed and pulverized Stain all over the place with incredible fury.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Yona, Himiko, and Carlota Santiago also did the same by firing rainbow energy slashes from their massive greatswords and gold-plated dragon claws, and he, Yona, Himiko, Carlota Santiago, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Stain even angrier than ever.

Then, Lincoln fired energy daggers at the Monitor Orb embedded in Stain's forehead and it shattered and we gained a massive power boost while Stain screamed in total agony.

Stain: YOU! YOU! I'M NOT FINISHED YET!

Then, Lincoln grabbed Stain by the neck, and he sucked out Stain's Quirk, Bloodcurdle, along with his Enhanced Speed & Reflexes, Enhanced Strength, Immense Endurance, Highly Perceptive Combatant Skills, and Intimidation and Fear Inducement, and then, he cuffed Stain's wrists with rainbow energy cuffs and wrapped him up in a rainbow energy straitjacket and rainbow energy chains.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done forever, but we're not going to kill you. Chizome Akaguro A.K.A. Stain, as punishment for your murderous crimes against the heroes of Japan, you are sentenced to spend eternity in The Uranus Prison for Repeat Offenders in Solitary Confinement.

Stain: You think you've won?! You think this is the end?! I told Morgana Midnight Sparkle and her minions to bring back Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Mauga, Sigma, and Ramattra, while Anti-Monitor brought back Doomfist! YOU ARE ALL DOOMED!

WE GASPED IN SHOCK!

Widowmaker: (French Accent) It can't be. So, Anti-Monitor...?!

Sombra: (Spanish Accent) And Morgana Midnight Sparkle and her minions conspired and brought back our former TALON comrades.

Ashe: That witch, she really is delusional.

Caleb Maxwell: So, that witch and her minions were colluding with Anti-Monitor even from their prison in The Netherworld, and they brought back The TALON Organization Agents, huh? Well, too bad for them, I'm one step ahead of them.

Caleb Maxwell chanted a dark magic incantation and fired blasts of dark energy that wiped out the memories of Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Mauga, Sigma, and Ramattra, while Anti-Monitor brought back Doomfist especially the knowledge of the contingency plans.

Caleb Maxwell: Nico told me of that incident, and I took measure to wipe that memory out of their minds forever, and too bad for them, my magic is stronger than theirs.

Nico: Nice one, Caleb. Okay, Lincoln, toss him into The Uranus Prison forever, and then, I've got something to talk to you guys about.

Lincoln threw Stain into a portal that led to The Uranus Prison where he was thrown into a doorless windowless cell in the Maximum Security Solitary Confinement and he was chained to the wall with rainbow energy laced Neutronium chains where he'll remain there for eternity. Everyone cheered as we holstered our weapons and we powered down and Himiko Toga's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, large gold halo with four orbiting gold rings on each corner behind her head, large fifteen colored planets orbiting around her legs, fifteen smaller colored planets orbiting around her waist, and massive ash-blonde angel wings and medium sized ash-blonde angel wings and small sized ash-blonde angel wings underneath her massive brown angel wings are permanent, Carlota Santiago's new body, clothes, weapons, jewelry, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large golden yellow planets orbiting around her legs, fifteen smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive golden yellow angel wings and medium sized golden yellow angel wings and small sized golden yellow angel wings underneath her massive aqua blue angel wings are permanent, and Yona's new body, clothes, weapons, jewelry, Third Eye, fifteen large moderate scarlet and spring green planets orbiting around her legs, fifteen smaller moderate scarlet and spring green planets orbiting around her waist, smaller planets orbiting around her fingers, longer moderate scarlet tail, and massive moderate scarlet angel wings and medium sized moderate scarlet angel wings and small sized moderate scarlet angel wings underneath her massive moderate scarlet angel wings are permanent.

Nico: I hope you rot in prison forever, you delusional son of a bitch!

Me: What a fucking bastard. So, Caleb, what is it you wanted to tell us concerning what we just heard about The TALON agents coming back?

Caleb Maxwell: I kept this a secret since high school, but I knew one of The TALON Agents, Gabriel Reyes A.K.A. Reaper, and what you guys heard about him long ago was true, he was once an agent for Overwatch, but he soon became known as The TALON Assassin, Reaper, an extremely volatile mercenary and a ruthless and remorseless killer responsible for terrorist attacks across the world, but he also had dealings with my father and brother, and he employed his assassin skills with murdering rival gangsters and mafia gangs. Years ago, Drake hired him to kill me, Allie, and Mom, but what he didn't know was that I'd gotten a gun for self defense and I did have a license with me, and when he showed up, I shot him right in the stomach and many other times and drove him off.

Lincoln: And I can guess he was really pissed off due to that.

Caleb Maxwell: Afraid so. Eventually, the contract was null and void, but that didn't dull Reaper's hatred for what I did to him, and he swore he would get revenge on me. If we face him, let me be the one to kill him, I refuse to let that murderous son of a bitch get away with what he's done, the only thing he'll witness before he dies is death's cold hand dragging him right back into Oblivion.

Nico: Damn, seems like you got quite a personal grudge against him. I understand though, I'll leave him to you, Caleb, but you make sure you put a bullet right between his eyes and in his black heart.

Caleb Maxwell: Got it.

Me: But, now we know that Morgana Midnight Sparkle and The Midnight Princesses are also working with Anti-Monitor, and they brought back The TALON Organization Agents while Anti-Monitor brought back Doomfist, but thanks to you, Caleb, in wiping their memories of the contingency plans clean for good, now we won't have a repeat of what happened years ago. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

(CHINESE MUSIC PLAYS)

Suddenly, we saw a bear made of red flame, an eagle made of grey flame, a leopard made of blue flame, a peacock made of grey flame, a rhino made of indigo flame, and a swan made of grey flame pass through the sky.

Panda Faye Ling: Was that...?

Lincoln: It is, Panda, I think I know who we're meeting on my rescue tomorrow: the last six Gene-Slammers and Avatars of The Brotherhood of The Fire Fist Duel Monsters: Rebecca Hongsehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Bear, Kiara Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Eagle, Penelope Lansehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Leopard, Natalie Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Peacock, Jackie Dianlanhuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Rhino, and Serena Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swan.

Selene Arcangela: I knew it was them, and you guys are going to love meeting them, Rebecca Hongsehuoyan is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Bear, along with having red angel wings along with having intense red fire powers. She's known as The Powerhouse of The Sisterhood of The Fists of Fire, and she's considered the powerhouse of the Sisterhood and she's so strong that no one was able to beat her. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Rebecca hates Chandler with a blazing passion, because of him being a coward and a bastard to everyone in his path and she despised him badly for trying to kill Lincoln, and in one incident, she and Lincoln exposed that bastard's plan to kill Lincoln again and kill everyone in the school and blow it up, and after he was exposed, he was then beaten up by Rebecca and tossed into a police car that took him to prison for a month.

Michelle Emperyous: Kiara Huisehuoyan is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Eagle, along with having angel wings along with having intense grey fire powers. She's known as The Swiftest of The Sisterhood of The Fists of Fire because she's as swift as an eagle. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Kiara hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Melanie Emperyous: Penelope Lansehuoyan is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of blue fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Leopard, along with having angel wings along with having intense blue fire powers. She's known as The Fierce and Swift Warrior of The Sisterhood of The Fists of Fire, because she's as fierce and swift as a leopard. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of violet fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Penelope hates Chandler with a blazing passion, because of what that murderous sewage slop has done in bullying Lincoln and tried to kill him in the past, and in one incident, she and Lincoln beat that sewage slop up so bad and sent him to prison with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Laney Emperyous: Natalie Huisehuoyan is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Peacock, along with having angel wings along with having intense grey fire powers. She's known as The Graceful Warrior of The Sisterhood of The Fists of Fire because she's as beautiful and graceful as a peacock. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Natalie hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Rachel Emperyous: Jackie Dianlanhuoyan is Lincoln's Guardian Angel from China and she's a very powerful martial artist and master of Indigo fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Rhino, along with having angel wings along with having intense indigo fire powers. She's known as The Strongest Warrior of The Sisterhood of The Fists of Fire, because she's as strong as a herd of rhinos. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of indigo fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Jackie hates Lynn with a blazing passion, because of what that super mega aggressive, belching, farting, superstitious gorilla has done to Lincoln in the past, and in one incident, she and Lincoln beat that gorilla up so bad, she wound up in the hospital with two black eyes, broken arms and legs, a broken bloody nose, and an irreversible super double mega wedgie.

Valentine Emperyous: And Serena Huisehuoyan is Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Swan, along with having angel wings along with having intense grey fire powers. Nico: WHOA! So, we're meeting the last six members of The Sisterhood of The Fire Fist?!

Me: So awesome!

Tracer: (British Accent) And we can't ignore what Stain said. I can't believe Morgana Midnight Sparkle and her minions were conspiring with Anti-Monitor, and while they brought back Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Jean-Baptiste Augustin, Mauga, Sigma, and Ramattra, Anti-Monitor brought back Doomfist.

Lincoln: Though they may be threats to everyone in the world, there's a difference: Morgana Midnight Sparkle and the other Midnight Princesses are treacherous and deceitful, and Anti-Monitor can sense a double-cross. Even if they were to make a deal with Anti-Monitor, they would've double-crossed him and made their escape.

Clyde: Along with the fact that they are absolutely insane just like The Doomsday 23 and Queen Opaline Arcane.

Me: Right, Clyde.

Nico: But, now we know those she-demons have crossed another line with not only bringing back the enemies of me, J.D., and Lincoln from The Black Gates, but also, conspiring with Anti-Monitor. But, in two months time, we'll be rid of The Midnight Princesses when The Ridonculous Race starts.

Catherine Fontaine: And Lincoln's already declared war on those she-demons yesterday.

Lincoln: You got that right.

We headed home and Ace and The Geats team settled into Gotham Royal York. But, Caleb Maxwell was up and looking out into the distance, and he knew Stain's words were true as he gripped his guns.

Caleb Maxwell: Gabriel Reyes A.K.A., you better be ready tomorrow because I'm coming for you, and death's cold hand will descend upon you once more, and this time, you're not going to escape. (Red Eyes Turn Neon Blood Red with Slit Pupils)

Caleb Maxwell's made his vow: tomorrow, he's going to kill Reaper of The TALON Organization and send him straight to The Black Abyss.

Sakura Knudson had XGeats tied up.

Sakura Knudson: He'll be sent to the M.O.E.

Me: Awesome.

We went back to Earth and saw Daichi, Smolder, Eli and Chloe kicked Bebora all over.

Daichi charged at Bebora and bashed her down.

Nico: Take that!

We had her sent to the Noto Prison. This time forever.

Molten Man: Looks like it's truly the end of the Desire Grand Prix.

Me: Yep.

Trickster: And Stain's locked up for good. And XGeats will make an awesome addition for us.

Qin: Yep.

Loki: (to the Ultraman X team) You guys helped too.

Daichi: We sure did.

Me: We owe you guys big time Daichi.

Daichi: No problem.

Ace: See you guys on February 7.

Daichi: See you then!

Ty threw his fist at Daichi but he caught it, with the two of them smiling the whole time.

Cad Bane: Where do we celebrate?

Keiwa: I know a good restaurant.

Vortex: What's it called?

Keiwa: It's a tanuki soba restaurant.

Me: Didn't say what it was called specifically but we're game.

Nico: Yep. And Ace if those evil Riders you faced come, we'll kill them.

Ibara Shiozaki: Especially that jerk Kanato Sumida. I want to make sure he pays for insulting my faith!

Me: Me too.

Nico: Yeah. But great job today everyone and Yona, Himiko, Chloe, you did an amazing and great job.

Himiko: Thanks Nico.

Yona: This was awesome. Yona happy.

Chloe: We are too.

Yona: Yeah. (To the viewers) Yona happy now that Geats team is with us.

Me: Yep.

We went to the Tanuki Soba restaurant and had a great meal. Later we went back home and got the Geats team settled in. Then we enjoyed the rest of the day and went to sleep.

Stain said yesterday, the insane Morgana Midnight Sparkle and her minions have brought Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Mauga, Sigma, and Ramattra, while Anti-Monitor brought back Doomfist, but thanks to Caleb Maxwell, they've wiped their minds clean of the contingency plans, but now, they've pissed us all off. Now for tomorrow, Lincoln and his group are heading to Italy, and the first one we're going after is none other than Gabriel Reyes A.K.A. Reaper, and Caleb Maxwell having a grudge against him from long ago intends to settle this once and for all and blow his brains out and send him on a one-way trip to The Black Abyss, and we're going to meet the last six Gene-Slammers and Avatars of The Brotherhood of The Fire Fist Duel Monsters, they are

Rebecca Hongsehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Bear, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Bear, along with having red angel wings along with having intense red fire powers. She's known as The Powerhouse of The Sisterhood of The Fists of Fire, and she's considered the powerhouse of the Sisterhood and she's so strong that no one was able to beat her. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Rebecca hates Chandler with a blazing passion, because of him being a coward and a bastard to everyone in his path and she despised him badly for trying to kill Lincoln, and in one incident, she and Lincoln exposed that bastard's plan to kill Lincoln again and kill everyone in the school and blow it up, and after he was exposed, he was then beaten up by Rebecca and tossed into a police car that took him to prison for a month.

Kiara Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Eagle, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. Get ready for payback Jeri style as we battle Jeri's old Demons of the D-Reaper and make sure that monster never returns to harm both worlds again.

See you all next time.

THE D-REAPER ARMAGEDDON - VENGEANCE

THE D-REAPER IS BACK AND OLD DEMONS RETURN FOR JERI!

Jeri woke up to see Pyroar looking at her. Actually she was awake for most of the night and she had tear marks on her face like she was crying.

Pyroar: Morning Jeri. Oh man are you okay?

Jeri: (Yawns) Yeah I'll be fine.

Pyroar: You look like you had a bad dream.

Jeri: I did but I don't want to talk about it.

Pyroar: You can tell us when you are good and ready. Time for breakfast.

Jeri got up and went and got dressed and she went to the table.

Me: Morning Jeri. Whoa you look really tired. Did you have a bad dream?

Jeri: Yeah I did. I'll tell you what it was about later.

Me: Okay.

I gave her pancakes and french toast and fruit.

Me: Me too.

Qin: Yeah.

Lola: Wonder what the dream was she had.

Me: I don't know. But we're going to find out soon.

Lola: Yeah.

Camie: Yeah.

Sailor Jupiter: But we'll be ready for anything that comes her way.

Camie: Yeah. And she has Takato with her.

Lola: True.

Nico: Lita, I want to thank you, 2,000,000 Year Old Caveman, and your teams for coming.

Sailor Jupiter: No problem Nico. This will be so fun.

Nico: It sure will.

Ace Ukiyo: I'm really excited for this.

Neon: Me too!

Janna Jupiter: I'm really excited for this too.

Nico: Janna, what do you like to do in your free time?

Janna Jupiter: I like to teach kids all about what Jupiter is like. Even though it's a gas giant planet it's still interesting.

Me: Jupiter is amazing to learn about. You should have what the satellites and the telescopes have shown us about it.

Camie: Yeah it's beautiful.

Lola: It sure is.

Nico: Yep and we've been there numerous times before and it's awesome.

Janna Jupiter: That's what I heard.

Maria: It's not a solid planet though

Me: Yeah.

Janna Jupiter: I know. And it's a really amazing place though.

Qin: But it's home to the Jupiter Prison.

Janna Jupiter: It sure is.

Camie: Yep.

Me: Still so awesome.

Ace Ukiyo: Yeah. But guys it was awesome to have you all help us.

Me: It was no problem Ace. We're glad you all are with us too. And Himiko, You, Carlota and Yona all did a fantastic job yesterday.

Himiko: Thanks J.D. That was so fun.

Fiona Hernandez: It sure was. We're really proud with how far you came ever since we saved you from yourself.

Himiko: I know.

Ace: And The DGP is now gone for good.

Me: Good fucking riddance to bad rubbish.

Nico: Yeah they were playing around with people's minds and I won't stand for it.

Me: Me neither.

Qin: Yeah no kidding.

Ace: I agree there.

Neon: I'm glad they are gone for good.

Ace: It's best that they were destroyed so no one can use tj to change the world ever again.

Me: I agree.

Qin: Yeah.

Lola: What they did was unforgivable.

Camie: Yeah no kidding. I didn't expect Stain to be there though.

Me: Me neither.

Nico: Yeah.

Lincoln: Nico, I support your decision in throwing Stain in jail but we really should kill some Main mission targets too

Nico: I'll think of something. But thanks for your support Lincoln.

Lincoln: You're welcome.

Me: Yeah. Normally I would have just killed him and banished him to the Black Abyss. Because he kiled thousands of innocent people. But I respect and accept Nico's judgement for this.

Nico: Thanks. And yeah.

Maria: The good old Digital World.

Me: Yep. Always love coming here.

Xenia: Yeah it's fun.

Qin: It sure is.

Me: If there are evil Digimon present we'll take them down.

Nico: Yep.

Eli: Yeah.

Nico: Too bad we couldn't bring Poromon with us

Me: He'll come when we call the rest of the team shortly.

Lola: Yeah.

Nico: J.D., that Quirk of yours yesterday was awesome!

Me: Boy it sure was! I didn't know I had that kind of power when I turn into Wolf Moon.

Nico: Yeah no kidding! That was amazing!

Me: Yeah!

Lincoln: That's actually why we should still kill some Main mission targets

Me: Good idea buddy. Add more villain husks like them to my Quirk Repertoire.

Nico: Yeah.

Me: And now Suel is part of my arsenal in a way.

Nico: Yep.

Lola: Yeah!

Me: I'll have to check but maybe the villains we defeated and given the Black Gates that Anti-Monitor didn't bring back are all in my repertoire.

Nico: It's possible.

Maria: Because yesterday, there weren't a lot of named ones

Me: You're right.

Qin: Yeah.

Nico: Yeah.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here in The Digital World, and here's the dangerous part, I found out that Nico's old enemies, Arukenimon and Mummymon, along with Malachite, another of Queen Beryl's minions, have returned.

WE GASPED!

Me: Oh shit!

Nico: WHAT?! THOSE TWO ASSHOLES ARE BACK?!

Sailor Jupiter: Along with Malachite?!

Janna Jupiter: No doubt that witch sent her after us.

Lincoln: I was about to say, Janna.

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than my old enemy, the really insane and powerhungry mage, Oliver Talbol, along with the monstrous life-ruining bitch, Miki Alden, Callie Flammel's evil sister, Connie Flammel, and the vile bitch, Amanda Martin and sent them after us.

Lincoln: Why, that little...!

Me: Lincoln, what's wrong?

Lincoln: Morgana Midnight Sparkle and the other Midnight Princesses have now resurrected your old enemy, the really insane and powerhungry mage, Oliver Talbol, along with the monstrous life-ruining bitch, Miki Alden, Callie Flammel's evil sister, Connie Flammel, and the vile bitch, Amanda Martin and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, that bitch!

Nico put his skeleton back.

Nico: I hate when that happens. So, now, that insane bitch and her friends resurrected that insane powerhungry mad dog, Oliver Talbol, along with that monstrous life-ruining bitch, Miki Alden, Callie Flammel's evil sister, Connie Flammel, and the vile bitch, Amanda Martin and sent them after us?!

Lincoln: Yep, and just like what I did yesterday, I'm ending Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe Arukenimon and Mummymon, along with Malachite, another of Queen Beryl's minions, have returned, and that insane Morgana Midnight Sparkle and her equally insane minions have also resurrected Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin and sent them after us.

Laney: Though this was also expected, since we had to deal with Audrey Madison, Clarissa Mallory, The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters and their parents, and Zixkle who got resurrected by The Midnight Princesses yesterday, but Lincoln's going to suck out their energy and send them to The Black Abyss as well.

Me: You got that right.

Camie: Yeah! But who are Arukenimon and Mummymon?

Me: 2 Digimon that were made by Oikawa when he turned his DNA into Data.

Nico: And 2 of my old archenemies from my past. Until MaloMyotismon double-crossed them and destroyed them like they were nothing.

Me: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and they're hiding out somewhere along with the rest of their family who helped them escape The Broccoli Mines, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength.

But, they're not alone, we also saw Hawk and Hank there as well, but they're no longer the fat tubs of lard we knew, now they have abnormally massive and powerful upper and lower body muscles and eight-pack abs along with massive physical upper body and lower body strength, and Lincoln also gave them the Min's Egyptian Virility Curse. The four of them were grumbling like mad and there was no doubt they were plotting to kill us when the time came, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan, Steak, Hawk, and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep. (Sensed for Arukenimon, Mummymon, and Malachite) AHA! Gotcha! I spotted Arukenimon, Mummymon, and Malachite, they're 20 yards away and they're waiting for us, but Malachite's bound to have the army of monsters with them. (Sensed Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Let's get them.

Suddenly, we hear a demonic choir sing as the flames of Hell burst out with intensity, and we saw the sigil of Lucifer form from the fires of Hell.

Anna Anyanova: The Sigil of Lucifer?! That means, we're running into the last of the Nine Keyblade Knights of Hell and Avatars of The Nine Circles of Hell.

Lincoln: There's no doubt who it is.

We then took off into the air and we set our sights on taking down Arukenimon, Mummymon, and Malachite and sending them to Vypra, and destroying Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin who were resurrected by The Midnight Princesses.

Clay heard a Pokemon cry!

Clay: We'll I'll be sliced like a steak and served in the Texas State Fair! Look here!

We saw a Rayquaza!

Me: WHOA! Rayquaza!

Nico: Amazing!

Rayquaza: Yeah it sure is awesome.

Me: And you must be starving.

We gave it lots of apples.

He was full.

Rayquaza: Much better.

Me: Want to come with us?

Rayquaza: Sure.

Clay: YEEHAW! THis will be fun.

Rayquaza: Wanna hop on my back?

Clay: You bet I do.

Me: And we'll fly alongside you.

Clay got on.

We were off.

We then took off into the air and we set our sights on taking down Arukenimon, Mummymon, and Malachite and sending them to Vypra, and destroying Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin who were resurrected by The Midnight Princesses.

We were flying in the air, and we spotted our targets: Arukenimon, Mummymon, and Malachite.

Nico: Targets sighted!

Lincoln: There's Arukenimon, Mummymon, and Malachite. (Suddenly picked up on Malachite's monsters) I knew it, Malachite's summoned some monsters for us to deal with.

Nico: Figures.

Caleb Maxwell: What the?! Okay, time for me to do a little demolition.

Lincoln: No, Caleb. Let me.

Lincoln fired rainbow energy blasts that hit the group of Malachite's monsters and he sucked out their energy and they flowed into him making him even stronger than ever and the monsters died and he fired rainbow energy blasts at Arukenimon, Mummymon, and Malachite and we landed in front of the three and Arukenimon and Mummymon was pissed off big time upon seeing us.

Nico: Arukenimon, Mummymon, you've got some goddamn nerve showing your ugly faces here again!

Arukenimon: You ruined everything for us!

Mummymon: Yeah!

Lincoln: And I knew you'd be sent after us once again, Malachite. And Oliver, you and the others better get out here right now! There's no use hiding!

Malachite (Sailor Moon): Well soon you all will die!

We then saw our other targets: Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin and they had a demonic Alicorn on their foreheads: which was proof that they were resurrected by The Midnight Princesses.

Selene Arcangela: And Lincoln was right, so Morgana and her minions also brought you assholes back from the dead as well!

Oliver Talbol: YOU ALL RUINED ALL OF OUR PLANS, AND NOW, WE'RE BACK TO GET REVENGE ON YOU ALL, AND I WILL TAKE YOUR POWER, KNUDSON AND DESTROY THE ENTIRE UNIVERSE!

Me: Good luck trying to do that jerk!

Lincoln: Go to Hell, you deranged piece of crap, and it was all your fault, same with Miki, Connie, and Amanda, all of you caused so much pain and suffering, and you're nothing more than monsters of pure chaos. Morgana Midnight Sparkle and the other Midnight Princesses went way too far bringing you all back, now I'm going to make absolutely sure that you all are wiped out of existence forever.

Oliver Talbol: WHAT?! HOW?! MORGANA SAID THAT WE WERE UNSTOPPABLE?!

Lincoln: Seriously? You believe that insane monster bitch, she used all of you, Oliver, she has no place for any of you, she's willing to double-cross and backstab any of her pawns, and now, this is where you all meet your end.

Lincoln fired rainbow energy blasts that hit Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin and he sucked out their energy and Oliver Talbol's powers and magic, and they flowed into him making him even stronger than ever and Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin died from having their energy drained.

Then, their spirits appeared.

Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin: YOU! YOU! WE'RE NOT DONE YET!

Lincoln: Oh no, you all are done forever! YOUR TIME'S FINALLY UP!

Suddenly, the bell of judgement rang in their ears meaning that their time was finally up! Then, the spirits of all those they've killed appeared and grabbed

Spirits: GUILTY!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on the foreheads of Oliver Talbol, Miki Alden, Connie Flammel, and Amanda Martin, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Nico: You said it!

Arukenimon: You make me sick Nico! If you hadn't stuck your nose into our business we would be running the place!

Mummymon: And you will rue the day you crossed us!

Nico: You know it was MaloMyotismon who betrayed you guys first, right?

Arukenimon: I don't care! After we kill you we will kill him next.

Me: Uh are you forgetting? He killed you two like you were nothing. He was a Super Ultimate Level Digimon and he was 100 times more powerful than you two were.

Mummymon: (To Arukenimon) He's right.

Arukenimon: Oh shut up!

Poromon: I'm still here, you know

Me: Poromon we aren't talking about you we're talking about MaloMyotismon and how he double-crossed them.

Poromon: Oh sorry.

Arukenimon: Well now it's time for us to settle an old score!

They transformed!

Me: Top this! (Echoing) SPIDER THREAD!

I fired string from my wrist and wrapped them up.

Nico: (Echoing) SNAKE BANDAGE!

Nico fired bandages and wrapped them in bandages.

Shanan: Time for some pain!

Malachite then formed 2 dark energy blades and Shanan unsheathed her sword.

They went at each other and clashed ferociously!

SPARKS FLEW ALL OVER!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Massive fiery explosions blasted off all over.

KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOMMM!

CLANG CLANG!

Shanan was clashing all over with the swords of Malachite!

Poromon: Let me at em! (ECHOING) LIGHTNING JAVELIN!

He fired waves of lightning and electrocuted Arukenimon and Mummymon!

Papillon then flew in and kicked Malachite in his face and smashed it in.

Papillon: You made me into a monster! Katarina didn't deserve to be turned into me!

Malachite: I made you Papillon!

Shanan: Well she is no longer one of your servants!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Poliwag: Take that!

Shanan kicked Malachite and bashed him down.

Rayquaza charged at them and fired waves of energy and blasted all three of them.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Nico: Take that and this! (ECHOING) TERRA DESTROYER!

He formed a huge ball of energy and threw it and it hit Arukenimon and Mummymon and exploded!

Qin: OH YEAH!

Me: I got an idea! Hey bro remember those cows that chased you?

Naruto: How can I forget! They chased me because I was running late for the Chunin Exam finals.

Me: Well here's a funny gag that Emolga can use.

Naruto: I think I know where this is going!

I whistled and Naruto made 1,000 exploding clones and then THE DAIMYO'S COWS CAME OUT OF NOWHERE AND THE CLONES RAN AND WENT AT THEM!

Sasuke Uchiha: (LAUGHS) Okay that is really funny!

Nico: WOW!

Then the clones gathered around the three of them and then the cows rammed them and then...

EXTREMELY MASSIVE FIERY EXPLOSION!

The three of them were badly burned by the blast!

Naruto: NOW THAT WAS FUNNY!

Me: YEAH!

Nico: Was Naruto really chased by cows like that?

Me: Oh yeah he sure was. I had to help fly him over to the arena to avoid getting trampled by a stampede of mad cows.

Emolga: How do I use that?

I gave Emolga a whistle.

Me: This whistle will call the cows. Let Naruto know you're going to do the gag and then he'll be ready for it.

Emolga: Oh I get it

Hoppip: I like it!

Me: Yep. OOH! Eevee you'll like this one.

Eevee: What is it?

Me: (SINISTER SMIRK) THUNDER STYLE LEAF VILLAGE SECRET FINGER JUTSU!

I CHANNELLED LIGHTNING CHAKRA INTO MY FINGERS AND THEN...

POINK!

I poked Kakashi in his butt and sent him flying!

Me: 1,000 THUNDERSTORM YEARS OF DEATH!

I sent him flying like a cannonball and bashed the three of them all over!

NARUTO, SAKURA AND SASUKE WERE ROLLING ON THE FLOOR LAUGHING!

Nico: (LAUGHS) That was funny!

Me: I've been waiting 150,000 years to do that to Kakashi Sensei!

Eevee: Should I use that?

Me: Go for it.

Naruto: Man Bro that was funny!

Eli: I'll say!

Me: Yep. I've been wanting to do that to Kakashi Sensei ever since we started out as Genin. Plus it was for all the times he was late as well as reading his smut in public.

Nicole: (LAUGHS) Nice one dad!

Nico: Was Kakashi Sensei really that bad!?

Me: Don't even get me fucking started.

Juran: You don't read Porn in public

Me: Actually he does. Take it from me and Naruto. We saw Kakashi reading his smut books in public.

Naruto: He's not joking around there.

Me: Look.

I showed viewing windows of Kakashi doing so in 150,000 years and in the Present and he saw that I was right.

Nicole: I can't begin to tell you how much I HATE THOSE BOOKS! Jiraiya makes those books and it's one of the reasons why I want to smash anyones nuts in because of it.

Juran: Oh. I stand corrected.

Gaon: You shouldn't read those in public

Me: That's what we keep telling him but every time we say it, it goes in one ear and out the other.

Nicole: Yep. It's true.

Qin: Oh boy.

Nico: And was Kakashi always late like that too?

Me: HA! He was slower than a car stuck in a gridlock traffic jam. He would show up late to everything by 2 to 3 hours. He is supposed to be there by 8:00 then he would should up at 10:00 to 11:00.

Nico: GEEZ!

Me: And then he would come up with these stupid cacamamie excuses like "I got lost on the road of life", or "A

Black Cat crossed my path and I had to take the long way around", or "I had to help an old lady carry her groceries" or some such bullshit.

Nico: Some of us make those excuses too

Me: But not NEARLY as bad as Kakashi Hatake.

Rin Nohara: It's true. I remember Obito coming up with those excuses. I did find them funny. But to some not so much.

Me: Yeah. Anyway I just wanted to get that off my chest. Now where were we? Oh right!

We got back to the fight.

Nico: Boy Kakashi is going to be feeling that for a while.

Naruto and Sasuke got him off them.

Lincoln, Sailor Jupiter, Janna Jupiter, Julia Huntington, Ashleigh Falchion, Vicky Ann Jupiter Espada, Nico, and I went after Arukenimon, Mummymon, and Malachite, and we fired extremely powerful blasts of rainbow energy, yellow energy, golden yellow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Arukenimon, Mummymon, and Malachite and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot them multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Sailor Jupiter, Janna Jupiter, Julia Huntington, Ashleigh Falchion, Vicky Ann Jupiter Espada, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Arukenimon, Mummymon, and Malachite even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Better take care of you bastards before you try anything else.

Lincoln clenched his left fist real hard and then...!

POW!

Lincoln punched the ground hard and the massive shockwave sent a massive wave of earth right at Arukenimon, Mummymon, and Malachite who got smashed by the wave of earth and were knocked down and out, and they were tied up by Lincoln and thrown to Vypra.

Nico: WHOA!

Everyone cheered as we holstered our weapons and we powered down and Sailor Jupiter's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long auburn wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large emerald green planets orbiting around her legs, fifteen smaller emerald green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive auburn yellow angel wings and medium sized auburn angel wings and small sized auburn angel wings underneath her massive auburn angel wings are permanent, Janna Jupiter's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green planets orbiting around her legs, fifteen smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings and small sized green angel wings underneath her massive green angel wings are permanent, Julia Huntington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent, Ashleigh Falchion's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large orange planets orbiting around her legs, fifteen smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, and massive orange angel wings and medium sized orange angel wings and small sized orange angel wings underneath her massive orange angel wings are permanent, and Vicky Ann Jupiter Espada's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large yellow planets orbiting around her legs, fifteen smaller yellow planets orbiting around her waist, smaller planets orbiting around her fingers, and massive yellow angel wings and medium sized yellow angel wings and small sized yellow angel wings underneath her massive yellow angel wings are permanent.

Nico: Hah! That'll teach you losers. Plus, Lincoln, that was really incredible, you punched the ground so hard, you sent that wave of earth crashing right into those bastards.

Me: Years of constant training have done all that for him, and now, he's just as strong as me, you, and everyone around him.

Lincoln: That's right, and I can bet Morgana and her minions are already peeing their pants in fright right now.

Qin: (Snickers) That would be something to see.

Me: You said it. So, Lincoln, you going to introduce us?

But, before he could, Caina Cocytus had her hands on Lincoln's hairy pecs, and she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Selene Arcangela: I think you should leave that to us. This is Caina Cocytus, Keyblade Knight of Hell and the Avatar of the 9th Circle - Treachery, she's Lincoln's Guardian Angel from Hell and she's a powerful force of epic power to be reckoned with. She was born and raised in Hell, and she's a powerful master of darkness and a deadly force to be reckoned with, she's the bringer of the punishments for the worst of the worst and will make those guilty of treachery suffer the worst ever punishments of all, and they are being consumed in ice and being devoured by The Devil himself. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of darkness, ice, and the punishments of Treachery, and she hates all of Lincoln's enemies that do these and will inflict these punishments on those that do so.

WE GASPED IN SHOCK AND HORROR!

Nico: OH MAN!

Me: We were stunned ourselves when we saw her power for herself, she rivals even Lucifer himself!

Lincoln: And she was so glad that Lucifer paid the price for his treachery over the eons. But knowing Anti-Monitor, he's also brought back Lucifer himself, but we won't let him get away with this: in the future, we will make Lucifer pay for his crimes once more, and we'll make absolutely sure that he is wiped from existence forever.

Nico: He deserves every bit of God's judgement for his crimes, that arrogant Fallen Angel turned devil and Prince of Darkness did this all to himself.

Me: You got that right!

Lincoln: He won't survive a single second further, and it's so good to see you again, Caina.

Caina Cocytus: You too, Lincoln, and whoa, you've really really grown into quite a hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man.

Lincoln then wrapped his massive and muscular arms around Caina Cocytus and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the mark healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caina Cocytus with blood red gems on the gold lightning bolt links with blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Caina Cocytus saw them and she knew she became part of his harem and is among his many future wives, and she kissed him on the lips which he returned as we cheered.

Nico: I'm starting to think the return of The Keyblade Knights of Hell were also linked to what you said about Lucifer's return thanks to Anti-Monitor.

Lincoln: I was about to say, Nico.

Caina Cocytus: And you are right about that, Lincoln. We may be the Keyblade Knights of Hell, but we could never tolerate what Lucifer had done over the eons, we swore one day that he would pay for all of his crimes from rebelling against God to what he did in The Garden of Eden, there can be no sort of forgiveness for him.

Laina Acheron: When we face him in the future, he will suffer the wrath of his own kingdom of eternal damnation infinite-fold.

Winona Wrath: You said it.

Nico: Just like old times!

Poromon: You said it!

Me: YEAH!

Qin: (LAUGHS) That was awesome!

Kakashi: And J.D.?

Me: Uh oh.

I ducked under a punch from him and Kakashi missed me and I teleported and grabbed him in a headlock.

Me: I'm sorry sensei but it was an idea for a gag for the mascots. You understand right?

Kakashi: Oh I do.

Me: Good.

I grabbed the real Kakashi and pinned him. The Kakashi I had was a substitution. A Log was in his place.

Me: Praise the log!

Naruto, Sasuke and Sakura and Fu: AMEN!

Nico: (LAUGHS) Yeah!

Rayquaza: That was funny though.

Nico: Nice job Rayquaza!

Rayquaza: Thanks Nico. That was fun.

Poromon: Want some beer?

Rayquaza: Oh no thanks. I can't have beer. I break out in hives from it.

Me: Yikes.

Nico: Ouch.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Rayquaza: Nice trice though pipsqueak but the puppy eyes don't work on me.

Nico: How do you like the estate so far, Ace?

Ace Ukiyo: It's amazing!

Neon: And the view of the entire planet is amazing.

Me: Told you it was amazing. Being 528,000 feet up has an amazing and breathtaking view of the entire planet.

Eli: It sure does.

Neon: That is awesome.

Ace Ukiyo: That sure is cool.

Keiwa: Possibly higher then the temple.

Me: 10 times higher.

Qin: Yep.

Nico: It sure is awesome.

Lola: Yeah.

Nico: But J.D. that is so cool that your quirk enables you to use MaloMyotismon like that.

Lola: Yeah!

Me: Yep. Many more where that came from. I also have all those that Anti-Monitor didn't bring back. I banished their souls to the Black Abyss but their bodies are now part of my quirk.

Nico: That includes Xehanort and Icky Vicky.

Me: And Flip. Yep.

Nico: Nice.

Qin: Yep.

Me: Either way, it's awesome.

Nico: Cool.

Ace Ukiyo: That is awesome.

Hoppip: No gag for me and Mevya?

Nico: We'll think of something.

Me: Yeah. But I do have one idea for Hoppip. Grow coconut trees and kick the coconuts at their faces.

Nico: That works.

Mevya: What about me?

Me: How about fire egg bombs from your mouth.

Mevya: I like it!

Nico: Now if only there was an Akuma of Mevya...

Me: Yeah.

Qin: That will be cool.

Lola: Yep.

Maria: I'm sure we'll meet one in the future

Kevin: That will be cool.

Qin: Yeah it sure will.

Me: Yep.

Nico: Yeah.

Mevya: I wonder what that could looke like

Me: A scary fish of darkness.

Qin: Yeah.

Nico: Just what I was thinking.

Mevya: Now, I better prepare for when I have to do my gag

Me: Okay.

Qin: Yeah.

Mevya put some eggs in his mouth

I put a dummy of Luan as an evil clown up and Mevya fired them.

BANG BANG BANG BANG BANG BANG BANG BANG!

The eggs went flying and they hit it and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

The dummy was blown to smithereens.

Billy: 15 Points! (LAUGHS)

Mevya: It worked!

Me: Nice one!

Qin: Yeah!

Nico: That was funny!

Hoppip: Now for my gag!

Hoppip grew coconut trees and kicked the coconuts and they hit pirate clones!

BLANG! BLANG BLANG BLANG BLANG BLANG!

Patrick: DAHAHAHA! THOSE GUYS ALL GOT HIT IN THE HEAD WITH COCONUTS!

WE LAUGHED!

Hoppip: It worked!

Donkey Kong: Aw yeah baby!

Qin: YEAH!

Lola: That was funny!

Camie: It sure was!

Lana: That was awesome!

Nico: You two should remember those gags.

Qin: Yeah.

Hoppip: We will.

Mevya: Yeah.

Me: Yep. Also...

HONK!

I honked Nico's nose.

Nico: Mind telling us who you guys are?

Another Thorn: (In a girls voice) Someone that J.D. knows.

Me: (GASP) That voice.

They merged and she reverted back and it was the gene-slammer of GIGANTAMAX WAILORD!

Me: (GASP) Winry Wailord!

Nico: Wait you mean THE FAMOUS EATING CHAMPION!?

Me: The very same.

Winry Wailord: Yep. Known for eating over 50,000,000 chicken wings in one day and drank an entire horse trough of ranch dressing.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

NICO, NORA, SHAGGY, SCOOBY DOO, GOKU, VEGETA AND LINCOLN'S JAWS DROPPED!

Me and Eli put them back.

Nico: YOU ATE THAT MANY WINGS!?

Nora: NO WAY!

Me: She's not bluffing.

I pulled out a photo and showed them me and Winry with a massive trophy and a check for $500,000,000,000.00

Me: She is the ultimate Chicken Wing Champion. At the Wing Shack she ate all those wings and won. She is the ultimate Wing Queen.

Nico: Holy shit!

Nora: That is amazing! Po Kong and the Saiyans would love to challenge you!

Winry Wailord: I know they would.

Me: She has the appetite of a true Saiyan all right.

Shaggy: Like that is amazing!

Nico: Yep.

Me: She ate more than just wings. She ate 1 whole 14 pound pizza.

I showed many photos.

Me: The largest ever burger in the world, the biggest ever bowl of ice cream, the spiciest burger ever made and also the largest ever chocolate chip cookie and cookies and cream ice cream sandwich.

NICO'S JAW DROPPED AGAIN!

I put it back.

Me: Nico you're going to catch flies if you keep doing that.

Nico: Sorry. You're kidding!

Winry Wailord: Nope. It's how I got the nickname The Whale.

Me: And she would also give Coop here a run for his money.

Coop (Megas): You sure she can beat me in a hot dog eating contest?

Me: I know she can Coop.

Coop: I'll have to see that to believe it.

Me: Oh you're not going to be happy with the result. By the way Winry is the Another 2,000,000 Year Old Caveman friendly or hostile?

Winry Wailord: Friendly. Also there's another... (See's Jeri not with us) Is Jeri with you all?

Me: Oh she had a bad dream so she is staying back to catch up on some sleep.

Winry Wailord: Oh.

Me: There must be Another Jeri with that one then.

Winry Wailord: Yep.

Me: Oh boy. And if I'm not mistaken that one has a dark past too.

Winry Wailord: Yeah she does.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for backup. (TURNS DIAL) VENUS UNDERBITE 6!

She summoned Underbite, Antar (Skannerz), Despair Tenko Chabashira, Despair Ryoma Hoshi, Marya Meshkov A.K.A. Morning Star and Doomwing!

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

Nico: If this one knows Jeri, she'll just have to see her later.

Me: Yeah.

Lola: Is that them there?

We saw ANOTHER 2,000,000 YEAR OLD CAVEMAN AND ANOTHER JERI!

Me: WHOA MAN!

Qin: Yep.

Another 2,000,000 Year Old Caveman: (In a girls voice) I'm glad we found you guys.

Me: (GASP) That voice!

She reverted back and it was the Embodiment of Tiger!

Me: (GASP) Trina Tiger.

Trina Tiger: Awesome to see you again J.D.

Me: Same here.

Another Jeri: (Crying hard)

Me: Oh man are you okay?

Another Jeri reverted back and it was a girl with black hair and had blue eyes that were red and puffy from crying so hard and she had black clothes torn up and in tatters and she had bruises on her arms and legs and also had cuts on her body and also had black angel wings!

WE GASPED!

Me: Oh dear god! Selena Jeri Katou!

Lola: My word! What happened to her!?

Me: Oh my god. These wounds. Selena what happened? Who did this to you?

Selena Jeri Katou: (Crying Hard) It was my... My... My... MY AUNTS! THEY DID IT!

WE GASPED!

Me: What happened?

She told us that her aunts were always ABUSIVE TO HER! They were so evil and abusive that they would always torture, burn and hurt her all over and do all kinds of horrible things! They also killed her mom and dad in order for them to collect on her family's estate worth over $500,000,000,000,000.00 and they wanted to make sure that no one but them gets it!

When she was done I had tears streaming down my face and she released all of her sadness in massive crying.

I went over and hugged her and comforted her.

Me: It's okay Selena. It's okay. You're going to be safe with us from now on.

Nico: And do you know Jeri?

Selena Jeri Katou: Yes. She's my biological little sister!

Laney: I didn't know Jeri had a sister!

Qin: Yeah! Her stepbrother but not a big sister.

Lola: Yeah.

Me: Selena, like you your sister also went through a REALLY dark past.

I told her everything.

Selena Jeri Katou: (GASP) Oh sis! (CRYING HARD)

I comforted her.

Nico then growled and clenched his fists hard.

May: Nico? Nico are you okay?

NICO THEN WENT BALLISTIC!

Nico: I'M GOING TO KILL THOSE BITCHES!

HIS SUPER SAIYAN RAGE FLARED AND EXPLODED OUT IN SUPER SAIYAN 2!

Nico then used Reverse Flash's powers to go to where the aunts were and they were at their house and Nico teleported and brought them here.

Nico: OKAY YOU FUCKUP BITCHES! TALK! TELL THEM!

Stella Corus: Okay! Okay! We did it.

Eli: Louder! So we can hear you!

Stella and Evelyn Corus: WE KILLED SELENA JERI KATOU'S PARENTS! ALL FOR THE MONEY!

Sheila: You sick bitches! You're under arrest for capital murder!

POW!

Nico punched them.

Nico: YOU HEARTLESS BITCHES! YOU MAKE ME SICK!

Sheila: I'll take them into custody. Death penalty they are looking at.

Nico: Make sure they get it.

Sheila: Lets go.

Trina Tiger: I'm also a Cavegirl. I lived for over 25,000,000 years.

All of us: WOW!

Me: That's incredible!

2,000,000 Year Old Caveman: Wow! You're a fully evolved human too?

Trina Tiger: I sure am. Long story.

Kaito: (gets out Revice gear) Did Swartz promise you anything?

Zocks: (gets out Saber gear) Because we can grant it instead

Kaito got a Revice Sword and Zocks got a Saber Sword.

Trina Tiger: No he didn't. Because of my friend here.

I felt a nuzzle and then saw a beautiful Bengal Tiger.

Me: Oh Sempa. Awesome to see you again.

I pet her.

Syd Chang: Wow is that a Bengal Tiger?

Me: Yep. Her name is Sempa. She's Trina's friend.

Nico: She's beautiful.

Tigress: Awesome that you know a tiger.

Trina Tiger: Yep. We ran out of there.

Selena Jeri Katou: And you guys fulfilled my promise. Send my evil aunts to the gas chamber and reuniting me with my sister.

Me: She's back home at the estate. She's asleep. Bad dream.

Nico: Yeah.

Selena Jeri Katou: Oh. But at least I get to be with her.

Me: Yeah. I take it you heard about what she went through because of the D-Reaper?

Selena Jeri Katou: I sure did. That was terrible.

Me: Yeah it was.

Selena Jeri Katou: Also I found out about Jeri through a DNA Test.

She pulled out papers and showed that it was legit and she is DEFINITELY Jeri's sister.

Me: It's legit and she is Jeri's sister.

Sougo: (gets out Revice Ridewatch) Sorry Jeri's not here.

Geiz: (gets out Blades Ridewatch) You'll just have to Reunite with her later.

Rider Time! (Vice Laughing) Buddy Up! Vice!

Rider Time! Buddy Up! Revi!

Sougo got ReviceArmor while Geiz got BladesArmor

Selena Jeri Katou: I know. But it'll be good to see her.

Me: Yep

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on.

Nico: (Gets out 2,000,000 Year Old Caveman's Ridewatch) 2 million years is pretty much how long we'll stay alive.

Me: We'll live much longer than that.

May: (Gets out Despair Kirumi Tojo's ridewatch) Taste Despair.

Maria: (Gets out Maid (Dust Buddies) Ridewatch) I'm going to filth you up.

Janna Jupiter: (Gets out Thorn's Ridewatch) Time to poke you all over.

They used the powers of 2,000,000 Year Old Caveman, Thorn (Skannerz) Despair Kirumi Tojo, Sadie Snake, Omochiloid and Maid (Dust Buddies) and bashed and blasted the Anothers.

Then Swamp Witch, Squeem, Lizzie Borden, Despair K1B0, Oscar Otter and Pedro Pupa came.

Nico: Nice team Swamp Witch!

Swamp Witch: Thanks Nico.

Lola: Awesome.

Sailor Saturn: My team is next.

Me: Yep.

Nico: It sure is.

?: I agree.

AncientMermaimon came.

Me: AncientMermaimon! Wow!

Nico: I feel like I know this one.

AncientMermaimon: Yep and also don't forget her.

GESOMON CAME!

Me: WHOA! Gesomon!

Nico: Wow!

Gesomon: (In a girls voice) (Arabic Accent) It looks like the fun started.

Nico: Gena Geso! Wow!

She reverted back and was a girl with aqua blue hair, blue eyes, blue clothes, blue angel wings, a Crest we never saw before in the middle of her forehead and had Gesomon on her shirt and skirt and had a Frontier Digivice on her hip and had a lightning sword in her hand and she had the Kazakhstan Sun and Eagle symbol on her arm.

Gena Geso: Awesome to see you again Nico. We got this! (Echoing) CORAL CRUSHER!

She fired an ink blast.

AncientMermaimon: (ECHOING) GREAT MAELSTROM!

She fired a blast of water and the blasts smashed the Anothers and I caught the Ridewatches and purified them.

Me: Awesome! Wait you're Kazakhstan's digidestined. I can tell because of the Sun and Eagle symbol on your arm.

Gena Geso: That's right. And my partner is AncientMermaimon.

Me: Cool!

Qin: Wow!

Me: How did you meet Nico?

Gena Geso: We met when a bunch of Octomon were terrorizing Astana and we sent them back to the Digital World.

Me: Cool!

Nico: Yep. That was awesome.

AncientMermaimon: Yeah it sure was.

Me: Yeah.

Poromon: It's good to see you again

Gena Geso: Same here Poromon

Janna Jupiter: That is awesome. Do you have any favorite memories of Nico?

Gena Geso: When me and Nico were over in the Digital World and we battled a rogue bunch of Golemon and sent them packing.

Me: Cool!

Nico: That was fun.

Nico and Gena hugged.

Nico: I've missed you.

Gena Geso: Same here.

We went back home.

Stain said yesterday, the insane Morgana Midnight Sparkle and her minions have brought Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Mauga, Sigma, and Ramattra, while Anti-Monitor brought back Doomfist, but thanks to Caleb Maxwell, he wiped their minds clean of the contingency plans, but now, they've pissed us all off.

For the first day, the first one we're going after is none other than Gabriel Reyes A.K.A. Reaper, and Caleb Maxwell having a grudge against him from long ago intends to settle this once and for all and blow his brains out and send him on a one-way trip to The Book of Vile Darkness.

Lincoln: Ah, we're here in Italy, and I know what we're going to do here, not only am I going to rescue the four girls here, but just as Stain said yesterday, Morgana Midnight Sparkle and her minions have brought Reaper, Maximilien, Moira, Sanjay Korpal, Vialli, Antonio Bartalotti, Akinjide Adeyemi, Mauga, Sigma, and Ramattra, while Anti-Monitor brought back Doomfist.

Me: But thanks to Caleb Maxwell, he wiped their minds clean of the contingency plans, but we're still pissed off thanks to what Morgana did.

Lincoln: We sure are. Now, for Day 1 of Operation: TALON Extinction, the first one we're going after is none other than Gabriel Reyes A.K.A. Reaper, and Caleb Maxwell having a grudge against him from long ago intends to settle this once and for all and blow his brains out and send him on a one-way trip to The M.O.E. Prison.

Nico: And Caleb, it's not going to be easy for you to kill him, he can regenerate from any death with his powers. But, by the time he regenerates from you blowing his brains out this time, he'll wind up in The M.O.E prison, with a power dampening collar on his neck. He'll behave thanks to Vypra, don't you worry.

Caleb Maxwell: I should've known it wouldn't be that easy. So, I've called in some additional help to take that son of a bitch down.

Just then, Punisher, Mortal Kombat Scorpion, Spawn, and Ghost Rider arrived.

Punisher: Caleb told us of the situation with Reaper returning, looks like we're gonna be busy beating the crap out of him.

Spawn: It'll take an hour for him to heal his wounds, but by the time he does, he'll be in custody.

Ghost Rider: The anger Caleb harbored towards him no doubt due to a contract his brother issued long ago still lingered.

Scorpion: Along with the memory of his death at his own brother's hand and his desire for revenge, but his was indeed justified.

Sailor Jupiter: Caleb was smart calling all four of you here, we'll need extra help with Reaper once more.

(CHINESE MUSIC PLAYS)

Suddenly, we saw a bear made of red flame, an eagle made of grey flame, a leopard made of blue flame, a peacock made of grey flame, a rhino made of indigo flame, and a swan made of grey flame pass through the sky.

Lincoln: They're here, the last six Brotherhood of The Fire Fist Gene-Slammers and Avatars.

Suddenly, we saw six girls appear with red hair with streaks of red, grey, blue, and indigo hair, red eyes, red angel wings, red skirts, red, grey, blue, and indigo sleeveless crop tops, red, grey, blue, and indigo stockings, crimson red knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoats with stars, red, grey, blue, and indigo fire, red, grey, blue, and indigo flames, bears, leopards, eagles, swans, peacocks, rhinos, phoenixes, and angels on the coattails and on the back of their trenchcoats are Brotherhood of The Fire Fist - Bear, Brotherhood of The Fire Fist - Eagle, Brotherhood of The Fire Fist - Leopard, Brotherhood of The Fire Fist - Peacock, Brotherhood of The Fire Fist - Rhino, and Brotherhood of The Fire Fist - Swan, holstered on their backs are six massive fire greatsword with angel runes etched on the 7'9" massive, wide, double-edged orange blades, large white angel faces built into both sides of the hilts, longer midnight black handle, and red pointed tips for the pommels and with them are the four girls.

Lincoln: (GASPS) Rebecca Hongsehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Bear, Kiara Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of

The Fire Fist - Eagle, Penelope Lansehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Leopard, Natalie Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Peacock, Jackie Dianlanhuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Rhino, and Serena Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Swan.

Rebecca Hongsehuoyan: That's right, and we got the girls away from Reaper, but he's hiding in the shadows.

Lincoln: Figures.

Lincoln fired an energy blast that hit a nearby wall and it forced out our target: Gabriel Reyes A.K.A. Reaper.

Tracer: (British Accent) Reaper.

Reaper: Surprised to see me back?

Nico: Apparently, and Morgana had a hand in that, but before we beat you down again, say hello to a familiar face you know from ages ago.

Just then, Reaper saw Caleb Maxwell, and he was pissed.

Reaper: You! But, you're supposed to be dead!

Caleb Maxwell: That's right, I died eight years ago because of Drake's insane desire to kill me and get rid of any obstacles in the way of The Syndicate, but too bad for him, he wound up getting kicked out of being the leader of the mafia gangs loyal to The Syndicate, and I also returned from the dead.

Suddenly, the skies over Italy turned dark as if darkness had already fallen.

Nico: Whoa, what's happening?

Jack Howard: My guess: Hell on Earth is about to be unleashed, and it's gonna get ugly.

Jazz Jackson: He knew Caleb died eight years ago, but when he was brought back, he became darker than ever: driven by revenge against his dad and brother along with the entire organization his dad started and his brother was a part of, and who showed them nothing but hatred and brought death to them.

Casey Antonio: This is mainly why we always stayed clear of Caleb Maxwell, when he's on the prowl, not one member of The Syndicate was safe, and the only thing left in his wake are dead bodies and the sounds of screams echoing in the air.

Then, Punisher, Mortal Kombat Scorpion, Spawn, and Ghost Rider were up, and they proceeded to brutally beat up Reaper in the most gruesome way possible, and then, Caleb Maxwell shot him in the chest and he fell to the floor.

Then, an hour later, Reaper healed from his wounds, but by then, Lincoln put a power dampening collar on him, and Caleb Maxwell took Reaper's Hellfire Shotguns to give to Allie Maxwell before he kicked Reaper into a portal that

Lincoln opened up and Reaper was in a cell at The M.O.E. Prison. We cheered as we holstered our weapons and powered down.

Nico: Well, that's what I call one gruesome beatdown, and that's one down.

Lincoln: And nine more to go, but we're off to a great start, and it's so good to see you again, girls.

Penelope Hongsehuoyan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Rebecca Hongsehuoyan perched her hands on Lincoln's massive hairy pecs, and Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan swarmed around Lincoln, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Kiara Huisehuoyan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan, and hugged them, and Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan are very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Penelope Lansehuoyan: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Penelope Hongsehuoyan: (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs.

Serena Huisehuoyan: (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know them?

Lincoln: Indeed I do, Nico.

Arpina Huoqiang: And so do we, the first girl is Rebecca Hongsehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Bear, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of red fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Bear, along with having red angel wings along with having intense red fire powers. She's known as The Powerhouse of The Sisterhood of The Fists of Fire, and she's considered the powerhouse of the Sisterhood and she's so strong that no one was able to beat her. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of red fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Rebecca hates Chandler with a blazing passion, because of him being a coward and a bastard to everyone in his path and she despised him badly for trying to kill Lincoln, and in one incident, she and Lincoln exposed that bastard's plan to kill Lincoln again and kill everyone in the school and blow it up, and after he was exposed, he was then beaten up by Rebecca and tossed into a police car that took him to prison for a month.

Panda Faye Ling: The second girl is Kiara Huisehuoyan, Gene-Slammer and Avatar of Brotherhood of The Fire Fist - Eagle, she's Lincoln's Guardian Angel from China and his classmate in Gym, and she's a very powerful martial artist and master of grey fire. She trained in the martial arts when she was a child, and she became a very powerful and deadly martial artist, and her parents found out that she was born with the powers of Brotherhood of The Fire Fist - Eagle, along with having angel wings along with having intense grey fire powers. She's known as The Swiftest of The Sisterhood of The Fists of Fire because she's as swift as an eagle. She moved to Royal Woods years ago, and it's where she met Lincoln, and she heard from the other Guardian Angels of what they've been doing in training and helping Lincoln to defend himself from the out-of-control wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and she decided to help out and she taught Lincoln everything she knew in the martial arts and mastering the powers of grey fire and she also helped him get stronger physically as well through more workouts with heavier dumbbells and barbells at the gym his Guardian Angels built. Lincoln made her a powerful fire sword and to show thanks, she kissed Lincoln on the lips, and due to that, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Kiara hates Pablo and Anderson with a blazing passion, because of what those morons did to Lincoln in the past, and in one incident, she and Lincoln beat them up and sent them to prison with two black eyes and two irreversible super double mega wedgies.

Nico: Whoa!

Lincoln: You should've seen the damage done unto Chandler, Lynn, Pablo, and Anderson, it was really nasty, and now that you're all here.

Lincoln leaned his head down the right side of the trapezius of Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan, and he slowly bit them one by one and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit them.

Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan with red gems on the gold lightning bolts and red crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with six white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Kiara Huisehuoyan: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan.

Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan had a smile on their faces and tears streaming down their cheeks as Lincoln still had his massive muscular arms wrapped around Kiara Huisehuoyan's waist, and he leaned down to her face and the faces of Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan and kissed each of them on the lips, and with Kiara Huisehuoyan's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan had an atomic red blush on their faces, hearts in their eyes, their noses were really gushing out blood, and their hearts were pounding like loud drums.

Kiara Huisehuoyan: (In Heaven) My God.

Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Marina, Rinka, Rui, and Yuuna Hayami from The Virgin Who Leapt Through Time.

Lincoln: Oh wow, it's Marina, Rinka, Rui, and Yuuna Hayami from The Virgin Who Leapt Through Time.

Marina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Marina: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marina, Rinka, Rui, and Yuuna Hayami with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villain we went after was Gabriel Reyes A.K.A. Reaper.

But, when Lincoln showed what we did in beating him down, and Spawn, Punisher, Ghost Rider, Scorpion, and Caleb Maxwell did in viciously beating him mercilessly and Caleb

Maxwell shooting him in the chest only to regenerate an hour later, but wind up getting a power dampening collar on him by Lincoln and sent to The M.O.E. Prison, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln, Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan have a lot of catching up to do, now that they're back in town.

Maria: Oh man! And Caleb made the right call getting Spawn, Punisher, Ghost Rider, and Scorpion to help out as well.

Lincoln: You got that right, and now, he'll be spending some time in The M.O.E. Prison.

Nico: Before he become a good member to The Masters of Evil.

Me: And of course, there's going to be some strict measures taken with him.

Caleb Maxwell: Such as if he screws up, he's going to be dealing with someone worse than me. Oh, and here's a little something for you, Allie.

Caleb Maxwell gave his sister Reaper's Hellfire Shotguns. Suddenly, they and all of the greatswords and swords that she'd gotten came out and began merging together, and they're surrounded by a kaleidoscope of purple and pink energy, stars, darkness, dark magic, black magic, Satanic Magic, shadows, skulls, demons, phoenixes, and angels, and when it emerged, it was transformed into Allie Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal

Maria: Wow!

Allie Maxwell: Dark purple and dark pink are more my colors while black and blood red are suited to you, Caleb.

Qin: True. Hope you can keep up with your brother when he starts shooting villains and criminals.

Cage Blunt: I saw what Allie's capable of in hand-to-hand combat and with firearms, and she's one person you didn't want to mess with, she became one tough fighter after Caleb died.

Jack Howard: Now, that her brother's back, all Hell's about to break loose for the criminals.

After Lincoln and all of us beat down Reaper and threw him in The M.O.E. Prison, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kiara Huisehuoyan, Penelope Lansehuoyan, Natalie Huisehuoyan, Jackie Dianlanhuoyan, and Serena Huisehuoyan saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Kiara Huisehuoyan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Penelope Lansehuoyan: And he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Natalie Huisehuoyan: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Jackie Dianlanhuoyan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Serena Huisehuoyan: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Nico: Cage, you all mentioned something about The Big Claw Gang, right?

Cage Blunt: We did. See, other than The Syndicate, The Big Claw Gang were the biggest and the most powerful crime organization in New York, and the NYPD have spent years trying to bring them down, along with its leader, Claw Dane Drake, Roxy's dad.

Cuffs Lane: They really caused a lot of trouble in the city and even with Cage joining us, they still caused trouble. But, then, they ran into Caleb Maxwell. Here, I've got the video.

Cuffs Lane put up the video as it played on the big screen, and it showed the members of The Big Claw Gang: Nekome, Sally Gamble, Carla Claw, Panther, Mad Cat Max, Jessie Jean A.K.A. Patch, Chett A.K.A. Shroud, Sarah A.K.A. Hex, Nick Price A.K.A. Crowe, and Chester running from the NYPD Nightshift.

Panther: (Laughs) There's no way they're going to catch up to us.

But, then Shroud was slugged in the face.

Shroud: What the?! Hey, who did that?!

Suddenly, Caleb Maxwell appeared as Shroud got back up.

Shroud: Who the hell are you?!

Past Caleb Maxwell: Someone whom you've had the bad luck of running into.

Suddenly, Panther punched Caleb Maxwell on the right side of his face.

Panther: Heh, not so tough now, are you?

BIG MISTAKE!

Past Caleb Maxwell: (GROWLS AND AS HE OPENS HIS EYES, THE SCLERA OF HIS EYES TURN BLACK AND HIS RED EYES TURN BLOOD RED WITH SLIT PUPILS HIS TEETH TURNED INTO FANGS AND LETS OUT A DEMONIC ROAR)

Sally Gamble: What the?!

Shroud: Oh shit! PANTHER, GET BACK, THAT GUY WHOM YOU SLUGGED, IT'S CALEB MAXWELL! THE DEMON HIMSELF!

But, before he could, Caleb Maxwell grabbed and threw Panther into the rest of the gang as he let out another demonic roar. Then, they saw his skin turn paler than ever along with blood tears falling from his face.

Past Caleb Maxwell: (DEMONIC ROAR)

Nico: HOLY CRAP!

Jack Howard: Panther angered the Demon of the NYPD Nightshift, and this was the result.

Caleb Maxwell: Jack. It wasn't funny then, it's not funny even now.

We then saw the video again, and Panther got up and was ready to fight him.

Panther: Hah, bring it on then! I've been wanting to kick your ass!

Past Caleb Maxwell: (DEMONIC ROAR)

Then, Caleb Maxwell went at Panther, and they both got into an extremely vicious fist fight, or rather, fist to claw! Panther had claw marks on his suit thanks to Caleb Maxwell who went full-on demon on him!

Me: Jeez!

Lola: And I thought I was horrific when I was at my worst!

Carla Claw: Panther, we can't stay here, they're coming.

The Claw Gang members fled as Caleb Maxwell came charging at them, but they got away as Caleb Maxwell let out another demonic roar into the skies, but he returned back to normal.

Past Caleb Maxwell: Run, cowards, run and hide while you can. It's only a matter of time before you come out again, but when you do, Hell awaits you.

The video ended.

Nico: Damn, as if giving the cops trouble wasn't enough, they also pissed you off.

Allie Maxwell: Pissing off my brother was basically the biggest mistake The Claw Gang could make, but I found out their history: it turns out they were runaway kids with tragic pasts of abandonment and child abuse. I wanted to give them a second chance to turn their lives around, but not when it came to my older brother due to what Drake did to him eight years ago.

Lincoln: I see, you wanted to give these guys a second chance, whereas Caleb wanted them to suffer the consequences.

Nico: Allie, we'll need your help with this when we do go after The Big Claw Gang.

Marlene Maxwell: Planning on getting my daughter to shine?

Nico: Exactly. (Whispers to her) And also, to keep her brother from going full-blown demon on them.

Caleb Maxwell: You know, I can hear you, right?

Nico: Tartar sauce.

We got a shower, and then, Lincoln, Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird are heading to Shangri-Spa.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Lady Vepar: Whoa, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Lady Vepar, and it's perfect for our first date, shall we?

Lincoln, Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird went to The Spring of Purification, The Spring of Bliss, The Spring of Sanctuary, The Spring of Jungle Mist, and The Spring of Rainbows, and Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went into a workout area, and Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Fang Fang Huang: (Swooning) Kurumu and Mizore were so right about you, Linky. So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird and they hugged the girls in their abnormally massive and powerful muscular arms and Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to

The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird are in your harem, Linky.

Lady Vepar, Astaroth Smoke, Fang Fang Huang, Fiona Frost, Dreamcatcher, Shatter, and Nightbird showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Astaroth Smoke: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lily, Lemon Hearts and Maria's final mission.

Nico: Anyone else want to go with Lemon Hearts, Lily, and Maria? Besides Vinyl, Jun, William, and Wataru?

Aqua: I'll go.

Man Ray: So will I.

Me: Okay.

SpongeBob: I'll go to!

Patrick: Me too!

Fred: And so will I.

CRUNCH!

A bowling ball hit Fred in his leg with a sickening crunch!

Fred: MY LEG!

Nico: Ouch! Lets go.

We were off.

We arrived.

Kengo: Hey guys!

Maria: Guys meet Vinyl Scratch, Jun, William and Wataru.

Vinyl Scratch: Sup guys. Name's Vinyl Scratch.

Jun: I'm Jun Fudo.

William: I'm William Dunbar, leader of the Redemption Squad.

Wataru: And I'm Wataru Kurenai, leader of the Kiva Kamen Riders.

Kengo: wow it's awesome to meet you all.

Lincoln: Vinyl is one of my future wives. She's a Disk Jockey for parties and stuff.

Me: Yep and she likes it funky and hardcore like in Rave Parties.

Kengo: Cool!

Aqua: I'm Aqua, keyblader.

Man Ray: And I'm Gali's archenemy Man Ray.

SpongeBob: He's one of my heroes archnemeses. I'm SpongeBob Squarepants.

Patrick: I'm Patrick Star.

Fred: And I'm Fred.

BLANG!

A rock hit him in his leg.

Fred: MY LEG!

Kengo: Ouch! But awesome to meet you all.

William: Same here.

Lily: I've actually seen Fred get hit like that made times before like that. As one of the members of the Neptune Crusaders, it is both silly and hurts like the dickens.

Me: Yep. (To the viewers) To act like Deadpool, Fred has been having that happen to him since 1999 when SpongeBob first came out.

Jamesdean5842: He's right on that. That was happening to him ever since SpongeBob Started back in 1999. Crazy huh?

Nico: No kidding.

Kengo: Yeah I agree.

Jun: I actually have a dark secret

Kengo: What happened?

Me: Well it's very hard to explain. But here goes.

We told them what happened and how she was during into a Devilbeast and how she got roped into a terrible plot to kill humanity.

When it was done Kengo wass shocked and horrified!

Kengo: Oh, Jun, I'm so sorry.

Jun: Yeah it was horrible.

Me: Yeah but we gave the jerk responsible for it the black gates.

Nico: Yeah.

Vinyl Scratch: I have a feeling that in the future we might face Satoru in future.

Me: Yeah.

Kengo: Well if he does come back because of Anti-Monitor, maybe I can help you bring him down.

Jun: I would like that.

Wataru: As for me, you know those Fuestles?

Kengo: Yeah?

Wataru: Those are the legend items from me and my team.

Me: Yep and the monsters that the Kiva Team fought called the Fangires are stained glass versions of vampires.

Kengo: Are they really?

Me: Yep. When we fought them we demonstrated our vampire hunting skills.

Kengo: Wow! That is amazing.

Me: It sure is. And those Fangires had no idea who they were fucking with!

Kengo: YEAH!

Eli: That is for sure!

William: And you already know I'm Maria's husband

Maria: It's true.

They showed their rings.

Kengo: Cool! So husband and wife leaders of the Redemption Squad.

Me: Yep. They founded the Redemption Squad before Nico joined us.

Kengo: (to Fred) Why do you think you always get hit in the leg?

Fred: Well like Lily said, it's always been that way for me for as long as I can remember.

SpongeBob: He's right on that. He's pretty much used to it.

Lily: Take it from me and the other members of the Neptune Crusaders. We have seen how many times he got hir there.

Kengo: Wow that is tough.

Me: Yeah.

Lily: Also you would love eating Krabby Patties in the Krusty Krab. I work there and it's great money. SpongeBob is my boss and he is awesome.

Spongebob: I brought some with me. Want some?

Kengo: Sure.

SpongeBob pulled out a box of Krabby Patties and Kengo tried one and man was it good!

Kengo: (Eating) Oh that is so delicious!

Me: Yeah they sure are.

Nico: Yep. Just be glad they aren't made like in Bikini Bottom Horror.

Kengo: Bikini Bottom what now?

Me: It's a web comic that I found and printed.

Lincoln: You better be warned that this is a comic that will scare you.

I pulled out a comic and showed it.

Me: It's called Bikini Bottom Horror. It takes place in an alternate universe. It's about where Patrick goes insane and goes on a massive killing spree.

I showed the comic and Kengo read it and it was HORRIFYING!

Patrick: All because of Krabs' greed there! What a sweaty jerk!

Kengo: My god!

Me: I know.

Nico: It was awful.

Lincoln: Yeah.

And then...

BOOF!

Lincoln punched me in the stomach!

Me: OH!

Lincoln: Because of J.D. showing us that Nico almost killed Patrick!

Me: (Groans) Okay I admit I had that coming for a while and I'm sorry but that was back in 2019. I think.

Nico: I think so.

Me: Yeah. Sorry.

Lincoln: Yeah. Sorry J.D.

Me: No worries.

Nico: Anyway, how have things been here?

Kengo: Well...

Then the alarm went off and we went to the computer and we saw MEGALOTHOR ATTACKING!

Megalothor (メガロゾーア, Megarozōa) is the final monster of Ultraman Trigger: New Generation Tiga formed from Carmeara's darkness and the energy of the Eternity Core combining. It's creation caused the core to destabilize all while it shrouded the world in darkness.

Me: Megalothor! I remember that one!

Nico: WHOA! This is gonna be brutal.

Lincoln: Yep.

Wataru: HENSHIN!

He transformed into KAMEN RIDER KIVA!

Me: Yeah!

Nico: Lets get her!

We were off.

We were flying.

Nico: Keep an eye out...

We then saw MEGALOTHOR!

Me: There!

Eli: UGLY! Lets bring some Kaiju power! MOTHRA!

A familiar call was heard and out came MOTHRA!

Mothra: Looks like this guy needs an attitude adjustment!

Eli: Lets get him Mothra!

Kengo turned into ULTRAMAN TRIGGER!

Wataru turned into his Emperor Form

Mothra fired lightning beams from her antennae!

The blasts hit Megalothor and exploded all over the place.

Megalothor fired energy beams and the blasts went at Mothra. She dodged them and numerous fiery explosions were blasting off all over.

Mothra blasted her all over and blasted Megalothor and numerous fiery explosions blasted off all over.

Nico: Take that!

Maria: Kengo, here's your Fuestle

Me: You'll like your archenemy.

Kengo: Thanks Maria!

He got his legend items.

Kengo: Lets see what it can do.

He blew it and fired an energy wave and it made Megalothor dizzy and she fell down like he was drunk!

Kengo: What was that?!

Me: That was Deidoro Sakaki's power. His quirk causes people to get into a drunken state and fall down. Like with Vertigo and Alcoholic Drunkenness.

Kengo: Wow! That is awesome!

Wataru got out his Fuestle for Robot Devil.

Wataru: You want to know whose side I'm on J.D.?

Me: The side that kicks this twisted monsters fucking metal ass!

Wataru: YEP!

He blew it and fired waves of energy and blasted the monster.

?: That was well said!

Out came a girl with yellow hair, red eyes, black clothes and black wings and had a tiara with Squidstrictor on it

Me: (GASP) Selena Squidstrictor!

Selena Squidstrictor: (GRUNT) Yeah! I got this.

She grabbed Megalothor and smashed him into the ground!

Mothra: WOW! Nice one!

Selena lost control and tried to grab Man Ray

But he dodged her grabs and went at her.

?: (ECHOING) DARK REFLECTION!

The attack from Selena was reflected back and it hit her in her face.

Mercurymon came!

Me: Mercurymon! Wow!

Eli: Whoa!

Mercurymon: (In a girls voice) Looks like the fun started.

Nico: Mina Mercury!? Wow!

Mercurymon: Awesome to see you Nico.

I fired the antidote ray and injected the antidote into Selena.

Man Ray charged at her and knocked her down.

SpongeBob formed a bubble torpedo.

SpongeBob: SpongeBob to mission control, the launch is a go.

The torpedo hit Megalothor and blasted her.

Vinyl Scratch used her Fuestle and blew it and fired a laser blast with Metal Sonic's power and blasted Megalothor all over.

Aqua charged at her and slashed her all over.

Nico fired energy waves and blasted Megalothor all over.

SpongeBob fired Exploding Krabby Patties, Patrick fired dumb blasts and Fred fired bowling balls. One of them hit smashed Selena and the other hit his leg.

BLANG!

Fred: MY LEG!

Mothra: Time to finish this guy.

Kengo: You got it!

Mothra and Kengo fired energy blasts and they hit Megalothor and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Nico: Oh yeah! Megalothor you have failed this world!

Me: We're not done yet.

We went at Selena.

Aqua got out her Fuestle for Skulker.

She blew it and fired laser blasts and smashed Selena all over.

Mina reverted back and was a girl with green hair, green eyes, green clothes and had green angel wings, Mercurymon in the middle of her forehead and skirt and had the Steel Kanji on her arm and had a metal sword in her hand.

Mina Mercury: Try this on!

She fired light beams from her hands and blasted Selena all over.

Jun got out her Fuestle for Lokar.

She blew it and fired energy blasts and smashed down Selena.

Kengo: Keep it up!

We fired energy waves and smashed her down and knocked her down and the Antidote took effect.

She was back to normal. Her eyes were back to their blue color.

Selena Squidstrictor: (Groans) What hit me?

Me: Well long story.

Mina Mercury: That was awesome.

Lily: Yeah! Do you have a favorite memory of Nico?

Mina Mercury: Yep. When me and Nico went to the Steel Mill and we saw a bunch of monster men hurting everyone and we blasted them into nothing and got them sent to prison.

Me: Good riddance.

Lincoln: Yeah.

Nico and Mina hugged.

Nico: I've missed you.

Mina Mercury: Same here.

Kengo: Lily, ever since I met you, Maria, and Lemon Hearts, I've seen you 3 as sisters

Lily: Really? Oh Kengo!

They hugged him.

William: Guess we're in laws now.

Lincoln: Same with me too.

Nico: Yep.

We later went back home.

We arrived.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and it was cool.

Camie: WHOA! That is awesome.

Lola: It sure is.

Rita: We're so proud of you sweetie.

Lily: Thanks mom.

Nico: Leni, you, Sweetie Drops and Emily Tamaki's start your missions are tomorrow

Leni: (GASP) O.M. GOSH! I AM TOTES EXCITED!

Qin: Go Leni!

Sweetie Drops: Me too!

Emily Tamaki: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Yona, Himiko, and Carlota's main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

Rika: Jeri, we have someone who wants to see you.

Jeri got up and was shocked to see Selena.

Selena Jeri Katou: Hey sis.

Jeri: Selena? Selena!

They went and hugged.

Jeri: I thought I would never see you again!

Selena Jeri Katou: Me too! I missed you.

Nico: Aww.

They later got to the couch and Jeri broke down crying.

Me: What's wrong Jeri?

Jeri: (Crying) It's my dream! I'm ready to tell you

Takato: You should know that Selena's aunts got what they deserved

Sheila: It's true.

Qin: Yeah.

Jeri: (Sniffles) I'm glad.

Me: What happened in your dream Jeri?

Jeri: Okay here goes.

She told us all about what happened with her mother and Leomon and how she was kidnapped by the D-Reaper. Then she saw her friends dying and more and then she saw the D-Reaper destroy the entire planet in a terribly powerful explosion! Jeri watched the whole planet explode right before her eyes and she screamed and woke up.

She had tears stream down her face as a result and then broke down crying.

Natilee: It's true guys. This is what she saw.

She showed us a sketch of it.

Nico: (GASP) That is horrible.

Nightbird: Jeri, we won't let that happen!

Me: Yeah Jeri it was just a nightmare. It's not real.

Nico: Yeah.

?: That was a horrible dream.

A figure came and it was a girl with purple hair, purple eyes, green and purple clothes and green and purple wings and had a tiara with Infinity Mijinion on it.

Irena Mijinion: Irena Mijinion, embodiment of Infinity Mijinion.

Akiza: Been a while Irena.

Sophie: (British Accent) It sure has.

Irena Mijinion: It sure has Sophie and Akiza.

Arcee: How did you meet Sophie and Akiza?

Irena Mijinion: I met Akiza when she was dueling Sayre one time and I helped her bring him down.

She showed her Signer Mark and it was a Dragon around a Rose.

Nico: You're a Signer? Wow!

Irena Mijinion: Yep. And I helped send his ass to prison the first time.

Me: I wouldn't be surprised if Anti-Monitor brought him back from the Black Gates for Akiza, Misty and Carly to take down.

Irena Mijinion: Yep. And I met Sophie when she and the Huntik group battled DeFou and kicked his butt into next week.

Me: I have a feeling that DeFou or the Professor is going to come for Lok, Sophie or Dante's time to shine and we'll kill them for good.

Nico: Yep.

Me: Would you like to join us?

Irena Mijinion: I would be honored.

Cutthroat: Well, now we know who we're going after later

Me: Yep. Lets see if Lincoln's premonition is correct.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was none other than our old enemy, The D-Reaper, and it was brought back from the dead thanks to Anti-Monitor, and it still wants revenge on us.

When we saw it, we knew it meant big trouble and our fears were correct.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and we're not going to like who it was that's back: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, The D-Reaper, and it was brought back from the dead thanks to Anti-Monitor, and it still wants revenge on us.

EVERYONE WAS ABSOLUTELY DISGUSTED!

May: ARE YOU FUCKING KIDDING ME!?

Jeri: I can't believe it.

Takato: Now, he's gone way too far.

Rika: Big time!

Nico: This can't go on any further! This time, we're going to make sure The D-Reaper dies here and now, and this time, it's never coming back!

Me: That's right.

Lincoln: That monster's lived for far too long, and that monster's been spotted in The Digital World.

Nico: Perfect. Let's go, team, this is the final time that we deal with The D-Reaper!

Lincoln: This is where The D-Reaper dies here and now!

Me: YEAH!

The previous group came.

Whiteout: Can me, Firefly, Plastique, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

Nico: Yes you all can come with.

Me: We're going to need all the help we can get for this one.

Camie: Yeah.

Loki: Oh boy.

Carnivac: Boss, which Gene Slammer do you think you'll meet next?

Nico: Raremon next. So you guys may want to plug your noses.

Qin: WHEW! I think I know which one is coming next.

Lola: YUCK!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Machida the Snake Demon, and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Machida the Snake Demon, and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, a Snake Demon?!

Hazel Ikos: I've got a sudden desire to make tons of snakeskin boots, wallets, and jewelry out of that snake.

Nico: This should be good. Alright, team, let's go, we're heading to The Digital World, and we're going to finally destroy The D-Reaper once and for all!

Lincoln: This is the last and final time that we ever have to deal with The D-Reaper, and once we get done with that abomination, you're next, Machida.

Hazel Ikos: Never again will you be allowed to run free and try and destroy humanity, you walking snake skin wallet, this is where you die here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us head out to The Digital World to finally destroy The D-Reaper that was resurrected by Anti-Monitor and we'll make sure that abomination dies here and now, and once we got done with The D-Reaper, Lincoln and Hazel Ikos along with me and Nico are going to destroy Machida The Snake Demon.

We were off to the Digital World and this time we are going to make sure Jeri's Demons stay gone for good.

We arrived.

Me: Here we are.

Nico: Yep.

Firefly: Lets call Duskmon for this.

Me: Good idea.

Duskmon came.

Duskmon: I'm here guys.

Camie: Awesome.

Supernova Zap: Guys, do you get the feeling that we may have missed some Robot Master Embodiments?

Me: As a matter of fact yeah. I do.

Qin: Yeah me too.

Lola: Same here.

Camie: I had a feeling some of them were unaccounted for.

Lana: Yeah.

Lisa Loud: Snake Man, Cloud Man, Grenade Man, Pump Man and Tomahawk Man's Embodiments are not present.

Me: Oh boy.

Then Lincoln had a premonition.

Lincoln: (GASP) Oh dear god!

Me: What is it buddy? Oh no. Don't tell me.

Lincoln: Yep. We're facing Despairdark, The Hypothetical Akuma of Jeri and she is the very embodiment of all the sadness, despair and negative energy within Jeri's heart. She was made because of Jeri's Dark Past and when she lost Leomon she turned into this.

WE GASPED!

Qin: Oh man!

Me: What does she look like?

Lincoln showed us a sketch of her and VARIE GASPED SEEING HER! She looked VERY MUCH like Jeri but had no eyes or nose and had a scary nightmarish fanged mouth. She looked like a monster that she saw in Jeri's mind when she and Jeri first met!

Varie: Oh my god! That is just like what I saw in Jeri's mind when I first met her! I saw this very monster inside her!

Me: Oh my lord! That is horrible!

Lana: Oh man!

Camie: JEEZ!

Me: So this is the monster that was created from within her that lead to her dark past.

Jeri Katou: Oh my. So she was made from my darkness.

Duskmon: I can't believe Jeri was going through all that back then.

Lola: Yeah that was sad.

Nico: No kidding.

Xenia: Yeah.

Jeri: And all this stemmed from when I lost my mother.

Ace Ukiyo: What happened to Jeri back then?

Me: Her mother died of a terminal illness when she was younger and it devastated her. Years later she lost Leomon to Beelzemon and she blamed herself for that. She spiraled into depression and thought her destiny was to be alone.

Varie: I had no idea how dark a past she had until we met back when we started out. Her past was that dark.

Ace Ukiyo: Oh man. Poor kid.

Neon: Poor Jeri. I can't believe her past was that dark.

Nico: Yeah.

Himiko: That is as dark as mine.

Jun Fudo: Same here.

Lola: Yeah.

Lana: She lost 2 very important people in her life.

Me: Yeah.

Gearhead: Can you guys point out some vehicles I can use for this?

Me: I did bring some.

I got out 5 missile tanks.

Gearhead: Thanks J.D.

Me: No problem.

Qin: Yeah.

Aligned Wheeljack (sees Despairdark's picture): She reminds me of the Soundwave from our world.

Motormaster: Because she's got no face?

Aligned Wheeljack: Yep. Her puppet might remind me of our world's Laserbeak.

Nico: Yeah.

Varie: This is exactly what I saw in her mind.

Me: Hold on.

I pulled out my tablet and called Jeri's dad.

Mr. Katou: Hello?

Me: Mr. Katou it's J.D.

Mr. Katou: Hey J.D. how has Jeri been?

Me: Well that's the reason I'm calling. You remember the D-Reaper right? Well I got really bad news. It's back because of Anti-Monitor. We're right here in the Digital World and we're going to make sure it's gone for good.

Mr. Katou: Is Jeri okay?

Me: She's fine. I know you're worried about her but at least hear her out.

Mr. Katou: Let me talk to her. I miss her a lot.

Me: I know you do Mr. Katou.

I gave her my tablet.

Jeri: Daddy I miss you.

Mr. Katou: I miss you too sweetie. Jeri I'm sorry about everything I did. I was just so devastated over the loss of your mother that I took my parenting too far. I took my grief out on you because I loved your mother more than anything. (Voice Breaking) (Tears Stream down his face) I took you for granted Jeri. I thought by marrying your stepmother that I would make you feel better and for that I'm so sorry for everything.

Jeri: Daddy I know you were upset about mom dying. I missed her so much and after J.D. brought her back I thought my life would be better. But I still had the demons inside me. I know you did what you thought was right and I understand that. I love you dad. Always have and always will.

Mr. Katou: Thank you sweetie. I miss you so much.

Jeri: I do too.

Trickster: There's someone else you need to see too.

Selena Jeri Katou showed her face to him.

Selena Jeri Katou: Hi Daddy.

Mr. Katou: Selena? I'm so happy you're okay.

Selena Jeri Katou: Me too.

Jeri Katou: We have quite a story to tell you about her dad.

Mr. Katou: I can't wait to hear it. But Jeri just so you know ever since the whole D-Reaper nightmare, and I heard about everything that happened to you I promised to change and when J.D. resurrected Shizue it made me so happy. I wanted to heal our lives. And I wanted us to be happy again.

Jeri: I know dad. I know.

Me: Selena is okay now Mr. Katou. Her so-called aunts were brought to justice.

Red Hood: By the way, her aunts are probably dead by now

Mr. Katou: Good. I didn't like those monsters.

Me: Really?

Mr. Katou: Yeah these were Shizue's sisters. They always HATED Shizue because she was prettier than them. After Shizue died they took Selena away from me and Jeri.

Me: My god. What a nightmare for her. They hurt her because Selena reminded them of her. They were jealous. They killed her adopted parents all for their money.

Sheila: Yeah

Rarity: That is the most selfish thing I've ever heard in my entire life!

Qin: Yeah!

Trixie Lulamoon: Selena deserves to be back with her real family!

Me: I agree.

Cad Bane: Reminds me of James' so called aunts

Maria: Yeah no kidding.

Sheila: Yeah and they are looking at the electric chair for their crimes.

Selena Jeri Katou: When this is done I want to pull the switch for it.

Me: That can be arranged.

Volt Luster: They're not dead yet?!

Brontes: I was pretty sure they would be dead by the time Lily, Lemon Hearts, and Maria completed their mission!

Me: That's right. Executions like this take time to get ready.

Nico: Yeah.

Mr. Katou: Yeah. But Jeri, be careful. Come home safe.

Jeri: I will daddy. I love you.

Selena Jeri Katou: Me too.

Mr. Katou: Go get them.

Jeri: With pleasure. Bye.

He hung up and Jeri gave me back my tablet.

Me: Just to be on the safe side...

I checked the security footage of Selena's so-called aunts and found that before executions could be carried out, they hung themselves in prison.

Me: WHOA! They killed themselves in prison.

Nico: WHOA!

Qin: Yeah!

Laney: GEEZ!

Vortex: I'm surprised we weren't attacked during that call.

Me: Yeah.

Qin: Good riddance.

Me: They took the cowards way out.

Sid Arkale: Sorry, Selena.

Rubanoid: We know you wanted to kill them

Selena Jeri Katou: Eh it's okay.

Me: Well they had it coming. Looks like Hell is getting two more cowards in the 7th Circle.

Nico: Yep. Now it's time to take down the Akuma first.

Nicole: Yeah.

Eli: Yep. She's walking this way to us.

Me: Then lets get to her.

Nico: Right. Lets go people.

We got to looking for her.

Loki: Is that her?

Me: Yep.

We went over to her. We saw that she looked like a scary version of Jeri! She had no eyes and nose and had a scary demonic fanged mouth and her puppet was scary too

Me: Despairdark, I presume.

Despairdark: That's right and our destiny is to be alone.

Me: That is not true at all. You were made because of your mother dying but that is not how it works.

Neji Hyuga. I once thought like you. I thought it was because fate sets our destinies in stone. But that's not how it works.

Me: That's right!

Nico: Was Neji like that?

Me: Yeah he sure was.

Misfire: You wouldn't hurt us, would you?

Despairdark: My destiny is to make sure everyone is alone like me.

Me: Sorry but that is not going to happen.

Jeri: You may be me but you are nothing more than a demon that plagued my life! I will not let destiny control me anymore!

Despairdark: Running away from destiny?

Varie gasped!

Varie: Those are the exact same words I heard in her memories!

Duskmon: We'll stop you if we have to!

Me: Not to sound like Fate's little bitch but your fate is to be eternally in the servitude of the Masters of Evil! OH DEAR GOD! Neji you're starting to rub off on me!

Neji Hyuga: I'm sorry J.D.

Me: (Blubbers) Nico if I ever act like that again I want you to slug me in the mouth.

Despairdark charged at us!

Jeri kicked her in the face.

Jeri: For many years I hid behind a mask to hide my despair! No more! You made me sad for far too long!

She fired energy blasts and blasted Despairdark all over!

Duskmon: That a girl!

Despairdark: Have some of this!

She fired dark energy blasts.

Jeri: (ECHOING) FIST OF THE BEAST KING!

She fired a lion head energy blast and the blasts collided and Jeri's blast overtook hers and blasted her down.

We tied her up and she was now in the servitude of the M.O.E.

Molten Man: That's one problem down

Me: Now for the main event.

Qin: Yep.

Lola: The D-Reaper.

Camie: Yep.

Takato: And we'll face it in the Sovereign Hub

Nico: Lets go

Roxas: Lead the way.

Takato: Okay.

We followed Takato to the Sovereign Hub.

We got to the Zhuqiaomon's castle.

Me: Wow Zhuqiaomon's Castle is rebuilt.

Nico: Yeah it was ruins when we were here the first time.

Me: Jeri?

Takato: Jeri are you okay?

Jeri: I'm okay. Just bad memories about this coming.

Me: Don't let them take you over Jeri. I know it was in the past but you got to pull through and fight on.

Nico: This was not just our True Enemy but yours too. It did all that to you.

Jeri: You're right.

We saw a figure up ahead.

Me: There.

Quake Woman: Entrance time!

We went at the figure and it was really THE JERI TYPE AGENT!

Then the spirits of the 1,400+ Digimon came and swirled around her and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

A massive and powerful fiery explosion blasted off above it and then a phoenix cry was heard and we came out.

Me: Okay agents! Come get some!

The figure turned and we gasped!

Jeri: ANOTHER ME!?

Me: No it's one of the D-Reaper's agents!

Varie: It's the first one I faced when we first met!

Jeri Type: The D-Reaper has therefore concluded that all humans only desire destruction. Emotions such as love, sadness, anger and happiness do nothing more than make you weak.

Varie: I don't believe that. Love makes you stronger.

Varie dashed and punched the clone in the face and sent her crashing into a rock!.

KRASMASH!

She arose from the rubble and was in her true form.

Varie: So this is your true form. You sure are ugly.

Nico: GOOD GOD!

Jeri Type: Yes. Human beings do not deserve to exist. Humans are worthless creatures that only cause destruction. They created Digimon to fight battles and load data so that they'll get stronger in strength in ability. Humans and Digimon must be deleted immediately.

Varie: Shut up! You have no right to decide that! We have a right to live and to protect the people we care about! That's something a warped freak like you can never understand!

Jeri Type: Human beings wage war, destroy other human beings and therefore their existence is pointless.

Me: YOU'RE The one whose existence is pointless!

THE MOTHER D-REAPER AROSE FROM THE MASS!

Mother D-Reaper: [Through the Agent] Humans and Digimon exist only to destroy or be destroyed. An exercise in futility. Humans desire total annihilation therefore their existence is pointless.

Me: YOU HAVE NO RIGHT TO DECIDE THAT!

Takato: My life isn't pointless and neither is Guilmon's or my friends or anyone elses! We have a right to live and to protect the people we care about! Something a warped freak like you can NEVER UNDERSTAND!

Varie punched the Jeri Clone and kicked it all over.

Mother D-Reaper: You are persistent. But you're only delaying the inevitable!

Varie: And the Inevitable is your demise!

Mother D-Reaper: YOU DO NOT DESERVE TO EXIST!

Me: YES WE DO!

Plastique: The thing about humans is that they're not perfect.

Me: We may not be perfect, but you are wrong about EVERYTHING D-Reaper!

Lola: YEAH! Humans and Digimon are great friends and partners and more! They do things together that no one can even fathom!

Poromon: Like love and live as family!

Me: And that is the one thing you can NEVER understand! You don't know how to love anything! All you do is destroy!

Pyroar charged at her and fired a massive blast of fire and burned the D-Reaper.

Me: YEAH!

NUMEROUS AGENTS then came!

I fired massive blasts of energy and elements and blasted them all over.

Jeri: It's finally over.

Takato: At long last.

Nico: That's it for that bastard, now it's never ever coming back.

Lincoln: Now, Jeri's demons are gone forever. Now, there's one last thing to do and one last loose end to tie up: Machida the Snake Demon.

?: I will have my revenge on you, Slayer!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Machida the Snake Demon, or we're forcing you out!

A figure came out, and it was none other than Machida the Snake Demon.

Brittney: Should've known you'd show up once again, Machida the Snake Demon.

Hazel Ikos: But, this is where it all ends for you.

Suddenly, Hazel Ikos' red eyes turned neon red and she was surrounded by a red and white energy aura with stars, wind, hummingbirds, phoenixes, and angels, she unholstered her massive wind greatsword, and as she approached Machida the Snake Demon, she left red and white energy, stars, wind, hummingbirds, phoenixes, and angels with every step.

Hazel Ikos: You really make me sick to no end, Machida the Snake Demon, you're just a monstrous serial killer and all you've done is cause havoc and destruction for your masters in The Underworld. You're just as despicable as the vampires who destroyed Barrow, and now, I will see to it that you die here and now.

Suddenly, Hazel Ikos was surrounded by a massive vortex of red and white energy with stars and wind surrounding the vortex, there are hummingbirds, phoenixes, angels, and Neo-Spacian Air Hummingbird flying around the vortex, and in the vortex is a white phoenix with blood red eyes glaring at Machida the Snake Demon: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Lincoln: And Hazel's right, what this bastard has done proved he's just as worse as the vampires who destroyed Barrow. Now, he's going to be destroyed forever.

Then, as the vortex faded, Hazel Ikos emerged, but she was changed forever.

Hazel Ikos grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large red and white planets orbiting around her legs and fifteen smaller red and white planets orbiting around her waist, she has the body of a goddess, she has white highlights in the bangs of her long red hair and white hairband with white phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon red eyes and a red and white energy aura with stars, wind, hummingbirds, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Neo-Spacian Air Hummingbird emblazoned on her forehead and Third Eye with red iris, she has on hummingbird earrings with red gems for eyes and holding the Star, Wind, and Eternity Kanjis in their talons, she also has Neo-Spacian Air Hummingbird with red gems for eyes and holding the Star, Wind, and Eternity Kanjis in his hands for the second pendant on the bottom of her red hummingbird-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and red gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Hazel Ikos felt a sharp pain on her back, and then, her massive white angel wings with red tips on the large white feathers grew much larger for her new body with a wingspan of 20'0" and medium sized white angel wings with red tips grew and sprouted out underneath her massive white angel wings with a wingspan of 15'0" and small sized white angel wings with red tips grew and sprouted out underneath her medium sized white angel wings with a wingspan of 10'0" and she now has eleven massive and long red wolf tails with white tips and red markings, Hazel Ikos has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

Suddenly, Hazel Ikos' massive wind greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red and white energy, stars, wind, hummingbirds, phoenixes, and angels, and when it emerged, it was transformed into Hazel Ikos' True Cosmic Eternal Harmony

But, when Machida saw it, he went ballistic and charged at her to kill her, but Hazel Ikos fired a massive barrage of red and white energy, stars, wind, hummingbirds, phoenixes, and angels which hit Machida and sent him flying into a wall, he got back up, but he was really really angry now.

Me: No way, did Hazel just transform?!

Hazel Ikos, Lincoln, Nico, and I went after Machida the Snake Demon, and we fired extremely powerful blasts of rainbow energy, red and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Machida and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Hazel Ikos also did the same by firing red and white energy slashes from her massive greatsword and gold-plated dragon claws, and he, Hazel Ikos, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Machida even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit Machida with full force, and he exploded into nothing but snakeskin merchandise and he was sent to The Black Abyss forever. Everyone cheered wildly for what Hazel Ikos, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Hazel Ikos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large red and white planets orbiting around her legs, fifteen smaller red and white planets orbiting around her waist, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath her massive white angel wings are permanent.

Hazel Ikos: Don't you ever come back, you snake. Thanks for helping me take down Machida, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Hazel.

Me and Nico: Our pleasure, Hazel.

Suddenly, Hazel Ikos wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Riis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Neo-Spacian Air Hummingbird flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Hazel Ikos sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that snake down and Lincoln fired that beam of rainbow light.

Me: And turned him into snakeskin merchandise and sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the people: The Avatars and Embodiments of the Shinobi Villages.

I GASPED!

Me: No...way!

Nico: You know them?

Naruto: We all do. According to local legends told in The Hidden Leaf Village and the villages we've gone to, they're the Gods of said villages and they hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and their power makes even The Akatsuki, Orochimaru, and the other enemies tremble in fear.

Eli: Whoa!

Sakura: And they're also Lincoln's Guardian Angels, and they all hate Killjoy Huggins with a blazing vengeance because that toupee wearing jerk tried to kill Lincoln again and destroy the villages only for him to get beaten up by the Gods and Lincoln and tossed to the cops and he got his foot stomped by Superintendent Chen and suspended for a year and spent five months in prison.

Nico: Fucking jerk!

Lincoln: Yep, and for the first one tomorrow: we're meeting Talia Senju Konoha, Embodiment and Avatar of The Hidden Leaf Village and God of The Land of Fire.

Selene Arcangela: Awesome, I knew we'd be meeting her first, and you guys are going to love her, Talia Senju Konoha is Lincoln's Guardian Angel from The Hidden Leaf Village, she's a powerful shinobi and master of the powers of the Jutsu, and here's an added bonus: she's The God of Land of Fire, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a Guardian Angel of Naruto and she also defended him from The Civilian Council and

Danzo for obvious reasons. She's the powerful leader of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and she's also the younger immortal sister of Tsunade and the cousin of Naruto. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf, but he's also a good friend to Naruto, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Jutsu and techniques. Lincoln made her a beautiful necklace and a flower beret, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and Naruto arranged a date for Lincoln and Talia at a Japanese Restaurant, and they both enjoyed their date, and Talia detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln and destroy The Hidden Leaf Village, but that ended badly with Talia, Lincoln, and Naruto and his harem beating him up and Talia tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Sakura: We were stunned to find out she's the immortal cousin of Lady Tsunade, and what she did to Killjoy Huggins was righteous justice for what he's done to Lincoln and tried to destroy the village.

Lori: Mom was furious, and she was that close to ripping him apart and shoving that toupee right up his...!

Caleb Maxwell: (GROWLS)

Luna: Ooh! Better watch out, sis, he's not going to let you finish that sentence especially around his little sister.

Nico: He's just as much a fierce Guardian like you are to Lincoln, Luna.

Jet: A Digimon kiling the D Reaper.

Swordsman: It was fitting.

Duskmon: It was the only way it could've ended.

Dirty Bubble: I admit the world's not perfect.

Waffle Woman: But it'll be much better without monsters like her.

Carmen Dillo: Let's celebrate here in the Digital World.

Me: Agreed.

FALL OF A PERVERT BOY

This chapter is where we face Brad Buttowski who is back for revenge

---

In the early morning hours at 1:53 AM, Lincoln had a dream, and he saw six figures hiding out and living in Seaside Hill. But, this was no ordinary six figures, they were Eia, the daughter of Lincoln's future wife, Sareena. Fira, the daughter of Lincoln's future wife, Flare Corona. Yintamba, the daughter of Lincoln's future wife, Nitara. King Khan, An humanoid dragon. Death Tactic, A blue Unicorn. and Guildenstern, a ghoulish Unicorn. Lincoln woke up from the dream, but he wasn't the only one, Sareena, Flare Corona, Nitara, Pinky Fang-Bytes, Ivy Loud, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Sareena: And it also means that we found out where our daughters are at.

Nitara: Along with a humanoid dragon, a blue unicorn, and ghoulish unicorn.

Me: They're at Seaside Hill.

Nico: A coastal area with white sand beaches and a blue ocean inhabited by orcas. Oh man, that's not good.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Black Alpha, Sareena, Flare Corona, Nitara, Pinky Fang-Bytes, Icy Loud, Me, and Nico were heading to Aurora, Colorado. Then, Lincoln saw a A 16-year-old goth girl who has fair skin with a bit of silver/light gray, black and white straight hair with curly sideburns, dark red eyes with heart pupils, and black markings on her face. She wears a black crop top that exposes her stomach, black and red arm sleeves, black leggings with red loincloth, and black goth-theme boots with red lines. She wields a scythe. A 16-year-old young girl who has pale skin, freckles on her cheeks, blue eyes, and long fiery red hair that reaches to her waist with the large bang covers her right eye. She wears a dark red off-the-shoulder shirt with black corset, dark red skirt with pink rose, fishnet tights, and dark red ankle strap mary janes pumps. A 16-year-old Vampire girl who has pale pinkish skin, glowing red eyes with black crescent pupils, and black short spiked hair. She also has exceptionally sharp fangs, long extendable tongue, long sharp claw-like nails, and huge tan bat-like wings. She wears a black crop top that exposes her stomach, dark yellow shoulder pads, black and dark yellow arm sleeves, black knee length shorts, dark yellow knee pads, and black mary jane flats. A strange 15 feet tall purple scale humanoid dragon but with the head and neck resembling that of a Pteranodon. The wings were a mix of dino and dragon with tan red scales for the inner/outward wings, white spikes on the wings, even four white nail talons for the dragon claws and feet. Possesses a spiked segmented tail with a hooked end. Had sharp white teeth in the bird-like beak, and had clear red eyes with black pupils.A blue skinned Unicorn with dark blue gentle combed mane and short tail possessed red glowing eyes with orange pupils, and worn the white military suit with golden shoulder pads and a tag, his cutie mark is Crimson skull with black feathered fan and pistol in crossed.

And a demonic and skeletal ghoulish Unicorn Pony without lower body parts, has demonically crimson eyes, claws on the front hooves, dressed in black demonic lab coat and cape. He wields his ancient yet technological demonic-like staff. Lincoln saw who they were, they were Eia, Fira, Yintamba, King Khan, Death Tactic, and Guildenstern.

Lincoln: Ridley?

King Khan: It's King Khan. What brings you here?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. (to Eia, Fira, and Yintamba) And there's also someone you know all too well.

Then, Sareena, Flare Corona, and Nitara came out, and when Eia, Fira, and Yintamba saw them, they was stunned.

Eia: (British accent) Mother?

Sareena: I'm here, sweetie.

Eia, Fira, and Yintamba ran up to Sareena, Flare Corona, and Nitara, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Black Alpha, Pinky Fang-Bytes, and Ivy Loud.

Lincoln: And there's something you should know, Sareena, Flare, Nitara, your mothers are one of my many future wives.

Eia, Fira, and Yimtamba: That means...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Eia, Fira, and Yintamba with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. An King Khan, Death Tactic, and Guildenstern join the as well.

Icy Loud: I didn't know you three had soft spots.

King Khan: Did you expect less from us, young one?

Death Tactic: Despite my stoic and serious personality, I'm full of honor.

Guildenstern: Thanks for letting us join the party, We'll try not to disappoint.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Eia, Fira, and Yintamba to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Sareena, Flare Corona, and Nitara with their daughters, and Eia, Fira, and Yintamba now has a loving, strong, brave, and caring father in their life.

Nicole woke up to see Regifire staring at her.

Nicole: Oh morning Regifire.

Regifire: Morning Nicole. Time for breakfast.

Nicole: Be right down.

Nicole ran to her closet and went and got dressed and she went to the table.

Me: Morning Nicole.

Nicole: Morning dad.

I made her favorite breakfast. Steak, eggs, sausages, bacon, ham and chicken. She always loved piling on the protein. She was eating a lot.

Lynn: Boy Nicole sure loves piling on the protein doesn't she.

Anna: Yeah my sister loves her meats.

Crag: That is a red-meat loving girl.

We laughed.

Nico: Yeah you said it Crag.

Me: Ahh this is the life.

Qin: You said it.

Camie: Man no kidding. I always love coming to the park.

Sora Phaaze: Me too Camie: It always calms my nerves and soothes me.

Xenia: Me too.

Lola: Especially with everyone having fun and playing in the snow too.

Varie: That is true.

Lincoln: It sure is.

Sailor Saturn: I'm really ready for this too.

Nico: Hotaru, I want to thank you, Swamp Witch, and your teams for coming.

Sailor Saturn: No problem Nico. This will be fun.

Me: How is your dad doing by the way Hotaru?

Sailor Saturn: He's doing much better. He's fully recovered after we saved him from his ordeal. I'm just glad to have my family back.

Me: Good.

Selina Saturn: I'm glad he's okay.

Me: Me too.

Lincoln: Same here.

Nico: Selina, what do you like to do with your free time?

Selina Saturn: I like to teach kids at the museum all about Saturn and what it's like.

Me: It's an amazing planet. Over the last few years we discovered many awesome features on Saturn. Like the South Pole Storm, the North Pole Hexagon, the Dragonstorms and so much more. It was incredible.

Camie: Wow! How big is the Saturn Hexagon?

Me: 18,000 miles wide which is over 2 and a half Earths in size. Which is amazing.

Nico: Wow! That is amazing!

Lola: It sure is.

Me: Yeah. And the Cassini Satellite took amazing pictures of it which is really amazing.

Juran: Can I see the pictures?

Me: Sure.

I showed pictures of it and it was amazing.

Me: These were taken from the Cassini and Voyager Satellites over the last 30 years.

Juran: Whoa!

Nico: (WHISTLES) Wow that is amazing.

Selina Saturn: It sure is. It's amazing how much we know about Saturn now.

Me: Yep. And more pictures about it are going to show themselves soon. So awesome.

Lola: That is awesome.

Lisa Loud: It sure is an amazing and scientific marvel to study about.

Juran: I'll say!

Me: Yep.

Varie: Yeah. Whew! Man yesterday's mission was brutal.

Lola: No kidding!

Laney: I agree there. Wow and now I'm glad Jeri is rid of her demons forever.

Nico: Poor kid.

Me: Yeah.

Varie: Yeah Jeri really went through an absolute nightmare. I didn't know how bad it was until we first met.

Me: None of us did.

Laney: What she went through I would never want to see happen to any of my friends and family.

Lana: Me neither.

Camie: Yeah. She lost her mother to a terminal disease and Beelzemon killed Leomon and the D-Reaper added more fuel to the fire by poisoning her mind with so much negative energy in an attempt to destroy the entire planet.

Me: That was awful.

Nico: And those agents were endless!

Me: I know! They just kept on coming! Like a massive swarm of locusts!

Qin: There was just no end to them!

Nicole: Yeah they kept on coming. But the onslaught of their power really gave us one helluva challenge.

Varie: They sure did. That was brutal. Especially the Jeri Type. That one was relentless. But she had no idea that we all had been getting stronger since we fought the first time.

Me: What really infuriates me is the fact that she was determined to make sure we all ceased to exist. Calling our existence pointless! What a fiend!

Nico: (to Lincoln) Well, you wanted us to kill a main target. And we did.

Lincoln: We sure did. How is Jeri and her sister doing?

Varie: They are doing good. Jeri and Selina are catching up on a lot of memories and more. I make sure they are doing good. Jeri's dad had me take on a massive and huge favor for him. He named me their godmother and I accepted.

We gasped.

Me: Wow! Varie that is amazing!

Twilight Sparkle: Wow Varie that is so noble of you to want to look out for Jeri and Selina.

Me: It sure is.

Varie: Because I looked out for Jeri since we first met and I'm going to honor that agreement.

Rainbow Dash then bursted into tears and was crying.

Me: R.D. are you okay?

Rainbow Dash: (Crying) I'm just so happy for them J.D.!

Nico: Hey, it's okay to cry.

Rainbow Dash: I know. But it was just so touching.

Nico: Yeah.

Ace Ukiyo: I can tell that Jeri went through a lot and it's great that they are back together after everything they went through. It made them stronger than ever.

Nico: It sure did Ace.

Qin: Yeah.

Nico: And we forgave Beelzemon.

Me: We sure did. Jeri did so first.

Nico: Yeah.

Lola: Yeah.

We were relaxing.

Maria: I'll get some burgers.

Me: Okay.

Maria went and did so.

Maria went and got us tons of burgers.

Me: Awesome.

Maria: And I got a friend.

We saw a square shaped rock with eyeholes in it? What the?

Me: Huh? You got a pet rock following you? Wait a second. Okay Konohamaru you and your friends can come out now.

Konohamaru: (LAUGHS) You sure saw through my disguise again didn't you J.D.

Then...

BOOOM!

The disguise vanished and out came Konohamaru, Moegi and Udon.

They were coughing.

Udon: Too much gun powder.

Me: Nice try though guys.

Fu: (LAUGHS) Some things never change

Juran: Who are they?

Me: Oh guys meet Konohamaru Sarutobi and his friends Moegi and Udon. They looked up to me and Naruto like mentors and we teach them a lot of techniques and sometimes play games.

Nico: Yeah and they help us out on the team from time to time.

Juran: Oh. Awesome to meet you guys.

Konohamaru: Same here.

Nicole: Also Konohamaru and friends help out the Anti-Pervert Patrol in busting perverts for us to thrash and they are really helpful for us.

Udon: Yeah it's fun.

Magine: That's good.

Nico: Yep.

Me: It sure is.

Lola: Yeah.

Me: I'm glad you three are here. Lincoln was just about to tell us what's going down.

Konohamaru: Really?

Me: Yep.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here in the park, but here's the really dangerous part: we got word from Vypra and the rest of The Masters of Evil that Peter Griffin has returned from the dead and has become another of Anti-Monitor's lackeys.

WE GASPED!

Me: WHAT THE FUCK?!

Nico: THAT TESTICLE CHINNED BUTTFACE IS BACK?! THAT SON OF A BITCH!

Eli: Anti-Monitor has got some goddamn nerve!

Sailor Saturn: He really is insane!

Lincoln: You got that right, Hotaru.

Suddenly, Lincoln had a premonition, and it's Quadruple Plus Not Good to The Infinite Power: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than our old enemies, Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian, and sent them after us.

Lincoln: Why, that little...!

Me: Lincoln, what's wrong?

Lincoln: We're literally in for Hell, Morgana Midnight Sparkle and the other Midnight Princesses have resurrected our old enemies, Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, that bitch!

Nico put his skeleton back.

Nico: I hate when that happens. That insane bitch and her friends made a huge mistake resurrecting Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian, and sent them after us. She knows that Sebastian before he was freed was a mega monstrous omnicidal and extremely demonic monster who's killed a lot of people along with being monstrous, cruel, vile, sadistic, murderous, and evil to everyone in his path.

Lincoln: Yep, and just like what I did yesterday, I'm ending Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe Anti-Monitor brought back Peter Griffin, and here I thought we were done with him after his alliance with Audrey Blade was made public, and to also find out Morgana and her minions resurrected the last villains whom we wished never to see again, she's gone and done it now.

Laney: Though this was also expected, but Lincoln's going to suck out their energy and send them to The Black Abyss as well.

Me: You got that right.

Lincoln: Yep. (Sensed for Peter Griffin) AHA! Gotcha! I just spotter Peter Griffin, he's 20 yards away and he's still really really pissed off at us.

Nico: Let's get that monster and tear him apart!

Lincoln: Plus, this is also the perfect opportunity to show my new Quirk when I turn into Fire Moon.

Me: Neat! Konohamaru, would you and your friends like to help us out?

Konohamaru: Sure!

Moegi: Yeah!

Udon: Lets do it!

Me: Love that spirit. I'll fill in a good report to Iruka-sensei after we get done here with the rescue.

Nico: Huh?

Me: Konohamaru and friends are starting out in the Academy but they made REALLY excellent progress in their skills. They are about Elite Jonin status right now.

Nico: Wow! That's impressive.

Naruto: It sure is. Way to go bro.

Konohamaru: Thanks boss.

Luster Dawn heard a Pokemon cry.

Luster Dawn: Look here!

We saw Mega Solrock and Mega Lunatone.

Me: Cool! Mega Solrock and Mega Lunatone.

Nico: Nice.

Mega Solrock: Yeah we heard about what was happening.

Mega Lunatone: But first we're hungry.

We gave them some apples.

Me: There you go.

They were eating them and were full.

Mega Lunatone: Ahh that was great!

Me: Awesome.

Luster Dawn: Wanna stay with me?

Mega Solrock: Sure!

Mega Lunaton: Yeah!

Luster Dawn: Awesome!

We then took off into the air and we set our sights on destroying Peter Griffin and sending him to The Black Abyss, along with Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian who were resurrected by The Midnight Princesses.

We were flying in the air, and we spotted our target: Peter Griffin, and he's already on a violent rampage beating people up.

Lincoln: There's that drunk violent buttface, let's get him! UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into FIRE MOON!

As his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a brown wolf snout, his massive white angel wings, medium sized white angel wings, and small sized white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Lincoln: (HOWLS)!

Me: Oh yeah! This is going to be good!

Lincoln: Now, it's time for you to face judgement for everything you've done!

Lincoln flared up his red fire aura, and he summoned wolves of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Nebulae, and Moonlight, and he sent them at Peter Griffin, and they really mauled him badly and we heard him scream!

Me and my sisters: WHOA!

Eli: What the heck was that?!

Lincoln: That was my Quirk when I transform into Fire Moon: Mythical Wolf.

Me: That is so incredible!

Nico: Really awesome! Now, let's take care of that drunk monster.

Then, Lincoln changed back as the elemental wolves vanished and that pissed Peter Griffin off as soon as he saw us land.

Me and Nico: You've got some goddamn nerve showing your testicle chinned buttface here again, you piece of shit!

Lincoln: I admit, I'm disgusted to find out Anti-Monitor brought you back from the dead. And Dark Sebastian, you, Universe 666 Sebastian, RD Sebastian, and the rest of the evil versions of Sebastian, you better get out here right now! There's no use hiding!

We then saw our other targets: Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian and they had a demonic Alicorn on their foreheads: which was proof that they were resurrected by The Midnight Princesses.

Selene Arcangela: And Lincoln was right, so Morgana and her minions also brought you monstrous bloodthirsty murderous demons back from the dead as well!

Dark Sebastian: YOU GODDAMN BITCH! YOU ALL RUINED MY CHANCES TO DESTROY ALL LIFE ON EARTH AND IN THE UNIVERSES BEYOND! AND NOW, I WILL HAVE MY REVENGE ON YOU!

Universe 666 Sebastian: WHAT THE FUCK?! IF ANYONE'S GOING TO GET REVENGE ON THEM, IT'S ME!

RD Sebastian: NO! IT WILL BE ME!

Dark Sebastian and Universe 666 Sebastian: ALL OF YOU CAN JUST SHUT THE HELL UP AND DIE! IN FACT, I THINK WE'LL JUST SAVE OURSELVES THE TROUBLE!

Dark Sebastian and Universe 666 Sebastian charged at RD Sebastian and the other evil versions of Sebastian, and they immediately started tearing each other apart like animals!

Lincoln: Okay, this is getting too ugly, time to take care of them.

Lincoln growled as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick white fur, his deep sapphire eyes and rainbow iris of his Third Eye remained the same, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a white wolf snout, his massive white angel wings, medium sized white angel wings, and small sized white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears remained the same, his long wild white hair became wilder, his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, his orange version of He-Man's loincloth turned dark blue, and his white pants with elemental forces on the legs remained the same along with his gold-armored knee-high boots, and he let out a loud howl.

Lincoln: (HOWLS)!

Me: Oh yeah, Lincoln's turned into Lincoln The Nocturnal!

Lincoln: (Beastly Voice) Alright, you murderous piles of garbage. (CRACKS KNUCKLES) Let's do this!

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism

Phoenix God Angel Justice and fired waves of rainbow energy as he swung his massive greatsword, and the waves of rainbow energy hit Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian, and they all got severely burned by the positive energy since they were nothing but monsters of hatred.

Dark Sebastian: THAT INSANE BITCH! SHE DOUBLE CROSSED US! WE WEREN'T UNSTOPPABLE, SHE USED US AS HER FUCKING PAWNS! I'LL TEAR HER AND HER BITCH MINIONS TO PIECES!

Lincoln: (Beastly Voice) Heh, so you finally realize the real truth behind Morgana bringing you back from the dead, it seems you're all not as insane as we thought. (Smirks) But, it's too late though, now it's time to say goodbye.

Lincoln fired dark blue energy blasts that hit Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian and he sucked out their energy and dark powers, darkness, dark magic, black magic, and Satanic Magic, and they flowed into him making him even stronger than ever and Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian died from having their energy drained.

Then, their spirits appeared.

Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian: YOU! YOU! WE'RE NOT DONE YET!

Lincoln: (Beastly Voice Oh no, you all are done forever! YOUR TIME'S FINALLY UP!

Suddenly, the bell of judgement rang in their ears meaning that their time was finally up! Then, the spirits of all those they've killed appeared and grabbed them.

Spirits: GUILTY!

The spirits found them guilty, and then, the kanji Black Abyss 黒深淵 appeared on the foreheads of Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Dark Sebastian, Universe 666 Sebastian, RD Sebastian, and the other evil versions of Sebastian: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU! (LETS OUT ONE LAST INSANE SCREAM BEFORE THEY FINALLY FADES AWAY FOREVER!

GOOD RIDDANCE, YOU MONSTERS FROM THE BLACKEST DEPTHS OF HELL, AND DON'T YOU DARE COME BACK, YOU PILES OF SHIT!

Me: Well well if it isn't our LEAST FAVORITE citizen of Quahog.

Nico: Fuck any good ladies with those testicles for a chin?

Me: Or were you too busy pounding some chubby whores?

I smirked.

Meg: I'd say it's good to see you, "Dad". But I'd be lying.

Peter Griffin: Shut up, Meg! (farts in Meg's face)

But then...

MASSIVE AND POWERFUL EXPLOSION!

Peter got blasted by an exploding dummy of her.

Meg: HA! Nice try PETER.

Peter was burned all over.

Nico: Nice one Meg.

Zocks: Does hurting your own daughter give you your jollies?

Peter Griffin: It's just Meg. No one cares. She sucks!

Me: Oh really? If she sucks then how come she is a much better force of good than you ever will be.

Johnny Cage: Yeah, I don't mean to offend Raiden and sound like Shao Kahn, who he's definitely fighting on his time to shine. But, YOU suck, dumbass, not Meg!

Poromon: And WE care about Meg. A lot!

Me: Big time! More than you ever will! And another thing...

I grabbed his face and farted in it!

LOUD NASTY FART!

He gagged and coughed all over.

Meg: Funny.

Brian: You know what, Peter? While you always do whatever the fuck you want, me and Stewie saved the Multiverse from Bertram at least two times!

Peter: Brian, you're a dog, and I am your master. You need to do what I say, no questions asked!

Me: Sorry Crotch Chin but Brian is his own man now. More a man than YOU EVER Will be!

Konohamaru: Leave it to us guys!

Moegi: Yeah we got something fun coming!

Udon: We got a whole new formation.

Konohamaru Corps: IT'S OUR CHEESECAKE JUTSU!

Konohamaru turned into a Fashion Model!

Moegi turned into a Movie Star.

And Udon turned into a Tanning Salon Receptionist.

Konohamaru: (In a girls voice) Fashion Model. Yoohoo!

Moegi: Movie Star! Yoohoo!

Udon: (In a girls voice) Tanning Salon Receptionist.

All: CHEESY CHEESY CHEESECAKE!

And then PETER HAD A MASSIVE NOSEBLEED LAUNCH! He flew and crashed into a tree!

KRASMASH!

SMASH!

Nico: WHOA MAN!

Me: YEAH! That was clever!

Peter got up and he was pissed! He had blood pouring out of his nose.

Me: What's wrong Peter? You were so attracted to hot and sexy ladies.

We smirked.

Nicole: (LAUGHS) Nice one!

Peter Griffin: Stewie, you still love Daddy, right?

Stewie: You're kidding, right? I don't call you 'Dad'. I call you 'Fat Man. You're a complete jerk to your own family all the time, including me. Even when I was being mean to Meg, it's just done quickly and then I do it a week or month later. Heck, I even stopped being mean to her a week before you got your just desserts! I have a filter. You do not. The only time we connected was when you bought my love with an Xbox and we both hated Lois together for a time. And me hating Lois stopped as well. There is no love between you and I.

Me: That love between you and Stewie died years ago, And another thing...

I teleported behind him.

PSYCHO STRINGS PLAYS!

BUZZ!

Peter: (SCREAMS) WHAT THE FUCK!

I shaved part of his head!

EVERYONE LAUGHED HYSTERICALLY AT THAT!

Me: That was for shaving Cleveland and Brian's head jerkfucker!

I teleported back.

Me: Okay and this too.

I held up a card that was explicit and he read it and laughed hysterically!

Peter: OH GOD DAMN IT! I pooped my pants!

Qin: (LAUGHS) What was on that card?

Me: Too explicit.

Peter looked to Cleveland and Joe for help.

Cleveland: Fuck you, Peter. You stupidly shot my son before.

Joe: Yeah you had this coming.

Me: Especially when you had a SERIAL Rapist named Glenn Quagmire for a friend.

I teleported and shoved a stinkbomb in his pants and teleported back and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

LIGHTHOUSE FOGHORN!

HE SMELLED LIKE A ROTTEN PILE OF SHIT!

Stewie kicked him in the face.

Me: And add this too.

I did a spinning kick and kicked him into a fire hydrant.

Me: Roadhouse!

Lola lit his head on fire!

Peter screamed and then he ran and I pulled out bucket of nitroglycerin and he stupidly dipped his head in it and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

He exploded! And was badly burned!

I then shoved a bottle of ipecac down his throat.

Nico: What was that?

Me: Wait for it...

Then...

PETER WAS HURLING HIS GUTS OUT EVERYWHERE!

Nico: Ipecac.

Me: Yep. And Peter someone or should I say some Chicken wants to have a word with you!

I teleported and held him and then ERNIE THE GIANT CHICKEN CAME AND WAS BEATING THE CRAP OUT OF PETER!

Nico smashed it onto Peter and it exploded into a massive fiery explosion!

Peter got out of the fiery explosion! He was burned and mangled.

LOUD NASTY FART!

Meg: That was for all the times you called me stupid and told me to shut up!

Nicole: And Peter, welcome to your WORST NIGHTMARE!

Her eyes glowed blood red and she Trapped him in the MALEVOLENT INSANITY WORLD!

HE WAS TRAPPED IN A TERRIBLE NIGHTMARE LIKE WHEN BRIAN HAD THOSE MAGIC MUSHROOMS!

Lincoln fired dark blue energy blasts which hit Peter Griffin and exploded, but as if that's not enough, we then saw Lincoln flare up a blue fire aura with a wolf howling, and then, he summoned ALL THE SOULS OF THOSE THAT WERE BANISHED TO THE BLACK GATES OVER THE YEARS AND THEY WERE MINDLESS HUSKS DEVOID OF THEIR SOULS!

Peter Griffin: WHAT THE HELL?!

Among the husks were Vilgax and Xehanort.

We were really amazed by Meg Griffin's Super Angel-Gothic Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Peter Griffin saw it, he went ballistic.

Peter Griffin: I don't care how much you've changed, you're still ugly and you're still going to die along with those stupid heroes!

But, before he could charge at her, Meg Griffin fired a massive barrage of black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, creatures of the night, phoenixes, and angels which hit that drunk pig and sent him flying into some trash cans and into a dumpster, he got back out, but now, he was not only extremely pissed off, but he also now has serious stink lines coming off him.

Meg Griffin: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Gothic Darkness Quahog Destroyer Gothic Darkness Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Gothic Darkness Quahog Destroyer Gothic Darkness Phoenix God Angel Love) You're wrong as always, I've changed a lot since joining the team, but it's no surprise you're still the same as ever: once an asshole always an asshole.

?: And that asshole's going to die here and now, and this time, he'll never come back. (HOWLS)!

Me: (GASPS) Oh, I know that howl from anywhere!

Suddenly, a tornado of blue fire, ice, darkness, light, and wolves erupted from nowhere, and when the tornado vanished, in its place was a girl with blue eyes, long dark blue hair, dark blue wolf ears on her head, dark blue wolf tail, dark blue clothes, blue angel wings, the tattoo of the Wolf Moon on her right arm and wolf paw tattoo on her stomach, and she has a silver wolf claymore.

Lincoln: (GASPS) Maria Wolf Moon, Avatar of The Wolf Moon.

Me: I knew that was her. Alright, let's take care of that pile of garbage and send him off to The Black Abyss.

Lincoln, Meg Griffin, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Peter Griffin, and we fired extremely powerful blasts of rainbow energy, black and red energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Peter Griffin and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Meg Griffin, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Peter Griffin even angrier than ever.

Then, Caleb Maxwell fired a bullet that hit the Monitor Orb in Peter Griffin's stomach, and it shattered and we gained a massive power boost and Peter Griffin screamed in agonizing pain.

Lincoln covered the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword in black and blue energy, blue fire, ice, darkness, and light.

Lincoln fired a massive beam of black and blue energy, blue fire, ice, darkness, and light, and it hit Peter Griffin and he was literally eviscerated and destroyed! Then, his spirit appeared!

Peter Griffin: GODDAMN IT! NOT AGAIN!

Lincoln: (Divine Echoing Beastly Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And here's where it gets worse. YOUR TIME'S FINALLY UP!

Suddenly, the bell of judgement rang in Peter Griffin's ears meaning that his time was finally up! Then, the spirits of all those he'd harmed and killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on Peter Griffin's forehead, and he was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Peter Griffin: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, YOU BITCH! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU TESTICLE-CHINNED ABUSIVE MONSTER, AND DON'T YOU DARE COME BACK, YOU PIECE OF SHIT!

Everyone cheered as we holstered our weapons and powered down and Meg Griffin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and red planets orbiting around her legs, fifteen smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings and small sized black angel wings underneath her massive black angel wings are permanent.

Meg Griffin: Good riddance forever, you piece of crap.

Me: And don't you fucking come back, you asshole!

Nico: That's another of Anti-Monitor's lackeys who's bit the dust. So, Lincoln, are you going to introduce us?

Lincoln: (Beastly Voice) I was just about to, but let me change back.

But, before he could, Maria Wolf Moon had her hands on Lincoln's hairy pecs.

Maria Wolf Moon: (Seductive Voice) Oh no, you don't.

Then, she began deeply kissing Lincoln on the lips and kissing him on the face, along on his massive hairy pecs, arms, and ten-pack abs. When she was done, Lincoln was covered in lipstick marks, his face had an atomic red blush, an In Heaven look in his eyes, and steam whistled out of his normal ears and large wolf ears, and we laughed.

Lincoln: (Beastly Voice) (In Heaven) Oh...man...!

Selene Arcangela: I think you should leave that to us.

Me: And me as well because I know her, this is Maria Wolf Moon, Avatar of The Wolf Moon, she's Lincoln's Guardian Angel from Denver, Colorado, she's an old friend of mine and she's a powerful master of blue wolf fire, light, darkness, ice, and wolves, and she also has the powers of The Wolf Moon and she's just as powerful as me and Jaime when we transform into Wolf Moon, and she's really strong. She moved to Royal Woods where she met Lincoln and she's also the owner of a wolf sanctuary, plus she also knows of Lincoln also being a werewolf along with being a vampire, and let's just say when she saw him in his werewolf form, she wound up getting an atomic red blush on her face, hearts in her eyes, and her nose gushed out blood, and she trained Lincoln in using the powers of Blue Wolf Fire, Light, Darkness, Ice, and Wolves, and every night on the full moon, they went out and practiced making wolf howls, and the wolf howls Lincoln makes are so powerful and that loud, they draw in packs of wolves and they even scare off burglars and criminals and right into the arms of the police. Lincoln made her an awesome wolf claymore and necklace, and to show her thanks, she kissed Lincoln on the lips while he was in his werewolf form, and he promised that when he comes of age, he'll marry her along with the rest of his harem, and Maria really hates Lori, Lynn, and Lola with a blazing passion, and she and Lincoln stopped them from trying to attack a pack of wolves and sent them flying back to the house where they got punished by me and Varie.

Nico: That's really awesome.

Luna: Even Lana loves seeing the wolves in her sanctuary, she even gave them slabs of meat from the butcher which they loved.

Lana: I always know what wolves love and I always deliver.

Lincoln pats Lana's head.

Lincoln: (Beastly Voice) You said a mouthful, Lana, and it's so good to see you again, Maria.

Maria Wolf Moon: You too, Lincoln, and whoa, you've really really grown into quite a hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man.

Lincoln then wrapped his massive and muscular arms around Maria Wolf Moon and he leaned his head down to her right trapezius and he slowly bit her on the right trapezius and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius as the mark healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maria Wolf Moon with blue gems on the gold lightning bolt links with blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Maria Wolf Moon saw them and she knew she became part of his harem and is now among his many future wives, and she kissed him on the lips which he returned as we cheered. But, before Lincoln could change back to normal form, Maria still had her hands on his massive pecs.

Maria Wolf Moon: And don't even think about changing back into your normal form, Linky. (Smirks) I want you to spend all day in that form.

WE GASPED!

May: Uh oh.

Maria: Man, she really does dig seeing you in your werewolf form, but you also have a wolf form too, Lincoln.

Maria Wolf Moon: Say what?

Lincoln changed into his wolf form as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick white fur, his deep sapphire eyes and rainbow iris of his Third Eye remained the same, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a white wolf snout, his massive white angel wings, medium sized white angel wings, and small sized white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears remained the same, his long wild white hair became wilder, his large dark blue halo with four large orbiting dark blue rings orbiting the corners behind his head changed back to gold, his orange version of He-Man's loincloth remained the same, and his white pants with elemental forces on the legs remained the same along with his gold-armored knee-high boots, and he let out a loud howl.

Lincoln: There we go, what do you think?

Suddenly, Maria Wolf Moon had an atomic red blush on her face, hearts in her eyes, and her nose gushed out blood.

Maria Wolf Moon: (Swooning) So handsome and manly.

The rest of his harem swarmed around him.

Nico: Man, Lincoln, you really are a ladies man, and you're really going through with it.

Lincoln: A deal is a deal, and I never go back on my word.

Me: That's definitely you, Lincoln.

Maria: Say, did you have any memories with Lincoln?

Maria Wolf Moon: (Embarrassed Blush) Well...

Selene Arcangela: She did have one. She asked Lincoln to transform into his werewolf form and she had him doing bodybuilding poses while she sketched every bodybuilding pose in her sketchbook.

She got out the sketchbook, and it showed the various bodybuilding poses Lincoln did in his werewolf form.

May: No way, she sketched every last detail.

Nicole: Maria is an amazing artist, but she was really embarrassed though.

Maria Wolf Moon: Selene, I thought you weren't going to...! (Sighs) And I've got the video.

Selene Arcangela played the video, and it indeed showed Lincoln in his werewolf form and wearing only orange swim trunks and doing tons of bodybuilding poses and flexing his muscles while Maria Wolf Moon was sketching them out in her sketchbook, and once she finished, she passed out.

Past Lincoln: (Beastly Voice) Let's see.

Lincoln looked through the sketches, and they were really really amazing, but Maria Wolf Moon had an embarrassed blush on her face. But, Lincoln lifted her head up with his left index finger and thumb and he kissed her on the lips.

Past Lincoln: (Beastly Voice) There's no need to be embarrassed about that, Maria, your sketches are really awesome.

Past Maria Wolf Moon: Thanks, and I've seen your sketches as well, they're really amazing, Lincoln. Plus, it's not just your sketches, but you've grown and changed a lot. (Rubs Lincoln's body with her hands) You've gone from a little kid into a really strong and ripped man, but personality wise, you're still the same as ever.

Then, they hugged and kissed as the video ended.

Maria: Hope you didn't get caught by your parents, otherwise, you would've been chased out.

Lincoln: (Beastly Voice) Her parents know me and they know I'll take good care of Maria Wolf Moon.

Me: That's right, and I'm also cool with her parents and they know he's a man of his word.

Ernie: It was good to do that one more time!

Me: You got that right!

Ernie: At least we're rid of Peter Griffin forever.

Meg: Thank goodness. Now I'll never have to sniff his ugly farts again.

Xenia: Good riddance.

Lola: Yeah!

Nico: Great job Mega Solrock and Mega Lunatone!

Mega Solrock: Thanks Nico!

Mega Lunatone: It was fun!

Poromon: Want some beer?

Mega Solrock: Oh no thanks.

Mega Lunatone: We don't drink sorry.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

We then saw Peter Griffin's phone ringing.

Nico: (to Lincoln) Seriously? You didn't destroy his phone?!

Lincoln: I didn't think it would survive!

Meg answered the phone.

Meg: Hey, Quagmire. What's up?

Quagmire: Meg?

Meg: Expecting Peter?

Quagmire: Yeah. Where the Hell is he?

Meg: You won't be hearing from him again. He's dead.

Quagmire: Look, I'm sorry about what you went through.

Meg: Don't give me that. You're just unhappy that you can't have sex anymore. Oh, and after Leni, Sweetie Drops, and Emily's mission, we're coming for all of you!

Quagmire: Oh, c'mon-

With that, Meg hung up

Me: Nice threatening message Meg.

Meg: Thanks.

Qin: Yeah!

Lola: Nice.

Nico: Eli, can you sense which Quahog Citizens are in the city right now?

Eli: Lets see.

Eli concentrated.

Eli: Whoa! We got Diane Simmons, Principal Shepherd and Connie D'Amico.

Nico: WHOA!

Meg: Perfect. Now I can kill that bitch Connie.

Nico: They aren't the only ones too right?

Eli: No we also got Quagmire, Carter and Chris.

Meg: My stupid brother too.

Me: And former grandpa. Whoa Meg look out!

I fired a blast of energy and it formed into energy chains and they hit someone and tied him up. It was Mike Pulaski.

Me: Well well well. Mike Pulaski.

Nicole: The bully that tried to kill Meg before.

Nico: Since we just killed Peter, we're throwing you in jail!

Me: And besides you're not worth killing.

I snapped my fingers and teleported him to the Jupiter Prison.

Nico: There.

Maria: Now, let's work on who deals with who

Me: Well I know Meg is gonna want some serious payback on Connie because she bullied her.

Nico: Yep.

Lois: Actually, Meg, I'll deal with Connie. You deal with Principal Shepard

Meg: Fair enough mom.

Me: Okay then. And I'll call in Cheshire too.

Nico: Why?

Me: During one of her usual battles a couple of years ago she said she wanted to kill Quagmire by slashing his crotch open.

Stewie: Right I remember hearing her say that. So me and Cheshire will take him down.

Brian: Stewie, I don't think-

Stewie: I have to, Brian! I owe him payback for what he did to you!

Brian: Oh right. Go get him then.

Joe: I'll arrest Diane Simmons.

Me: Good. She had it coming for her crimes.

Qin: I agree. I'll help Joe with that.

Bakugo: You leave Chris to me.

Me: I'll help you blow him to pieces.

Bakugo: I like how you think J.D.

Me: Yep.

Jackie: I'll help with that too.

Me: Good idea.

Jackie: Actually, J.D., how about only I go with Bakugo? I think two of us should be enough

Me: Mmm. Yeah you're right me added to that would be overkill. Okay go for it. Explosion Dynamic Duo.

Jackie: I like that!

Bakugo: Fitting.

Me: Glad you like it.

Sheila: I'll arrest Carter.

Me: Good idea Sheila. Natasha maybe you can help her too.

Black Widow: Good idea. We both have spider powers too.

Joe: Anyone wanna help me arrest Diane?

Inspector Fox: I'll help with that.

Joe: Good idea Inspector.

Me: Okay I think we're all covered.

Meg: Not yet. Someone needs to help me with Shepherd

Nico: Hmm. Maybe I can help you Meg.

Lois: And someone needs to help me kill Connie.

Nicole: I'll help with that. I hate bullies after all and I am a bounty hunter for them.

Lois: Good idea Nicole.

Stewie: NOW, we're all set.

Me: Yep.

Lola: Cool!

Me: Hmm let me see. Is there anyone else amongst them that the Loud Kids can take on? Wait! I know! What about that jerk Jeff Fecalman?

Camie: Who was he?

Me: Quagmire's sister Brenda's abusive boyfriend.

Qin: That is a silly last name.

Eli: I agree.

Batman: Actually, you don't have to worry about him. Remember when he turned himself in during 2022?

Nico: Of course. Why?

Batman: Well, he's realized the error of his ways. And the day after Zarya's mission, I offered him a therapist so he can control his anger and a job as a security guard for one of my buildings.

Me: Wow way to turn him around Bruce. You offered him the help of your friend Dr. Leslie Thompkins right?

Batman: That's right. How did you know that?

Me: Just a feeling.

Paula: I know that would come when me and Electropede faced him back then

Me: Yeah.

Qin: That was awesome.

Lola: Yep.

Batman: Quagmire might come to him for help. He's going to be very disappointed

Me: Yeah because you are one step ahead of him all the time Bruce.

Lola: Yep.

Qin: Yeah.

Stewie: He can be disappointed all he wants! It won't save him!

Nico: Yeah!

Lola: YEAH!

Qin: YEAH!

Warpath: I enjoyed running over Peter's legs!

Nico: That was funny.

Qin: It sure was.

Lola: Yeah!

Joe: Peter used a tank to run over my legs before!

Meg: I remember that.

Qin: That was crazy.

Lily: No kidding.

Nico: Yep.

Me: We'll talk more on that later. Right now it 's time for the fun part.

Nico: The Anothers.

Eli: (Concentrates) Whoa! We got Another Swamp Witch, Squeem, Lizzie Borden, Despair K1B0, Oscar Otter and Pedro Pupa.

Me: WHOA! And Another Nicole Knudson right?

Eli: Yep.

Nicole: Another me!? Whoa!

Nico: Who's up?

Me: Sailor Saturn, Selina Saturn, Saturn Butterfly, Chun Li Halinora, Demetra Halinora and Caitlyn Huntington.

Qin: Wow.

Nico: This will be interesting.

Lola: Yep.

Eli: I sense the Anothers minus Swamp Witch and Nicole are 4 people.

Me: Whoa this will be interesting.

Nico: There they are!

We saw Another Squeem, Lizzie Borden, Despair K1B0, Oscar Otter and Pedro Pupa!

Qin: WHOA!

Lola: Nice!

Another Squeem: (In a girls voice) (British accent) We're all ready for this.

They merged and split into 4 people and were the gene-slammers of Gallantmon, MegaGargomon, Sakuyamon and Justimon!

Nico: (GASP!) Princess Angelica the Gallant!

Qin: Lady Christine the Saint!

Missy Rodgers: Shaman Sakura Takahashi of Nirvanna!

Erica Haddock: And Lady Theia the Just!

Me: Wait I've heard of all of you but I thought you were only legends!

Princess Angelica: We are quite real.

Me: And you're the gene-slammers of Gallantmon, MegaGargomon, Sakuyamon and Justimon! That is awesome!

Takato: Wow! Our Digimon mega forms! That is cool!

Me: Yeah. Is the Another Swamp Witch and Nicole friendly or hostile?

Lady Christine: Friendly and they are really interesing.

Me: Ooh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now we wait.

Me: Yep.

But then...

POOF! Out of a cloud of smoke came ANOTHER SWAMP WITCH AND ANOTHER NICOLE!

Nico: Nice entrance!

Swamp Witch: Just like how I would have done myself.

Me: Yep.

Another Swamp Witch: Dark Magic is what I do.

Me: (GASP) That voice!

She reverted back and was a girl with black hair, purple eyes, black clothes, black angel wings and had a tiara with the symbol of the Night Dopant on it and on her skirt and had a night scythe.

Me: Natalya Night! Wow!

Nico: The Embodiment of the Night Dopant. Awesome.

Natalya Night: Yep and awesome to see you again J.D.

Me: Same here.

Another Nicole: Nicole its been a while.

Nicole: (GASP) That voice! It can't be.

Shanan: Wait is that?

Jared: It couldn't be!

She reverted back and it was a girl with purple hair, purple eyes, purple shirt and pants and had purple angel wings and had a purple sword in her hand.

Nicole: (GASP) Gaia!

Brittney: Gaia!

Jared: Gaia!

Anna Knudson: Gaia!

They all went and hugged her.

Me: Looks like we found another of my children.

Nico: You know each other?

Jessie Knudson: Gaia is our long lost sister and she is the flower master.

Allie Knudson: Yeah she is a master of flowers and nature. We lost her somehow.

Me: WHOA.

Natalya Night: I can tell they have a lot of catching up to do.

Me: Yep. And I know Natalya because she's a witch and knows all about black magic and more.

Nico: Wow!

Kaito: (gets out Build gear) Did Swartz promise you anything?

Zocks: (gets out Ex Aid gear) Because we can grant it instead

Kaito got a Build Sword and Zocks got an Ex-Aid sword.

Natalya Night: No he didn't. I turned him into a frog and then we ran.

Me: Wow! Clever.

Then a Barn Owl came and landed on my shoulder and nuzzled me.

Natalya Night: Nemo remembers you J.D.

Me: He sure does. Awesome to see you Nemo.

Syd Chang: Wow is that a Barn Owl?

Natalya Night: Yep. His name is Nemo. He's my friend and he and I have been close for a long time.

Syd Chang: Cool!

Sougo (gets out Build Ridewatch): This makes Nemo another mascot

Armor Time! (Electronic rock music) Best Match! Build!

Geiz (gets out Brave Ridewatch): Poromon can show him the ropes.

Armor Time! (Fantasy Gamer Level 2 transformation music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor

Poromon: Yep.

Twilight Sparkle: Looks like Owlowiscious is going to have a playmate.

Me: Yep.

Lincoln: Lets separate you first.

Me: Better stand back guys.

Jared: Sorry dad.

They came back and we separated them

We got it underway.

Nico: (Gets out Swamp Witch's Ridewatch) It's magic time!

May: (Gets out Lizzie Borden's ridewatch) 40 Whacks coming up!

Maria: Gets out Oscar Otter's ridewatch) Time for some slippery pain!

Selina Saturn: (Gets out Squeen's ridewatch) Time for some Segmented battle

They used the powers of Swamp Witch, Squeem, Lizzie Borden, Despair K1B0, Oscar Otter and Pedro Pupa and blasted the anothers.

Then Ghost of Juan Carlos, Talon (Skannerz), Despair Tsumugi Shirogane, Fergus Frog, Pahrak-Kal and Tsubotoguro came.

Me: Cool!

Nico: Nice team Juan!

Ghost of Juan Carlos: Thanks amigos!

But then we smelled a REALLY HORRIBLE SMELL!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! What is that horrible smell!?

Nico: OH MAN! It smells horrible! ED!?

Ed: Wasn't me!

?: It's me!

Raremon came!

Me: Raremon!

Qin: WHOA!

Lola: EW! That one smells worse than you Lana!

Lana: I like this Digimon!

Raremon: (in a girls voice) (Arabic Accent) Thank you my friend.

Nico: Callah Rare! Wow!

She reverted back and was a girl with purple hair, purple eyes, purple clothes, purple angel wings, had a new crest in the middle of her forehead and had Raremon on her skirt and shirt and had a purple Tamer Digivice on her hip and had a decay sword in her hand and on her arm was the Azerbaijan Coat of Arms.

Me: Whoa you're Azerbaijan's Digidestined! Cool!

Callah Rare: I sure am.

Tinkermon came.

Tinkermon: Looks like the fun is about to begin.

Callah Rare: It sure is. Lets get them! BREATH OF DECAY!

She fired slime from her hand and the blast hit the Anothers and I caught the ridewatches and purified it.

Me: Yeah!

Callah: I don't mean to offend but I hadn't taken a bath since I got slammed. That was 5 years ago.

Me: YUCK!

Nico: Dully noted.

Me: When we get back you are getting into the tub.

Tinkermon: Yeah.

Selina Saturn: Do you have a favorite memory of Nico?

Callah Rare: When me and Nico were over in Baku and we destroyed terrorists there. It was fun.

Me: Nice.

Nico: Yep. I missed you Callah. I'd hug you but I don't...

Callah Rare: I know Nico. I missed you too.

We went back home and got her into the tub.

Jeff was working at his job in Wayne Industries when Quagmire burst in.

Jeff (neutrally): Hey, Quagmire. What's up?

Quagmire: I need your help!

Jeff: With what? Also, you need to relax more. You've been angry ever since Quahog got destroyed.

Quagmire: I don't have time for games! I need your help to kill Team Loud Phoenix Storm. Or at least help protect us from them!

Jeff: Sorry, dude. I can't help you with that.

Quagmire: Why not?!

Jeff (sighs): Look, I've been thinking about a lot of things ever since I got my ass beat by Electropede and Paula back in 2022. And I've come to realize that I was wrong to hurt Brenda like that. So, Bruce Wayne offered me a job as a security guard for this building he owns. And I accepted. I've even gone to a therapist and he's been helping me control my anger

Quagmire: You really think that'll get Brenda back?!

Jeff: Hey, if she chooses to see me again, I'll accept that. Otherwise, at least I'll know she'll be happy with moving on from me.

Quagmire: What about me?! We're family!

Jeff: Oh, about that. Dad said that you're disowned from the family now for all the crappy stuff you pulled. And some parting advice: run. Meg meant her promise to come after you guys. Trust me; I've gotten to know them well over the past year

Quagmire: They won't do that. They don't have Dark Orbs in them anymore!

Jeff (chuckles bitterly): True. But they still hate you guys for what you did. If you really can't see that, you're fucking blind and dumb.

Quagmire growled and left.

BIG MISTAKE QUAGMIRE!

Prison.

Lincoln: (Beastly Voice) Ah, we're here in Scotland, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're also taking down the next of The TALON Agents, Moira, and we're sending her to The M.O.E. Prison.

Me: So, the next one we're going after is that mad scientist, Moira.

Lincoln: (Beastly Voice) Looks like it, and apparently, Caleb doesn't seem to had any run-ins with the scientist of The TALON Organization or any of the others aside from Reaper.

Caleb Maxwell: That's the only person I've had run-ins with as he had some nerve to be contacted by my brother to kill me, Mom, and Allie.

Sailor Saturn: However, that'll end with Moira getting thrown into The M.O.E. Prison.

Lincoln: (Beastly Voice) And with a power dampening collar on her.

Suddenly, we saw a girl with green hair, green eyes, green angel wings, the symbol of The Hidden Leaf on her forehead and skirt and for the necklace pendant, green clothes, the Fire Kanji and a tattoo on her right arm, and she has a sword in her hand and with her are the ten girls.

Lincoln: (GASPS) (Beastly Voice) Talia Senju Konoha, Embodiment and Avatar of The Hidden Leaf Village and God of The Land of Fire.

Talia Senju Konoha: That's right, and I got the girls away from Moira, and I already guessed that you in your werewolf form all day would mean Maria Wolf Moon's back in town.

Nico: You guessed it. Now, let's find Moira.

Lincoln: (Beastly Voice) AHA! Gotcha!

Lincoln fired an energy blast that hit a nearby bush and it forced out our target: Moira.

Tracer: (British Accent) Moira.

Moira: Surprised to see me?

Nico: We've already a run-in with Reaper yesterday and sent him to Vypra.

Then, Caleb Maxwell fired a dark energy blast that hit Moira and Lincoln put a power dampening collar on Moira and sent her to The M.O.E. Prison. We cheered as we holstered our weapons and powered down.

Nico: Well, that's what I call an awesome beatdown.

Lincoln: (Beastly Voice) Yep, now we got eight more to go. (To Talia Senju Konoha) And it's so good to see you again, Talia.

Talia Senju Konoha: You too, Lincoln, it's been seven years since we last met.

Suddenly, Talia Senju Konoha perched her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Talia Senju Konoha was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) (Beastly Voice) That's...something I've not...forgotten.

We snickered.

Talia Senju Konoha: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Talia Senju Konoha and hugged her, and Talia Senju Konoha us very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666

Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: (Beastly Voice) It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Talia Senju Konoha: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: (Beastly Voice) Indeed I do, Nico.

Naruto: And so do we, this is Talia Senju Konoha, Embodiment and Avatar of The Hidden Leaf Village and God of The Land of Fire, she's Lincoln's Guardian Angel from The Hidden Leaf Village, she's a powerful shinobi and master of the powers of the Jutsu, and here's an added bonus: she's The God of Land of Fire, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a Guardian Angel of me and she also defended me from The Civilian Council and Danzo for obvious reasons. She's the powerful leader of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are, and she's also the younger immortal sister of Tsunade and my cousin. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf, but he's also a good friend to me, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Jutsu and techniques. Lincoln made her a beautiful necklace and a flower beret, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and I arranged a date for Lincoln and Talia at a Japanese Restaurant, and they both enjoyed their date.

Selene Arcangela: And Talia detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln and destroy The Hidden Leaf Village, but that ended badly with

Talia, Lincoln, and Naruto and his harem beating him up and Talia tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Nico: What the fuck?!

Sakura: Even Lady Tsunade was pissed off at Killjoy Huggins so much so, she went to the prison and punched him so hard, he flew into the wall of his prison and he spent a month in the infirmary, but he no less deserved it.

Me: I saw the bruise she left on him. (WINCES) Man, it's worse than Superintendent Chen stomping on his foot with her heels.

Lincoln: (Beastly Voice) But, still just as painful, J.D., and now that you're here, Talia.

Lincoln leaned his head down the right side of Talia Senju Konoha's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large dark blue halo and four orbiting large dark blue rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Talia Senju Konoha: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Talia Senju Konoha with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklaces of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Talia Senju Konoha: (Surprised) Lincoln, are these...?!

Lincoln: (Beastly Voice) Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Talia Senju Konoha.

Talia Senju Konoha had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Talia Senju Konoha's waist, and he leaned down to her face and kissed her on the lips, and with Talia Senju Konoha's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Talia Senju Konoha had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Talia Senju Konoha: (In Heaven) My God. (Shakes her head) Oh, and Lincoln, the next group of girls are really voluptuous.

Me: Code: Voluptuous. See you back at the estate, Lincoln.

The rest of us went back home, and Lincoln, Nicole, and his harem walked up to the ten girls, and when Lincoln saw them, he recognized them and he had a nose bleed. Ami Himekawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm, and in the form of Lincoln the Nocturnal.

Lincoln: (Beastly Voice) That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ami Himekawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ami Himekawa, Haruki Esaka, Kaoru Mizushima, Matsuri Kusunoki, Nanase Hibiki, Manami Serizawa, Hinata Yuzuki, Takai, Rumi Yoshikawa, and Mami Himekawa with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was Moira.

But, when Lincoln showed what we did in beating her down and Lincoln putting a power dampening collar on her by Lincoln and sent to The M.O.E. Prison, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Talia Senju Konoha have a lot of catching up to do, now that she's back in town.

Maria: So, that's the story from what we heard from J.D. and the others, man, I can't believe that Moira was also back as well.

Lincoln: (Beastly Voice) Stain did say all that the other day, and we're already ruining Morgana and her minions' plans one by one by taking them down.

Nico: You said a mouthful.

Me: That insane bitch had some nerve to do that. Caleb, I hope you have some special bullets in those guns for when we go after and kill Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi.

Caleb Maxwell: I'll have something for them, and I'll make sure they're writhing in pain before we send them to The Black Abyss.

Cage Blunt: Hope it doesn't resort to using your myriad of dark curses.

Jack Howard: Along with what you've done to your dad, your brother, and The Syndicate and with your terrorizing of The Big Claw Gang.

Caleb Maxwell was about to summon bats to make him scream, but Travis Tackett sprayed Jack Howard with a spray bottle of water.

Jack Howard: Hey!

Travis Tackett: That's for the smart aleck remark, you know Caleb better than that.

Captain Whitten, Carter Kenrick, Roxy Drake, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Leela Salyers, Peace Salyers, Cronus Chase: Uh..., about that.

Eli: What Jack said matches what you all witnessed, right?

They nodded.

Cage Blunt: Even I saw it as well, and you too, Travis.

Travis Tackett: Oh, right.

Lincoln: (Beastly Voice) Caleb wanted to bring criminals to justice, but after what his brother did in killing him, that took a darker turn.

After Lincoln and all of us beat down Moira and threw her in The M.O.E. Prison, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Talia Senju Konoha and Maria Wolf Moon saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Talia Senju Konoha: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Maria Wolf Moon: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Talia Senju Konoha: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Maria Wolf Moon: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and we heard loud howls, and when Lincoln checked the computer, he saw what it was that triggered the alarm: it was an army of werewolves with a blood red wolf tattoo on their shoulders.

Lincoln: (Beastly Voice) Oh no, not them!

Me: Lincoln, who are they?

Lincoln: (Beastly Voice) The Le Pack Lune de Sang, they're a dangerous gang of werewolves from France whom we'd been going after for years, translated into French it means, Blood Moon Pack, and they're the worst. They're extremely vicious and very dangerous, and they kill to slake their hunger for blood.

Nicholette Torrington: And now, they've come back. Well, then, it's feeding time, Lincoln.

Lincoln put the weights down and he charged out and confronted the werewolves.

Lincoln: (Beastly Voice) You shouldn't have returned, Le Pack Lune de Sang, and now, it's time for me to get rid of all of you.

Lincoln in his Lincoln The Nocturnal form howled as he flared up his rainbow fire aura and he went full-on werewolf viciously attacking them with his claws and greatsword, and if that wasn't enough, he began tearing them apart by ripping them in half and even plunging his hands into their chests and pulling out their hearts and devouring them.

Then, he transformed the tips of his eleven massive and long thick white wolf tails into Cell's stingers and he stabbed them into the remains of the werewolves and he began absorbing them and he was growing even stronger than ever. When he was done and the stingers changed back, nothing was left of the werewolves and he howled in victory and came back inside and continued working out with us.

Eli: What on Earth did we just witness?

Me: What you just saw, bro, were the very consequences of trying to invade the turf of a dominant Alpha Werewolf.

Nico: That sure was messy.

Lincoln: (Beastly Voice) True, but at least, we got rid of them for good.

Victoria Kurenai: Whenever we have a werewolf problem, we send Lincoln in, and he always gets the job done by tearing out their hearts and devouring them, and also, absorbing them.

Nico: I don't even want to know how many vampires and werewolves Lincoln's absorbed and torn apart when you all went after them, but I can tell the number is too high to count.

Me: You got that right, and more than once, Lincoln wound up covered in blood.

Luna: And he always got himself clean thanks to me and Lily.

Lily: Thanks to Victoria and the others telling us of what just happened.

We got a shower, and then, Lincoln, Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli are heading to Wave Ocean.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Nicole Antonelli: Whoa, so this is Wave Ocean, it sure is beautiful.

Lincoln: (Beastly Voice) It sure is, Nicole, and it's perfect for our first date, shall we?

Lincoln, Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Nicole Antonelli: (Swooning) My God, Lincoln's really grown that much from the little boy I knew from long ago into a man. So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large dark blue halo and four large orbiting dark blue rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to

The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (Beastly Voice)(In Heaven)
It...was...so...AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Rin Otonashi, Ran Otonashi, Ren Otonashi, Koto, Juri, Monna, Dercori, Ocellus, Smolder, Silverstream, Hariet, Leslie Taylrcent/Dr. Toxicant, Tsuyoka Sharin A.K.A. Road Rage, and Nicole Antonelli are in your harem, Linky.

Jenna: You guys had no trouble at all.

Nicole Antonelli: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and

Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: (Beastly Voice) That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Leni, Sweetie Drops and Emily Tamaki's first mission.

Lyra Heartstrings: You guys are going to love meeting the Ultraman Z team. Haruki Natsukawa Is an amazing pilot.

Qin: Cool!

Nico: Anyone else want to go with Leni, Sweetie Drops and Emily Tamaki? Besides 2 Rabbids?

Ed Grant: I'll go.

Spot: So will I.

Aerrow: I'll go too.

Maria: Me too.

Me: Okay. Anyone else?

No one said anything.

Me: Okay lets go.

We were off to Japan.

We arrived.

Me: Here we are.

Nico: Japan is always fun.

Eli: Yep.

We then saw Haruki Natsukawa!

Haruki Natsukawa: Lyra, is that you?

Lyra: Hey Haruki!

They hugged.

Haruki: Awesome to see you.

Haruki Natsukawa: Same to you and Team Loud Phoenix Storm! Wow what an honor.

Me: Pleasure to meet you Haruki.

Leni: It's totes an honor. I'm Leni Loud.

Sweetie Drops: I'm Sweetie Drops. But everyone calls me Bon Bon.

Emily Tamaki: And I'm Emily Tamaki, one of Nico's friends.

Haruki Natsukawa: Wow it's an honor

Me: They are your ambassadors. It's a diplomatic mission program we made.

Haruki Natsukawa: Oh wow I get it.

Ed Grant: I'm Ed Grant, member of the DISK Wars Avengers.

Spot: I'm Dr. Johnathon Ohnn. But everyone calls me Spot.

Maria: I'm Maria Dunbar, Second in command of the Redemption Squad.

Aerrow: And I'm Aerrow, leader of the Storm Hawks of Atmos. Pleasure to meet you.

Haruki Natsukawa: You too and it's an honor to meet you all.

Me: Same here.

Leni: (cheerfully) And these guys are Rabbids!

The Rabbid's gibbered.

Haruki: They sure are cute.

Eli: They sure are and they are funny.

Leni: They are totes adorbs too.

Me: Yeah.

Haruki: Yeah. Lets go to STORAGE HQ where we can talk more.

Me: Sure.

We were off to STORAGE HQ.

We arrived.

Haruki: Here we are.

Lyra Heartstrings: Hey guys!

Yuka: Hey Lyra awesome to see you again.

Lyra Heartstrings: You too Yuka

One of the Rabbids peed on the floor

Eli: Hey!

Eli cleaned that up.

The Rabbids farted and sounded like bagpipes.

Me: See? They are not the brightest lightbulbs in the closet.

Haruki: I can see that. They are funny.

Me: Yep. So Lyra how did you meet Haruki and the Ultraman Z team?

Lyra Heartstrings: I met Haruki and helped them battle some of their enemies shortly after I joined you all.

Me: That is awesome.

Nico: It sure is.

Haruki: Yeah she helped us a lot. Especially when we battled the forces of Celebro.

Me: Who is Celebro?

Haruki: A dangerous parasite.

Lyra Heartstrings: Yeah and he is ugly.

She went over his history and it was nasty.

Celebro (セレブロ Sereburo) is the main antagonist in Ultraman Z. He is also the secondary antagonist of Ultraman Trigger: Episode Z.

He is a parasitic alien life form who enacted the The Civilization Self-Destruction Game (文明自滅ゲーム Bunmei Jimetsu Gēmu) on many civilizations for his own amusement. He arrived on Earth to started the civilization destruction game here and possessed few people who worked at GAFJ for his own purposes. During the climax, he created Ultroid Zero as a final weapon to destroy the entire mankind for his own purpose and transformed it into Destrudos. Finally, he was defeated by Ultraman Z and was taken by Yuka for dissection due to his notorious actions. Celebro serves as the archenemy of Ultraman Z.

Celebro is a cunning and manipulative alien who enacted The Civilization Self-Destruction Game (文明自滅ゲーム Bunmei Jimetsu Gēmu) for his own amusement. He went on many planets and manipulated the entire civilization into making weapons for their defense. However, most of the weapons turned against their creators and destroyed the entire planet. He became infamous for his actions against all sorts of universe, even heard by Jugglus Juggler.

At least a decade prior to the series, Celebro also responsible for the modification of Grigio Raiden as one of many results for his intervention in space civilizations. He sent Raiden on Earth where the humanity would studied them and founded the SC Units, leading the foundation of STORAGE.

After the heroes confront Absolute Tartarus, Celebro possessed Genegarg and stole the Z Riser and Ultra Medals from the Land of Light. Ultraman Hikari then alerted the heroes about what happened, causing Ultraman Z and Zero pursue to chase him.

After the destruction of Genegarg, Celebro somehow survived from the attack. At the Monster Research Center, he possessed a worker named Shinya Kaburagi and obtained a Z Riser and an orange splinter-like object.

Shinya witnessing Telesdon attacking the city. Later that night, Shinya received Jirahs Kaiju Medal that was made from a sample he obtained. When Ultraman Z and Windom fight against Telesdon, Shinya throw Jirahs Kaiju Medal onto the monster's mouth in order to upgrade it from Telesdon into Erimaki Telesdon.

Shinya failed to create Belial Ultra Medal with a Devil Splinter due to the essence was not enough. When the Monster Research Center cleaning up Gillvalis' Perfect Body, Shinya found another Devil Splinter. After Gillvalis' destruction, Shinya summoned an army of Valis Raider and ordered them to capture Riku.

The Valis Raiders break the STORAGE headquarters to capture Riku Asakura. Later, the Valis Raider extract the Belial Factor from Riku, and Shinya used it to mix it with the Devil Splinter, which successfully created a Belial Ultra Medal. However, Jugglus Juggler came to rescue Riku and defeated the Valis Raiders.

Meanwhile, Kaburagi uses Belial, Gomora, and Red King medals on it in order to fused into Skull Gomora. During the battle with Z and Geed, Kaburagi then used Belial, Ace Killer, and Eleking Kaiju Medals in order to fused into Thunder Killer to overpower them and later changed into Pedanium Zetton to finish them off. Luckily, Ultraman Zero arrived to help Z and Geed to defeat those monsters. Later, he was confronted by Juggler and quickly shoots him with Gillvalis' remain before he disappeared, but left his ID card here.

When the Monster Research Center tracking to find a trace of vanished UFO, Kaburagi received a genetical material of Golza, Melba, and Super C.O.V. from Alien Pitt sisters and brainwashed them. Later, he used the material to create those Kaiju Medals out of them before he could used them to testing it on fusing them into Tri-King, which the monster fought Sevenger and Windom. The older Pitt sister broke into the mansion of a wealthy man while the younger sister mistaken both Yuka and Yoko as Ultraman Z and kidnapped them. Yoko and Yuka were trapped in a mansion where they met Pitt sisters and Kaburagi. The older sister giving Kaburagi a meteorites containing cells of Gan Q and Reicubas in order to experiment these.

Meanwhile, Juggler gave Kaburagi's ID back to Monster Research Center and found the Ultra Medal manufacturing process. Later, Kaburagi used both meteorites to create a Kaiju Medal out of both. Haruki snuck into the mansion to rescue both Yoko and Yuka and get his Z Riser back. Tri-King fought Ultraman Z in Alpha Edge form. Meanwhile, Yoko and Yuka successfully defeated the Pitt sisters. Though Z managed to overpowered him at first, Kaburagi then used both Gan Q and Reicubas Ultra Medals to turned Tri-King into Five-King. Z turned into Beta Smash and have a trouble difficult in fight with the monster until Juggler gave him a Tiga, Dyna, and Gaia Ultra Medals, resulting him to turned into Gamma Future. With this form, Z managed to destroy the monster. After he was defeated, Kaburagi was confronted by Juggler and leaving his Kaiju Medals behind.

Kaburagi disguised as JAERC officer to stole a briefcase with Cosmos, Nexus, and Mebius Ultra Medals inside from Yoko.

During the chase, they encountered King Joe until Ultraman Z fought him. As he was tripped and making the briefcase falls off, King Joe was about to get the briefcase until Z managed to snatches it from him. After Z finally got these Ultra Medals, Kaburagi leaves.

Kaburagi summoned Bullton and threw it in front of STORAGE headquarters to terrorize them. However, he was confronted by Juggler before teleporting him into the bathroom of the HQ.

When Kaburagi was researching, Haruki and Juggler broke onto his hideout and captured him. During interrogation, Haruki and Juggler told him to gave them a Belial Ultra Medal, which he obliged.

A crazed Kaburagi brought a lot of monster samples to create more Kaiju Medals. Later during the battle between Ultraman Z and Horoboros, enraged Kaburagi, wanted his Belial Medal back, throw Gillvalis and Galactron MK2 Kaiju Medals towards Horoboros to turned him into Metsuboros. After Ultraman Z turned into his Delta Rise Claw form to finish Metsuboros off, Kaburagi furiously yelled at him to give him back the Belial Medal. After Ultraman Z finished off Metsuboros with Beliarok's Deathcium Slash, Kaburagi laughing crazily before he was pushed by the force of the attack.

Kaburagi was seen on the computer where Juggler reading his arrest warrant. Later that night after the defeat of second Alien Barossa, Kaburagi was seen gravely injured from the battle between Z and Horoboros. When he was captured by the captain of GAJF Police Department, Takeshi Asano, Celebro quickly possessed him and is no longer controlling Kaburagi's body. After that, Celebro (currently possessing Asano) arrest Kaburagi and blames on him for all his atrocities.

Several days later, the GAJF finished the D4 weapon experiment. Celebro then shifts his possession from Asano from Kuriyama into forcing the STORAGE to use the weapon and ignoring their protest. With Kuriyama under his cover, he disbanded the STORAGE for not following "his orders".

After Juggler (as Five King) was defeated, Kuriyama was seen walking to the Kaiju Medals and picking up a Golza medal.

Kuriyama announced that SAAG will replace STORAGE and ensured that Ultroid Zero will be needed without Ultraman's help before muttering "Karekareta". When Yuka discovered that these five monsters were experimented under GAJF's supervision, she tried to told Kuriyama to delay it but was dismissed. While watching Ultroid Zero and Ultraman Z battling with the monsters, Kuriyama ordered Nakashima to fire D4 Ray several times. After Ultroid Zero (via reluctant and scarred Yoko) finally fired the D4 Ray to those monsters, Mai celebrates and the others were disgusted at this while Kuriyama sinisterly muttering "Karekareta" again.

Kuriyama transformed into Five King to attack both Z and Juggler. Juggler transformed into Zeppandon and fought with him. When Juggler guesses Celebro was the one who's possessing Kuriyama and was the Five King, Celebro blamed him for trying to steal Ultroid Zero from him. After Ultraman Z attacked Zeppandon, Juggler revealed that his true intention was to stop the war and carrying out justice. Z and Juggler work together to defeat Celebro, but Z is quickly defeated. When Juggler was about to take Ultroid Zero, Celebro threatened him to absorbed Haruki if he stole it from him, which he obliged. Both of the monsters fired their beams until it explodes. With Juggler defeated while lying on the ground, Celebro is injured from the fight and take away Ultraman Belial Medal from wounded Haruki. When he was hospitalized, Haruki told both Yuka and Kojiro that Kuriyama has his left eye glowing red. At the SAAG headquarters, Kuriyama revealed Hebikura's identity to Mai and the others, and claimed the others to be alien in suspicion. Meeting Yoko at the hangar, Kuriyama revealed his true intentions to her before he quickly possessed her to take control of Ultroid Zero. He even refused to respond Mai's orders. There, Ultroid Zero attacking Monster Containtment Sites and went around the world to absorbed hibernated monsters. He went to Fukama City to absorbed Red King. Before he could do anything to the egg, Ultraman Z arrived and stopped him from doing so. Celebro cruelly "thanking" Z for "helping" him in his plans right before he used the Kaiju Medals to turned Ultroid Zero into Destrudos. Ultraman Z tried to defeat him, no matter how much he tried in his three forms, Destrudos was far more powerful than him and could easily defeated him. After his defeat, Ultraman Z parted his ways from Haruki for safety.

Destrudos traveling around the world and attacking every major city here, wiping out all over Allied Forces, with STORAGE remained the only ones left. Destrudos returned to Japan and fought with STORAGE's King Joe and Windom. After overwhelming them, it was about to fired a D4 Ray at them before Sevenger intervenes. Yuka telling Haruki that Yoko's behind the chest main cannon. In order to save Yoko, Sevenger and Windom attacked Destrudos before restraining it. King Joe then fired a Pedanium Particle Cannon at Destrudos' chest main cannon before brought it up to the sky. After Yoko managed to restrained from Celebro's possession thanks to Haruki, Celebro decided to possess Destrudos just if he can't have her control the monster, then he will. Destrudos firing Destrudo Thunder

Blast at King Joe that leads Haruki and Yoko were free falling together. Haruki used a Z Riser to transformed into Ultraman Z Delta Rise Claw with the help of Yoko. After putting Yoko back to the ground safely, Z began to fought Destrudos with the help of Beliarok. When Destrudos was about to fire a D4 Ray on them, Z and Beliarok tried to repeal the beam before the weapon sacrificed itself to take on a full-blow right on Destrudos' chest main cannon before it creates a backlash and Z reverted back to his original form. With Z exhausted and Destrudos regenerate himself, STORAGE encouraged and yell at Haruki/Z to stand up. Finally got his spirit back, Z decided to fought Destrudos using strength. Had enough of this, Destrudos fired a D4 Ray before Z fired a Zestium Beam, causing both to have a beam clash. Z then creates a larger and powerful beam at Destrudos, easily destroyed it. However, Celebro survived from the attack. When he tried to escape, Juggler blocked him from getting away. Finally, Celebro met his loss as Yuka and Kaburagi captured him for dissection.

When she was done we were shocked!

Me: Whoa! That's very similar to the Yeerks.

Yuka: Those ugly slug aliens from the Animorphs?

Me: Yep. And they have over 15,000 aliens woven into them. Not NEARLY as many as The Thing but it's a lot.

Eli: Yeah.

Aerrow: You're not the only hero from Japan that Lyra has a brother like bond with

Nico: It's true. Lyra has Taro of the Donbrothers as her brother.

Lyra Heartstrings: Yep.

Haruki: Wow that is cool!

Nico: Ultraman Z is inside you, right?

Haruki: Yep. And it's awesome.

Me: Cool. You're actually the 7th Ultraman team we met so far this year. Which is really cool.

Leni: My sisters met some of them.

Me: Yep.

Yuka: Cool!

Haruki: I'll tell you more about his teacher later.

Me: Okay.

Yuka: Which Ultraman did you meet before us?

Me: We met Taiga, Ginga, Mebius, X, Orb, Trigger and now you guys.

Haruki: Cool!

Me: I know. Ultraman has been on since 1966. You guys came out in 2020.

Nico: You don't think the Celebro forces have already taken over humans, do you?

Yuka: If they did then we got to be ready.

Me: At least we know who our main target is for Leni's big day.

Nico: Yeah.

Sweetie Drops: We'll be ready for them too.

Emily Tamaki: Yep.

Nico: Has there been any trouble here?

Yuka: So far things have been quiet. But are we going to be facing Dark Eddy soon?

Me: No he's gone for good. But now we have a new threat. Now we're dealing with Blackwing Eatos 12 girls. They are the Embodiments of Ben's aliens. All girls I know. They are recognizable because they have piercing red eyes, pitch black angel wings and have pitch black clothes.

Yuka: Oh man.

Me: Yeah.

Then the alarm went off.

We went to the computer and saw GENEGARG attacking!

Genegarg originally started as one of the many bioweapons cultivated in a planetary-scale civil war that was part of Celebro's Civilization Self-Destruction Game, the latter having observed its development while possessing technical officer 5648. Jugglus Juggler Chronicle: Ja no Michi wa Hebi Presumably while possessing Genegarg, it's implied that Celebro had used the monster to destroy the planet's inhabitants (per the rule of his own game) before swallowing Bullton and acquiring the Devil Splinter along the way. A Warrior's Principle While the Ultra League were in the middle of their fight against The Kingdom, Genegarg intruded the Land of Light to steal several Ultra Medals and the item needed to use them.

Ultraman Z

The monster made its way to Earth where it was pursued by Ultraman Z and Ultraman Zero, using Bullton to stall to reduce its pursuer to one. When it crash-landed on Earth, it encountered Sevenger, who joined in fighting the beast with Ultraman Z. At first, it defeated both of them, but Ultraman Z returned as Alpha Edge after bonding with his new host, Haruki Natsukawa, who was killed inside Sevenger. Z managed to defeat Genegarg, scattering the remaining Ultra Medals elsewhere.

However, when GAFJ's Monster Research Center collected its remains, one of them unleashed the parasite Celebro from inside, who then took possession of Shinya Kaburagi.

During the aftermath when Genegarg made the collision course with Earth, it unintentionally woke up several Kaiju that hibernated deep underground for some time.

Me: Genegarg! I remember him!

Eli: He is ugly!

Nico: Yeah!

Maria: Better summon backup for this one. (TURNS DIAL) CAVEMAN FURY FORCE!

She summoned 2,000,000 Year Old Caveman, Thorn (Skannerz) Despair Kirumi Tojo, Sadie Snake, Omochiloid and Maid (Dust Buddies).

Thorn: We're ready for this.

Me: Yeah!

Nico: Lets get a move on.

We were off.

We were flying.

Nico: Keep an eye out for any suspicious activity!

Me: Right!

We then saw Genegarg!

Nico: Target ahead!

Me: WHOA!

He roared.

Eli: Better summon some help! GODZILLA!

Genegarg roared..

But then a familiar roar was heard.

GODZILLA ROARS!

(GODZILLA THEME SONG PLAYS)

Haruki: IS THAT!?

Godzilla came and he was ready.

Godzilla: Genegarg this time. I have a feeling this will be good.

Eli: Lets get him!

Haruki turned into ULTRAMAN Z!

Me: COOL!

Godzilla fired an Atomic Ray blast and it hit Genegarg and exploded all over.

MASSIVE FIERY EXPLOSIONS!

Genegarg roared in pain.

Eli: YEAH!

Me: And Haruki if we face that jerk Celebro took over, Shinya Kaburagi, we'll be ready for him.

Haruki: Awesome.

Leni got out her Rider Ticket For King Hiss!

KING HISS!

She fired energy blasts and blasted Genegarg all over.

Nico: (gets out 2,000,000 year old Caveman's Ridewatch) Feel the power of a caveman!

He activated it and bashed Genegarg all over.

Lyra: Taste this! (Gets out Django's Rider Ticket)

She fired waves of bones and energy and blasted him all over.

Then rainbow beams of light blasted Genegarg all over.

Me: What the?

Then out came a girl with purple hair, red eyes, black clothes and black wings and had a tiara with Chromastone on it.

Me: (GASP) Celia Chromastone!

Celia Chromastone: (GRUNTS) Yeah I got this.

She fired waves of rainbow energy and blasted Genegarg all over.

Me: Nice one!

Celia lost control and puts her hands out. Nico fired an energy blast at her but she absorbs it and shoots it at Spot as an ultraviolet energy beam

He formed a portal and it had the blast hit Genegarg and blasted him all over.

Me: Whoa!

I fired a beam of Electron Antidote energy and injected the antidote into her.

Me: There.

?: (Echoing) ATOMIC INFERNO!

Numerous fireballs came and blasted down Celia!

THE TOWERING HUGE SAKKAKUMON APPEARED!

Me: WHOA! SAKKAKUMON!

Nico: HUGE!

Sakkakumon: (In a girls voice) Sorry to crash the party like this.

Nico: Sena Sakkaku! Wow!

She reverted back and was a girl with green hair, green eyes, green clothes, green angel wings, had Sakkakumon in the middle of her forehead and on her skirt and had the spirit kanji for Steel on her arm and had an element sword in her hand.

Sena Sakkaku: I will hold her off. You guys face that behemoth.

Me: With pleasure.

Ed Grant charged at her and kicked her down.

Me: Take this.

I used my quirk and formed an image of the Eskimo Nebula and then...

NUMEROUS LIGHTNING STRIKES AND THUNDERCLAPS!

Lightning hit Genegarg all over.

Nico: YEAH!

Haruki: WOW! That was cool!

Me: Yep it sure was.

Ed Grant got out his Rider Ticket.

SPOT!

He formed a portal and went through it and kicked her down.

Ed Grant: HULK! D-SMASH!

He summoned the Incredible Hulk!

Disk Wars Hulk punched Genegarg all over.

Emily got out her Rider Ticket for Prince Diamond!

PRINCE DIAMOND!

She fired energy blasts from her hands and blasted Genegard down.

Sena Sakkaku: Take this! (ECHOING) BLIZZARD BLASTER!

She fired waves of snowballs and blasted down Celia and the antidote took effect.

She was back to normal and had her blue eyes.

Celia Chromastone: (Groan) What hit me?

Sweetie Drops got out her Rider Ticket

SWORD ROIDMUDE!

She slashed Genegarg all over.

Godzilla fired Atomic Ray blasts and blasted Genegarg.

Aerrow got out his Rider Ticket.

VORTEX!

He fired lightning blasts and electrocuted him.

Me: Lets finish him.

Haruki: Right!

We fired waves of energy and the blasts all hit Genegarg and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

He was dead!

Me: YEAH!

Nico: Genegarg you have failed this world.

Eli: Yeah he has!

Me: Yep.

Haruki: Emily, I can't help but notice something inhuman about you

Emily: That's because I'm a gene-slammer of a Petrosapian.

Nico: That is Diamondhead's kind. They are Crystal aliens.

Emily: Yep.

Haruki: Wow.

Sena Sakkaku: Yeah it sure is awesome.

Me: Yep. Sena what's your favorite memory of Nico?

Sena Sakkaku: Oh I have a lot of them but my favorite would have to be where me and Nico went into the mountains and we found a Phoenix Nest there and it was cool.

Me: Wow that is awesome.

Nico: Yep.

Nico and Sena hugged.

Nico: I've missed you.

Sena Sakkaku: Me too Nico. Me too.

* * *

We later came home.

May: How did it go guys?

Me: It was awesome.

We told everyone what happened and it was cool.

Lily: Wow that was awesome!

Me: Yep it sure was.

Nico: Next time, Casey, Ang Leung, Cheese, and Fluttershy should come

Me: Good idea.

Fluttershy: It will be so fun.

Eli: Yep.

* * *

Later we were asking Jeff to help us with something huge.

Jessie: Sure you don't want to come with us, Jeff?

Jeff: I'm sure. I'm not gonna stop you guys. But I can't help you guys anyway since it's my shift.

Poromon: OK. (smiles) You know, for a former abusive boyfriend, you're not such a bad guy.

Jeff (sighs): Well, that's your opinion. I still have a long way to go.

Poliwag: But settling into your job has gotten you halfway there.

Me: Okay.

Nico: Lets go.

We were off.

* * *

Principal Shepherd was taking a drink of water in the building he was at when he heard someone behind him. He took out his gun... only for Nico to kick it out of his hands

Nico: Surprised to see me and Meg, Shepherd?

Shepherd: I knew that Meg would come crawling back to come back to my school eventually.

Meg: Oh, you got it all wrong. We're just taking out the trash.

Shepherd: I'm trash for doing my job?

Meg: Cut the bullshit. When I was still a student, you barely did anything to help me while Connie and her friends picked on me. A principal is supposed to help students. And yet, you haven't done a damn thing. Guess that means you're not cut out to be a principal, huh?

Shepherd: Doesn't matter since you don't have any proof.

Nico: Don't be too sure. (takes out a device that resembled a ball) This is a sniffer; it's been taking all the information on what Meg just said and your other crimes off your computer and sending it to SHIELD since I walked through the door. You may be smart, but you were arrogant enough to leave enough incriminating evidence on your computer for SHIELD to get you. A team of agents is going to be here in less than a minute to apprehend you. They also have the building surrounded. There is no way you get out of this.

Meg then reached down, picking up the gun and tossing it to Shepherd.

Shepherd: (catches gun) What are you playing at?

Meg: You have two choices. You can let them take you; spend the rest of your life in a SHIELD prison. Or you can take the coward's way out. Either way, you've lost. (pockets sniffer)

As soon as me and Meg went out the door, Shepherd got Mega Super Pissed beyond belief. It looked like he was about to explode into a Kurata Style Meltdown. But as Nico and Meg met the SHIELD Agents outside the building, they heard the sound of a gun going off inside as well as a body hitting the floor

He committed suicide.

WHAT A WUSS!

Connie was walking down the street when an energy blast knocked her to the ground. Connie whirled around to see Nicole and Lois there.

Nicole: Hey, Connie.

Connie: (sarcastically) Let me guess, you're here to make me pay for my 'sins' against Meg?

Lois: (shrugs) Meg, the world, me, I'm not particular

Connie: I never did anything to you

Lois' eyes were suddenly filled with rage and she rushed forward. Connie barely dodged as Lois attempted to strike her with her fists. However, Nicole swept her feet out from under her with a well-placed kick. Connie fell to the floor as Nicole put her foot on her chest.

Lois: That's bullshit! Remember when I was your teacher. I tried teaching you good lessons and you spat in my face! And we all know what you did to Meg!

Connie: Like anyone gives a flying fuck about Meg!

Lois: I do! And I'm ashamed to have mistreated her before! But I've been making up for that. This is only part of that!

Connie tried to get up but Nicole punched her in the nose.

Nicole: You know how powerful we are yet you continue to fight us.

Connie tried to attack Nicole but Lois got her in a headlock.

Nicole: You're a fucking coward, Connie! You bullied Meg because she's pretty and a better preson then you. All so you can feel good about yourself! You could've pushed her to do what Chris pushed Carrie to do! And Meg probably wasn't your only victim!

Lois: That's right! I don't know how many kids have suffered because of you. But you won't hurt anyone again!

CRUNCH!

With that, Lois snapped Connie's neck.

She was dead!

Pipp Petals: If the next Embodiment doesn't get here, she'll miss out on all the fun

?: I'm right here.

A green hair girl with green eyes, green clothes and green wings and a tiara with Snake Man on it came.

Sally Snake: Sally Snake, Embodiment of Snake Man.

Lily: Sally! Awesome to see you.

Leon: Same here.

Sally Snake: You too Lily and Leon.

Diane was walking into a grocery store when she froze. She realized Something was off and someone was here. Just then, Inspector Fox sppeared behind her and fires a shot from her Shock Pistol that stuns her on contact.

Inspector Fox: Ha! I've still got it!

Diane: (Joe handcuffs her) What the fuck are you doing?! I'm on your side! I helped kill James Woods the first time, remember?!

Joe: The only side you seem to be on is your own. Yeah, you killed Woods before but that was for your own benefit.

Not to mention a lot of innocents were killed in the process, accidental or not.

Inspector Fox: I hope you enjoyed your freedom while it lasted. Because you're going to spend the rest of your life in a SHIELD cell

BUSTED!

Chris was on the ground in the park, beaten to a bloody pulp. Standing over him were Bakugo and Jackie, staring down at him blankly.

Chris: (weakly) If you're gonna kill me, just get on with it, man

Bakugo: (he and Jackie kneel down) We're not going to kill you, Chris. Don't get me wrong, we fucking hate you. Especially how you mistreated Meg for so many years. But we realize that a lot of your actions were driven by Peter influencing you. Not to mention you HAVE shared good times with Brian and Stewie before. Especially since before Quahog's destruction, you and Brian were the only ones who could understand Stewie. So you get to live.

Jackie: But, you get to see the rest of your friends destroyed. By now, Shepherd and Connie are dead. And Diane got arrested. Stewie and Cheshire are on their way to kill Quagmire. And Sheila and Black Widow are on their way to arrest Carter.

Bakugo: Bottom line? You get to live to see the consequences of your actions. And if you ever step out of line, even a little bit, we WILL come back here to finish what we started. Count on it.

With that, Bakugo and Jackie walked away

Consider yourself lucky Chris

Astrotrain: (to Sally Snake) Better hurry before all the targets are dealt with.

Sally Snake: You got it.

They went to help out any way they can.

In an alleyway, Quagmire was drinking beer when he felt someone behind him.

Stewie: (he and Cheshire walk out of the shadows) Well well well. How the mighty have fallen.

Cheshire: Should've run while you had the chance.

Quagmire: Thought about it. Then I realized I had nowhere left to run. (to Stewie) So, I'm guessing they sent you? I'm not surprised.

Stewie: I volunteered. You see, I can overlook you being a pervert. But I draw the line at beating Brian up when he didn't even know he had sex with your dad!

Quagmire: (angrily) Say what you what but at least I never tried killing my own mother or taking over the world!

Stewie: (gets pissed) Time has made me better. You've only gotten worse!

Without giving Quagmire a chance to talk any further, Stewie fired his blaster at his throat.

Then...

SLASH!

Cheshire stabbed her claws into his crotch and he was burning in pain from it and it was really burning him.

He was foaming at the mouth and then he convulsed and then he was dissolving and then melted into slop.

He was dead.

Cheshire: Dark made my poison stronger and more deadlier.

Carter was sitting at a coffee shop when he saw Sheila and Black Widow approach him.

Carter: Oh, it's you two. (confused) Why are you two looking at me like that?

Sheila: You know damn well why. The only reason we're not killing you right here is because like us, you hate Peter as well. And you DID raise Lois.

Black Widow: After the Embodiment reveals herself to us, you'll stand trial for hiding the cure for cancer as well as your other crimes. The days of you avoiding the consequences of your actions are over. We're letting you know this as a curtesy due to you being Lois' father in the past. Nothing more. You are our prisoner now. Do you understand?

Carter: (sighs in defeat) Perfectly. It's crystal clear.

Sheila: Good.

They slapped the cuffs on him.

Sheila: Where IS said embodiment anyway?

Black Widow got a radio call.

Black Widow: She's with Astrotrain.

Springer: How did you meet Lily and Leon?

Sally Snake: We met when we were playing World of Warcraft. I was helping them battle Deathwing.

Springer: Cool!

Sally Snake: Yeah it was cool.

Tania: This time, we took down Quahog Citizens without having to go behind each others' backs

Nico: Yep.

Qin: That is for sure.

Camie: Yeah.

Ace: What are you guys talking about?

Me: We've had some nasty problems and issues where we went behind each others backs and more. Specifically with Nico working on a project. Ugly story.

Nico: Yeah.

Kaito: It involved Zenkaiger gears.

Nico: Yeah I was too focused on that to pay attention to William and all that.

Qin: Yeah.

Ace: Ah I see.

Double D: I was involved with said project.

Me: Yeah.

Ace: I think I see what you mean guys. Sorry you had to go through all that.

Qin: Yeah no worries.

Neon: Good.

Then the spirits of Principal Shepherd, Connie and Quagmire came.

Me: YOUR TIME'S FINALLY UP!

Suddenly, the bell of judgement rang in all three of their ears meaning that their time was finally up! Then, the spirits of all those they'd harmed and killed appeared and grabbed them.

Spirits: Guilty!

The spirits found all three of them guilty, and then, the kanji Black Abyss 黒深淵 appeared on Principal Shepherd, Connie and Quagmire's foreheads, and they were being consumed by the black flames of The Black Abyss and they began to fade away: they were finally being erased by The Black Abyss!

Quagmire: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END!

Principal Shepherd: DAMN YOU, YOU MONSTERS!

Connie: DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU MEG GRIFFIN! (LETS OUT ONE LAST SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

THEY WERE GONE!

Stewie: I'm glad I contributed to this

Brian: Yep. Thanks guys.

Me: No problem Brian.

Qin: No place on this planet for those dirt clods.

Nico: If there are still many Quahog residents on the loose, we'll deal with them

Me: The worst ones are getting the Black Abyss. The minor ones will go to prison.

Lola: Yeah.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: (Beastly Voice) We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Brad Buttowski, and he was brought back from The Black Gates by Anti-Monitor, and he still wants revenge on us. When we saw it, we knew it meant big trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: (Beastly Voice) Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: (Beastly Voice) Everyone, we've got a huge emergency, and we're not going to like who it was that's back: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, Brad Buttowski, and he was brought back from The Black Gates by Anti-Monitor, and he still wants revenge on us.

EVERYONE WAS ABSOLUTELY DISGUSTED!

May: ARE YOU FUCKING KIDDING ME!?

Qin: Un-freaking believable! First, Peter Griffin gets brought back, and now, that dumbass asshole with a diaper for a brain and smells like a dumpster was also brought back?! That does it, he's so going to get The Black Abyss!

Lincoln: (Beastly Voice) No, Qin, he's going right back to prison, but before you protest, I've got my reasons: we're going to put him back in prison, but this time, I'm going to put a very deadly curse on him.

Me: Meaning if he so much as fucks up one more time, the curse will kill him and send him to The Black Abyss with no mercy.

Nico: I like that awesome idea, Lincoln, and I agree with you and J.D. on that, considering how much of a fucking jackass Brad is, he'll find himself in The Black Abyss in less than a split second. Now, where is he at?

Lincoln: (Beastly Voice) Scans show he's in Kick's old home in Mellowbrook.

Me: Where it all began long ago.

Nico: But, this time, it'll end with that fucking jackass getting put in prison once and for all. Let's go, team, that jackass is getting put down once and for all.

Lincoln: (Beastly Voice) And getting a one-way trip back to prison.

Kick: It'll be good to visit home again

Kendall: It sure will.

Me: Yeah we haven't been to Mellowbrook since before the Great War with The Royal Defenders.

Nico: I know.

Lynn: I hope the places there are still open

Me: Yeah.

The previous group came.

Carmen Dillo: Can me, Onyx, Pinky and the Brain, Dr. Destiny, Box Ghost, Rojo, Jet, Swordsman, Dirty Bubble, and Waffle Woman go with you guys?

Nico: Yes you all can come with.

Me: This will be awesome.

Lola: Yeah.

Freon: Nico, which Gene Slammer do you think you'll meet next?

Nico: SkullMeramon next.

Qin: WHOA! That one is gonna be hot

Mizore: Very interesting there.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Zachary Kralik The Serial Killer Vampire, and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him. When we saw it, we knew it meant trouble.

Lincoln: (Beastly Voice) Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: (Beastly Voice) You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Zachary Kralik, a Serial Killer Vampire, and another of Buffy's old enemies, and he's come back to get revenge on Buffy for destroying him.

We gasped.

Brittney: Oh shit, another serial killer vampire?!

Selena Doragonmajishan: Leave him to me and Lincoln, Brittney, he's getting a stake driven right into his black heart.

Lincoln: (Beastly Voice) And set ablaze by the sun, Selena.

Nico: This is going to be so awesome. Alright, team, let's go, we're off to Mellowbrook, and we're going to kick Brad Buttowski's ass one final time and send him back to prison.

Lincoln: (Beastly Voice) This is the last time we ever have to deal with that imbecile, and once we get done with him, you're next, Zackary Kralik.

Selena Doragonmajishan: I'm not letting a serial killing piece of shit like you live any longer, this is where you die once and for all.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Mellowbrook to finally take down Brad Buttowski for the final time and send him back to prison, along with getting hit with a deadly curse that'll mean if he fucks up one more time, it's The Black Abyss, and once we got done with that sack of shit, Lincoln and Selena Doragonmajishan along with me and Nico are going to destroy Zackary Kralik, the serial killer vampire.

We were off to Mellowbrook

We arrived.

Brain: This is the place, right?

Me: Yep.

Kick: Good to be home again.

Kendall: It sure is.

Qin: It's doing great though

Donna Diego: I wonder if we can still skateboard here

Otto Rocket: Now that would be bodacious.

Nico: Yep.

Kick: The skate park is doing great guys.

Me: Cool cool.

Lola: Yeah.

Poliwag: I wanna skateboard there!

Box Ghost: I forgot you can do that

Pinky: This'll be fun to watch!

We went to the Skatepark and saw everyone having fun

Poliwag: YAY!

Kick: Lets do it!

They got to shredding.

Poliwag got on a skateboard.

Kickback: Should we go prepare the infirmary?

Me: In case.

Kickback: Okay.

Yhey got to skateboarding and more.

They were doing all kinds of awesome stunts and more.

Camie: WOOHOO!

Jet: They're doing good so far!

Qin: They sure are!

Lola: Yeah!

Teresa: This is just as daring as Magician David Blaine's Balloon Stunt!

Me: Yeah!

Nico: It sure is.

They came back and we cheered for them.

Kick threw up the goats.

Dirty Bubble: Nice job, guys!

Kick: Thanks guys.

Me: That was awesome.

Poliwag: Yep

Beekeeper: (to Kick) You've still got it!

Kick: Yep.

But then...

SPLAT!

MANY PEOPLE SCREAMED!

A DISMEMBERED BODY LANDED! It was literally torn to pieces! Blood poured out all over and its innards were strewn all over!

Nico: Oh good god!

Qin: What happened to him!?

Me: Someone or something REALLY ripped him apart!

Nico: Yeah!

Waffle Woman: Think we should call Control Freak?!

Nico: Good idea.

Nicole: This guy was a pervert. I can tell he went to a strip club not far from here.

Nico: Really? Whoa.

Nicole: This is DEFINITELY something that I would do.

Control Freak came.

Control Freak: I'm here guys!

Me: Awesome! LOOK OUT!

NUMEROUS DISMEMBERED BODIES OF PERVERTS RAINED DOWN ALL OVER AND BLOOD SPLATTERED ALL OVER!

Innards and organs splattered all over.

IT WAS GROSS!

It was Carnageville!

Nico: YUCK!

Nicole: What a slaughterfest!

Lincoln then had a premonition.

Lincoln: And I know what's going on! We're going to face Starfiend. The Hypothetical Akuma of Nicole Knudson and a powerful and deadly master of the stars. She was made when Jiraiya peeked on her in the bathtub and she vowed to make sure he gets every single bone in his body broken and thrown into the sun for his perverse deeds.

WE GASPED!

Nicole: My Akuma is behind this!? WHOA!

Lola: This one REALLY IS Your Akuma! She HATES Perverts.

Control Freak: That Jiraiya must've been more perverted than the one we know!

Nicole: Yeah must be.

Qin: Yeah.

Laney: Oh boy. To peek on Nicole really signed his death warrant.

Camie: Yeah! What does she look like?

We saw a sketch of her from Lincoln and she looked like a Celestialsapien but with 4 arms and had star angel wings!

Ben: She looks like Alien X!

Nicole: It's fitting for me because of my powers over the stars.

Xenia: Yeah.

Qin: Yeah.

Nicole: But we got my Akuma to stop.

Eli: (Concentrates) 400 yards east.

Nico: Lets go.

Control Freak: And I know just the boss for this.

He summoned the Naraka Class Battleship from Panzer Dragoon.

Nicole: The Naraka Class Battleship from Panzer Dragoon. Awesome choice.

We were off to find her.

Me: Just follow the trail of dismembered bodies.

Twilight Sparkle threw up seeing all that.

Lincoln patted her on her back.

Nico: There she is!

We saw her and her power was incredible!

Me: WHOA! Nicole!

She saw us.

Starfiend: (Echoing Stellar Voice) Dad glad you came.

Me: Wow!

Nicole: This is amazing! I look awesome as an Akuma.

Starfiend: You sure do. Where is Jiraiya?

Me: Nicole beat him up earlier and landed him in the hospital with EVERY SINGLE bone in his body broken. Long story.

Starfiend: I see. I'm glad he was pounded by me dad. My non-akuma self anyway.

Nicole: Yeah.

Me: The Jiraiya you know must've been more perverse than the one we know.

Nicole: Yeah!

Starfiend: Yes he was 100 times more dangerous than your version.

Me: Oh shit. If Lady Tsunade saw that one she would dismember him alive!

Starfiend: Knowing her she would.

Control Freak: Nicole, you need to calm down!

Starfiend: Not until I find that version of Jiraiya that saw me naked!

Control Freak: Then sorry I have to do this!

Me: Wait!

I fired a blast of energy and it hit an alley and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Out of the explosion came the Jiraiya that Starfiend was looking for.

Nico: What the!?

Nicole: Jiraiya!?

Me: That the one you were looking for?

Starfiend: Yes it is!

Control Freak: We still have to fight though!

Starfiend: First this!

AU Jiraiya: (WHIMPERING) MOMMY!

THEN WE SAW STARFIEND BRUTALLY DISMEMBER HIM AND RIP HIM TO SHREDS!

BONES CRUNCHING! SPLATTERING! CLOTHES RIPPING!

Billy: OOH! Jiraiya has the same Bunny Underwear as me!

Horsea: Really?

Billy: Yes.

Me: Funny.

Then she opened up a portal and THREW HIM RIGHT INTO THE SUN!

Nico: Whoa.

Laney: Nice.

Nicole: He had it coming.

Me: Feel better?

Starfiend: Much better. Okay hit me hard.

We fired waves of energy and blasted her all over.

Control Freak and the Naraka battleship blasted her.

Starfiend: My turn!

She fired star beams.

Nicole fired waves of energy and blasted the beams and Nicole then blasted her down.

G1 Cosmos: Let me handle this.

He fired waves of lasers and blasted her down and knocked her out.

Optimus: Nice job Cosmos!

Cosmos: Thanks. It was cool.

Qin: It sure was.

Starfiend was beamed to M.O.E. HQ.

Nico: Now we need to find that brainless pervert money Brad.

Laney: That diaper-brained buttface is going down

Meowth: Should we get something to eat first?

Me: Uhh..

Our stomachs then started growling.

Me: Whoa we could use some grub.

Nico: Yeah..

Kick: I know a good pizza shop.

Nico: Okay.

We went to the pizza shop and it was an all you can eat buffet too.

Swordsman: Lets dig in!

We got to eating.

We ate lots of good pizzas and chicken wings and pasta and more.

Me: (Slurps spaghetti) Mmm!

Twilight Sparkle was eating pizza all over.

Camie: (Eating sauce covered chicken wings)

Popeye was eating spinach pizza.

Popeye: Loves the spinach pizza. (LAUGHS)

Horsea: Oh boy do I?

We finished eating later on and man oh man were we stuffed.

Me: Ahh. That was great!

May burped

May: Oh pardon me.

Cloud Man: That was tasty!

Me: Boy it sure was.

Qin: I'm so full.

Nico: Me too!

Camie: Yeah.

She had sauce all over her face.

I wiped it off.

Me: There you go.

Nico: Yep. Check please.

We paid for the food and we were ready.

Dr. Destiny: Now to find Brad.

Eli: He's in the park.

Me: Lets head there.

Camie: Good idea.

We went to the park.

Then we heard a rip and scream!

We saw BRAD RIPPING THE CLOTHES OFF A GIRL!

Brad: BRAD RULES!

Me: There he is.

Lenny Koopa: Entrance time!

We went at him.

Brad: YOU DILLWEEDS WILL ALL BE NAKED!

While I'm not missing you

We run 'til it's gone

Et les fleurs du mal

Won't let you be

You hold the key to an open door

Will I ever be free?

Les fleurs du mal unfold

Comme les fleurs du mal

Dark demons of my soul

Un amour fatal

Been tryin' hard to fight

Comme les fleurs du mal

Les fleurs du mal inside

Un amour fatal

All my life I've been waiting for

In this perfume of pain

To forget when I needed more

Of love's endless refrain

We live and we pray

Pour les fleurs du mal

I've lost my way

What is done will return again

Will I ever be free?

Sailor Saturn: Okay, that's it, this is the last time you ever return to cause trouble for us, Brad.

Suddenly, Sailor Saturn's purple eyes turn neon purple and she was surrounded by a black and purple energy aura with stars, darkness, magic, cats, phoenixes, and angels, she had her Sailor Saturn's True Saturn Princess Eternal Love Angel Mage's Staff of Eternal Darkness Justice in hand, and as she approached Brad Buttowski, she left black and purple energy, stars, darkness, magic, cats, phoenixes, and angels with every step.

Sailor Saturn: You should've never returned from The Black Gates, you vile monster, just how many times are you still going to try and cause us a massive headache with your ape-brained Neanderthal antics?! Lincoln and the girls fired waves of energy and elements that took the form of the most famous daredevils and their stunts that made their mark in history, and they slammed into Brad Buttowski and exploded.

Lincoln and his harem: Time for the grand finale! DAREDEVIL FINAL SMASH: EXTREME EXPLOSION!

Lincoln and his harem threw Brad Buttowski straight into a mine that's full of explosives which blew up, and then, the explosion sent him straight into a fireworks factory while he was still on fire which made the fireworks explode which also sent him straight into a giant gunpowder factory while still on fire, which also made the giant gunpowder factory explode, Control Freak: Let me deal the finishing blow.

He walked over and punched him right in his face and then blasted him all over with the ships of Panzer Dragoon.

Nicole: Goddess of Victory always wins

Nicole then punched him and sent him flying straight back into his old cell in prison all the while being completely naked and have really big boo-boos, and Lincoln put a lethal curse on him warning him that if he fucks up one more time, it's The Black Abyss for him.

We cheered as we holstered our weapons and powered down, and Sailor Saturn's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large black and purple planets orbiting around her legs, fifteen smaller black and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings and small sized black angel wings underneath her massive black angel wings are permanent.

Sailor Saturn: That's it for Brad.

Nico: Now, he's back in prison for good, and with Lincoln's curse on him, if he fucks up one last time, it's The Black Abyss.

Lincoln: You got that right. Now, Now, there's one last thing to do and one last loose end to tie up: Zachary Kralik.

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Zachary Kralik, or we're forcing you out!

A figure came out, and it was none other than Zachary Kralik, the serial killer vampire.

Brittney: Should've known you'd show up once again, Zachary Kralik.

Selena Doragonmajishan: But, this is where it all ends for you.

Suddenly, Selena Doragonmajishan's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels, she unholstered her massive darkness greatsword, and as she approached Zachary Kralik, she left black and red energy, stars, darkness, dark magic, black magic, Satanic Magic, dragons, phoenixes, and angels with every step.

Selena Doragonmajishan: You really make me sick to no end, Zachary Kralik, you're just a monstrous serial killer and all you've done is cause havoc and all to slake your thirst for blood. You're just as despicable as all the vampires whom we'd killed long ago, and now, I will see to it that you die here and now.

Suddenly, Selena Doragonmajishan was surrounded by a massive vortex of black and red energy with stars, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are dragons, phoenixes, angels, and Red-Eyes Dark Dragoon flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Zachary Kralik: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Oh boy, now things are definitely going to get ugly.

Selena Doragonmajishan, Lincoln, Nico, and I went after Zachary Kralik, and we fired extremely powerful blasts of rainbow energy, black and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Zachary Kralik and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Selena Doragonmajishan also did the same by firing black and red energy slashes from her massive greatsword and gold-plated dragon claws, and he, Selena Doragonmajishan, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Zachary Kralik even angrier than ever.

Lincoln: (Divine Echoing Beastly Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln said the Lord's Prayer and the 8'0" massive, wide, double-edged broad gold blade of his massive greatsword was glowing with rainbow light, and as he swung his massive greatsword, he fired a massive beam of rainbow light that hit Zachary Kralik with full force, and he exploded into nothing but snakeskin merchandise and he was sent to The Black Abyss forever. Everyone cheered wildly for what Selena Doragonmajishan, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Selena Doragonmajishan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large black and red planets orbiting around her legs, fifteen smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive black angel wings and medium sized black angel wings and small sized black angel wings underneath her massive black angel wings are permanent.

Selena Doragonmajishan: Don't you ever come back, you undead serial killer. Thanks for helping me take down Zachary Kralik, Lincoln, you too, J.D. and Nico.

Lincoln: (Beastly Voice) (Smiles Warmly) You're welcome, Selena.

Me and Nico: Our pleasure, Selena.

Suddenly, Selena Doragonmajishan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Riis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Red-Eyes Dark Dragoon flying in the air, and we saw a herd of Buffalo and many animals running across the field and darkness and elemental forces behind them and we cheered wildly. Then, Lincoln and Selena Doragonmajishan sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that vampire down and Lincoln fired that beam of rainbow light.

Me: And turned him into dust and sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: (Beastly Voice) I've got just the person: Selene Houou Higeru, Embodiment and Avatar of The Hidden Fire Village and Phoenix God Queen of Higeru.

Naruto: I knew it was her next, and you guys are going to love her, Selene Houou Higeru is Lincoln's Guardian Angel from The Hidden Fire Village, she's a powerful shinobi and master of the powers of the Jutsu, and here's an added bonus: she's The Phoenix God Queen of Higeru, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a very close and powerful friend of mine and the Uzumaki Clan as well as Honou Moeru and a powerful force of fire and good and she is a powerful and deadly master of fire. She is also one of Ino and Sakura's best friends. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf, but he's also a good friend to me, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Fire Style Jutsu and techniques. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and I arranged a date for Lincoln and Selene to go to a Japanese Restaurant, and they both enjoyed their date, and Selene detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln again and destroy The Hidden Fire Village, but that ended badly with Selene, Lincoln, and Naruto and his harem beating him up and Selene tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Nico: Again?! Honestly, that moron refused to stop trying to kill you, Lincoln.

Lincoln: (Beastly Voice) Ugh, tell me about it. On my future mission, when we face him along with the rest of my old enemies, I'm going to make them pay with their lives.

Me: You said it, and we'll make sure those shitheads pay.

Lola: Yeah!

Leonard: That's it for Brad.

Mr. Mittens: He's lucky he's not dead.

Toiletnator: He gets to rot in jail for the rest of his life.

Me: With a curse on him that will send him to the Black Abyss if he tries anything.

Fixer: Where should we celebrate?

Nico: How about at that pizza place?

Xiao Fung: Sounds good to me!

Nico: Awesome. Great job today everyone. Kick your brother brought all this on himself.

Kick: I know. He deserved it.

Qin: Yep.

Kendall: I agree. (To the viewers) Mess with Kick and friends you mess with me and the team.

Me: Yep.

We went to the pizza restaurant and had a great meal and then went back home and enjoyed the rest of the day and went to sleep.

Selene detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln again and destroy The Hidden Fire Village, but that ended badly with Selene, Lincoln, and Naruto and his harem beating him up and Selene tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

SQUISH!

Me: Man this is one sticky cheesy swamp.

Nico: (Licks cheese) Yummy! But it's delicious too.

Qin: (slurp) Yummy! It sure is.

Lola: Cheese swamps are cool.

Lana: I'll say!

SPLORF!

May fell face first into cheese.

She got up and licked her face.

May: Yummy! Better than walking through muck on Dagobah.

Me: True.

Sailor Uranus: I agree there. Too bad Sailor Meatball can't come too so I can show her how to...

CRUNCH!

Varie stomped on her foot.

Sailor Uranus: OW!

Varie: You got to let go of that hatred towards Serena, Amara. It's unhealthy.

Sailor Uranus: Sorry.

Nico: Amara, I want to thank you, Ghost of Juan Carlos, and your teams for coming

Sailor Uranus: You're welcome Nico and this will be fun.

SPLORF!

Nico fell face first into a cheese swamp puddle!

Nico: (Slurps) Yummy! I just love cheese!

Me: Yes you sure do!

We helped him up.

Lola: Boy no kidding there.

Lana: I'll say! (Eating cheese) Yummy! I love the Limburger cheese. (BELCHES IN LENI'S FACE)

Leni: EW! LANA!

Lana: Sorry!

We laughed!

Nico: (LAUGHS) So funny.

Lola: Yeah.

Luan: Boy Cheese Louise! Is that cheesy! (LAUGHS) Get it?

We laughed!

Eddy: (LAUGHS) Good one Luan!

Me: Yeah! Hey Luan Where would you find cottage cheese on a restaurant's menu?

Luan: I don't know. Where would you find cottage cheese on a restaurant's menu?

Me: Under the a la curd section!

RIMSHOT!

WE LAUGHED AT THAT ONE!

Eddy: (LAUGHS)

Nico: Did you hear about the explosion in the cheese factory?

Me: No why?

Nico: There was de-brie everywhere!

RIMSHOT!

WE LAUGHED AT THAT ONE!

Me: (LAUGHS) YEAH! That was a funny one!

Luan: (LAUGHS) Good one guys!

Me: Yeah!

Nico: Gotta love cheese jokes!

Me: Yep.

Nico: Yeah.

Yulia Uranus: (LAUGHS) Those are always funny! Especially the fact we're in a cheese swamp.

Maria: I agree! (Trips) Whoa!

SPLAT!

She fell into a puddle of nacho cheese sauce.

Maria: (SLURPS) Yummy! Nacho cheese!.

Yulia Uranus: (LAUGHS) Funny.

Nico: Yulia, what do you like to do in your free time?

Yulia Uranus: I like to teach kids at the museum about the planet Uranus and how it is different than all the planets.

Me: It's amazing how Uranus is the way it is. Uranus is tilted at a 100° Angle almost and it looks like it's rolling along it's orbit.

Nico: Yeah like a spinning wheel.

Yulia Uranus: Yep. And the orbit takes 84 years. A season on Uranus lasts 21 years.

Me: Yep. Just imagine if you were born on Uranus at the beginning of Summer.

Lola: An endless summer.

Maria: Beach fun all the time baby!

Camie: Yeah!

Me: Just imagine if you were born in Winter on Uranus.

Maria and Camie: EW! ENDLESS BUMMER!

Nico: Yeah!

Me: Also I found out that Uranus is one of the coldest of the Gas Giants. The temperature there is -320°Fahrenheit.

Nico: Is it really?

Me: Yep. If Uranus' clouds were here on Earth everything would FLASHFREEZE almost instantly.

Nico: WHOA! That is cold.

Lola: Yeah!

Maria: No kidding!

Yulia Uranus: That's right. That is intensely cold isn't it.

Qin: No kidding! Almost as cold as Liquid Nitrogen.

Me: I agree.

Nico: Geez.

Lola: Yeah!

Laney: That is amazing. What would Saturn's clouds look like on Earth?

Me: Well Saturn has some of the most powerful lightning storms in the solar system. If Saturn's clouds were here on Earth they would produce more powerful and deadly lightning. And louder thunder.

Nico: Wow! That is amazing.

Nicole: It sure is. Saturn's largest moon Titan has methane storms and rain. Don't light a match from one of those.

Me: Yikes.

Maria: Or you'll explode!

Me: Yep.

Lola: Brutal!

Qin: Yeah!

Me: Yep.

Laney: Wow! Wow that was intense facing Brad.

Nicole: It was. But we gave that little puke what for.

Me: The funny thing is the Mascots got to use their gags and show the trailer twice on Peter Griffin and Brad yesterday.

Nico: (LAUGHS) That never gets old!

Qin: Yeah!

Camie: That was so funny!

Ace: Those gags the mascots used were really funny. Where did they get the ides for those?

Nico: Ironically, from the stunts Peter did before

Me: And some of them we got from a movie. Hot Shots Part Deux. That was so funny.

May: (LAUGHS) Yeah.

Qin: (LAUGHS) Those gags always crack me up.

Me: Yeah.

Camie: Yeah! (LAUGHS) Those were funny.

Me: The others from Emolga, Eevee and Hoppip were made up. Eevee's gag was made from Kakashi's arsenal modified by me.

Ace: Really?

Me: Yep. I learned the technique in 150,000 years and modified it with different elemental chakras and made it more powerful, funny and humiliating.

Fu: It's true and it was awesome.

Me: Yep.

Maria: Good thing they didn't get killed!

Me: Yeah. (LAUGHS)

Nicole: Yeah! But meeting my Akuma was scary!

Me: I know Nicole you looked like a Celestialsapien and she viciously slaughtered and butchered thousands of perverts!

Camie: Yeah what a massacre!

Nico: We even saw the Jiraiya where she came from

Me: And she viciously ripped him to shreds!

Qin: Brutal!

Laney: And threw him into the sun!

Lola: Yeah!

Nicole: When I say I HATE PERVERTS with a vengeance I mean it! Every word of it!

Nico: Oh I believe you!

Qin: Me too!

Lola: Yeah!

Maria: I feel you Nicole.

Carol: Same here!

Nicole: But I am NOT that vicious when it comes to perverts. I only beat them up. Not tear them limb from limb and kill them and dismember them alive!

Xenia: Yeah!

Nico: I know you aren't

Qin: Yeah.

Nicole: Yeah no kidding.

Camie: But at least Brad is back in prison and we gave Peter, Principal Shepherd, Quagmire and Connie the Black Abyss.

Laney: Yeah Lisa and Meg were really happy about that. Lisa Simpson I mean.

Lisa Loud: They had a slumber party in Meg's room and they were so happy.

Nico: I'm glad they are

Nicole: Yeah me too.

Qin: Lois deserves much better than that testicle-chinned idiotic jackass.

Nico: I agree. But J.D. that was clever using the Wolf Moon Servant to bring back Frances Griffin and have him tell Peter off.

Me: Yeah I thought it was cool. It was cruel he said that but he had it coming.

Maria: Let's not forget you went behind Nico's back and when he found out, you pinned the blame on William

Me: No need to remind me Maria.

Maria: Sorry.

Nico: Let's not forget that Brad's behind bars.

Me: Thank goodness.

Lola: Yeah.

Qin: He sure is.

Camie: Good riddance.

Lincoln: And if he ever steps out of line again it's the Black Abyss for him.

Nico licked the cheese in the ground.

Qin then got a mischievous smirk and then kicked Nico into a cheese sauce pool and he was swimming in cheese sauce.

Nico was covered head to toe in cheese sauce and dripping cheese.

Me: (LAUGHS) She got you good Nico!

Nico: Oh you're gonna get it!

He went at her and Qin laughed and she dodged him and then she tripped and fell into the same cheese pool!

KRASPLAT!

She was drenched in cheese too!

May: Boy that is really cheesy!

Me: Now you two are gonna be cheese heads!

Maria: Funny!

Me: Yep!

Qin: Hardy har har.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here in this cheese swamp but here's the dangerous part: Nico, are you familiar with someone by the name of Bruce Everton?

Nico: (GASPS) (GROWLING FEROCIOUSLY) THAT MOTHERFUCKER!

Me: WHOA! Nico, you know him?

Nico: Know him?! I despise him, he's a miserable motherfucker whom I hate with the rage of the infernos of 100,000,000,000,000 suns, he humiliated many of my friends, and that's the reason why I despise him!

Me: WHAT THE FUCK?!

Qin: We all despised that motherfucking asshole, and we had him exposed to everyone at the school and the principal kicked him out and he was sent to prison as well. How the hell did that pissant break out?!

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than Nico and Connor's old enemies and bullies, the musclebound bastards and bullies, Alejandro Abadiano, Kyle Venderson, Toby Connors, and Logan Gunners, and Jeremy Laurence, the murderous and sadistic monsters, Axton Dodge, Axel

Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, and Melanie Martinez's old enemy from her bodybuilding competitions, musclebound former bodybuilder and criminal, Antonio Rodriguez, and they were the ones who broke Bruce Everton out of prison and sent them after us.

Lincoln: Why, that little...!

Me: Lincoln, what's wrong?

Lincoln: Morgana Midnight Sparkle and the other Midnight Princesses have resurrected Nico and Connor's old enemies and bullies, the musclebound bullies, Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence, the murderous and sadistic monsters, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, and Melanie Martinez's old enemy from the bodybuilding competitions, musclebound former bodybuilder and criminal, Antonio Rodriguez, and they were the ones who broke Bruce Everton out of prison and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, that bitch!

Nico put his skeleton back.

Nico: I hate when that happens. So, now, that insane bitch and her friends resurrected the musclebound bullies, Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence, the murderous and sadistic monsters, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, and Melanie Martinez's old enemy from the bodybuilding competitions, musclebound former bodybuilder and criminal, Antonio Rodriguez, and they were the ones who broke Bruce Everton out of prison?! Those assholes!

Me: Lincoln, I hope you suck out the muscle mass, virility, testosterone, and physical strength of Bruce Everton, Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, Jeremy Laurence, and Antonio Rodriguez.

Lincoln: That's what I'm going to do, J.D.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally thought we were rid of Alejandro Abadiano, Kyle Venderson, Toby Connors, Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, Peyton Gatlin, and Antonio Rodriguez last year, but Morgana and her minions decided to cross yet another line and bring them back.

Alicia Chan: And bust out Bruce Everton, they are so fucking dead!

Lincoln: You got that right. (Sensed for Bruce Everton) AHA! Gotcha! I just spotted Bruce Everton, he's 20 yards away, but he's already charging right at Nico to kill him. (Sensed Alejandro Abadiano, Kyle Venderson, Toby Connors, Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, Peyton Gatlin, and Antonio Rodriguez) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Let's get them.

We then took off into the air and we set our sights on destroying Bruce Everton, along with Alejandro Abadiano, Kyle Venderson, Toby Connors, Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, Peyton Gatlin, and Antonio Rodriguez and sending them all to The Black Abyss.

Lana heard a Pokemon cry.

Lana: Look guys!

We saw a Rattata.

Me: A Rattata. Cool.

Rattata: Yep.

We gave it apples.

Rattata: Ah thanks guys.

She ate them

Lana: Wanna come with us?

Rattata: Sure! And I get to eat lots of cheese here too.

Me: Yep.

We were off.

We were walking through the swamp, and we spotted our target: Bruce Everton, a black-haired male with a mean glare in his brown eyes, and he was a really huge and muscular brute.

Nico: There's that fucking shithead, and I knew he'd been hitting the prison gym, he was a meathead like the other meathead musclebound assholes I've dealt with.

Lincoln: Well, he's about to get a taste of his own medicine. UNIVERSE 666 KIBAL, LET'S HOWL!

Lincoln transformed into FIRE MOON!

As his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick brown fur, his deep sapphire eyes and rainbow iris of his Third Eye turned red, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a brown wolf snout, his massive white angel wings, medium sized white angel wings, and small sized white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears turned brown, his long wild white hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned red, and he let out a loud howl.

Lincoln: (HOWLS)!

Me: Oh yeah! This is going to be good!

Lincoln: Face the fury of the wolf!

Lincoln held out his left hand and fired wolves of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Nebulae, and Moonlight, and they went at Bruce

Everton, and they really mauled him badly and we really put up a fight!

Me and my sisters: We never get tired of seeing the Mythic Wolf Quirk in action!

Maria Wolf Moon: Same here.

Rudina Adalwulf: Me too, and same goes with the other werewolf girls in Lincoln's harem.

Me: Looks like he's putting up a fight against your elemental wolf pack, Lincoln.

Nico: Then, let's give that dumbass a real fight.

Then, Lincoln changed back as the elemental wolves vanished and that pissed Bruce Everton when he saw us land, especially when he saw Nico, Qin, and his harem.

Nico: Hello, shithead, remember me?

Qin and Nico's harem: And us?!

Bruce Everton: YOU MISERABLE LITTLE...!

Nico: Who are you calling little?! I'm three feet taller than you, you big gorilla!

Nico punched him.

Lincoln: And much stronger than you, you musclebound ape! Speaking of musclebound, you better get out here, Alejandro Abadiano, Kyle Venderson, Toby Connors, Jeremy Laurence, and Antonio Rodriguez! We know you're here, along with Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin.

We then saw our other targets: Nico and Connor's old enemies and bullies, the musclebound bullies, Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence, the murderous and sadistic monsters, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin, and Melanie Martinez's old enemy from the bodybuilding competitions, musclebound former bodybuilder and criminal, Antonio Rodriguez, and they had a demonic Alicorn on their foreheads: which was proof that they were resurrected by The Midnight Princesses.

Selene Arcangela: And Lincoln was right, so Morgana and her minions also brought you musclebound assholes and you sadistic monstrous bastards and bitches back! This time, we're getting rid of all of you once and for all!

Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence: FUCK YOU, BITCH!

Suddenly, Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence injected themselves with a serum, and it caused them to grow into 12'5" giant hulking musclebound behemoths and charged at us, only to be tripped by Lincoln using his eleven massive and long white wolf tails.

Lincoln: You really are that dumb and stupid.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the massive pecs, backs, legs, and necks of Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence, and then, Lincoln began sucking Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence dry of their newly gained massive muscle mass, massive levels of virility and testosterone, and massive superhuman strength and they were groaning in pain as they began shrinking in muscle mass and height, and they were also being drained of his life force.

Then, all of Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence's massive muscle mass, virility, testosterone, and massive superhuman strength were being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done, the tentacles detached themselves from the pecs, backs, legs, and necks of Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence and went back into Lincoln, and Alejandro Abadiano, Kyle Venderson, Toby Connors, Logan Gunners, and Jeremy Laurence were now thin as a rake and sucked bone dry of their massive muscle mass, virility, testosterone, and massive superhuman strength and he also had the life sucked out of them as they died and he sent them to The Black Abyss.

Nico: Alright, Lincoln, it's feeding time!

Lincoln ran at Axton Dodge and grabbed him by the neck, and then, Lincoln sank his fangs into Axton Dodge's neck and began draining him dry of blood.

Axton Dodge: (SCREAMING IN AGONY)

Then, when Lincoln was done, Axton Dodge was completely drained of blood and he was now a dried up corpse. Then, Lincoln went after Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin and he did the same to them as he sank his fangs into their necks and began draining them dry of blood.

Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin: (SCREAMING IN AGONY)

Then, when Lincoln was done, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin were completely drained of blood and they were left as dried up corpses just like Axton Dodge, and he banished the souls of Jeremy Laurence, Axton Dodge, Axel Wolfe, Blade Thorn, Arya Ruger, Elora Wesson, and Peyton Gatlin to The Black Abyss forever.

Bruce Everton: (SCREAMS IN PURE RAGE) DAMN YOU! FUCK YOU ALL!

Lincoln: Now, it's your turn.

Lincoln growled as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was then covered in thick white fur, his deep sapphire eyes and rainbow iris of his Third Eye remained the same, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a white wolf snout, his massive white angel wings, medium sized white angel wings, and small sized white angel wings underneath his massive white angel wings, eleven massive and long white wolf tails, and large white wolf ears remained the same, his long wild white hair became wilder, his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, his orange version of He-Man's loincloth turned dark blue, and his white pants with elemental forces on the legs remained the same along with his gold-armored knee-high boots, and he let out a loud howl.

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

Me: Oh yeah, Lincoln's turned into Lincoln The Nocturnal!

Lincoln: (Beastly Voice) Alright, now it's time for the real fun to start. Caleb, Cage, Travis, and James, you guys are up.

Suddenly, Yulia Uranus' purple eyes turned neon purple and she was surrounded by a dark blue energy aura with stars, earth, crystals, phoenixes, and angels, she summoned her Earthshaker Keyblade in her left hand and unholstered her greatsword in her right hand, and as she approached Bruce Everton, she left dark blue energy, stars, earth, crystals, phoenixes, and angels with every step.

Yulia Uranus: After everything that you've done to Nico's friends, I think you deserved every last bit of karma for your bad actions, you son of a bitch. But, to find out Morgana and her minions helped in your escape, that's going too far, now it's time for you to die and you're never ever showing your ugly mug here again.

Suddenly, Yulia Uranus was surrounded by a massive vortex of dark blue energy with stars, magic, and earth surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a white phoenix with the Astrological Symbol of Uranus on its stomach and blood red eyes glaring at Bruce Everton: the blood red eyes of eternal judgement.

Me: Oh, Triple Shit! Now, she's mad!

Nico: WHOA!

Lincoln: Angering one of The Keyblade Knights of The Planets is literally the worst thing that anyone could do, and it always ends with them dying horribly.

Then, as the vortex faded, Yulia Uranus emerged, but she was changed forever.

Yulia Uranus grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large dark blue planets orbiting around her legs and fifteen smaller dark blue planets orbiting around her waist, she has the body of a goddess, she has spring green highlights in the bangs of her long dark blue hair and blue hairband with spring green phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a dark blue energy aura with stars, earth, crystals, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has the Astrological Symbol of Uranus emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with dark blue gems for eyes and holding the Star, Earth, and Eternity Kanjis in their claws, she also has a phoenix with dark blue gems for eyes and holding the Star, Earth, and Eternity Kanjis in its claws for the second pendant on the bottom of her dark blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and dark blue gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Yulia Uranus felt a sharp pain on her back, and then, her massive dark blue angel wings with purple tips on the large dark blue feathers grew much larger for her new body with a wingspan of 20'0" and medium sized dark blue angel wings with purple tips grew and sprouted out underneath her massive dark blue angel wings with a wingspan of 15'0" and small sized dark blue angel wings with purple tips grew and sprouted out underneath her medium sized dark blue angel wings with a wingspan of 10'0" and she now has eleven massive and long dark blue wolf tails with purple tips and purple markings, Yulia Uranus has on her Ring of the Phoenix with a large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by Yulia Uranus' Super Angel-Keyblade Knight-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Bruce Everton saw it, he barreled towards her like a mad bull to kill her, but Lincoln fired rainbow energy blasts that hit Bruce Everton in the face, and that pissed him off big time.

Alright, Tsuyu and Cricket, you're up.

Suddenly, the green eyes of Cricket and Tsuyu turned neon green, and they were surrounded by colored energy auras with stars, water, crickets, frogs, phoenixes, and angels, they unholstered their greatswords, and as they approached Bruce Everton, they left colored energy, stars, water, crickets, frogs, phoenixes, and angels with every step.

Cricket: After everything we've heard from Nico, Qin, and the rest of their friends, I can't believe that a monster like you even exists.

Tsuyu: You're just like Bakugo before he completely changed his ways, you on the other hand, you're just an unrepentant piece of trash, and we're so going to make you pay, and I won't be surprised if we throw you to Cage and Travis who'll drain you dry of blood!

We were amazed by the transformations of Tsuyu and Cricket, and when Izuku saw Tsuyu, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, and then, he fired a blast of green lightning that hit Bruce Everton who was about to charge at them and he got electrocuted and it pissed him off.

Cage Blunt: Well, we are pretty hungry today.

Travis Tackett: Make sure he's beaten up badly.

Bruce Everton: SCREW YOU, BITCHES!

Bruce Everton took out a Super Serum and injected it into his body, and he groaned in pain, and then, he grew to 9'10" with really massive upper and lower body muscles and ten-pack abs and the muscle growth shredded the top of his jumpsuit and his pants were left tattered and he let out a loud bellow and he beat his chest like a gorilla!

Cage Blunt: Now, that's not playing fair.

Travis Tackett: Big time, that big gorilla!

Now, then, let's end this bastard once and for all.

Lincoln, Yulia Uranus, Tsuyu, Cricket, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Bruce Everton, and we fired extremely powerful blasts of rainbow energy, dark blue energy, dark green energy, green energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Mythological Animals at Bruce Everton and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Yulia Uranus, Tsuyu, Cricket, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Bruce Everton even angrier than ever.

Bruce Everton: (ROARS AND POUNDS HIS CHEST LIKE A GORILLA)

Bruce Everton charged at us, but Lincoln fired shackles that bound Bruce Everton's wrists and ankles so he couldn't escape.

Lincoln: (Divine Echoing Beastly Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal

Cage Blunt and Travis Tackett pounced on Bruce Everton, and they sank their fangs into both sides of his neck, and they began sucking out every last drop of blood from his body, and at the same time, they also began sucking out his newly gained massive muscle mass, virility, testosterone, and newly gained massive physical strength as he groaned in pain as he began shrinking in muscle and height, and all of his newly gained massive muscle mass, virility, testosterone, and newly gained massive physical strength was being pumped into the two vampire cats as their abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on their bodies, and their massive black angel wings and medium sized black angel wings and small sized black angel wings with blood red tips spread out and their halos glowed and they began growing even more stronger.

When they were done, Bruce Everton was left as a withered and desiccated corpse completely drained of blood and muscle, and they sent him to The Black Abyss. Everyone cheered as we holstered our weapons and powered down and Yulia Uranus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen dark blue and spring green planets orbiting around her legs, fifteen smaller dark blue and spring green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive dark blue angel wings and medium sized dark blue angel wings and small sized dark blue angel wings underneath her massive dark blue angel wings are permanent, Tsuyu's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen dark green planets orbiting around her legs, fifteen smaller dark green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive dark green angel wings and medium sized dark green angel wings and small sized dark green angel wings underneath her massive dark green angel wings are permanent, and Cricket's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen pink and green planets orbiting around her legs, fifteen smaller pink and green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive pink angel wings and medium sized pink angel wings and small sized pink angel wings underneath her massive pink angel wings are permanent.

Cage Blunt: Oh man, now that's what I call a feast.

Travis Tackett: Man, that was really incredible.

Lincoln: Looks like I won't be the only one going after musclebound thugs like Bruce Everton.

Me: Nope, you're going to have some company.

Peace Salyers: Along with us coming along.

Leela Salyers: And with us cheering you two on along with Lincoln's harem, I think that'll give you two some extra motivation...along with this.

Leela Salyers went up to Travis Tackett and Peace Salyers went up to Cage Blunt, and right in front of us, they shared a deep kiss, but, then we saw Cage Blunt and Travis Tackett's bodies surrounded by darkness, and when they faded, Cage Blunt and Travis Tackett had on some newly updated outfits.

Cage Blunt: Heh, not bad.

Travis Tackett: Nice.

Nico: Really awesome.

Me: Stylish and any wise guy starts any trouble with them, they better look out.

Lincoln: You said a mouthful.

Nico: And that's the end of that.

Me: Good riddance. Holy shit! Nico, girls, I'm so sorry you had to endure all that!

Bart: I may be a prankster myself but those weren't pranks. Those were acts of bullying and torture.

Luan: Yeah they sure were! Those were torturous pranks like the ones I would have done on April Fools.

Me: No need to remind us of that Luan but yeah.

Nico: Yeah. But at least he's gone.

Me: I hope his parents disowned him in the end after you sent him to prison.

Nico: Oh they did don't worry.

Me: Oh that's a relief.

Rattata: Thank goodness.

Nico: Nice job Rattata!

Rattata: Thanks Nico. Got any beer?

Poromon: Here you go!

Rattata: Thanks.

He opened it and drank it.

Rattata: Ahh. Needed that to get the taste of blood out of my mouth. (BARNEY BELCH)

He and Poromon got drunk.

Poliwag (dressed as conductor): Sing the ABCs!

Rattata: (BURPING) ABCDEFG HIJKLMNOP QRSTUV WXYZ!

We laughed!

Neon: That is funny!

Poromon and Rattata: (BURPING) ABCDEFG HIJKLMNOP QRSTUV WXYZ!

WE LAUGHED HYSTERICALLY!

Barney Gumble: Welcome to the funny Mascot party! (BELCH)

We laughed!

Qin: (LAUGHS) Funny.

Horsea: (to Ellie) You never said what he did to you.

Ellie Singh: That's because I was too smart and fast to be hit by his pranks. I'm the only one that never got hit.

Me: Wow Ellie is amazing for that.

Nico: Yeah Ellie always was the smart and fast one to not get hit.

Camie: Nice.

Ben: Well, you ARE XLR8's Gene slammer

Ellie Singh: I wasn't always gene-slammed you know. I was just naturally born fast.

Qin: It's true.

Camie: But that is cool.

I snapped my fingers and got Rattata and Poromon back to normal.

Qin: There.

Brian: We never fought Herbert yesterday among the former Quahog citizens.

Nico: If we see him again, we'll only put him into a retirement home. He might be a pervert but he's not that bad. And he's too old to fight.

Me: He might still be after Chris though. But yeah he is WAY passed his prime for a fight.

Qin: Yeah no kidding.

Bakugo: What about that Negatron guy?

Nico: Oh, we got him a fishing job.

On a lake, north of the city, Negatron was taking people out fishing.

Negatron: This is much better than fighting in the war.

Fisherman: You said it Negatron.

Nico: Is there anyone else from Quahog we should watch out for?

Me: Well Joyce Kinney but she and Lois are friends now.

Nico: Okay she can be in the Redemption Squad.

Me: Good. Lets see who else? Jerome the Bartender.

Cleveand: As a fellow African American, I can say that Jerome is not among the stupid people of our former town.

Me: Okay so he must be in a bar somewhere in Gotham Royal York.

Nico: Yeah.

Me: Hmm. What about all of Connie's friends and lackeys that had a hand in bullying Meg?

Nico: Anyone of them who isn't repentant will be dealt with.

Me: Okay we'll have to keep our eyes on them just to be sure.

Qin: Yep. What about Bertram?

Nico: He's is getting the Black Abyss later on for his crimes.

Stewie: Good. I want to kill him.

Brian: WE'LL kill him, Stewie. We ARE a team after all

Stewie: Oh right sorry.

Me: Okay then. Lets see. Anyone else?

Nico: How about Darth Stewie?

Stewie: Oh, I like that one. He's going in the Masters of Evil!

Nico: Okay then.

Qin: That works.

Lola: Yeah.

Nico: We'll worry more about them down the line.

Me: Okay then.

Qin: Yeah.

Me: Okay. By the way Nico I was thinking about Princess Amore and her archenemy. The Skeksis should all be in the M.O.E. Not just SkekSil the Chamberlain should be there but all of the Skeksis too.

Tanya Thra: I heard about how SkekSil is in the M.O.E. But you do raise a good point J.D. They should be with the M.O.E. to make sure they never harm the Crystal of Truth or Thra again.

Me: Yeah.

Nico: I see now harm in that.

Me: Yeah.

Nico: Yep.

Laney: We'll find archenemies for them.

Camie: Yeah.

Me: Lets worry about that later. Right now we got the next part of our rescue to complete. The Anothers.

Nico: Yep.

Eli: (Concentrates) Whoa we got Another Ghost of Juan Carlos, Talon (Skannerz), Despair Tsumugi Shirogane, Fergus Frog, Pahrak-Kal and Tsubotoguro.

Me: Whoa! So Sailor Uranus, Yulia Uranus, Kamie Halinora, Miranda Halinora, Olivia Huntington and Nikolette Furya are up.

Nico: Yep.

Eli: WHOA! I sense an enormous power! The Anothers minus ghost of Juan Carlos are 7 people!

Nico: Don't forget Another Thetis

Me: Right.

Eli: Sorry.

Nico: There they are!

We saw Another Talon (Skannerz), Despair Tsumugi Shirogane, Fergus Frog, Pahrak-Kal and Tsubotoguro!

Me: WHOA!

Qin: This is gonna be good.

Lola: Yep.

Another Talon: (In a girls voice) One fit for hell.

Me: (GASP) It is them!

They merged and split into 7 and it was 7 girls in black and they had purple eyes and black angel wings.

Me: (GASP) Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba.

Nico: WHOA! The 7 Princesses of Hell! I thought you girls were only a legend.

Maia Lucifer: We are 100% real Nico.

Taygete Lilith: Indeed.

Celaeno Beelze: We sure are.

Nico: Can you tell us more about them J.D.?

Me: Sure. These girls are the very embodiments of the Seven Deadly Sins and the gene-slammers of Lucemon Falldown Mode, Daemon, Lilithmon, Beelzemon Blast Mode, Leviamon, Belphemon and Barbamon. These girls are a force to be reckoned with and they are not to be messed with because they are the very princesses of Hell themselves and are the very embodiments of the punishments of hell themselves. They were thought to be legends themselves. But they are quite real. They are also very good friends of mine and a very strong and powerful force to be feared.

EVERYONE GASPED!

Qin: That is amazing that you know 7 legendary girls.

Me: Yeah. By the way girls are the Another Ghost of Juan Carlos and Thetis friendly or hostile?

Alcyone Levia: Friendly and they are amazingly strong.

Qin: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: (Turns Dial) Now for this. SATURN FURY 6!

She summoned Swamp Witch, Squeem, Lizzie Borden, Despair K1B0, Oscar Otter and Pedro Pupa.

Qin: Cool!

Nico: And now we wait.

But then..

KRASPLASH!

Nico, Qin and May got splashed by water!

Nico: HEY!

May: (COUGHS) (Spits)

Qin: I needed to wash the cheese off.

Nico: OKAY WHO'S THE WISEASS!?

Maria: It wasn't me!

Me: I think it was from them!

We saw Another Ghost of Juan Carlos and Thetis!

Me: Whoa!

Maria: This will be interesting.

Another Ghost of Juan Carlos: (In a girls voice) It sure will be.

Me: (GASP) That voice!

She reverted back and was a girl with brown hair, brown clothes, brown eyes, red angel wings and had a tiara with the symbol of Therizinosaurus on her and on her skirt and had a powerful scythe in her hands.

Me: Talia Therizinosaurus!

Talia Therizinosaurus: (Puerto Rican Accent) Awesome to see J.D. amigo.

Me: You too. Talia is the Embodiment of the Therizinosaurus Dopant. And also she is the direct descendant of General Juan Carlos himself.

Ghost of Juan Carlos: So I have family here!

Talia Therizinosaurus: You sure do ancestor and it's awesome to finally meet you in person.

Ghost of Juan Carlos: You too.

Another Thetis: And awesome to meet one of my kind.

She reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings.

Thetis: Thalia!

Thalia: Awesome to meet you Thetis.

Thetis: Awesome to meet one of my people here.

Nico: One of your people survived?!

Shanan: Nico I resurrected her entire planet and brought it here to the Solar System.

Nico: Oh right.

Shanan: But it's awesome that you are here Thalia.

Thalia: Indeed and you have my eternal thanks for bringing our planet back.

Shanan: After what Queen Beryl did to it, it deserves to be brought back.

Nico: What did Queen Beryl do to Thetis' home planet?

Shanan: Froze it in ice.

Qin: Whoa.

Shanan: Undinians are Water Elementals and when water gets cold it freezes.

Camie: Oh.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

Zocks: Okay.

Kaito got a PatRanger sword, Zocks got a Kyuranger Sword and Chloe got a LupinRanger sword.

Thalia: Revenge on Queen Beryl.

Talia Therizinosaurus: No he didn't promise me anything. We hightailed it out of there before he said anything to me.

Me: So one wants revenge on Queen Beryl and the other doesn't.

Shanan: We can definitely fulfill that promise for Thalia. But you're going to have to get in line first. I called on killing her.

Thalia: Why?

Shanan: Because I killed her the first time. Long story.

Sougo: (gets out Patranger Ridewatch) You can have payback on Beryl

Geiz: (Gets out Kyuranger Ridewatch) We might even fight her today

Tsukuyomi: (gets out Lupinranger Ridewatch) She probably was brought back by the Anti Monitor

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Thalia: Okay then.

Me: And yeah I have a feeling she was brought back by him.

Qin: Yeah.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it!

We got it on.

Nico: (Gets out Ghost of Juan Carlos' Ridewatch) Feel the power of the Spanish!

May: (Gets out Despair Tsumugi Shirogane's ridewatch) Feel Despair.

Maria: (Gets out Pahrak-Kal's ridewatch) Taste this magnet.

Yulia Uranus: (Gets out Talon (Skannerz) Ridewatch) This bird is deadly.

They used the powers of Ghost of Juan Carlos, Talon (Skannerz), Despair Tsumugi Shirogane, Fergus Frog, Pahrak-Kal and Tsubotoguro and blasted the Anothers all over

Then Phantom of Milo Booth, Hagatha (Skannerz), Road Fire, Stanley Stork, Nuhvok-Kal and Scavenger came.

Nico: Nice team Phantom!

Phantom of Milo Booth: Thanks Nico.

Sailor Neptune: My team is up next

Me: It sure is Michelle!

Qin: Yeah!

?: This will be fun!

BlueMeramon came!

Me: Whoa BlueMeramon!

Xenia: Awesome!

Nico: I know this BlueMeramon.

?: He's with me.

SkullMeramon came!

Me: SkullMeramon!

Mizore: But it's not my turn yet.

SkullMeramon: (In a girls voice) (Turkmen Accent) This is gonna be awesome.

Nico: Mahri Mera! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings, had a new crest in the middle of her forehead, had SkullMeramon on her shirt and skirt and had the Turkmenistan Emblem on her arm and had a Blue Frontier Digivice on her hip and had a blue fire sword in her hand.

Mahri Mera: Good to see you again Nico.

BlueMeramon: Been a long time.

Nico: It sure has.

Mahri Mera: We got this. (ECHOING) METAL FIREBALL!

She fired a blast of blue hot fire from her hand.

BlueMeramon: (Echoing) ICE PHANTOM!

He fired blue cold fire and the blasts hit the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Qin: That was fun!

Me: Yeah. Wow Mahri you're Turkmenistan's Digidestined. I can tell you're from there because of the Emblem of Turkmenistan on your arm.

Mahri Mera: That's right. Me and Nico met during when Digimon were appearing around the world and we were battling 6 JungleMojyamon attacking Ashgabat.

Me: So they were running around in the Capital City of Turkmenistan. That is crazy.

Mahri Mera: It was.

Nico: We actually have a SkullMeramon in the Masters of Evil.

Mahri Mera: That is amazing Nico.

Nico: Yep.

Mizore: He's my archenemy. And it's awesome.

Me: Yep.

Yulia Uranus: Do you have a favorite memory of Nico?

Mahri Mera: I sure do. When me and Nico were battling 4 Ogremon that appeared in the deserts outside of Ashgabat and it was fun.

Me: Wow that is cool.

Nico: Yep.

Nico and Mahri hugged.

Nico: I've missed you Mahri.

Mahri Mera: Same here Nico.

We later went back home.

Lincoln: Ah, we're here in Hawaii, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're taking down the next of The TALON Agents, Mauga, and sending him to The M.O.E.

Caleb Maxwell: According to the intel on him, he's a charismatic and cunning Samoan warrior, Mauga thrives in the chaos of the battlefield and lives every day like it's his last, and wherever Mauga goes, he knows how to have a good time, and experience has taught him to treat every day like it's his last.

Me: Whoa.

Nico: A warrior like him will definitely fit in with The M.O.E., and I've got the perfect archenemy for him: Maui.

Moana: That's awesome!

Lincoln: Really awesome.

Caleb Maxwell: But, we got to watch it with him, his height and strong body are more than just for show, he uses his size and strength to his advantage, and it's been augmented by a cybernetic heart after his surgery, along with his incendiary guns.

Sailor Uranus: So, we're just going to take him down, but he'll fight like it's his last day.

Lincoln: That's right, Amara, but we'll give him a fight he'll remember.

Suddenly, we saw a girl with orange hair, red eyes, orange angel wings, the symbol of The Hidden Fire Village on her forehead and skirt, red and orange clothes, she has a phoenix sword in her right hand, and with her are the eleven girls.

Lincoln: (GASPS) Selene Houou Higeru, Embodiment and Avatar of The Hidden Fire Village and Phoenix God Queen of Higeru.

Selene Houou Higeru: That's right, and I got the eleven girls away, but Mauga is heading here right now, and he's ready for a fight.

?: You got that right, hope you're ready, Team Loud Phoenix Storm.

Suddenly, we saw a tall and really muscular Samoan warrior with Samoan tattoos on his shoulders and chest and cyber implants on his chest and incendiary guns in his left and right hands: it was Mauga.

Tracer: (British Accent) I knew we'd run into you here, Mauga.

Mauga: You guessed it, now then, let's get this party started.

Then, Lincoln fired a rainbow energy blast that knocked down Mauga, and he got back up.

Mauga: (LAUGHS) Now, that's what I'm talking about, you guys sure know how to fight and put on a great show. Alright, then, I'll be joining The Masters of Evil.

Mauga was beamed to The Masters of Evil, we cheered as we holstered our weapons and powered down.

Nico: He was everything the intel Caleb had on him, and he knew how to fight like a true warrior.

Lincoln: He's going to fit in quite well in The Masters of Evil. (To Selene Houou Higeru) And it's so good to see you again, Selene.

Selene Houou Higeru: You too, Lincoln, it's been seven years since we last met.

Suddenly, Selene Houou Higeru had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Selene Houou Higeru was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Selene Houou Higeru: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Selene Houou Higeru and hugged her, and Selene Houou Higeru us very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also

met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Houou Higeru: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Naruto: And so do we, this is Selene Houou Higeru, Embodiment and Avatar of The Hidden Fire Village and Phoenix God Queen of Higeru, she's Lincoln's Guardian Angel from The Hidden Fire Village, she's a powerful shinobi and master of the powers of the Jutsu, and here's an added bonus: she's The Phoenix God Queen of Higeru, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a very close and powerful friend of me and the Uzumaki Clan as well as Honou Moeru and a powerful force of fire and good and she is a powerful and deadly master of fire. She is also one of Ino and Sakura's best friends. She's a member of The Gods of The Shinobi Villages, and she met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf, but he's also a good friend to me, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Fire Style Jutsu and techniques. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and I arranged a date for Lincoln and Selene to go to a Japanese Restaurant, and they both enjoyed their date, and Selene detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln again and destroy The Hidden Fire Village, but that ended badly with Selene, Lincoln, and me and my harem beating him up and Selene tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Nico: What the?! Honestly, Killjoy Huggins is the absolute scum of the earth!

Lincoln: Yep, absolute scum who hated me and wanted me to die, when we do go after him on my big day mission in the future, he, Dark Chase Young, the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan, The Stankcos, Hawk and Hank are going to regret coming back from the dead, and now that you're here, Selene.

Lincoln leaned his head down the right side of Selene Houou Higeru's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Selene Houou Higeru: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Selene Houou Higeru with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklaces of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Houou Higeru: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Houou Higeru.

Selene Houou Higeru had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Selene Houou Higeru's waist, and he leaned down to her face and kissed her on the lips, and with Selene Houou Higeru's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Selene Houou Higeru had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Selene Houou Higeru: (In Heaven) My God. (Shakes her head) Oh, and Lincoln, the next group of girls are really voluptuous.

Me: Code: Voluptuous. See you back at the estate, Lincoln.

The rest of us went back home, and Lincoln, Nicole, and his harem walked up to the eleven girls, and when Lincoln saw them, he recognized them and he had a nose bleed. The eleven girls are Mai Aoe, Yasha Kijou, Sarii Senga, Akane Shirakomachi, and Miime Favnir from Mama x Holic ~Miwaku no Mama to Ama Ama Kankei~ and Kaori Asakura, Megumi Harukawa, Misa Ozawa, Nao Satou, Saki Hoshino, and Satsuki Sayama from Ikkyuu Nyuukon.

Lincoln: Oh whoa, it's Mai Aoe, Yasha Kijou, Sarii Senga, Akane Shirakomachi, and Miime Favnir from Mama x Holic ~Miwaku no Mama to Ama Ama Kankei~ and Kaori Asakura, Megumi Harukawa, Misa Ozawa, Nao Satou, Saki Hoshino, and Satsuki Sayama from Ikkyuu Nyuukon.

Nicole: So, those were the girls Selene rescued,, and she's right, they're beautiful and voluptuous.

Lincoln: (Beastly Voice) And your Dad made the choice for him and the rest of the group to head back home. Are you girls okay?

Mai Aoe: Yes, we're okay, thanks to you.

Mai Aoe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mai Aoe: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mai Aoe, Yasha Kijou, Sarii Senga, Akane Shirakomachi, Miime Favnir, Kaori Asakura, Megumi Harukawa, Misa Ozawa, Nao Satou, Saki Hoshino, and Satsuki Sayama with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was Mauga.

But, when Lincoln showed what we all did in beating him down and Lincoln knocking him down with a rainbow energy blast and he got up and was really impressed by how we fought and left to join The Masters of Evil, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Selene Houou Higeru have a lot of catching up to do, now that she's back in town.

Maria: So, that's the story from what we heard from J.D. and the others. But, man, Mauga is really going to fit right in with The Masters of Evil.

Lincoln: And as Maui's archenemy, this is going to be quite an interesting fight.

Nico: You got that right.

Me: Caleb's intel gathering is just like Ed Cowart's in every way.

Ed Cowart: I was just about to say.

Caleb Maxwell: Spend enough time with The NYPD Nightshift, and you wind up acquiring some new skills.

Jazz Jackson: Which happens to be more different than you going after villains whenever they come out and blow their brains out.

Cuffs Lane: Jazz is right, when you started out after your transformation, you were driven only by your thirst for revenge on your Dad and Drake and all members of The Syndicate, but over time, you began acquiring skills like intel gathering and knowing when to hunt down your targets.

Casey Antonio: And Cage and Jack have been keeping an eye out in case someone pissed you off.

Buffy Blain: And the main person who did that was your brother whenever he went on his rampages.

Roxy Drake: True, that moron always found a way to piss you off.

Cage Blunt: Even Travis, Leela, Peace, Cronus, and I had to stop you from doing something crazy.

Nico: Driven by revenge after your return from the dead, that reminded us of...

Crow: Of me.

Lincoln: In a way, you and Caleb are connected, Eric, but for you, you were brought back by The Crow, Caleb was brought back by me.

Me: That's just what we were about to point out.

Nico: Two vigilantes of darkness brought back from the dead in search of vengeance against those who killed them, and that also includes those associated with their killers. Just seeing them would send chills down the spines of their killers.

After Lincoln and all of us beat down Mauga and sent him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Houou Higeru saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Selene Houou Higeru: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Selene Houou Higeru: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Selene Houou Higeru: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw what it was that triggered the alarm: it was Sigma and Ramattra, the TALON Agents.

Lincoln: Sigma and Ramattra, we're not supposed to go after them until tomorrow and the following day.

Caleb Maxwell: Looks like they decided to come after us a little earlier than expected.

Nico: Caleb, you go out there and blow them down and send them to Vypra with power dampening collars on their necks.

Caleb Maxwell went out of The World Tree Estate and confronted Sigma and Ramattra.

Caleb Maxwell: You've got some nerve coming after us.

Sigma: You're going to pay for what you did to the TALON Organization.

Caleb Maxwell: Go to Hell, you two.

Caleb Maxwell readies his Caleb Maxwell's True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Twin Pistols of True Cosmic Eternal Harmony Demonic Darkness Firestorm Almighty Thanatos True Immortal Phoenix God Angel Justice, and he fired bullets, black and blood red energy blasts, darkness, dark magic, black magic, Satanic Magic, demons, skulls, phoenixes, and angels at Sigma and Ramattra and knocked them down, and he put power dampening collars on them and sent them to The M.O.E. Prison, and he came back inside.

Nico: Nice one.

Me: Now, we got the honorable TALON members in The Masters of Evil.

Lincoln: Now, we can go after the dishonorable TALON members and send them to The Black Abyss for good.

Caleb Maxwell: Right. But, I can't help but get the feeling someone sent Sigma and Ramattra early, knowing we'll have them captured and sent to The M.O.E. Prison, so that way, we can go after the dishonorable TALON members tomorrow and send them to The Black Abyss.

Unknown to us, The Big Claw Gang were watching from the roof of a nearby building.

Sally Gamble: Boss, Sigma and Ramattra have been taken down.

?: Perfect.

In a far away building, inside watching everything was the crime lord and leader of The Big Claw Gang, Claw Dane Drake.

Claw Dane Drake: Everything is going to plan, everyone. Vypra's already made us all aware of what happened, and if we play things right, we'll be in The Masters of Evil. But, knowing Caleb Maxwell, he'll no doubt figure out something up.

Panther: But, from what Allie said, she's going to give us a chance at a new life.

Claw Dane Drake: I expected this from her, and she'll no doubt fulfill that promise of hers, and when Caleb does come after me, he must not be hindered by any of the men, he needs to hear the truth about his father's true intentions for him.

Carla Claw: Understood.

The Big Claw Gang then left back to their hideout, but we can't help but get the feeling that in the next couple of days, things are going to be interesting.

We got a shower, and then, Lincoln, Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) are heading to Lake Lamode.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) are dressed in two-piece colored bikinis

The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, and just like Girl Jordan, Elizabeth Afton and Nicole Antonelli, Amelia Schneider is also one of Lincoln's childhood friends.

Amelia Schneider: Whoa, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Amelia, and it's perfect for our first date, shall we?

Lincoln, Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they into an area inside a dome, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Amelia Schneider: (Swooning) My God, Lincoln's really grown that much from the little boy I knew from long ago into a man. So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) and they hugged the girls in their abnormally massive and powerful muscular arms and Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large dark blue halo and four large orbiting dark blue rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) are in your harem, Linky.

Amelia Schneider, Meg Griffin, Mabui, Natsuhi, Ameno, Princess Shizuka, Tokiwa, Hotaru, Guren, and Universe 666 Nico (Dead or Alive) showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Amelia Schneider: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Bowser's Kingdom for round 2.

Me: Cool! You know I'll go with this one.

Bertrand: And me and Morpheus too.

Nico: Okay then. Lets go.

We went into the Simulator and it activated and we were at Bowser's Kingdom.

Me: Here we are for round 2.

Nico: I wonder who we're facing this time

Nicole: This time you're facing all of the Broodals individually.

Nico: Whoa! So 4 on 4 battle.

Me: Made the right call going with in this one.

Nico: Yep.

Morpheus: Shouldn't keep them waiting then.

Nico: Nope.

We were off.

We flew and got to the main courtyard and we saw ALL FOUR BROODALS!

Topper: Well howdy!

Hariet: That was some battle y'all put us through

Spewart: But we did not appreciate that blastin y'all did to us.

Me: Well you wanted a good fight. So we gave you one. Time for some action. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS!)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH! I'll face Topper.

Bertrand: I'll face Hariet.

Me: I got Spewart.

Morpheus: And I'll face Rango

Nico: Heck, I'm thinking we can replay levels for this

Me: Always up for some fun in that.

Nico: Yep. Lets get it on!

Me: RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

I went at Spewart and I kicked him in his face and he fired toxic slime at me and I deflected it and hit him all over.

Nico charged at Topper and he threw his hats and Nico jumped on them and kicked him in his face.

Bertrand fired waves of red fire and blasted Hariet all over.

Morpheus jumped and fired blue fire blasts and blasted down Rango.

Me: YEAH!

?: (ECHOING) HEAVEN'S THUNDER!

LIGHTNING DRAGONS STRUCK DOWN AND PINNED THE BROODALS!

Then out came Susannomon! And a girl with blue hair, blue eyes, blue clothes, blue angel wings and a tiara with Pump Man's symbol on it.

Piña Colada Pump: Pina Colada Pump, Embodiment of Pump Man is here.

Pohatu: Wow! Pina! Awesome!

Onewa: Great to see you again.

Piña Colada Pump: Awesome to here your voices Pohatu and Onewa. Been a while.

Susannomon: (In a girls voice) Been a while Nico.

Nico: Sena Susanno!? Wow!

Me: Wait you mean the Avatar of Susanno, the God of Storms in Japanese myth? That is amazing!

Susannomon: That's right J.D. and it's an honor to meet you.

Me: Same here. You're probably one of the first Super Ultimate Digimon gene-slammers we met so far.

Nico: (gets out Ghost of Juan Carlos and Swamp Witch's Ridewatches) Time for magical Spanish Power!

Nico activated them and fired waves of energy and magic and smashed the Broodals.

I fired waves of blue fire,

Morpheus did so too.

Bertrand fired red fire.

Piña fired waves of water and they blasted them down.

Sena reverted back and was a girl with blue hair, blue eyes, purple and red clothes and had blue lightning wings and had Susanoomon in the middle of her forehead and had a nasty lightning bolt shaped scar over her right eye. Luckily her eye was not cut. She also had Susanoomon on her skirt. She had the Spirit Kanjis of all the spirits on her arm. And had Susanoo's sword in her hand.

Sena Susanoo: Time for the storm to strike! (ECHOING) CELESTIAL BLADE!

She formed a lightning blade and slashed the Broodals and sent them flying.

Me: YEAH!

We got 30 red moons.

We all then high five!

Nico: That was awesome!

Me: Yeah!

Nico: How did you meet Onewa and Pohatu?

Piña Colada Pump: I'm sure you've heard this story a bunch of times. But I met them when I helped them with battling the Bohrok. They put up quite a battle.

Me: Oh yeah that was awesome.

Piña Colada Pump: Yeah.

Me: Yep. Whoa Sena that is a nasty scar. How did that happen?

Sena Susanoo: Oh I got this when I was fighting one of Nico's enemies. She had a knife and she cut me and gave me this scar.

Me: Ooh ouch! That is a nasty way for her to leave her mark on you.

Sena Susanoo: I know.

Me: Do you have a favorite memory of Nico?

Sena Susanoo: I sure do. And it's where we met the Ryuki Kamen Rider Team and helped them beat their enemy Kamen Rider Wrath.

WE GASPED!

Me: The Kamen Rider Ryuki team? That's the Japanese version of the Dragon Knight Riders. You heard about what happened to them right?

Sena Susanoo: Yeah I sure did. That was awful. I heard they are disbanded.

Me: Yeah. We met Shinji a while back and it was awful he went through all that.

Nico: Yeah.

Me: But the Ryuki team will join us soon.

Sena Susanoo: It'll be awesome to see them again.

Me: Yep.

Nico: Yeah.

Nico and Sena hugged.

Nico: I've missed you.

Sena Susanoo: Same here.

Me: Would you two like to join us?

Piña Colada Pump: We would be honored

We left the simulator and everyone cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and

chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

I was drinking a non-alcoholic Piña Colada. It was in a coconut.

Me: (Slurping) Mmm! Ahh. This is delicious Piña.

Piña Colada Pump: Yep. Piña Colada's are my specialty. Including the non-alcoholic versions.

Me: It's refreshing.

The mascots were playing a game.

Sailor Moon: What are you guys doing now?

Poromon: We're playing Pictionary.

Me: Cool! I haven't played that in forever.

Nico: Me neither.

Sakura Knudson: I love Pictionary. It's so fun.

Qin: It sure is.

Ed drew a car with tentacles on it.

Sailor Earth: Ed, did you just draw a car with tentacles?!

Ed: Yep!

Eddy: (LAUGHS) That is definitely something you would draw Lumpy.

Ed: (LAUGHS) Yep.

Ed drew another and it was a picture of Rolf with a mutant creature behind him.

Me: Is that a picture of Rolf?

Ed: Yep!

Me: And what is that creature behind him?

Ed: Rolf's head is about to be crunched by a 4 legged mutant bus driver!

Me: That's funny! (Slurps) Ahh.

Eddy: (LAUGHS) Lumpy drew a picture like that during one of my scams.

Patrick: Poromon, guess what this is!

He drew a picture of Officer X

Poromon: Is that Officer X?

Patrick: It sure is!

Me: Patrick why would you draw him?

Patrick: I don't know. Just thought it was funny.

Me: May I do one?

Nico: Sure.

Poromon: Go for it.

I went and drew a picture of a HUGE STARFISH DESTROYING THE CITY!

Me: Care to guess what this is Nico?

Nico: Starro?

Me: Nope. I'll give you a hint. He's Patrick and he turned into this...

Nico: The Tortured One!

Me: Bingo!

Nico: That was a good drawing.

Me: Thanks.

I erased it.

Poromon: Let me try one!

He drew a REALLY Funny picture.

It looked like someone farting.

Poromon: Okay take a guess.

Lola: Hmm.

Lana: I know! Someone farting in someones face?

Poromon: Yep!

Ed drew a brick wall with a mouth.

Me: A Talking brick wall?

Nico: Really?

Ed: Yep!

Me: That's funny.

Nico did one.

He drew a picture of a cat getting his tail burned in a waffle iron and he was screaming loudly.

Eli: Hey I know that! Tom getting his tail burned in a waffle iron.

Me: That was one of my favorites. So funny.

Camie: Yeah.

Patrick: Manaphy, guess what this is!

Patrick drew a picture of the Phantom.

Manaphy: The Phantom?

Patrick: That's right!

Manaphy: Okay. My turn to draw a picture!

Manaphy drew a picture of May and it was her giving Paul a REALLY NASTY BODY CLEAVING WEDGIE!

Me: WHOA! BRUTAL!

Manaphy: Care to guess mama?

May: Looks like me giving Paul a wedgie that cleaves him in two.

Manaphy: That's right!

Ed drew a picture of a bunny with a chainsaw

Ed: Guess what this is?

Me: Looks like a bunny with a chain saw.

Nico: Yeah.

Ed: Yep.

Me: I got one.

I drew a picture of the mascots showing the trailer to Ricky Beamer.

Me: Guess this one.

Horsea: Us showing Ricky Beamer the trailer!

Me: Bingo!

Poromon: LOOK AT IT!

Nico: (LAUGHS) YEAH!

Patrick: Poliwag, guess what this is!

Patrick drew a picture of Fifi

Me: Fifi the Vampire Poodle?

Patrick: Wrong Fifi!

Me: Open Season Fifi.

Patrick: Correct!

Me: I had a feeling.

Nico: Yeah.

Ed drew a flower breathing fire

Me: Is that a flower breathing fire?

Ed: Yep!

Me: Funny.

Lily: I got one.

Lily went and drew a picture of a certain squid we know and he is bashing and pulverizing a certain sponge and starfish we love.

Lily: How about this?

Squidward: (sighs) That's me back during my bad moments

Lily: Yeah that's right Squidward.

Squidward: Thank goodness I'm not like that anymore.

Nico: That was fun though.

Lincoln: I got one last one.

Lincoln went and drew a picture of him and 11 others standing victoriously over a pile of dead bodies and they all had their blood and guts splattered all over. The bodies were all those of people we all hate and loathe.

Lincoln: How about this?

Nico: I actually can't recognize the bodies. Too many to identify

The Previous Group came.

Fixer: I know that picture. That's Lincoln and his sisters standing over all the countless enemies you guys have killed over the course of 7 years.

Lincoln: That's right!

Me: Wow! I don't even know how many people we killed!

Robo Roxy: Too many to count.

Poliwag: I'll draw the next one!

Me: Okay.

Fixer: You guys playing Pictionary?

Me: Yep we sure are.

Sakura Knudson: We haven't played this in like forever.

Robo Roxy: I love this game.

Lola: Yep.

Poliwag then drew a picture of an Alicorn with a dumb face.

Me: Looks like the Prime universe version of Opaline with a stupid look.

Poliwag: That's right!

Me: Nice.

Patrick: Horsea, guess what this is!

Patrick drew a picture of Shaw.

Horsea: It's Shaw. Patrick if you're trying to scare me it's not going to work.

Patrick: Darn.

Me: Nice try though.

Patrick: I drew them because Ed took all the good pictures!

Me: Oh.

Ed: I'm the ice cream man.

Eddy: Shut up Ed.

Lola: Funny.

Me: Here's a funny one.

I drew a picture of a cat smashing head first into a sink full of dishes.

Fixer: Oh I know that one! That's Tom crashing into a sink full of dishes.

Me: Yep! That was one of my favorites.

Thunderblast: Horsea, why don't you try your hand at a picture?

Horsea: Sure!

She then drew a picture of Cosmo and he was yelling at Wanda and farting in Timmy's face.

Me: Looks like Cosmo and Wanda having an argument and Cosmo is also farting in Timmy's face.

Timmy laughed at that.

Wanda then bashed Cosmo on the head with a frying pan.

BLANG!

G1 Wheelie: I got one last one!

He drew a picture of Poromon and Poliwag having a double wedding with Manaphy and Horsea

All of us: Awwww!

SO ADORABLE!

Nico: The double wedding of the mascots.

G1 Wheelie: That's right.

Me: That was so fun.

Boruto came in.

Boruto: Brought you lunch Uncle J.D.

Me: Oh thanks Bolt.

It was lunch from the new restaurant Lightning Burger.

Me: Lightning Burger?

Boruto: It's a burger restaurant that just opened up and all of their burgers are delicious.

Me: Cool! I didn't think the Leaf would start doing restaurants for burgers in 150,000 years.

I got out a burger and it had super spicy peppers and a skull and crossbones on the bun and covered in red pepper powder.

Me: Whoa. (Sniffs) Mmm smells good.

Nico: (COUGHS) That is spicy.

Boruto: It's their Super Hot N' Spicy burger. It's the hottest ever burger they have. It's so delicious.

Me: You've had a lot of these before Boruto?

Boruto: I sure did. And it blasted fire out of my friends mouths and hurt them. But not me. I love nuclear hot foods.

Me: You are truly an iron mouthed master kiddo.

Boruto: Yeah I take Sarada on dates there. It's fun.

Me: Awesome.

I got to eating and it was awesome. Then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

I bursted out into a massive explosion of fire and my fire aura was intensely strong and I was eating it.

Me: Mmm! (Eating) Delicious!

Nico: WOW! That is lethal!

I ate it and it was delicious. I was finished.

Me: Ahh! That was delicious.

Nico: WHOA! That is intensely spicy.

Eli: No kidding.

Fixer: Yeah but that is awesome.

Grave Clobber: Why do I get the feeling we'll fight Officer X, Phantom, Fifi, and Shaw at the same time in the future?

Me: I have that same feeling myself.

Nico: Yeah.

Lola: All the mascots enemies brought back by Anti-Moniter.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Queen Beryl, and just like Lincoln said, she was brought back from The Black Gates by Anti-Monitor, and she still wants revenge on us. When we saw it, we knew it meant big trouble.

Lincoln, Nico, me, and the Louds: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and we're not going to like who it was that's back: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, Queen Beryl, and just like I said, she was brought back from The Black Gates by Anti-Monitor, and she still wants revenge on us.

EVERYONE WAS ABSOLUTELY DISGUSTED!

May: ARE YOU FUCKING KIDDING ME!?

Qin: Un-freaking believable!

Shanan: So, that bitch has finally returned. Finally, now we can settle this once and for all. And avenge the Moon Kingdom.

Sailor Moon: After everything she's done, she's had this coming for years.

Princess Serenity: I agree with you, Serena.

?: Along with us.

Suddenly, we saw eight figures appear: they were Princess Mercury, Princess Venus, Princess Mars, Princess Jupiter, Princess Saturn, Princess Uranus, Princess Neptune, and Princess Pluto.

Shanan: (GASPS) Princess Mercury, Princess Venus, Princess Mars, Princess Jupiter, Princess Saturn, Princess Uranus, Princess Neptune, and Princess Pluto.

Princess Serenity: This is quite a surprise to see you all here.

Princess Saturn: Lincoln warned us all of Queen Beryl's return a few days earlier, and when she finally made her move, we had to come here at once.

Princess Mercury: We can't allow her to live any longer, she must be stopped.

Princess Mars: And this time, she will never ever return to hurt anyone else ever again.

Me and Shanan: Lincoln, you really are The Man With A Plan.

Nico: That he is. Alright, team, let's go, the time to finally destroy Queen Beryl has finally come, this time, we'll make sure that she never ever comes back!

Lincoln: It's time we settled what we began years ago, and this time, you're never coming back, Queen Beryl.

Me: Yeah. And the previous group came earlier.

Evil Green Ranger: Can me, Robo Roxy, Gentleman Ghost, Condiment King, Leonard, Mr. Mittens, Toiletnator, Sasuke the Android, Xiao Fung, and Gramma Stuffum go with you guys?

Nico: Yes you all can come with.

Shanan: Cool.

Qin: We're going to make that monster pay.

Camie: Big time.

Thetis: I agree there.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: MegaSeadramon next on that one.

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Havik, the Cleric of Chaosrealm, and he's come here to destroy us as revenge for what we did to Shao Kahn. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Havik, the Cleric of Chaosrealm, and he's come here to destroy us as revenge for what we did to Shao Kahn.

WE GASPED!

Raiden: It has been a long while since any of Shao Kahn's minions have attacked any of us, but now that Shao Kahn has returned, it looks as though his minions are on the move to get revenge.

Verena Bergamot: We will not allow Havik to have his way, Lord Raiden, we'll put an end to him once and for all.

Lincoln: We will, Verena, but we can't underestimate him.

Nico: As a being from Chaosrealm, he can survive anything we throw at him, so it'll require more extreme measure. Alright, team, let's go, we're off to Japan to destroy Queen Beryl once and for all!

Lincoln: You've lived for far too long, Queen Beryl, this is where your life ends here and now, and once we get done with you, you're next, Havik.

Verena Bergamot: Everything you've done to further your agenda for ultimate chaos, you will never be forgiven, Havik. We'll make sure you pay for all of your crimes after we get done with Queen Beryl.

Me: And the best place to face her is in Japan. But when we do we'll face her on planet Dilgan.

Qin: Yep.

Nico: Good idea.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to finally destroy Queen Beryl once and for all and make that monster pay for her crimes, and once we get done with her for good, Lincoln and Verena Bergamot along with me and Nico are going to destroy Havik.

We were off.

* * *

We arrived.

Me: We're here.

Camie: Awesome.

Robo Roxy: Lets call Ice Demon for this.

Me: Good idea.

Ice Demon came.

Ice Demon: I'm here guys.

Nico: Cool.

Bruiser Crusier: What should we do before looking for Beryl?

Me: Hmm..

We got to thinking.

The clock was ticking.

A metronome was ticking.

[SpongeBob and Patrick suddenly start staring at the metronome as though they are in a trance. They start swaying to the rhythm]

SpongeBob and Patrick: Tick, tick, tick, tick, tick, tick, tick, tick, tick, tick, tick, tick, tick...

Horsea: Lets eat somewhere.

LOUD FART!

Me: Oops sorry.

LOUD FART!

I farted and fired blasted out of my butt and burned the mascots.

Horsea: OW!

Nico: Oops.

Me: Sorry! (Blushes in embarrassment)

Nico: No worries.

Me: (Groans) That burger is ravaging me. I hope it doesn't turn into the time Peter got explosive diarrhea.

CUTAWAY

It cuts to Peter Griffin's house.

LOUD DEEP FART!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted through the house windows.

Peter Griffin: Brown House.

CUTAWAY ENDS

Leonard: I think I see a good restaurant over there.

We saw a Ramen restaurant.

Me: That works.

We went and got bowls of ramen and they were good.

Me: (Slurps) Mmm! Delicious.

Toxica: How's the ramen, Naruto?

Naruto: Delicious.

Boruto: I actually like burgers and dad likes Ramen. We both have our tastes.

Me: That's okay Boruto. Your dad likes his food and you like yours. But boy that burger was delicious.

Sarada: All the burgers at Lightning Burger are awesome. There's a Super Sour Burger. You should see the number of Lemon Slices they put on it.

Me: Wow that must be a really sour one.

Nico: No shit.

Toiletnator: I think there's a toilet joke I should make right now regarding this

Me: Really? What is it?

Toiletnator: Why did the turd never get anything done?

Me: I don't know. Why?

I drank some milk.

Toiletnator: Because he was pooped.

I SQUIRTED MILK OUT MY NOSE AND SPLATTERED ALL OVER NICO!

WE LAUGHED HYSTERICALLY!

Me: (LAUGHS) That was a good one!

Ashi: You okay Nico?

Nico: (LAUGHS) Yeah. J.D. that was funny.

Luan: (LAUGHS) That one Milks no sense! (LAUGHS) Get it?

WE LAUGHED MORE!

Eddy: (LAUGHS) Good one!

Eli: (LAUGHS) That was funny.

Me: I'm sorry guys. That was funny. Also I haven't squirted milk out of my nose like that in a long time.

Xiao Fung: Really?

Sakura Knudson: (LAUGHS) Yeah. I remember that! That was funny. Last time bro squirted milk out of his nose like that was when someone did a really funny joke about farts and it made him laugh so hard that he squirted his milk out of his nose all over a bunch of queen bee mean girls and they were inundated in milk.

Lola: That is funny.

Nico: I see.

Me: Yeah. Sorry.

Nico: No worries. What happened to those Queen Bee mean girls?

Sakura Knudson: They went at J.D. and I kicked their faces in and bashed them down. After that they yelled how they did all kinds of terrible things and the principal overheard that and she was beside herself. She expelled them and had them blacklisted from ever attending any school in the country.

Me: Yep.

Nico: Good riddance.

Me: Not even boarding schools would take them. And their parents were forbidden from homeschooling them. They had it coming.

Nico: I can see that.

Qin: Yeah.

Me: Yep.

Horsea was eating Ramen

Horsea: (Slurps) Yummy!

Me: Yep.

Camie: Awesome.

Poliwag was eating Ramen as well.

Poliwag: (Slurps) Delicious.

Qin: It sure is.

Varie: Yep.

Manaphy ate ramen too.

Manaphy: Ahh.

Qin: It sure is good.

Later we were full.

Me: Ahh.

Nico: That hit the spot!

Me: It sure did!

Camie: Boy it sure did. Wow.

Lola: That was awesome.

Horsea burped.

Horsea: Oh excuse me.

Nico: So awesome.

Me: Yep.

Lincoln then got a premonition.

Lincoln: Perfect timing. We got another Akuma here. Her name is Umiaquas - The Hypothetical Akuma of Thetis. She is essentially the Evolved version of Thetis who is now made of pure water and has enhanced water powers. She was made after Queen Beryl froze her planet Umi III and wants revenge on her for her crimes

WE GASPED!

Thetis: My Akuma? Whoa!

Me: What does she look like?

He pulled out his pad and showed a sketch of her and she was made entirely out of pure water with glowing blue eyes.

Grinnade beeped.

Me: Grinnade said it's fitting for her.

Thetis: I am a Water Elemental and it's perfect.

Me: Yeah.

Gramma Stuffum: We need to search every nearby body of water!

Me: We won't need to go that far. Right Eli?

Eli: Lets see. (Concentrates) Whoa! She's at the lake near the place where we battled Brightburn again.

Red Lantern Vice: We need to find her quickly before she hides in other bodies of water!

Nico: Lets go!

We paid for the food and we were off.

We were flying fast.

Fixer: Please tell me we're not too late!

Eli: We're here!

We arrived at the lake and waited.

But then..

MASSIVE SPLASH!

Out came UMIAQUAS!

WE GASPED!

Umiaquas: That was an entrance.

Shanan: Amazing! Thetis you look incredible made of pure water!

Umiaquas: I know.

Sailor Moon: Thetis, you still remember us, right?

Umiaquas: How can I not princess. I will always be grateful for having you all save me from myself. But Queen Beryl is the one I'm after.

Me: She froze your planet and who can blame you for wanting to make her pay for that.

Camie: Yeah.

Lola: She had it coming. And we promise she will pay for it times infinity.

Ice Demon: Thetis, you need to calm down now!

Umiaquas: Only after Queen Beryl dies!

Nico: Sorry about this then.

He fired an ice ray and froze her solid!

She broke out.

Umiaquas: Cute. Now it's my turn!

She fired water blasts and Katara used her waterbending and redirected the blasts back.

I used my quirk and formed an image of the Cocoon Nebula and then...

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Havik, or we will force you out.

A figure came out, and it was none other than Havik, the Cleric of Chaos and resident of Chaosrealm.

Nicole: Should've known you'd show up once again, Havik.

Verena Bergamot: But, this is where it all ends for you.

Suddenly, Verena Bergamot's red eyes turned neon red and she was surrounded by a crimson red energy aura with stars, fire, flames, red bergamot flowers, phoenixes, and angels, she unholstered her massive fire greatsword, and as she approached Havik, she left crimson red energy, stars, stars, fire, flames, red bergamot flowers, phoenixes, and angels with every step.

Verena Bergamot: You really make me sick to no end, Havik, you're just a monster who seeks to bring ultimate chaos to all realms, and on top of that, you're a loyal servant of Shao Kahn, you make me sick, and now, I will see to it that you die here and now.

Selena Arcangela: Uh oh, now things are really going to heat up.

Verena Bergamot, Lincoln, Nico, and I went after Havik, and we fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Verena Bergamot also did the same by firing crimson energy slashes from her massive greatsword and gold-plated dragon claws, and he, Verena Bergamot, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Havik even angrier than ever.

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Havik and he began absorbing him and he assimilated Havik's

Contortionism, Enhanced strength, Enhanced durability, Immortality, Intimidation, Enhanced fighting skills, and Unpredictability and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Havik except for his clothes and he was sent to The Black Abyss forever. Everyone cheered wildly for what Verena Bergamot, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Verena Bergamot's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large crimson red planets orbiting around her legs, fifteen smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, and massive crimson red angel wings and medium sized crimson red angel wings and small sized crimson red angel wings underneath her massive crimson red angel wings are permanent.

Verena Bergamot: It's all over, you chaotic monster, now your dreams of achieving ultimate chaos ends here. Thanks for helping me take down Havik, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Verena.

Me and Nico: Our pleasure, Verena.

Suddenly, Verena Bergamot wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Verena Bergamot's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Bergamot flying in the air, and we saw a herd of Buffalo and many animals running across the field and fire and wild bergamots and bergamot oranges and elemental forces behind them and we cheered wildly. Then, Lincoln and Verena Bergamot sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that monster and Lincoln absorbed him.

Me: And sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Fiona Shibuki Taki, Embodiment and Avatar of The Hidden Waterfall Village and Goddess of Water.

Naruto: I knew it was her next, and you guys are going to love her, Fiona Shibuki Taki is Lincoln's Guardian Angel from The Hidden Waterfall Village, she's a powerful shinobi and master of the powers of water, and here's an added bonus:

she's The Goddess of Water and a master of Aura Style Jutsu, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a close and dear friend of Fu the 7-Tails Jinchuriki and is a great power that makes even Kakuzu and the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Waterfall, but he's also a good friend to me, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Jutsu and techniques. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Fu arranged a date for Lincoln and Fiona to go to a Japanese Restaurant, and they both enjoyed their date, and Fiona detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln again and destroy The Hidden Waterfall Village, but that ended badly with Fiona, Lincoln, and Naruto and his harem beating him up and Fiona tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Nico: Again?! Honestly, that moron refused to stop trying to kill you, Lincoln.

Lincoln: Ugh, tell me about it. On my future mission, when we face him along with the rest of my old enemies, I'm going to make them pay with their lives.

Me: You said it, and we'll make sure those shitheads pay.

Shiva: And so ends the reign of Queen Beryl.

Billy Numerous: You said it!

Deker: Now we just have the other enemies of the Sailor Scouts to worry about.

Me: We'll be ready for them.

Mummy: Where should we celebrate?

Diabolico: How about at that restaurant you guys ate at earlier?

Nico: Good idea. Great job today everyone.

Shanan: (To the viewers) Sailor Moon's enemies beware because we're coming for them.

Me: Yep.

We went and ate at that restaurant and later went back home and enjoyed the rest of the day and went to sleep.

Keldeo: Morning Ruby.

Ruby: Oh morning Keldeo.

Keldeo: Time for breakfast.

Ruby Rose: I'll be right down.

She went and got dressed and went to the table.

We were having eggs and pancakes.

Nicole: You guys are gonna love this treasure hunt we're going on next.

Nico: We can't wait Nicole.

Laney: I love an awesome treasure hunt.

Camie: Me too.

Lola: Yeah!

Varie: It's always fun and cool.

Sailor Neptune: It sure is. And I'm really excited for this too.

Tsuyu: Me too. This will be fun!

Himiko: I agree.

Nico: Michelle, I want to thank you, Phantom of Milo Booth, and your teams for coming.

Sailor Neptune: No problem Nico. I'm really excited for this.

Me: We all are.

Qin: Yeah!

Nadia Neptune: We're ready to have a fun rescue and kick some butt.

Varie: Yeah!

Nico: Nadia, what do you like to do in your free time?

Nadia Neptune: I like to teach about the beauty and power of the planet Neptune at the Museum.

Me: That is cool!

Nadia Neptune: It sure is. And you guys know all about how Neptune has strong winds right?

Me: We sure do. Neptune has some of the fastest winds ever observed in the Solar System. The winds are going at 1,500 miles per hour.

Nico: WHOA! That is fast!

Qin: No kidding!

Lola: Yeah!

Me: Yep. The Voyager 2 Satellite saw these as it flew by Neptune in the 1980s.

Nico: Yep. That is amazing.

Lola: Yeah.

Juran: The winds there are that fast, huh?

Me: That's what they observed from Voyager 2 and it was amazing.

Twilight Sparkle: It sure is amazing.

Camie: Wow that is incredible.

Lola: Yep.

Lisa Loud: Indeed and it is a most amazing and magnificent scientific marvel.

Nico: It sure is. Michelle, Shanan you two must be really happy that Queen Beryl is gone.

Shanan: You bet we are!

Sailor Neptune: We sure are.

Me: That's one of Sailor Moon's Major enemies gone for good.

Nico: But I hope you two aren't mad that it was mainly Thetis' turn

Shanan: Not at all. We got our share of payback on Queen Beryl for all the lives she destroyed.

Sailor Neptune: We sure did.

Lola: That's good.

Maria: At least we avenged the Moon Kingdom and made Beryl a forgotten memory.

Me: And we learned that it was because of Beryl that Prince Endymion was made a heartless monster.

Nico: No shit! I hope he's not upset still about Naruto being Sailor Moon's Future husband.

Me: Nah. He's happy for Naruto and Sailor Moon being together.

Nico: Good.

Me: Yeah

Maria: That's good he's not jealous.

Me: Yeah. But he is gonna have a lot of catching up to do.

Nico: At least we know his jealousy was caused by Beryl.

Me: No kidding.

Lola: Yeah.

Shanan: He'll be perfect for the Redemption Squad.

Leeli: We still have that evil version of him in the M.O.E.

Me: Right! I forgot about that.

Camie: Me too.

Lola: Yeah.

Nico: But it'll be cool.

Me: Yep.

We were flying.

Nico: (laughs) How humiliating it was for her to be killed by a Scooby Doo monster!

Sakura Knudson: (LAUGHS) Yeah no kidding. Especially one that we know from back when we were younger.

Nico: I agree.

Me: Queen Beryl will never get the chance to live that down though. In the black abyss it's all emptiness and you are permanently erased from existence. Like you were never born at all.

Lola: Yep.

Lincoln: That is for sure.

Me: Yep.

Lincoln: You're forgetting that I discovered it first

Nico: Sorry.

Lincoln: No worries.

Me: Yep.

Nico: So Nicole what's our quarry?

Nicole: Well we're going to the Marshall Islands and our hunt is going to take us to find the Blue Grimoire of Taki. It's a powerful and amazing book that holds the powers of Aura Style Jutsu.

Fu: WOW! I've never heard of something like that when I lived in the Hidden Waterfall. Shibuki never mentioned this.

Nicole: Probably because the Elemental Nations are very oblivious to the fact that these books exist. They think they are just myths.

Nico: But we know better, don't we?

Nicole: Yep. Because I found maps leading to them.

Nico: Cool!

Nicole: But in all honesty I didn't know these even existed until I found maps leading to them.

Me: There's bound to be a story behind them. We'll find out more when we get there.

Nico: Yep.

Me: By the way Nico, Vypra sent us another freebie.

Nico: What do you mean?

I pulled out the gear for the Boonboomgers.

Nico: Whoa the Boonboomgers Gear.

Taro: Wow! They haven't started yet.

Me: Not for another couple of weeks but it's going to see how they work.

Nico: Yep. Can't wait to see what that one does.

Lola: Yeah.

We came to a wall of trees.

Nico: These trees are in the way.

I slashed them and cut them down.

We then saw the temple!

Me: There's the temple!

Nicole: At last!

We went into it.

Maria: NOW Watch for traps.

Me: Right.

We went in and it was amazing.

Me: Wow!

Fu: This is amazing. (Suddenly feels something) Whoa my chakra is skyrocketing! This temple is energizing me.

Eli: Wow I sense it Fu! This whole temple is full of a powerful energy that is affecting your chakra.

Me: It must only affect those from the Hidden Waterfall.

Fu: Even though I cut ties with that village it still is my home.

Me: Yeah.

Juran stepped on a tile.

Juran: Uh oh!

SPEARS WERE HURLED AT US!

Nico: HIT THE DECK!

We ducked and they stuck into the wall!

Nico: WHOA! Juran!

Juran: Sorry!

Gaon stepped on a tile!

Gaon: Uh oh!

We saw boulders swinging at us!

I punched them and smashed them into a million pieces!

Camie: NICE!

Nico: Whoa! Nice one!

Me: Careful guys!

Magine stepped on a tile.

Magine: Uh oh!

FIRE BLASTS CAME AT US!

We absorbed the fire and it made us stronger!

Me: WHOA!

Vroon stepped on a tile.

Vroon: Oh no!

A trap door opened under Vroon and he jumped out of the way before he fell.

Vroon: YIKES!

Qin: WHOA!

Nico: Okay, no one else step on anymore tiles!

Me: You don't have to tell me twice.

I floated.

Nico: Good.

Me: Look there.

We saw a mural.

Nico: A mural.

Qin: Wonder what it says.

Nico looked closely at the writing.

Nico: Wow it looks like the story of how the books of the Ninja Villages came into being.

Me: Lets see.

I read it.

Me: Whoa look at this. It says (Reading) "Eons ago after the mighty Sage of Six Paths defeated Kaguya Ōtsutsuki and the 10-Tails, he showed his power by putting his arts of techniques into books for many corresponding villages. The ninja techniques were put into these books and their powers are 100,000,000 times more powerful than normal techniques. Fearing that the books and techniques would be used for evil, the Sage put the books in temples all around the world and hid the knowledge of the books and their existence from the world. Only people given the power of their villages can receive the books and use their incredible power for good."

Nico: WHOA! No wonder people don't about them.

Camie: He hid them from the world.

Nico: But now we know about them

Nicole: We sure do.

Qin: Yep.

Me: Lets get to finding the first book.

We went into the temple and looked around.

Then we got to a big room and in it was an altar surrounded by waterfalls. And it had a blue book with the Hidden Waterfall symbol on it.

Nico: Is that it?

Nicole: It sure is! At long last we found it!

Me: Lady Hokage is gonna have one helluva field day hearing about this.

Fu: Same with Shibuki.

Nico: Who gets it?

Me: Fu should. The power of this temple affected her here.

Nico: Good point.

Fu: Okay.

She went over and she reached and grabbed it and then it chose her to be its user.

Fu: Whoa! The techniques in this book are amazing. I never even knew these were possible.

Camie: Wow!

Me: I guess you have to read what the techniques are to get a boost in power.

Nico: Interesting.

She read them and then in a flash of light she got an immense power boost and she was now more powerful than ever before! She was enveloped in a vortex of light and water and lightning and butterflies and got an amazing increase in power. When the vortex faded she was stronger and more powerful than ever.

Fu: Wow! This is amazing!

Me: Wow! Fu how do you feel?

Fu: I feel amazing.

I went to a wall and saw a girl with pink hair, blue pajamas on and a night cap as well as a tiara with the symbol of the Sleep Dopant on it and on her skirt and she had a Sleeping Dragon magisword in her hand.

Me: Bethany Somni.

Nico: Not time to fight the Anothers already is it?

Me: No she is just one that is always sleeping.

I picked her up.

Me: She can't help being this tired. She has a sleeping disease that always makes her sleepy.

Nico: Oh boy.

She stirred and saw me.

Me: Hey sleeping beauty.

Bethany Somni: (Groggy) Oh hey J.D. Nice to see you.

Me: We found you sleeping. Sorry to wake you.

Bethany Somni: (Yawns) You're okay.

Nico: Lets get out of here.

We got out of the temple.

Nico: One embodiment down.

Me: Yeah. I guess the Another isn't with her. Must not want to be with one that is always sleepy.

Camie: Yeah.

Lola: I agree.

Nico: She's always sleepy huh?

Me: Yeah she can't help it. She has a really nasty case of sleeping disease. Always is tired. Been that way for her since she was 5.

Qin: Oh man.

Camie: Yeah.

Nico: Lets teleport her back home then.

I did so.

Me: Well Swartz obviously didn't promise her anything because she sleeps all the time.

Camie: Yeah.

Nico: We're not even at that part yet.

Me: Nope. Now comes the fun. Lincoln?

Lincoln: Okay, gang, we're in for one really dangerous battle: not only are we here for another treasure hunt and mermaid rescue, but I got bad news: our old enemy, LaSombra, has come back from the dead, and he still wants revenge on us.

WE GASPED!

Nico: That greedy bastard!

Me: We already had him sent to The Warp long ago thanks to Pamela using her deadly kiss on him, so now, it's off to The Black Abyss for him.

Lincoln: Yep. Oh, and I've decided to move on from the Stankcos, but I've decided to put The Min's Egyptian Virility Drain Curse on Hawk and Hank.

Nico: Hey, yeah, yesterday, we did see that they went from fat tubs of lard to being muscular hulking gorillas, that's a good idea, Lincoln.

Me: That's also perfect.

Camie: Who is LaSombra?

Me: Oh right. He was a river pirate motivated by greed and we faced him long ago.

I went over his history.

Lasombra is the main antagonist of the Hey Arnold! cartoon franchise, serving as the overarching antagonist of the cartoon series Hey Arnold! and the main antagonist of the 2017 film Hey Arnold!: The Jungle Movie.

He is a ruthless and greedy river pirate who seeks to steal the Corazon, a highly valuable ancient artifact, from the Green-Eyed People tribe. His ongoing quest to retrieve the stone came to fruition as he lures Miles and Stella's son Arnold there while posing as their friend Eduardo under the pretense of helping Arnold find Miles and Stella, only to take him and his class hostage and threaten them all. He is Arnold's archenemy.

In the series, he was voiced by Carlos Alazraqui. In the film, he was voiced by Alfred Molina, who also played Satipo in Raiders of the Lost Ark, Reverend Leland Drury in White Fang 2: Myth of the White Wolf, Snidely Whiplash in Dudley Do-Right, Johann Tetzel in Luther, Doctor Octopus in Spider-

Man 2 and Spider-Man: No Way Home, Bishop Manuel Aringarosa in The Da Vinci Code, Professor Jeffries in Chill Out, Scooby-Doo!, Maxim Horvath in The Sorcerer's Apprentice, Ke-Pa in Kung Fu Panda: Legends of Awesomeness, Ernst Stavro Blofeld in the On Her Majesty's Secret Service radio drama adaptation, Rippen in Penn Zero: Part-Time Hero, Viggo Grimborn in Dragons: Race to the Edge, Destiny in Justice League Dark, Mr. Freeze in Harley Quinn, The Duke in Solar Opposites and Mictlan in Maya and the Three.

The Journal

Lasombra briefly appears in the two part series finale. As stated in "The Journal", Lasombra was a greedy river pirate who stole the Corazon from the fabled Green-Eyed People for his own selfish purposes. What he did not count on were a pair of adventurers named Miles and Stella Shortman. They were both successful in saving the Corazon from Lasombra, who swore revenge.

Hey Arnold!: The Jungle Movie

Lasombra is first seen watching Arnold from his computer screen and recognizing Arnold by his football-shaped head, chuckling evilly to himself. At one point, he disguised himself as Miles and Stella's close friend, Eduardo, so that he could trick Arnold into leading him to the Corazon.

He was next seen on his ferry boat on the docks of San Lorenzo, disguised as Eduardo and pretending to be him by quickly recognizing Arnold. He invited Arnold and company aboard his boat and introduced them to his crew, one of which Olga fell in love with, much to the irritation of Helga Pataki. Once they sailed down the river, Lasombra/Eduardo sees Arnold's necklace glow and confirmed him to be chosen by the green eyed people, according to the ancient prophecy. He proposed they find the green eyed people and find out the answer the disappearance of Miles and Stella.

He then talked with Arnold about the threat of Lasombra, and that he was not happy that Miles and Stella stole the Corazon from him. When Arnold said they are in danger, Lasombra/Eduardo said that while they could turn around and head back to safety, they could also continue ahead and maybe find out about his parents. He then told Arnold not to tell the others, under fear that they would get worried.

Later that night, while keeping a lookout, Lasombra/Eduardo was smelled by Abner, Arnold's pig. Abner didn't smell anything good and tried to warn Arnold, but to no avail, deciding to leave the ship so that he could warn Arnold's grandparents. Arnold then told Lasombra/Eduardo that a ship is following them, which turns out to be river pirates. He makes Arnold believe that Lasombra is attacking them, and orders Arnold to stay down while he fights the pirates off and tells him to forget about his friends. He then steers the ferryboat into dangerous rapids, confident that the pirates would not follow them through there. He succeeded in outrunning the pirates, at the cost of wrecking the ferryboat on some rocks.

The next morning, the wrecked ferryboat explodes from impact, leaving Arnold, Lasombra/Eduardo and the entire class "literally up the creek without a stinkin' paddle", according to Helga. He assured them that he will lead them through the jungle to his hideout. When Helga asks about who attacks them, Lasombra/Eduardo explains to the group of the river pirates threat with their and Lasombra's vendetta against Arnold. Sid then asks about Lasombra hunting after Arnold, to which Lasombra/Eduardo said it is only Arnold's business and continues to lead the group into the jungle.

After Lasombra/Eduardo comes to his hideout, He then reveals to them, via taking off his fake mustache, that he wasn't Eduardo, but actually Lasombra. Lasombra then proceeds to take everyone prisoner and reveals that he was the one who arranges the class trip to San Lorenzo to lure Arnold there and as he and Arnold had a deal that they would go look for the green eyed people, much to everyone's shock and anger as they selfishly shuns Arnold despite that the latter was lied by him too and didn't want any of them to get hurt. Lasombra then orders his men to lock both the group and Arnold away in their separate cells.

Later that night, Arnold, with the help of Gerald and Helga who wrote about being wrong and too selfish to Arnold, they broke him out and work together to sneak past a guards and escape, including with the help of Phoebe and the rest of Arnold's friends. However, Lasombra wasn't angered as he put a tracking device on Arnold so he could lead him to the green eyed people, knowing they would show themselves in his presence. Lasombra gathers some of his men to go after Arnold, Gerald and Helga while some of his men remains to keep an eye on Phoebe, Harold, Stinky, Sid, Rhonda, Eugene, Curly, Nadine, Brainy, Mr. Simmons and Olga at the hideout.

As Lasombra and some of his men pursue the trio, he orders his men to go through the booby traps, even his one as a shield and forces another to test the trap floor that plummets to his death. After coming to the last trap, Lasombra orders them to go through it, but they refuses to do so he lures and let them die from the collapse as a result, revealing that Lasombra doesn't care about his own men and intents on catching Arnold with the Corazon by himself.

A short while later, Lasombra arrives at the village of the green eyed people and spots the Corazon with his greedy eyes. Lasombra reveals to everyone about placing the tracking device on Arnold's necklace when he uses the green eyed people's treasure against them in the process. He was then surprised that the only green eyed people awakened are the children, and decided to take the treasures in the kingdom and bring people there to sell it to them. The Green-Eyed children, Gerald, Helga and Arnold attacks Lasombra in retaliation. Naturally, Lasombra broke out for the fight, grabbed Arnold and fled the scene.

Lasombra then left Helga and Gerald hanging from a broken bridge and forces Arnold to open the Corazon's box by threatening to kill both of them if he doesn't, to which Arnold complies. Once the Corazon opened, Lasombra greedily pushed Arnold aside and tried to take it for himself.

But before Lasombra could even touch the Corazon, the box shot Lasombra in the forehead with a poisonous dart, which caused him to fall off the cliff and into the canyon. Later after Eduardo rescues the trio, Lasombra climbs back up with his skin turns green from the poison and confronts the real Eduardo as he proceeds mocks about his mustache. Nonetheless, Lasombra then finally lost his temper that he had just had enough of everyone getting in his way as he began to attack Eduardo by trying to stab him with the poison dart from his head. When Arnold and his friends intervenes and assets Eduardo as they violently fought Lasombra right back in the struggle, he manages to knock them off, but also accidentally knocks down the Corazon on process. While Arnold tried to catch the Corazon, Lasombra pins him down and also tried to catch it, only for the

Corazon to end up rolling off the cliff and plummeting down into the ravine, much to his horror and Arnold's distress.

Furious at losing the Corazon again, Lasombra grabs Arnold by the shirt and lashes out to him about how he's just like his parents and orders him to go and get it back from the ravine. Just as Lasombra could attempt to kill Arnold by throwing off the cliff, the poison of the dart finally succumbs to him, resulting in him staggering backward. However, before falling back, Lasombra grabs Arnold's amulet off as he falls into the canyon and plummets to his death into the ravine, ending his evil reign in San Lorenzo once and for all. Afterwards, Eduardo notes that Lasombra had died the way he lived, full of poison.

After Lasombra's death, it is implied that few of his river pirates are disbanded and arrested by the authorities for their crimes. Although the Corazon was thrown off the ravine, Helga's locket was used as a replacement, curing all of the green-eyed adults including Miles and Stella.

When it was done everyone that hadn't heard about it was shocked!

Twilight Sparkle: That is horrible!

Qin: It was.

Nico: Yeah.

Me: Poison Ivy kissed him on the lips as we fought him and he fell into a lava flow and it killed him.

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than The

Order of Nuestra Señora de la Santa Muerte, and they're out for revenge.

Lincoln: Why, that little...!

Me: Lincoln, what's wrong?

Lincoln: Morgana Midnight Sparkle and the other Midnight Princesses have resurrected The Order of Nuestra Señora de la Santa Muerte, and they're out for revenge on us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, that bitch!

Nico put his skeleton back.

Nico: I hate when that happens. So, now, that insane bitch and her friends resurrected those dark worshipping religious fanatics from Mexico?! When Maria Garcia and the rest of her friends find out, they're going to flip!

Suddenly, tornadoes of darkness erupted, and Maria Garcia, Isabella Andwraith, Emilia Ashenveil, Martina Dianaira, Alicia Dyf, Gabriella Gallabas, Luciana Grimro, Jade Krus, Renata Kushano, Liliana Lurrie, Amaia Marcosia, Isabel Miztoji, Lola Oltro, Sara Ragin, Valeria Raven, Angelina Soulkis, Regina Topi, Camila Urustos, Carmen Valkyrus, Daniela Abanc, Carina Catsith, Elisa Cerburrel, Paula Chawa, Sierra Ganashia, Zoe Kokkator, Itzel Kudabbi, Natalia Nozoochee, Erica Peggulsus, Rosa Rubyruda, Estela Unicore, and Aldonza Calavera appeared, and needless to say, they were mega pissed off!

Maria Garcia: (Spanish Accent) Those insane demonic monsters! I can't believe they brought back Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado!

Aldonza Calavera: (Spanish Accent) Either way, we're going to make sure they die here and now!

Lincoln: That's what I'm going to do to them, Aldonza.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally thought we were rid of LaSombra, but oh well, we'll be sure to send him along with Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado to The Black Abyss.

Lincoln: You got that right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk, and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel

wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles) YEAH!

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for LaSombra) AHA! Gotcha! I just spotted LaSombra, he's 20 yards away, but he's already charging at us for revenge. (Sensed Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Let's get them.

Pinkie Pie heard a Pokemon Cry.

Pinkie Pie: Ooh look guys!

We saw a Nihilego!

Me: Whoa a Nihilego!

Nico: Wow!

Nihilego: Yep.

Me: And the poor thing is hungry.

We got some apples and food.

Nihilego: Oh boy!

It got to eating.

Pinkie Pie: Wanna go with me?

Nihilego: Sure!

Me: Cool!

Pinkie Pie: YAY! I have my own mascot!

Nico: Yep you sure do Pinks.

Lincoln: Congrats!

Pinkie Pie: Thanks!

Me: Now for the main fun!

We then took off into the air and we set our sights on destroying LaSombra, along with Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado and sending them all to The Black Abyss.

We were flying in the air, and we spotted our target: LaSombra, and he's still looking for the treasure.

Lincoln: There's that greedy son of a bitch. Let's make him regret coming back from the dead.

Lincoln's massive white angel wings and medium sized angel wings and small sized white angel wings spread out and formed orbs of light, and they fired the orbs of light which hit LaSombra and exploded, and that pissed LaSombra off as soon as he saw us and we landed.

Nico: You've got some goddamn nerve coming back from the dead, you piece of shit!

Me: I guess even death is too good for an animal like you.

Lincoln: Now, you've left us with no choice but to resort to more extreme measures. And speaking of, Antonio Maldonado, you and your insane goddamn friends better get out here right now, there's no point in hiding!

We then saw our secondary targets: Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado of The Order of Nuestra Señora de la Santa Muerte, the dark Santeria order in Mexico, and they had a demonic Alicorn on their foreheads: which was proof that they were resurrected by The Midnight Princesses.

Selene Arcangela: And Lincoln was right, so Morgana and her minions also brought you Dark Santeria practicing religious fanatics back from the dead!

Antonio Maldonado: (Spanish Accent) You will all be sacrificed to Santa Muerte, your blood will appease our patron!

Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado got out their ritual knives.

Lincoln: Go to Hell, Antonio! I'm surprised to see that none of you have changed at all, you're still the same as ever. Oh well, it's time I send all of you to your eternal damnation once again!

Lincoln fired magnetic blasts that magnetized their ritual knives and went to Lincoln and he channeled Black Abyss energy into the knives, and then, he sent the ritual knives flying and they hit The Order of Nuestra Señora de la Santa Muerte right in their black hearts and they died from blood loss, and they were automatically sent to The Black Abyss forever.

Nico: One to go!

Me: Now it's just you and us LaSombra!

LaSombra: (Spanish Accent) You WRETCHED IDIOTS! YOU RUINED EVERYTHING!

Me: Oh cry me a fucking river!

Nico: Yeah! You were after the treasure of the Green Eyes. But it was the key to saving them! All you wanted was to destroy them including Arnold's mom and dad!

Poison Ivy: And I… gave you a kiss!

Me: Yes she did!

LaSombra: YOU KILLED ME! WITH POISON!

Me: Well she is called Poison Ivy!

Nico: Would you rather die from Poison Ivy's venom...

Me: Or the Joker's poison?

Qin: I would go with Joker's poison! It's 10,000 times more painful.

Nico: Yep. It hurts worse to die from laughter.

Nicole: Yep.

Poison Ivy: I prefer my poison in this situation. It's quite fitting here!

Me: True. Also you're too late.

Fu: I found the treasure here.

LaSombra: Give it to me gringos!

He went and grabbed it but the moment he touched the book...

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

A massive jolt of electricity blasted him back with incredible force.

Nico: WHOA! So no one other than Fu is allowed to touch it.

Me: That is an amazing defense mechanism.

Camie: It sure is.

LaSombra: You will pay for that!

Patrick: Cash or credit card?

Squidward: Not what he has in mind.

He went at me and I caught his punch.

Me: You are really annoying for such a little man.

I held up my finger to him and flicked him in the forehead and sent him flying and he crashed into a coconut palm tree!

CRASH!

But then.

He got bashed on his head with 5 coconuts!

Nadia Neptune: Yikes. Okay, boys, you've had your fun. Now, it's my turn.

Suddenly, Nadia Neptune's aquamarine eyes turned neon aquamarine and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, sea creatures, phoenixes, and angels, she summoned her Earthshaker Keyblade in her left hand and unholstered her greatsword in her right hand, and as she approached LaSombra, she left aqua blue energy, stars, water, ocean waves, sea creatures, phoenixes, and angels with every step.

Nadia Neptune: You make me sick to no end, LaSombra, you're willing to hurt and or kill any innocent soul who gets in your way of what you want, you're just as bad as Flip, and for that, I'm going to make sure you die here and now for all of your crimes.

Suddenly, Nadia Neptune was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, phoenixes, and angels flying around the vortex, and in the vortex is a white phoenix with the Astrological Symbol of Neptune on its stomach and blood red eyes glaring at LaSombra: the blood red eyes of eternal judgement.

We were amazed by Nadia Neptune's Super Angel-Keyblade Knight-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when LaSombra saw it, he barreled towards her like a mad bull to kill her, but Lincoln fired rainbow energy blasts that hit LaSombra in the face, and that pissed him off big time.

Lincoln, Nadia Neptune, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after LaSombra, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at LaSombra and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Nadia Neptune, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making LaSombra even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, for a little something I've been working on for someone like you.

Lincoln stabbed him in the neck with the tip of one of his eleven massive and long white wolf tails, and he injected something into his body as we saw his veins turn red: it turns out the red substance Lincoln injected into his body was an extremely powerful poison he created. Then, as soon as Lincoln retracted his tail, LaSombra convulsed in agonizing pain as the poison suddenly spread throughout his body, and it melted his heart and he fell to the ground from a sudden violent stroke and died, and he was sent to The Black Abyss.

Everyone cheered as we holstered our weapons and powered down and Nadia Neptune's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aquamarine wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen aquamarine planets orbiting around her legs, fifteen smaller aquamarine planets orbiting around her waist, smaller planets orbiting around her fingers, and massive aquamarine angel wings and medium sized aquamarine angel wings and small sized aquamarine angel wings underneath her massive aquamarine angel wings are permanent.

Nico: Oh man. Lincoln, what was that you injected into LaSombra's body?!

Lincoln: This was something that I discovered: I found out that my tails can also create some very powerful and lethal poisons that when injected into the body of those irredeemable and evil, it causes them to convulse in agonizing pain and die a horrible death. The one I used on LaSombra is one lethal cocktail called Calavera's Heart Stopper, and it's so potent, one dose of this stuff causes immediate death by spreading throughout the body and melts their heart and causes them to fall to the ground suffering a sudden violent stroke and die.

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Me: Oh God!

Nico: Jeez!

Maria: Oh man! If one of those poisons is enough to make his heart stop and cause instant death, just imagine what the other poisons that you created can do?!

May: Let's save those other lethal poisons for when we face any more of Anti-Monitor's other lackeys.

Selene Arcangela: Along with any more of Lincoln's old enemies that Morgana and her minions have brought back from the dead.

Lincoln: Good idea, and I've kept a book on the poisons my tails have created.

Me: Yeah!

Nico: Him being kill by poison again suits him!

Me: Yep! But a deadlier version made by Lincoln is cool.

Qin: Yeah!

Lola: Wow! Nice job Linky.

Lincoln: Thanks guys.

Me: Yeah.

Nihilego: That is for sure.

Nico: Nice job Nihilego!

Nihilego: Thanks Nico.

Poromon: Want some beer?

Nihilego: I don't drink sorry.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Maria: Nice job getting that book, Fu.

Fu: Thanks. It was awesome.

Me: It sure is and it's power is absolutely amazing.

Lola: Wow! No kidding!

Fu: Yeah!

Nico:...can I take a peek in it?

Fu: Sure. But only I can touch it.

Nico: Okay.

Nico looked at the book and saw the techniques. They were amazing.

Nico: Wow. That is amazing.

Fu: I know.

Arnold: And I finally got justice for my parents.

Me: You sure did.

Qin: Yeah.

Arnold: Even though they were never dead to begin with. At least they are avenged.

Lola: That's true.

Nico: Okay, maybe they were never dead. But the asshole still wronged them!

Me: Yeah they were just in a sleep coma because of the disease affecting the Green Eyes too.

Nico: Yeah but still.

Me: Yeah we did kill the asshole that wronged them and he had it coming.

Nico: Serena, how are you feeling since yesterday?

Sailor Moon: Better than ever now that my kingdom is avenged.

Me: Good. We're happy.

Lola: We sure are.

Nico: I can tell Beryl caused you girls lots of problems.

Sailor Mercury: That is an understatement.

Shanan: Queen Beryl was an absolute nightmare. She wanted to unleash the Negaforce to destroy the entire universe.

Lola: Yeah!

Qin: That is horrible.

Nico: Oh man.

Me: Yeah.

Sailor Mars: You know, there was one time we were sick except Mina.

Shanan: Except that wasn't during the Dark Kingdom. That was actually during the time of the Negamoon.

Sailor Moon: I remember that. Mina's bedside manner was terrible!

Me: Was it really?

Sailor Venus: Yeah I was a terrible klutz.

Me: Oh boy.

Artemis: Yeah Mina made a lot of mistakes back then. She made soup for everyone. Ami's tasted like glue, Lita's was way too cold and Rei's was extremely spicy.

Me: Shit! Thank God that I've never been sick a day in my life.

Nico: That bad, huh?

Artemis: Oh yeah. It was terrible.

Sailor Venus: Yeah it was. I am an accident waiting to happen when it comes to caring for my friends.

Me: Well at least you try to do what's good for everyone out of your heart.

Katarina: (British Accent) That is true. Mina is a good person.

Papillon: I agree there.

Ratchet: Maybe I can give you some pointers.

Varie: Same with me. You got to take things slow when it comes to that.

Sailor Venus: I would like that.

Me: You do things too fast and that's why things end up falling apart. Know what I mean?

Sailor Venus: I think I do.

Me: Yeah.

Qin: Well that was number one of Sailor Moon's major enemies out of the way.

Lola: Yeah.

Shanan: From what I remember Ann and Alan and the Doom Tree were next to appear. But they redeemed themselves long ago so they are considered off the list. But an evil version of them is a strong possibility.

Nico: True.

Sailor Venus: We'll watch out for them.

Me: An evil version of Ann and Alan would be perfect for the M.O.E.

Nico: And we can regrow the Doom Tree here and bring it back to the good it had.

Shanan: I agree. Good idea.

Lola: Yeah.

Sailor Venus: That fits.

Sideswipe: You can learn lessons from Ratchet.

Sunstreaker: And we'll feel free to prank you!

Ratchet: Sideswipe, might I remind you and Sunstreaker that I have a wrench?

Sideswipe: Yes. Why?

Ratchet: May I remind you what I can do with said wrench?!

Sideswipe: Okay okay sorry.

Nico: All right you guys that's enough. Besides we got to go over the enemies of Sailor Moon that might be still at large.

Lola: Yeah.

Nico: We know Prince Diamond is in the Masters of Evil.

Me: Yep. Along with Sapphire and evil versions of Catzi, Avery, Prizma and Birdie including Emerald. The only one that is not among them is Rubeus.

Shanan: Yeah we killed him. The Doom Phantom is dead too.

Nico: Yep.

Shanan: Oh and Sailor Minimoon's dark self Wicked Lady too. Remember?

Nico: Oh right.

Shanan: But if it were my time to shine on the main mission I'm willing to bet that the Xenomorph Queen is going to be faced.

Jared: That is much more suitable for you sis.

Shanan: Yep. I know it is bro.

Me: No surprises there.

Nico: You know what? That would actually fit.

Shanan: I agree.

Qin: We'll wait and see.

Me: Yep.

Sailor Saturn: Pharaoh 90 is gone.

Me: Yep. Most of Pharaoh 90's minions are all in the M.O.E.

Nico: Yep. And Nehelenia won't be coming back.

Natilee: No I personally made sure of that.

Sailor Sun: Shadow Galactica is gone too. the Sailor Animamates are all in the M.O.E.

Me: That's cool and yeah.

Qin: Yeah.

Me: So all in all, all of Sailor Moon's major enemies have all been dealt with. Most of them are all dead and gone and many of them are in the M.O.E.

Shanan: Yeah.

Nico: How much are you willing to bet that Xenomorph Queen will be for Shanan?

Me: An all you can eat cheese sandwich buffet?

Nico: Deal!

Me: Cool.

Nico: The xenomorphs were fucking scary!

Me: No fucking shit there! They killed so many people and creatures all over the galaxy!

Lola: Yeah!

Shanan: Yeah!

Poromon: We killed them last time!

Me: Yep.

Qin: We sure did.

Lola: Yeah.

Nico: Yeah.

Me: Yeah thank goodness. But some of the Xenomorphs based on the toys I have are in the M.O.E.

Nico: You're right. I remember.

Poliwag: I remember that as well.

Me: Good good. Then I don't need to remind you.

Nico: Yeah.

Me: Lets see. For Anakin I'm willing to bet it'll be Palpatine brought back by Anti-Monitor.

Nico: You might be right about that.

Me: Okay. He'll be perfect for May 4th.

Nico: Star Wars Day is fitting.

Qin: It sure is.

Lola: Yep.

Camie: It sure is.

Maria: May 4th it is.

Me: Perfect.

Qin: Awesome idea.

Nico: That's the month of my birthday.

Me: Yep. And I'm willing to bet that the bad guy to appear on your time to shine is the monster that caused you so much grief, MaloMyotismon.

Nico: I have a feeling you may be right on that one.

Qin: (Gulp) Oh boy.

Nico: That's the month of my birthday.

Me: Yep it sure is.

Qin: Yeah.

Poromon: That's still a long time

Me: Yeah we got plenty of time.

Qin: Yep.

Nico: Yeah.

Horsea: But let's not forget what this month is

Me: February for Valentine's Day.

Qin: Yep.

Girl Jordan: I love Valentine's Day. Full of love.

Camie: Yeah.

Poliwag: Let's do something special for it!

Me: Good idea!

Qin: Yeah.

Camie: I like it.

Varie: Me too.

Manaphy: We'll think of something

Me: Yeah but we'll come to that later.

Nico: Right now we got the next part of our rescue. The Anothers.

Qin: Yep.

Eli: (Concentrates) WHOA! We got Another Phantom of Milo Booth, Ruby Rose, Hagatha (Skannerz), Road Fire, Stanley Stork, Nuhvok-Kal and Scavenger

WE GASPED!

Qin: Whoa!

Ruby Rose: Another me!? This is gonna be interesting.

Lola: Yeah!

Nico: Who's up?

Me: Sailor Neptune and her team.

Nico: So Sailor Neptune, Nadia Neptune, Aqua Halinora, Nereid Halinora, Gina Huntington and Hailey Nicos.

Qin: Yep.

Eli: And the Anothers can't be the Sleep Embodiment.

Qin: No she is too sleepy to do anything as an Another.

Me: So they must be just gene-slammers then.

Lola: Yeah.

Nico: Yep.

Eli: I sense the Anothers minus Phantom of Milo Booth and Ruby Rose are first and they are 3 people.

Lola: Okay then

Nico: There they are!

We saw Another Hagatha (Skannerz), Road Fire, Stanley Stork, Nuhvok-Kal and Scavenger!

Me: Whoa!

Qin: This will be good!

Another Road Fire: (In a girls voice) (Laos Accent) It sure will.

Nico: (GASP) That voice.

They merged and split into 3 people and were the gene-slammers of Gigantamax Stakataka, Gigantamax Chandelure and Gigantamax Polteageist!

Nico: (GASP) Nelanie Vongphachanh, Jiadha Dracula and Charlotte Darjeeling!

Me: WHOA! The gene-slammers of Gigantamax Stakataka, Gigantamax Chandelure and Gigantamax Polteageist.

Alana Vongphachanh: (Laos Accent) Nelanie!

Nelanie Vongphachanh: Alana!

They went and hugged.

Alana Vongphachanh: I thought I would never see you again.

Nelanie Vongphachanh: Me neither.

Me: Can you tell us more about yourselves girls?

Nelanie Vongphachanh: Sure. We are Nico's friends. I'm from Laos and I'm a master of construction and know all about the history of Laos.

Jiadha Dracula: (Transylvanian Accent) I'm Nico's friend from Transylvania and I'm a vampire and the descendant of Count Dracula.

WE GASPED!

Brittney: I hope you aren't like him because we killed many vampires like him before.

Jiadha Dracula: No goodness. I only drink blood from the blood bank and also I am the polar opposite of him.

Me: Oh good.

Jiadha Dracula: And I am Nico's friend that knows all about Romania as well as the history of vampires.

Me: Wow!

Charlotte Darjeeling: (British Accent) And I'm Nico's friend from England and I make good tea and know all about the history of England.

Me: Wow awesome to meet you girls.

Lola: But wait! Jiadha if you're a vampire then you'll burn in the sunlight.

Jiadha Dracula: Actually I'm immune to the sunlight. I have none of their weaknesses except for the endless thirst for blood.

Natasha Hernandez: Just like me. I know how that feels as a vampire myself.

Jiadha Dracula: Indeed.

Me: Yeah. By the way girls are the Another Phantom of Milo Booth and Ruby Rose friendly or hostile?

Charlotte Darjeeling: Friendly and they are awesome too.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for backup! (TURNS DIAL) PUERTO RICO CRUSADERS!

She summoned Ghost of Juan Carlos, Talon (Skannerz), Despair Tsumugi Shirogane, Fergus Frog, Pahrak-Kal and Tsubotoguro.

Nico: YEAH!

Jiadha Dracula: Might I trouble for some blood?

Me: Sure.

I pulled out my red cooler and gave her a pack of blood.

She bit into it and sucked out the blood.

Jiadha Dracula: Ahh! Mmm he had pizza and fries with it. Delicious.

Ace: You always keep a cooler of blood with you?

Me: Just in case we know vampires and they are thirsty. I always stop by at the blood bank for them. Lucy is one too. She needs blood herself.

Lucy Loud: It's true. And it's amazing.

Me: Yep

Marceline: Don't forget me.

Me: Yeah Marceline is a vampire herself. She eats shades of red too.

I grew a strawberry.

Me: Watch.

I gave it to her and she bit it and sucked the red out.

Marceline: Yep. It's cool.

Horsea: Don't forget to eat the whole thing

Marceline: I know. (LAUGHS)

She shoved it in my mouth.

Me: Mmm! (Eating) Even without the red it's still just as juicy and delicious.

Marceline: It sure is.

Horsea: Yep.

Me: Yeah. (Gulp)

THUNDERCLAP!

Me: WHOA!

We saw HUGE POWERFUL LIGHTNING STRIKES!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Lightning was striking out of the ocean with intense power.

Me: Wow! Look at that!

Nico: That is powerful lightning! But the Phantom of Milo Booth doesn't have lightning powers!

Qin: WOW!

Nico: I wonder...

Me: It's the Another but lets see.

Lola: Yeah.

Then ANOTHER RUBY ROSE AND ANOTHER PHANTOM OF MILO BOOTH CAME!

Nico: There's the Anothers.

Qin: Yep.

Another Phantom: (In a girls voice) Shocking light show.

Nico: (GASP) Xhalia Pandora!

She reverted back and it was the gene-slammer of Gigantamax Xurkitree!

Xhalia Pandora: Awesome to see you again Nico.

Nico: Same here Xhalia.

Me: Wow your lightning is powerful.

Xhalia Pandora: It sure is. I come from Venezuela and I was raised on Lake Maracaibo.

Me: The Capital of Catatumbo Lightning! So you have all the powers of Catatumbo Lightning.

Xhalia Pandora: That's right.

Me: That's amazing! And who is our Another Ruby?

Another Ruby Rose: She should know.

Ruby Rose: (GASP) It can't be!

She reverted back and it was a younger version of her at around 10 years old with longer hair and red clothes and had red angel wings.

Ruby Rose: Crimson Rose!

Crimson Ruse: Ruby, Big sis!

They went and hugged for the first time in a while!

Ruby Rose: I thought you were dead! I thought you died in a Grimm Attack!

Crimson Rose: No I hid when they were attacking. But I was taken from my hiding place when you were taken to Earth.

Nico: I take it you know her?

Ruby Rose: She's my little sister. I thought the Grimm killed her long before I went to Beacon. Me and Crimson were really close. But the Grimm came and all that and I thought she was dead.

Qin: Jeez.

Me: So you're Ruby's little sister?

Crimson Rose: I sure am. I'm so glad Ruby is okay.

Me: She was with us most of the time because of what happened on Remnant.

Nico: Yeah.

Lincoln: She was in really good hands with us.

Xhalia Pandora: Yeah. At least then didn't get her. Also just so you know I have lightning ghost powers. Even though the Phantom doesn't have powers it is fitting because he is a ghost.

Phantom of Milo Booth: That is true.

Me: Indeed.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (Gets out Battle Fever gear) Because we can grant it instead.

Kaito got a Denziman Sword and Zocks got a Battle Fever J sword.

Xhalia Pandora: No he didn't because I electrocuted him with 50 billion volts of electricity and we left after that.

Sakura Knudson: That explains why every light in the lair exploded from electrical overload.

Me: Geez! Daring escape.

Sougo: (gets out Denziman Ridewatch) You'll be happy to know that your mom is back.

Geiz: (Gets out Battle Fever Ridewatch) Oh, and Salem changed her ways.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Me: Yeah it's a long story but it involves the 20 Days of Darkness and the Aparoids bringing back your mom.

Nico: Yeah.

Crimson Rose: We'll have to hear about it.

Camie: Yep.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets do it!

We were ready

Nico: (gets out Phantom of Milo Booth's Ridewatch) Going ghost!

Danny Phantom: HEY! That's my line!

Nico: Sorry!

May: (Gets out Road Fire's ridewatch) Time to burn rubber!

Maria: (Gets out Nuhvok-Kal's ridewatch) Feel the magnetism!

Nadia Neptune: (Gets out Hagatha's ridewatch) Time for a fright!

They used the powers of Phantom of Milo Booth, Hagatha (Skannerz), Road Fire, Stanley Stork, Nuhvok-Kal and Scavenger and blasted the Anothers.

Then Psycho Rangers, Sasquid (Skannerz Commander), Belladonna Bratt, Casey Crawfish, Kohrak-Kal and Constellation came.

Me: WHOA!

Nico: Nice team Psycho Rangers!

Psycho Red: Thanks Nico.

Me: Yeah!

Psycho Red: Of course, I'M the one leading it!

Nico: Yep!

Then Jellymon came.

Me: Cool Jellymon!

Qin: Awesome!

Nico: I feel like I know this Jellymon.

?: You should.

MEGASEADRAMON CAME!

Me: Whoa MegaSeadramon!

Qin: Wow!

MegaSeadramon: (In a girls voice) Looks like the fun has started.

Nico: Sheena Seadra! Wow!

She reverted back and was a girl with orange hair, blue eyes, had tropical clothes, blue angel wings, a new crest in the middle of her forehead and had MegaSeadramon on her shirt and skirt and had the Coat of Arms of Bora Bora on her arm and had a green digivice on her hip.

Sheena Seadra: Awesome to see you Nico. We got this. (Echoing) LIGHTNING JAVELIN!

She fired a blast of lightning from her hand.

Jellymon: Take this! (Echoing) STARTLING THUNDER!

She fired lightning blasts and the blasts all hit the anothers and blasted them and I caught the ridewatches and purified them!

Me: AWESOME!

Spongebob: Jellyfish! (tries to catch Jellymon with net and laughs too)

Jellymon: Can't catch me! (LAUGHS)

Sheena Seadra: (LAUGHS) She loves it when she is being chased by Jellyfishing people.

Me: (LAUGHS) Yeah. Also that's Bora Bora's emblem on your arm. You're Bora Bora's Digidestined.

Sheena Seadra: I sure am.

Me: Bora Bora is so beautiful. Popular vacation spot in French Polynesia.

Qin: It sure is.

Nico: Yep.

Maria: How big is Jellymon?

Sheena Seadra: About half of my height but she is awesome to have fun with.

Me: Cool.

Nadia Neptune: Do you have a favorite memory of Nico?

Sheena Seadra: I sure do. When me and Nico first met.

Me: Were Digimon appearing in Bora Bora too?

Sheena Seadra: Yep. 6 JungleMojyamon appeared and we battled them and sent them back to the Digital World.

Me: Wow.

Poromon: I was there and it was awesome.

Me: Wow!

Nico: Yep.

Nico and Sheena hugged.

Nico: I've missed you.

Sheena Seadra: Me too Nico.

We went back home.

Plus, we're also going to find out The Big Claw Gang were watching what we've been doing in taking down the TALON Agents one by one and they've been made aware of everything by Vypra, and they even lured Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi to France for us to kill them, and in the days to come, we'll soon be taking down The Big Claw Gang and sending them to Vypra.

Lincoln: Ah, we're here in France, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going after the five dishonorable TALON agents, Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi, and we're going to destroy them and send them to The Black Abyss.

Nico: It still seems way too easy though, it's as if some other outside force lured them out to France.

Sailor Neptune: And in the same way, giving out the directions of where Reaper, Moira, and Mauga were at, along with luring Sigma and Ramattra out yesterday.

Me: Whoever it was, I think we're going to find out the answer.

Suddenly, we saw a girl with mint green hair, mint green clothes, mint green angel wings, mint green eyes, the symbol of the Hidden Waterfall Village, and she has a canister of the Sacred Water on her right hip, she has a blue sword in her right hand, and with her are the seven girls.

Lincoln: (GASPS) Fiona Shibuki Taki, Embodiment and Avatar of The Hidden Waterfall Village and Goddess of Water.

Fiona Shibuki Taki: That's right, and I got the girls away from Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi, but they're already on their way here and they are pissed!

?: YOU WILL ALL PAY FOR WHAT YOU DID IN DESTROYING THE TALON ORGANIZATION, TEAM LOUD PHOENIX STORM!

Then, Lincoln swung his massive greatsword and fired blades of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, and Bubbles, and they hit Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi, and they were all torn apart and they were finally sent to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: Well, that's it for Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi. But, we've yet to find out who'd lured the TALON Agents to the locations that we'd gone to for the past few days.

?: Well, at least, the trash has been taken care of.

Suddenly, we saw a female cat with long platinum blonde hair, hazel eyes, red and black body suit, black knee-high boots, red mask covering her face except for her eyes and muzzle, black sleeveless fur coat, and she has playing cards in her hands.

Caleb Maxwell: Sally Gamble.

Nico: You know her?

Cage Blunt: She's been an known associate of the Big Claw since she was 18. Claw found her beaten up on a street corner and he took her to a trusted partner in China Town. They took care of her till she heals. Claw returned for her and asks for her aid in building his cat burglar army which she agreed.

Jack Howard: So, that explains it: the luring out of the honorable TALON Agents and taking them down and sending them to The M.O.E. and luring out Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi to France, so we can kill them and send them to The Black Abyss, it was The Big Claw Gang's doing.

Nico: Whoa!

Me: So, they were the ones who did all that!

Caleb Maxwell: There's no way Claw Dane Drake would help us!

Sally Gamble: Still as vengeful as ever, Caleb. But, we were made aware of the team's actions thanks to a friend of yours.

Caleb Maxwell: Vypra.

Lincoln: So, what exactly are you guys after?

Sally Gamble: Simple really: we played things right, and she offered us a place in The Masters of Evil after you defeat us one by one.

Eli: So, you all intend for us to defeat you one by one and send you to Vypra, clever.

Captain Whitten: I had no idea about this neither did the rest of us.

Sally Gamble: We've had a good run, Captain, but it's time for a change, and of course, you're also going to need to bring Allie Maxwell, she told you all of her plan, right?

Lincoln: Right, she did.

We saw Caleb Maxwell looking down, but then, he let out a few chuckles, which eventually led to him cackling demonically as the skies turn red and a red moon appeared.

Carter Kendrick: This is not good.

Caleb Maxwell: So, this is what Claw Dane Drake had planned, huh? And why he needed to get The TALON Agents out of the way, now I know. As always, you all find ways to liven things up for everyone. (Long Black Hair turns wild as it blows in the wind and he had a half crazed grin on his face) But, I'm glad that all of you still bring your own brand of fun wherever you all go!

Nico: Uh oh, I don't like that half crazed grin on his face!

Cage Blunt: That means, the fun's about to begin.

Caleb Maxwell: Very well then. Tell your boss and the rest of the gang that we accept your proposal, but beware, I'm not going to play nice!

Suddenly, bats and demons came flying out from tornadoes of darkness that appeared out of nowhere as Caleb Maxwell's demonic malevolent cackling echoed in the air!

Sally Gamble: (Smirks) I'll take that as a yes, and I'm glad to see you still retain that demonic side of yours. So, Team Loud Phoenix Storm, I bid you farewell, see you all tomorrow.

Sally Gamble left as the red skies changed back to normal and the dark display vanished.

Lincoln: So, now we know who's been helping with clearing out The TALON Agents, and now, we have a new group to take down and send to Vypra in the days to come. (To Fiona Shibuki Taki) And it's so good to see you again, Fiona.

Fiona Shibuki Taki: You too, Lincoln, it's been seven years since we last met.

Suddenly, Fiona Shibuki Taki had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Fiona Shibuki Taki was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Fiona Shibuki Taki: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Fiona Shibuki Taki and hugged her, and Fiona Shibuki Taki us very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Fiona Shibuki Taki: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Fiona Shibuki Taki, Embodiment and Avatar of The Hidden Waterfall Village and Goddess of Water, she's Lincoln's Guardian Angel from The Hidden Waterfall Village, she's a powerful shinobi and master of the powers of water, and here's an added bonus: she's The Goddess of Water and a master of Aura Style Jutsu, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's a close and dear friend of Fu the 7-Tails Jinchuriki and is a great power that makes even Kakuzu and the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Waterfall, but he's also a good friend to Naruto, Sakura, Sasuke, Itachi, and everyone there, and she also taught him many powerful Aura Style Jutsu and techniques. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Fu arranged a date for Lincoln and Fiona to go to a Japanese Restaurant, and they both enjoyed their date, and Fiona detests Killjoy Huggins with a vengeance, because long ago, he tried to kill Lincoln again and destroy The Hidden Waterfall Village, but that ended badly with Fiona, Lincoln, and Naruto and his harem beating him up and Fiona tossing him to the cops and it's also where Superintendent Chen stomped on his foot with her heels before suspending him for a year and leaving him to spend five months in prison.

Nico: What the?! Honestly, Killjoy Huggins is the absolute scum of the earth!

Lincoln: Yep, absolute scum who hated me and wanted me to die, when we do go after him on my big day mission in the future, he, Dark Chase Young, the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan, The Stankcos, Hawk and Hank are going to regret coming back from the dead, and now that you're here, Fiona.

Lincoln leaned his head down the right side of Fiona Shibuki Taki's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Fiona Shibuki Taki: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Fiona Shibuki Taki with mint green gems on the gold lightning bolts and mint green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklaces of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Fiona Shibuki Taki: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Fiona Shibuki Taki.

Fiona Shibuki Taki had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Fiona Shibuki Taki's waist, and he leaned down to her face and kissed her on the lips, and with Fiona Shibuki Taki's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Fiona Shibuki Taki had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Fiona Shibuki Taki: (In Heaven) My God.

Then, we went up to the seven girls, and when Lincoln saw them, he immediately recognized them, the seven girls are Hanei Amano, Hasegawa Aizakku Izumi Merusedese Jakoko, Himawari Minato, Syuri Nanahoshi, Tokimi Aihara, Yumine Sakuma, and Yuuri Tsuyuki from Supreme Candy.

Lincoln: Oh wow, it's Hanei Amano, Hasegawa Aizakku Izumi Merusedese Jakoko, Himawari Minato, Syuri Nanahoshi, Tokimi Aihara, Yumine Sakuma, and Yuuri Tsuyuki from Supreme Candy.

Nicole: Thank goodness Fiona got them away from those bastards.

Lincoln: She sure did. Are you girls okay?

Hanei Amano: Yes, we're okay, thanks to you.

Hanei Amano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hanei Amano: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hanei Amano, Hasegawa Aizakku Izumi Merusedese Jakoko, Himawari Minato, Syuri Nanahoshi, Tokimi Aihara, Yumine Sakuma, and Yuuri Tsuyuki with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned home, and everyone was shocked to find out that the villains we went after were Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi.

But, when Lincoln showed what we all did in beating them down and him sending them all to The Black Abyss, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Fiona Shibuki Taki have a lot of catching up to do, now that she's back in town, and when they found out that it was the doing of The Big Claw Gang luring the TALON Agents out and allowing us to capture them and of their deal made with Vypra, they were really stunned!

Maria: What the?! So, The Big Claw Gang...?!

Lincoln: Have issued their challenged and helped in the whole TALON matter.

Nico: Of course, we're going to be bringing Allie Maxwell for this challenge.

Me: This is part of her plan, so we're helping her all the way.

Allie Maxwell: And I knew Sally Gamble would be sent to deliver the news, and I saw the demonic display from my brother, I knew he'd let that side out again.

Roxy Drake: I knew that would happen, ever since your brother's resurrection, he had quite a dark change, and it was due to the madness of your second ex-older brother, Drake Maxwell, and Caleb wanted revenge on him and your ex-dad, and because of it, bodies of your ex-dad's organization members wound up dead and bleeding on the streets.

Jack Howard: Even the NYPD Nightshift hadn't ignored any of the horrors Caleb's unleashed on his ex-dad and his ex-brother, but he always disappeared into the darkness before we could corner him.

Me and Nico: Yikes!

Luna: Man, what that lowlife did in killing his own older brother really crossed a huge line, and he'd unleashed pure darkness on the criminal underworld.

Lincoln: Big time.

Cage Blunt: And even the darkness he'd unleashed even caught the attention of The Big Claw Gang, and they've always stayed away whenever Caleb was on the prowl.

Travis Tackett: But, when they crossed his path and Panther made the mistake punching him, that did it and he went ballistic.

After Lincoln and all of us beat down Maximilien, Sanjay Korpal, Vialli, Antonio Bartalotti, and Akinjide Adeyemi and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Fiona Shibuki Taki saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Fiona Shibuki Taki: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Fiona, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Fiona Shibuki Taki: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Fiona Shibuki Taki: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Allie Maxwell: Now that we know tomorrow we're facing the members of The Big Claw Gang, I'll be coming along and giving you guys the intel on each of them, and of course, I'll also be keeping an eye on Caleb. I know what happens when he goes full-on demon, but that was the doing of Drake killing him eight years ago, and he became a dark murderous vigilante after he came back from the dead.

Nico: True, and we have seen the more darker murderous side of him when facing your Dad's family members along with those four shitheads who were with your second older brother and killed Caleb.

Me: But, with you here, that darker side of your brother will be kept under control.

Travis Tackett: And we're also helping as well, we can't have Caleb getting out of control and going crazy.

Cage Blunt: Travis, you and I both know of how dangerous Caleb can get when that side of him comes out.

Lincoln: True, but thanks to the transformations you guys went through along with training with us, Caleb's gonna have a really hard time taking you guys down when that side of him emerges.

Caleb Maxwell: Shoot.

Roxy Drake: Sorry, Caleb, looks like your sister's already taking charge, and the younger sister has surpassed the older brother.

Lori: Roxy, this isn't a competition. Allie also knows that, but she also knows of how violent and dark her brother became because of her second older brother.

Luna: And what one of The Big Claw Gang members did in punching him, he lost it and he turned into a Bat Outta Hell!

Cage Blunt: He was way worse than that, but you're right on that one, Luna. Which was why we kept our distance or tried to stop him before he did something really crazy.

Eli: And I thought I was scary when I got that mad.

Lincoln: Allie and the rest of you guys will give us the rundown of which Claw Gang member we're going after tomorrow and in the following days, so that way, we'll know much more about them.

We got a shower, and then, Lincoln, Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow are heading to Orange Ocean.

Lincoln snapped his fingers, and the white-haired, 9'5", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a

lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all, and Lincoln now has Yasaka's daughter, Kunou, as his daughter as well.

Kuroka: Whoa, so this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Kuroka, and it's perfect for our first date, shall we?

Lincoln, Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kuroka: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow and they hugged the girls in their abnormally massive and powerful muscular arms and Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow are in your harem, Linky.

Kuroka, Yasaka, Irina Shidou, Ravel Phoenix, Universe 666 Raynare, Mesmeralda, Beachcomber, Mags, Eye Scream, Marsha, and Violet Rainbow showed the marks Lincoln made on the right sides of their necks.

Spyro: And it's been a while since any of our friends have joined Lincoln's harem.

Jenna: You guys had no trouble at all.

Kuroka: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Leni, Sweetie Drops and Emily Tamaki's 2nd mission.

Nico: Anyone else want to go with Leni, Sweetie Drops, and Emily? Besides Casey, Ang Leung, Cheese, and Fluttershy?

Chris Taylor: I'll go.

Skalamander: So will I.

Qin: I'll go too.

Nico: Okay.

Twilight Sparkle: Me and my friends will go with Fluttershy too.

Ed: Me and my friends too.

Cheese: Yes-ha.

Yuka: Also, what do you think of me painting the base with hot rod flames?

Cheese: No, bunnies!

Yuka: Hot rod flames.

Cheese: Bunnies!

Yuka: Hot rod flames.

Cheese: Bunnies!

Yuka:: (loudly) Hot rod flames!

Cheese: (quietly) Bunnies!

Cheese: (quieter) Bunnies!

Yuka:: (even more louder) HOT. ROD. FLAMES!

Cheese: (even more quieter) Bunnies!

WE LAUGHED!

Haruki: (LAUGHS) Cheese is funny.

Me: (LAUGHS!) Yeah he is but he has a brain the size of an amoeba and he drives our enemies batty. He's funny.

Qin: (LAUGHS) Yeah he sure does.

Eli: We all get a good laugh out of it.

Casey: Also, everytime one of our monsters was faced in the usual battles, the Animal Spirit of said monster got assigned to one of the team.

Qin: It's true.

Nico: It's awesome.

Me: Yep. My granddaughter Isabel is the chief shaman of the team and she would tell us what each of the spirits represents in the monsters and how they fit them perfectly.

Yuka: Wow that is amazing!

Haruki: That is really amazing.

Me: It sure is.

Yuka: Yeah. Skalamander how did this happen to you?

Skalamander: I wasn't always like this. I was made this way because of an accident that happened in the world I came from.

Me: It was a nanite experiment that was released because of a massive explosion.

Nico: Yeah it was crazy.

Me: As a result it turned many people into creatures called E.V.O.s. That means Exponentially Variated Organism.

Haruki: Whoa! That is amazing! Scary too.

Me: It sure is.

Skalamander: Yeah it sure is.

Leni: Yeah.

Me: They are all totally biomechanical.

Skalamander: Yep.

Haruki: Wow.

Casey Rhodes: Yeah that was cool. Anyway back to what we were talking about with me.

Haruki: What do you think my animal spirit is?

Isabel then appeared in a vortex of spirit animals..

Isabel: I can answer that.

Me: Awesome timing Isabel.

Isabel: Yep. Awesome to meet you Haruki. I'm Isabel Knudson.

Haruki: Pleasure to meet you too Isabel.

Isabel: Yep. Your spirit is the Kingfisher. They represent Freedom, Courage and Adventure. The free spirit they convey is balanced by tenacity. I think of them as graceful but scrappy.

Nico: Wow!

Haruki: That is cool!

Yuka: That is cool!

Qin: It sure is.

Isabel: Yeah it sure is.

Me: Isabel was a tremendous help with finding our spirits.

Yuka saw Isabel's scar.

Yuka: Oh man Isabel what happened to your back?

Isabel: Oh I had a nasty bacterial infection that was destroying my spine. The doctors had to replace my entire spinal column.

Yuka: Ouch!

Isabel: Yeah as a result during my recovery it's how I got my powers as a Shaman.

Nico: Yep.

Yuka: That is amazing.

Qin: It sure is.

Isabel: I know. Well see ya around.

She vanished in a vortex of Spirits.

Nico: Has anything happened since last visit?

Yuka: Well huge crystal clusters have been appearing out of nowhere. They grew almost instantaneously and people were in awe by it.

Nico: I wonder...

Me: Another embodiment is at work. And I have a feeling I know who it is.

Then the alarm went off.

Me: Uh oh!

We went to the computer and saw HYPER ZETTON attacking!

Me: Hyper Zetton! I remember him! He was in many Previous Ultraman series.

Nico: WHOA!

Eli: Lets get him!

Casey: Jungle Beast, Spirit Unleashed!

Ang Leung: Power of the Dragon!

They transformed!

Casey Rhodes: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

We were flying.

Nico: Keep your eyes peeled.

We saw him!

Me: There!

We saw HYPER ZETTON!

Nico: There he is!

Eli: GODZILLA!

Hyper Zetton roared! Then a familiar roar was heard!

GODZILLA ROAR!

(GODZILLA THEME SONG PLAYS)

Godzilla had come!

Haruki: IS THAT!?

Me: Yep. Godzilla!

Eli: He's on our side too.

Eli got on Godzilla.

Godzilla: So Hyper Zetton this time. I could use a good challenge.

Eli: Lets get him.

Haruki turned into ULTRAMAN Z!

Godzilla fired an Atomic ray blast and blasted Hyper Zetton and it exploded all over.!

NUMEROUS FIERY EXPLOSIONS!

Nico: YEAH!

Casey got out his Rider Ticket.

CHESHIRE!

He fired energy blasts and blasted Hyper Zetton all over.

Ang got out his Rider Ticket.

VINCENT CRABBE!

He fired magic blasts and blasted Hyper Zetton all over.

Fluttershy got out her Rider Ticket

CARMEN DILLO!

She fired waves of energy and blaste d Hyper Zetton.

Godzilla fired more atomic energy rays and blasted him.

Ed turned into Edzilla!

Edzilla: ED SMASH BAD MONSTER!

He went and pulverized Hyper Zetton all over.

Edzilla then fired waves of fire from his mouth and blasted Hyper Zetton all over

Rainbow Dash flew at him

ZOOM!

She bashed Hyper Zetton with devastating force with the power of the Sonic Rainboom!

Rarity, Twilight, Starlight and Applejack fired energy blasts and magic and elemental blasts.

Qin: YEAH!

Chris: Captain America, D Smash!

He summoned CAPTAIN AMERICA!

Qin: YEAH!

Qin fired waves of fire and blasted down Hyper Zetton!

Nico: Take that!

But then CRYSTAL CLUSTERS GREW IN SECONDS! They trapped Hyper Zetton.

Me: WHOA!

We saw a girl with green hair, green eyes and black clothes and wings and had a tiara with Diamondhead on it.

Me: (GASP) Penelope Petropia!

Nico: Diamondhead's Embodiment!

Penelope Petropia: (Grunts) Yep! I got this!

She fired waves of crystal shards and blasted Hyper Zetton down.

Penelope lost control and fired diamond shards at Skalamander!

He formed a wall and blocked them and fired shards and blasted her all over.

Eddy and Edd fired laser blasts and blasted her all over.

?: (ECHOING) GOD MATRIX!

Beams of energy were fired and Penelope dodged the blasts.

Me: WHOA!

ARCADIAMON SUPER ULTIMATE CAME!

Me: WHOA! Arcadiamon Super Ultimate!

Qin: WHOA! This is a powerful one!

Arcadiamon: (In a girl voice) Looks like the fun has begun.

Nico: Abigail Arcadia! Wow!

Arcadiamon: Awesome to see you again Nico. Me and my sisters will appear one at a time for this.

Nico: Cool!

I fired the antidote into Penelope and it was injected into her.

Chris charged at her and kicked her down.

Pinkie Pie, Sunset Shimmer, Starlight and Fluttershy blasted her all over.

Nico fired waves of energy and blasted Hyper Zetton and Godzilla fired Atomic blasts.

Massive fiery explosions blasted off all over.

Casey and Ang fired energy waves and blasted Hyper Zetton all over.

Chris got out his Rider Ticket.

SKALAMANDER!

He fired crystal shards and smashed Penelope.

She fired shards and they bounced off Disk Wars Captain America's shield.

Disk Wars Captain America: That only tickled.

Emily: Time to put my jumpsuit on!

She snapped her fingers and put it on. It was a purple Petrosapien Jumpsuit.

Emily Tamaki: Now wait this.

She turned into her Petrosapien form! She was ready!

She charged at her and bashed her down.

Arcadiamon reverted back and was a girl with black hair, blue eyes, black clothes, black angel wings and had Arcadiamon Super Ultimate on her forehead and skirt and had a Triple Goddess and Celtic Tree of Life on her arm and had a dark scythe in her hands.

Arcadiamon: Take this! GOD MATRIX!

She fired energy beams and blasted her down and the antidote took effect.

She was back to normal and her eyes were back to green.

Penelope Petropia: What a headache.

Nico: One down!

Me: Now to finish this one!

Eli: Lets do it!

We fired a massive energy blast and it hit Hyper Zetton and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

He was dead!

Nico: YEAH! Hyper Zetton you have failed this world!

Emily concentrated and reverted back.

Qin: YEAH!

Haruki: Emily, how did you first meet Nico?

Emily: I met Nico when we were over in school and I was walking back and Nico saved me from being attacked by muggers.

Nico: Yeah I smashed their faces in and sent them to the cops.

Emily: Yep.

Haruki: Cool.

Leni: That is totes amazing.

Me: Yep.

Abigail Arcadia: That is awesome.

Me: Yep. And Abigail I noticed you have the Wiccan symbols of the Triple Goddess and the Celtic Tree of Life on your arm.

Abigail Arcadia: Yep. My ancestors were both wiccans and healers in Salem. I come from a long line of them.

Me: Awesome. Do you have any favorite memories of Nico?

Abigail Arcadia: I sure do. When me and Nico went and stopped a group of terrorists and I used my magic to teleport them to prison and it was fun.

Me: Cool.

Leni: That is amazing.

Nico: Yep.

Nico and Abigail hugged.

Nico: I've missed you.

Abigail Arcadia: Same here.

* * *

We came home.

May: Hey guys. How did it go?

Me: Really epic!

We told them everything.

Camie: Cool! Wow that is awesome!

Nico: Yep. Next time, Ruby, Ryotaro, Takanuva, Sword Roidmude, King Hiss, and Prince Diamond should come.

Lincoln: Good idea.

Xenia: Yep.

Qin: Yeah!

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Sweetie Belle went to go get a drink.

Then she saw NUMEROUS Tubs of ice cream eaten.

Sweetie Belle: Oh no. Sis is crying again!

Me: Uh oh! Ice cream gone?

Sweetie Belle: Yep.

Scootaloo: Oh boy.

We went to Rarity's room.

Rarity: [crying] [nomming]

She was crying hard as jets of tears flooded her room and she was DROWNING HERSELF in ice cream.

Rarity: (BAWLING HARD)

We came in and then a massive flood of tears poured out of her room.

Me: Jumping Strawberry Cakes!

Erza: Where!? Did you say Strawberry Cake?

Me: Erza Rarity is in trouble

We went in.

Nico: Tear Cleanup on aisle 12!

Me: Rarity? Are you okay?

Nico: Yeah.

Rarity: I can't come up with any ideas! (HYPERVENTILATING) I feel like I'm losing my sparkle! I tried to come up with a good fashion line! But I CAN'T THINK OF ANYTHING FOR IT! (BAWLING)

Me: Rarity you'll think of something.

Camie: Yeah!

We got the tears cleaned up.

Me: Hmm.

I got to thinking.

Me: I got an idea!

I was making 70 dresses!

I was using my magic and using a lot of fabric and materials and making 70 dresses.

Qin: What kind of dresses are you making?

Me: You're going to see shortly.

I made all kinds of clothes.

Me: And done! Okay I call these Fashions of the 10 Holidays. I made ones for New Years Day, Valentines Day, St. Patricks Day, Easter, Earth Day, Summer Solstice, 4th of July, Halloween, Thanksgiving and Christmas. 7 dresses for each of the 10 holidays.

Apple Bloom: Nice!

Rarity: (GASP) Why these are absolutely QUITE FETCHING AND BRILLIANT! J.D. YOU ARE A GENIUS!

Xenia: Wow! Those are magnificent!

G1 Bombshell: These are really good!

Me: Thanks. I figured since Valentines Day is coming up I thought it would be fitting.

Camie: Cool!

Nico: Lets get these tubs of ice cream cleaned up.

Scootaloo: Good idea.

We got them cleaned up.

Ace: Geez Rarity eats all this ice cream when she gets upset?

Nico: Unfortunately, yes

Rarity: I have a really dreadful habit of being too overdramatic whenever something comes up.

Sweetie Belle: Yeah my sister gets like that some times.

Me: Yeah we've seen how she gets sometimes. Been that way for her sometimes. We've seen how she gets ever since she and her friends joined us after the Great War with The Royal Defenders.

Qin: Yeah.

Ace: Yikes.

Qin: Yeah.

Me: And she eats lots of tubs of ice cream.

Xenia: Yeah.

Lori: I literally know the same feeling myself. I get that dramatic too.

Leni: I totes do too.

?: Boy that must take a lot of money.

We saw a girl with green and blue and aqua green hair, blue eyes, blue clothes, blue green angel wings and had a tiara with Gigabolt Man-O-War on it and on her skirt and she had a Sea Wasp Jellyfish on her arm and had a moon sword in her hand.

Vanessa Irukandji: Vanessa Irukandji, Embodiment of Gigabolt Man-O-War and Gene-slammer of the Sea Wasp Jellyfish.

Brittney: Vanessa! Been a while.

Shannon: Awesome to see you.

Vanessa Irukandji: Same here Brittney and Shannon: Been a while.

Perceptor: How did you meet Brittney and Shannon?

Vanessa Irukandji: I met them when Brittney and Shannan were destroying more hideouts of an evil Satanic Cult. It was called the Dark Necro-Order.

Me: Whoa! I've heard of them. They were a dangerous Satanic Cult that was trying to bring the Devil to Earth.

Vanessa Irukandji: Yep. And I helped them destroy them forever.

Xenia: Good riddance.

Shannan: Yep that was awesome.

Me: Yep. Would you like to join us?

Vanessa Irukandji: I would be honored.

Sissi: Erza, why did you ask about Strawberry Cale?

Erza: I love Strawberry Cake. I can't eat enough of it.

Lucy Heartfilia: Yeah its been her favorite food for her for as long as she can remember.

Me: And if they mess with her food... (Throat slash gesture)

Erza Scarlet: You got that right J.D.

Sissi: ...I see.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Eric Williams A.K.A. Grim Reaper, and he's on the move and causing trouble. When we saw it, we knew it meant big trouble.

Lincoln, Nico, and me: Uh oh.

Eli: Looks like we got trouble.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: it was none other than Eric Williams A.K.A. Grim Reaper, and he's on the move and causing trouble.

EVERYONE GASPED!

Travis Tackett: You're not going to like this guy one bit: he's the older brother of Simon Williams A.K.A. Wonder Man, but unlike his younger brother, he's a sociopath and with differences of how they grew up, while Simon was well educated by their mother, Eric was abused by their father, resulting in him becoming a thief, and when their father died, he left the family company to Simon, while Eric got nothing.

Lincoln: And jealous of his brother's success, Eric was more than happy to manipulate Simon into embezzling money from the company when business began to fail. He became the villain Grim Reaper after his brother died saving the Avengers, and during his descent, he created a hi-tech scythe which serves as his right hand and it's capable of firing concussive plasma blasts which fires blasts from the handle equivalent to 100 pounds of TNT, and it's equipped with an Encephalo-Stunner which by touching the end of the shaft against a living target puts them into a coma that is fatal after three hours, along with an Anesthetic Gas Spray capable of rendering all that breathe it unconscious for 20 minutes, and it also turns into a high-speed buzzsaw as the blade can rotate at over 6000 RPM, which can provide a bullet-deflecting shield, or a low-power helicopter that will negate falling damage from nearly any height.

Nico: Not good.

Cage Blunt: Does he have ties to HYDRA as well?

Captain America: He does, he happens to be one of their mercenaries.

Eli: So, what do we do with this sociopath?

Lincoln: We're going to take him down and throw him to Vypra, she'll straighten him out.

Nico: Good idea, but he won't go down without a fight.

Me: Well, we'll beat him down and make him surrender. Where's he at, Lincoln?

Lincoln: Scans show he's in New York.

Me: Then, that's where his spree ends here.

Nico: You said it. Alright, team, let's get going and take down Eric Williams and send him to Vypra.

Lincoln: That sociopath's rampage ends here, and soon, he'll be condemned to eternal servitude to The Masters of Evil.

The previous group came.

Killer Shrike: Can me, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Mummy, and Diabolico go with you guys?

Nico: Yes you all can come with.

Lola: Awesome.

Me: Cool.

Omaima Lexington: Yeah! (LOUD FART) Oops pardon.

Block Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Snimon next.

Qin: Cool!

Lola: Sharp.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Morg the Executioner, the former herald of Galactus, and he's come to destroy The Silver Surfer and us as well. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Morg the Executioner, the former herald of Galactus, and he's come to destroy The Silver Surfer and us as well.

WE GASPED!

Nico: Oh man.

Me: I've heard of him: once, he was an executioner and herald of Galactus, but eventually, he became an extremely powerhungry monster obsessed with destroying Galactus' heralds and his former master himself.

Ashley Cananga: I'm not letting a monster like that live any longer, he's going to die here and now and be absorbed by Lincoln.

Lincoln: Right, Ashley, but we can't underestimate him.

Nico: He's right, being a former herald of Galactus, he's incredibly dangerous and powerful. Alright, team, let's go, we're off to New York to take down Eric Williams A.K.A. Grim Reaper.

Lincoln: And condemn him to eternal servitude to The Masters of Evil, and once we get done with him, you're next, Morg the Executioner.

Ashley Cananga: Everything you've done in your quest of destroying Galactus' heralds and his former herald, The Silver Surfer, and your former master, in your obsessive desire for power can never be forgiven, Morg the Executioner. We'll make sure you pay for all of your crimes after we get done with Grim Reaper.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to New York to take down Eric Williams A.K.A. Grim Reaper and send him to The Masters of Evil, and once we got done with him, Lincoln and Ashley Cananga along with me and Nico are going to destroy Morg the Executioner.

We were off to New York City.

We arrived.

Wolf: Good old New York

Me: Yep.

Qin: Awesome and fun.

Camie: It sure is.

Sandman: What should we do while waiting?

Nico: Hmm.

We got to thinking.

Horsea: Let's go on that kiddie ride!

We saw a ride with snail rides.

Lola: Cute.

Nico: Yeah.

Jonny 2X4 and Plank were having fun on them.

Maria: Let the mascots have a turn

Jonny: There's 4 more rides.

Nico: He's right.

The mascots each got on one.

Captain Boomerang: (Australian Accent) Here are some coins

Poromon: Thanks!

They got one and put thrm in and they were riding.

Poromon: Wee!

Poliwag: Yeah!

Bone Chompy made a chomping sound.

Me: They are having fun.

Lola: Yeah.

Crimson Dynamo: (Russian Accent) You guys enjoying yourselves?

Poromon: We sure are!

Manaphy: Yeah!

Lincoln: Cool!

But then Lincoln had a premonition. Just as he saw it he had HEARTS IN HIS EYES AND GOT LAUNCHED BY A HUGE NOSEBLEED!

LIFTOFF!

He flew and crashed into a tree!

SMASH!

Nico: WHOA!

Qin: GEEZ!

Stone Man: Normally, your premonitions don't give you nosebleeds!

Me: This one did!

Lincoln: Yeah! It's because we're going to face Ruby Rose's Hypothetical Akuma next. Her name is Rose Seducer. She's The Hypothetical Akuma of Ruby Rose who is a powerful and super hot voluptuous seductress and a deadly master of the roses. Like the mermaids of the Dark Side of the legend, she can lure people in with her charms and then kill them with poisonous rose dust. She was made when Raven Branwen killed her mother and she vowed to make sure that monster pays for her crimes.

WE GASPED!

Lincoln showed a sketch of her and she was a smoking hot girl with red hair, red eyes and had a red bikini and had a voluptuous body and her legs were a giant rose! She had Ruby Rose's emblem on her belly.

Me: Hubba Hubba.

Shiva: There must be a mistake. The Raven Branwen we know would never kill Summer!

Yang: Actually Ruby knew it was her and she forgave her.

Camie: Oh. But she was brought back by the Aparoids.

Yang: Yeah after that as we were catching up with Aunt Summer, I told Ruby and she forgave her.

Me: Well that's a HUGE relief.

Ruby Rose: It sure is.

Long Haul: We actually have Deker with us already

Me: That's good.

Deker: It sure is.

Qin: Yeah.

Eli: I sense that she is in Central park.

Nico: Lets head there.

We were off.

We later arrived.

Billy Numerous: Here we are.

Me: Yep.

Then we saw NUMEROUS PERVERTS go flying and they landed in front of us.

Nicole: GEEZ this Akuma must have really powerful charms.

Qin: Yeah.

Lola: And there she is.

We saw her.

Lincoln: (POING!) (WOLF WHISTLE) (HOWLS) (WOLF WHISTLES)

He was doing funny Tex Avery McWolf Wild Takes!

Me: (LAUGHS) Those Tex Avery Wild Takes always crack me up!

ZOOM!

He went at her and sat by her.

Rose Seducer: Well hey Lincoln big boy. Like what you see?

Lincoln: Yeah hubba hubba.

Rose Seducer: You are just as cute as ever.

She stroked his chin.

TOING!

STEAM CAME OUT OF HIS EARS.

We went over.

Divebomb: Ruby, that IS you, isn't it?

Yang: You still recognize us, right?

Rose Seducer: How can I not recognize you all.

Ruby Rose: My Akuma is one amazingly hot bombshell. I look beautiful and amazing.

Rose Seducer: Yeah I know.

Me: You sure have charmed Lincoln.

Yang: (LAUGHS) Yeah you sure did.

Rose Seducer: Yeah. I see mom is back. I'm glad about that. Is Raven with you?

Me: She's back at M.O.E. HQ. But Ruby forgave her long ago. You don't have to kill her anymore.

Deker: Ruby, you need to stand down. Before I'm forced to do something I really don't want to do

Rose Seducer: I will stand down as long as Linky here gives me a kiss.

Ruby Rose: Looks like Rose Seducer is being added to the harem.

Me: Oh yeah.

Lincoln: DEAL!

Lincoln then kissed her.

Lincoln: Whoa can I get some fries with that delicious shake?

Rose Seducer: Yes you can.

She kissed him more.

Me: (LAUGHS) Lincoln you charmer you.

Lincoln then bit her like he does with all his future wives and she got a choker like they all did.

Lincoln: You're now in my harem.

Me: Yep.

Rose Seducer: Cool. But we know the drill by now. So, show me what you got!

Deker: My pleasure!

Lincoln got out of the way.

Me: Here we go.

Deker fired waves of lightning and blasted her.

Lincoln: Sorry about this Rose.

He fired lightning blasts and electrocuted her.

Deker got out his blade and fired blades of energy and smashed her down.

Qin: Nice one!

Me: Yeah!

Rose Seducer: Let me show you what else I can do!

She fired rose fire and we dodged it.

Me: WHOA! Rose Fire! Nice!

Deker swung his sword and she ducked and I fired a wave of fire and blasted her and she was knocked out.

Me: Sorry Ruby.

Lola: That was fun though.

Nico: Yep.

Ruby: Crimson, wanna come with me on the next Ambassador mission?

Magma Man: That's a good idea

Crimson Rose: I would like that sis.

Me: Cool.

Qin: Yep.

Rose Seducer: That will be fun.

Eli: Yep. It sure will.

A figure came out and it was POLLENATOR From episode 11 of Zeo!

Pollenator and Adrian were created from Rocky's mutant plant by King Mondo. They are hesitant to follow orders from Mondo at first, but they oblige when they are threatened. They refer to each other as cousins and they care for each other.

They attack the junk yard and were intercepted by the Zeo Rangers and fought the five. The cousins proved to be more than a match for the Rangers but Adrian messed up a team attack and they began to squabble which forced Mondo to withdraw them.

After some arguing themselves, it was determined that Pollenator would take on the Rangers alone. They initially refused but Mondo threatened Adrian with Cogs and forced Pollenator to obey.

He attacked Rocky when he was alone and put a spell on him that would turn Rocky into a plant since they considered him their father of sorts.

Later on, whilst the other Rangers were lamenting Rocky's defeat, Pollenator attacked the city and they are forced to intercept him.

After Rocky was restored, he joined the other Rangers in their fight against Pollenator, and told them to load pure oxygen into their Advanced Zeo Laser Pistols. This destroyed Pollenator.

Rocky: Pollenator!

Pollenator: Hello Rocky.

Me: I remember you! You were made from Rocky's plant and you were forced to try and destroy the rangers.

Pollenator: That's right. Good memory.

Me: Yep.

?: I will destroy you all for what you did in killing Galactus, Team Loud Phoenix Storm, he was mine to destroy!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Morg, or we will force you out.

A massive muscular figure came out, and it was none other than Morg the Executioner.

Silver Surfer: Morg, I should've known you'd show up here.

Ashley Cananga: But, this is where it all ends for you.

Suddenly, Ashley Cananga's green eyes turned neon green and she was surrounded by a green energy aura with stars, leaves, earth, earth magic, green Cananga trees, phoenixes, and angels, she unholstered her massive earth greatsword, and as she approached Morg the Executioner, she left green energy, stars, leaves, earth, earth magic, green Cananga trees, phoenixes, and angels with every step.

Ashley Cananga: You really make me sick to no end, Morg, first, you served Galactus as his executioner, but then, you betrayed him and tried to destroy the heralds and your former master himself in your insane desire for power. That's the last straw, now, we're going to destroy you once and for all and make you suffer the same fate as your former master.

Suddenly, Ashley Cananga was surrounded by a massive vortex of green energy with stars, leaves, and earth surrounding the vortex, there are green Cananga trees, phoenixes, angels, and Aromage Cananga flying around the vortex, and in the vortex is a blonde phoenix with blood red eyes glaring at Morg the Executioner: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Uh oh, now things are really going to get messy.

Lincoln: Yep, but Morg the Executioner's had this coming not only for his service to Galactus, but also, for his obsessive desire for power, and now, he's about to pay the price.

Then, as the vortex faded, Ashley Cananga emerged, but she was changed forever.

Ashley Cananga grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large green planets orbiting around her legs and fifteen smaller green planets orbiting around her waist, she has the body of a goddess, she has green highlights in the bangs of her long blonde hair and green hairband with green phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, leaves, earth, earth magic, green Cananga trees, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Aromage Jasmine emblazoned on her forehead and Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Star, Earth, and Eternity Kanjis in their talons, she also has Aromage Cananga with green gems for eyes and holding the Star, Earth, and Eternity Kanjis in his hands for the second pendant on the bottom of her green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and green gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Ashley Cananga felt a sharp pain on her back, and then, her massive green angel wings with light green tips on the large green feathers grew much larger for her new body with a wingspan of 20'0" and medium sized green angel wings with light green tips grew and sprouted out underneath her massive green angel wings with a wingspan of 15'0" and small sized green angel wings with light green tips grew and sprouted out underneath her medium sized green angel wings with a wingspan of 10'0" that all gave off the scent of Cananga trees and she now has eleven massive and long blonde wolf tails with green tips and green markings, Ashley Cananga has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by Ashley Cananga's Super Angel-Aromage Cananga-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Morg the Executioner saw it, he went ballistic and charged at her with his axe to kill her, but Ashley Cananga fired a massive barrage of green energy, stars, leaves, earth, earth magic, green Cananga trees, phoenixes, and angels which hit Morg the Executioner and sent him flying into a wall, he got back up, but he was really really angry now.

Me: Wow, Ashley's transformed, and the scent of Cananga trees her angel wings are letting off is even stronger than ever.

Lincoln: She did, now, we can tear Morg the Executioner apart and make him pay for everything.

Ashley Cananga, Lincoln, Nico, and I went after Morg the Executioner, and we fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Morg the Executioner and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Ashley Cananga also did the same by firing green energy slashes from her massive greatsword and gold-plated dragon claws, and he, Ashley Cananga, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making Morg the Executioner even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end this.

Lincoln disarmed Morg the Executioner of his axe which was absorbed by his massive greatsword and he turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Morg the Executioner and he began absorbing him and he assimilated Morg the Executioner's Power Cosmic, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhumanly Dense Tissue, Superhuman Durability, Superhuman Agility, Superhuman Reflexes, Regenerative Healing Factor, Flight, and Energy Projection and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Morg the Executioner except for his clothes and he was sent to The Black Abyss forever. Everyone cheered wildly for what Ashley Cananga, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Ashley Cananga's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green planets orbiting around her legs, fifteen smaller green planets orbiting around her waist, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings and small sized green angel wings underneath her massive green angel wings are permanent.

Ashley Cananga: It's all over, you powerhungry monster, now go join your master in The Black Abyss forever. Thanks for helping me take down Morg the Executioner, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Ashley.

Me and Nico: Our pleasure, Ashley.

Suddenly, Ashley Cananga wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ashley Cananga's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Cananga flying in the air, and we saw a herd of Buffalo and many animals running across the field and earth and the sudden growing of Cananga trees and elemental forces behind them and we cheered wildly. Then, Lincoln and Ashley Cananga sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that monster and Lincoln absorbed him.

Me: And sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person: Carrie Estevez Salazar, Gene-Slammer of Vennominon the King of Poisonous Snakes.

Lori Estevez Salazar: (GASPS) One of my many sisters who are also masters of snakes and poison?! Wow!

Selene Arcangela: Oh man, I knew you'd choose her, and you guys are going to love meeting her, Carrie Estevez Salazar is Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Carrie is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LYNN WITH A BLAZING PASSION BECAUSE THAT FOUR-LEGGED AGGRESSIVE BELCHING FARTING PEA-BRAINED MONSTROUS GORILLA TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT CARRIE CLOBBERED LYNN

HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Just like her eldest sister.

Lori Estevez Salazar: That's right, my sisters and I really hated Lynn with a blazing passion because of what she's tried to to Lincoln.

Me: How many sisters do you have exactly?

Lincoln: I can answer that one, she's the eldest of eleven sisters who are also Gene-Slammers of the Venom Duel Monsters and are masters of snakes and poison and have fangs that inject a very powerful and lethal poison into someone's bloodstream where there is no cure at all, and all of them hate Lynn with a blazing passion.

Nico: WHOA!

Me: Yikes!

Eli: Mess with them, and you're automatically dead.

Number 7: Another recruit added to our ranks.

Key: Well said.

Me: Yep.

Radioactive Man: (to Pyrrha) You should be proud of Ruby today.

Pyrrha: Oh I am.

Greiger: So, what now?

Horsea: I wanna ride on the kiddie ride again!

Puff: Wait? Kiddie ride?

Nico: I think that can be arranged. Great job today everyone.

Ruby Rose: (To the viewers) Now we have another awesome recruit for the M.O.E.

Me: Yep.

Qin: Yeah.

We had the mascots have fun on the rides and then we went back home and enjoyed the rest of the day and went to sleep.

The next chapter is gonna be where we face a clone of Tantrum from Static Shock and it's gonna be cool.

See you next time.

EDZILLA VS TANTRUM

This is where we battle a clone of Tantrum from Static Shock

In the early morning hours at 1:53 AM, Lincoln had a dream, and he saw three figures hiding out and living in Wave Ocean. But, this was no ordinary three figures, they were Callie Loud, the daughter of Lincoln's future wife, Live Action Arcee. Lightscreen, An Aquatic Serpentine. and Dreadnought, a Dreadnoughtus. Lincoln woke up from the dream, but he wasn't the only one, Live Action Arcee, King Khan, Ivy Loud, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Live Action Arcee: And it also means that we found out where our daughter is at.

Ivy Loud: Along with an Aquatic Serpentine and Dreadnoughtus.

Me: There at Wave Ocean.

Nico: A tropical beach near Soleanna New City? Oh man, that's not good.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Black Alpha, Live Action Arcee (Who has a human disguise), King Khan, Icy Loud, Me, and Nico were heading to Wave Ocean. Then, Lincoln saw a 14-years-old indian american girl who has light tan skin, dark brown eyes, and brown hair with light brown tips. She wears a pink striped shirt with a purple and light pink flannel shirt, gray jeans, and a pair of black and white checkered slip-on vans. A Giant 30 feet tall aquatic Serpentine with a primarily cream-colored body. Has light blue eyes with white pupils with long pinkish antennae above them. Additionally, there's long hair-like fins above the eyes, which begin thin and thicken towards the tips. The eyebrows extend to almost half of the body length and on top of the relatively small head is a straight spike. Running down either side of the neck are three black dot-like gills. The tail consists of four blue fins with pink ovals in their centers. Each of the tail fins overlaps the next slightly resembles a fan. And a Giant 30 feet tall Dreadnoughtus with dark tan blue with tan pale skin under the belly and stripe marks above the topside, and has dark emerald eyes with black pupils in the center. Lincoln saw who they were, they were Callie Loud, Lightscreen, and Dreadnought.

Lincoln: Excuse me, are you Callie?

Callie Loud: (Indian Accent) Yes. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Live Action Arcee (who's human disguise ia A strong and popular 18-years-old tomboyish Biker Girl who has pale skin, blue eyes, and long orange hair with dark pink streaks. She wears a pinkish sleeveless shirt with a Autobot symbol on it which shown her bellybutton, black jean with pair of three holes, a pair of black boots with pinkish slides, and she also has right golden jewelry serpentine shoulder band-like and left pinkish wrist band.) came out, and when Callie Loud saw her, she was stunned. And when Lincoln saw Live Action Arcee's human disguise, he had a atomic red blush on his face, hearts in the eyes, his nose was bleeding.

Callie Loud: (Indian accent) Mother?

Live Action Arcee: I'm here, sweetie.

Callie Loud ran up to Live Action Arcee, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Black Alpha, King Khan, and Ivy Loud.

Lincoln: And there's something you should know, Arcee, your mother is one of my many future wives.

Callie Loud: (Indian) Does that mean...you're my father.

Lincoln: (smiled) What else I wouldn't be?

That filled Callie Loud with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lightscreen: (sighs sadly) I wish I had a family.

Dreadnought: (to Lightscreen) But you still have me, my love.

Lightscreen: I know, but still.

Ivy Loud: Dad, can Lightscreen be part of your kids? She looks lonely.

Lincoln: Hey Lightscreen, Care to join the family?

That filled Lightscreen with joy, as she picked Lincoln up and they hugged as well.

Live Action Arcee: And thanks for helping me find a human disguise, Linky. I look like a real biker babe.

Lincoln: (Smiles Warmly) You're very welcome, Arcee.

Suddenly, Lincoln wrapped his massive and powerful muscular arms around Live Action Arcee and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Live Action Arcee still has a red blush on her face with steam coming out of her ears.

Live Action Arcee: (In Heaven) Whoa! What...A...Kisser.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Callie Loud and Lightscreen to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Live Action Arcee with her daughter, and Callie Loud and Lightscreen now has a loving, strong, brave, and caring father in their life.

Ed was snoring loudly as he was sleeping.

LOUD SNORING!

Ed's alarm clock then went off.

Ed: (YAWNS)

Ed woke up to see Muk staring at him

Ed: Oh good morning Muk.

Muk: Morning Ed. Time for breakfast.

Ed: GOODY GOODY!

Ed went and got dressed and went to the table and I made him his favorite.

Me: Morning Ed. I made your favorite. Buttered toast with Gravy cakes and roast turkey covered in gravy and stuffed with it.

Ed; OH BOY!

EATING NOISILY!

Eddy: (LAUGHS) He loves his gravy.

Nico: (LAUGHS) Yep.

Later it was time for another awesome rescue. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 11,362.3: The U.S.S. Valorous Phoenix is en route to another amazing food planet that will be for another amazing rescue worth remembering. We are heading to this world located in the galaxy gluster called the Bullet Cluster located 3.62 billion lightyear from Earth. This will be fun.

Nico: This will be awesome and fun.

Laney: I'm really looking forward to this one.

Nico: Me too.

Lana: I'll say.

Me: I have a feeling this is gonna be an awesome planet.

Camie: I have that feeling too.

Nico: It's gonna be a while before we get there so we might as well enjoy the trip.

Nicole: Agreed. Because it's so far away.

Nico: Trista, I want to thank you, the Psycho Rangers, and your teams for coming

Sailor Pluto: No problem Nico. This will be awesome and cool.

Penelope Pluto: It sure will be fun.

Camie: I agree.

Nico: Penelope, what do you like to do in your free time?

Penelope Pluto: I like to teach everyone in the museum about Pluto and all that.

Me: That's cool! Especially with seeing those awesome images that the New Horizons Satellite showed us.

Camie: Those were really cool.

Varie: They sure were.

Nico: Those were really awesome to see

Maria: Although Pluto wasn't considered a planet for some time.

Nico: Yeah.

Me: It was classified as a Dwarf Planet now.

Lola: Yeah.

Camie: Yeah.

Me: Sad but true. But now it is a planet. And for over 85 years we had no idea what it looked like back then. Not even the Hubble Space Telescope got good image of it.

Camie: Yeah but now the New Horizons satellite got those images.

Qin: It sure did.

Varie: Yeah.

Me: Yep.

Spiderman: I agree.

Me: Yeah.

Maria: We seriously didn't consider to go after him before yesterday

Qin: I know.

Camie: Because we were too busy doing stuff.

Me: I know. Also it was fun facing him.

Ruby Rose: Yeah it was awesome.

Lola: It sure was.

Nico: We DID fight his UA counterpart first.

Me: Yeah we sure did.

Sydney: I remember that. That was awesome.

Lola: Yeah but not the Prime Universe version.

Me: True.

Qin: Yeah.

Ruby: It was fitting because we both use scythes!

Nico: Yep.

Me: And me too because of my scythe usage too.

Lola: Yep.

Me: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at what looked like a desert planet.

Nico: Here we are!

Me: Looks like a desert planet from up here.

Nico: Yep. Lets land.

We got to landing.

We then got out and saw that the planet was really a FOREST PLANET! But the planet was made entirely of Dango Dumplings and Ramen lakes and rivers!

WE GASPED!

Me: It's a Dango and Ramen planet!

Nico: Amazing!

Naruto and Anko were drooling!

Naruto: RAMEN!

Anko: DANGO!

Me: (LAUGHS) Naruto and Anko are in heaven!

Qin: They sure are!

Lola: Oh boy!

Me: Lets eat!

Nico: Dig in, guys!

We got out and went to eat.

I picked some dumplings and ate them off the stick.

Me: Mmm! (Eating) Boy just as good as the ones back home.

Qin: Yeah!

Laney was eating ramen from a pond.

Laney: (Slurping) Delicious!

Naruto was eating a lot of big bowls of ramen.

Anko was eating lots of Dango dumplings.

Nico ate some.

Nico: (Eating Dango) Mmm! Boy these are good.

Camie: No kidding! (Eating Ramen) (Slurps) Yummy!

Hinata was eating lots of bowls of ramen.

Nico: (Eating) Mmm! Boy I forgot that Hinata is the Queen of Gluttony.

Ace: Is she really?

Me: Yep. In 150,000 years Hinata became the Queen of Gluttony in an eating contest. She ate 46 bowls of ramen.

Ace: Are you serious!?

Me: I'm not kidding Ace. She ate that much.

Ace: WHOA!

Qin: Yeah no kidding.

Maria ate some ramen.

Maria: (Eating ramen) (Slurps) Delicious.

Qin: Yeah!

May: I'll say!

Naruto: (Eating Ramen) It sure is good.

Me: Yeah! Just imagine if we encountered a planet made of the Curry of Life.

Naruto: Man Bushy brow would love that!

Ace: Bushy Brow?

Me: Naruto's nickname for Rock Lee.

Ace: Oh.

Qin: Yeah.

Ace: What is the Curry of Life?

Me: A Special Curry that saved Lee's life in that time. When Lee was starting out as a Genin, Guy Sensei had him on an awesome training regimen. They were training so hard and they were even running in their sleep.

Ace: Wow! They must've really been training hard.

Me: They were. Lee collapsed from exhaustion in front of Sancho's shop and she and her grandson Kirashi made the Curry of Life. It was made of all kinds of nuclear hot spice and he ate it and pow! Saved him.

Naruto: Yeah Bushy Brow said it saved him big. He is indebted to it.

Ace: That is amazing!

Lola: It sure is.

May ate some Dango and Ramen.

May: (Eating) Mmm! I like both ramen and dango together. It's awesome.

Me: It sure is.

Nico: I agree.

Anko: Yeah I agree there. For years me and Naruto were in a battle to decide which was better.

Naruto: Yeah and eventually we came to an agreement and we like both ramen and dango.

Lola: That is cool. I'm glad you came to an understanding.

Naruto: Yep.

Nico: ALL foods are good.

Me: Yeah.

Qin: Boy Lee worked too hard back then.

Me: Yeah.

I was eating Ramen and Dango and the bowls and sticks were piling up.

Anko: (Eating) Man these are really good!

Lola: Yeah they sure are.

Nico: I agree.

Me: Yep.

Boruto: By the way Uncle J.D. how did you like Lightning Burger?

Me: It was really awesome Boruto. Wow and the menu there is amazing.

Nico: What kind of burgers were there?

Me: They had thousands of kinds of burgers there. Too many to list but it was awesome.

Nico: Cool!

Me: Yeah and Boruto loves the nuclear hot flavors. The kid is a true spice demon like me.

Nico: No doubt about it. I've seen how much he loves the super spicy stuff.

Me: Yeah. I saw him eat the spiciest kind of ramen we have at Lynn's Table.

Nico: What was that called?

Me: We call it the Chernobyl Death Ramen. It's made with a powerful blend of spice that is so deadly that it can kill you.

WE GASPED!

May: Is it really that deadly!?

Naruto: It sure is May. I almost fainted from it!

Nico: SHIT!

Qin: Yeah.

Me: But Boruto has an iron mouth and stomach like me. My dad always calls me Mr. Iron Mouth.

Nico: (LAUGHS) No doubt there.

Maria: I agree.

Qin: Yeah.

Nico: Boy that is awesome.

Lola: Yep.

Later we were full.

Camie: Ahh!

Qin: Man that was awesome.

Nico burped.

Nico: Oh pardon me.

May: Boy that was awesome.

Me: Yeah it sure was.

Maria burped.

Maria: Excuse me.

Qin: No problem.

Nico: Boy that was so good.

Laney: It sure was. I'm amazed we found this planet so far from home.

Me: I know.

Naruto and Anko belched loudly.

Me: Looks like they are stuffed.

May: It sure looks like it.

Me: Yeah.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on the Dango and Ramen planet, but here's the really dangerous part: we got word that another Evil Sasuke has been sighted here.

Me: WHAT THE ABSOLUTE FUCKING HELL?!

Nico: You've got to be fucking kidding!

Eli: Oh, great, now we got another Evil Sasuke running loose?! Can things get any worse?!

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than The Legion of Lincoln Haters and their lowlife fathers, The Blood Dragons, brought back from the dead and they're back for revenge on us again.

Lincoln: Why, that little...! J.D., Nico, can somebody spray Eli with water?!

Me: Lincoln, what's wrong?

Qin: Oh God, which of Morgana Midnight Sparkle's resurrected minions are coming after us now?

Lincoln: Morgana Midnight Sparkle and the other Midnight Princesses have resurrected The Legion of Lincoln Haters and their lowlife fathers, The Blood Dragons.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, now that bitch has resurrected that group of monster bitches and their total lowlife fathers!

Nico put his skeleton back.

Nico: I hate when that happens. But, I can't believe what you just told us.

Eli: And I'm also in trouble, aren't I?

Me: Yep.

Nico and I had water forming in our hands and we fired the water and Eli got sprayed hard by the blasts.

SPLASH!

Me: Sorry, bro, but when you say that phrase, "Can things get any worse?!", it always means big trouble.

Nico: Now, in addition to dealing with that monster, now we got to deal with that group of monster bitches and their total lowlife fathers again!

Suddenly, Ariana Aegis VII, The Keyblade Knight of Aegis VII, appeared from a tornado of darkness.

Ariana Aegis VII: That'll be left to me, because I'm also going to show that in addition to the powers of darkness and the power to drive evil people insane, I too also have all the terrifying and murderous powers of all the Necromorphs from the Dead Space Games as well as the power to make people do evil and crazy things, but only on those that have it coming, and I can use the powerful and dangerous psychic energy The Brethren Moons have and invoke murderous insanity on people as well as make them kill each other and then reanimate them as her slaves to do her bidding and then summon them whenever needed, just like Xenia Xiyoega XIX A.K.A. Sailor Xiyoega.

WE GASPED!

Me: Wait, Lincoln told us about that.

Lincoln: That's right, plus, she's also going to use it on one specific person whom you hate so much, J.D.: Mercer and the resurrected Unitologists when we go after them on a later date.

Me: (GASPS) Anti-Monitor's also...?! I can't believe him, that fucking bastard!

Nico: I can't believe he did that. But, that's an awesome idea, Lincoln. In fact, they should see the true nature and horror of what they've been worshipping before they're consumed by the murderous insanity caused by Aegis VII's Keyblade Knight and die a horrible bloody death by their own hands.

Lori: I literally can't believe that another Evil Sasuke has been sighted, and on top of that, Brianna Greyson and her monster bitch horde along with their lowlife fathers, The Blood Dragons, have come back, thanks to Morgana Midnight Sparkle. I hope they're ready to die once again.

Lincoln: But, it'll be at their own hands when Ariana Aegis VII uses her power on them.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, Hawk, and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Evil Sasuke) AHA! Gotcha! I just spotted Evil Sasuke, he's 20 yards away, but the strange thing is, he's waiting for us. We better keep our guards up, there's no doubt the one waiting for us is actually a substitution. (Sensed The Legion of Lincoln Haters and The Blood Dragons) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Let's get them.

Robin heard a Pokemon cry.

Robin: Look here guys.

We saw a Swellow!

Me: Whoa a Swellow.

Robin: Wow.

Swellow: Awesome to see you all here.

I gave it some food.

Swellow: Ahh needed that.

Me: You're welcome.

Robin: Want to come with us?

Swellow: Sure!

Me: All right then. You won't regret it!

We then took off into the air and we set our sights on Evil Sasuke and destroying The Legion of Lincoln Haters and The Blood Dragons forever and sending them to The Black Abyss.

Poromon flew next to Swellow

Poromon: Awesome having a fellow bird with us.

Swellow: It sure is awesome.

Camie; Yeah.

We were flying in the air, and we spotted our target: Evil Sasuke, and like Lincoln said, he's waiting for us which was suspicious.

We carefully landed.

Lincoln: There's Evil Sasuke, now we need to see if that's either the real thing or if that's just a substitution.

Nico: Right.

We carefully approached Evil Sasuke, but then, it vanished.

Lincoln: I knew it, it's a Substitution.

Me: Again with that?

Nico: Yeah.

?: YOU MOTHERFUCKING CUR!

Me: Yeah, fuck you too, shithead!

We then saw Evil Sasuke heading right for me, but before he could, Caleb Maxwell grabbed him by the neck with one of his eleven massive and long black wolf tails and he threw Evil Sasuke into a nearby ramen waterfall, he got out, but now, he was even more mega pissed if that was even possible.

Evil Sasuke: Out of my way! That cur must die!

Me: Not if I kill you first!

Then, Caleb Maxwell fired a bullet that hit him in his shoulder and he screamed in agonizing pain!

Caleb Maxwell: Like Hell I'm gonna let you get your way, you goddamn prick!

Evil Sasuke: WHAT THE HELL DID YOU SAY TO ME?!

Caleb Maxwell: You heard me, you're nothing but an asshole, a godforsaken bastard from the blackest depths of Hell! I've heard everything about you and all the godforsaken things you've done and all for what, power, revenge?! You make me sick! In fact, you're even worse than my younger brother, and he murdered me because he was fucking insane and only cared about The Syndicate and their hold on New York! And those are the kinds of people I despise, and you also fit that category quite well!

Then, Caleb Maxwell went at Evil Sasuke, and he began tearing into him leaving slash marks on Evil Sasuke's shirt with his gold-armored dragon claws and even blasting him with black and blood red energy blasts and darkness, along with bullets.

Lincoln: You've really awakened The Devil within him, and speaking of devils, you and your horde better get out of hiding, Brianna, same with you, Bryan Greyson, I can see the stink lines from your cheap cologne!

We then saw our secondary targets: The Legion of Lincoln Haters and The Blood Dragons on motorcycles heading for Lincoln, and they were MEGA PISSED TO HELL!

Selene Arcangela: Lincoln was right, so Morgana and her minions also brought you monster bitches back from the dead, along with your asshole dads!

Brianna Greyson: SHUT THE FUCK UP, BITCH! YOU AND THAT WHITE-HAIRED FREAK ARE DEAD, ALL OF YOU ARE FUCKING DEAD!

Ariana Aegis VII: Oh no, the only ones dead here...(BLOOD RED EYES TURN EVEN MORE BLOOD RED WITH MARKER SYMBOLS SURROUNDING HER) are all of you!

Ariana Aegis VII fired blasts of darkness and powerful dangerous psychic energy that hit The Legion of Lincoln Haters and The Blood Dragons with incredible force. Then, we saw that dark power first hand take hold!

THE LEGION OF LINCOLN HATERS AND THE BLOOD DRAGONS' EYES CHANGED TO RED WITH INSANITY AND THE SCLERA OF THEIR EYES TURNED FROM WHITE TO BLACK AND THE MARKER SYMBOLS APPEARED, AND THEN, THEY STARTED TO SEE EACH OTHER AS HORRIFYING NECROMORPHS AND MONSTERS, AND THEY BEGAN TEARING EACH OTHER APART WITH KNIVES AND BLOWING

THEIR HEADS OFF WITH THEIR GUNS, AND BY THE END, ALL OF THEM WERE DEAD!

Then, Lincoln banished their souls to The Black Abyss and their bodies were put into scrolls by Ariana Aegis VII for future use.

Eli: Jeez!

Nico: Man, they really pissed him off big time!

Me: Damn!

I teleported and punched Evil Sasuke in his face and kicked him in his stomach and kicked him in his face and broke his nose.

Qin: YEAH!

Sailor Pluto: Okay, you four, you've had your fun. Now, it's our turn. Penelope, Charon, Gabby, Polly, you ready?

Lincoln: Cage.

Suddenly, Sailor Pluto's red eyes turned neon red and she was surrounded by a green and grey energy aura with stars, clocks, magic, cats, phoenixes, and angels, she had her Sailor Pluto's True Pluto Princess Eternal Love Angel Mage's Staff of Eternal Time Justice in hand, and as she approached Evil Sasuke, she left green and grey energy, stars, clocks, magic, cats, phoenixes, and angels with every step.

Sailor Pluto: You've got some nerve coming back from the dead, Evil Sasuke, but then again, it has been a very long while since any of you have shown up, but when I get done with you, you're going to wish that you stayed dead.

Suddenly, Sailor Pluto was surrounded by a massive vortex of green and grey energy, stars, clocks, and magic surrounding the vortex, there are cats, phoenixes, and angels flying around the vortex, and in the vortex is a grey phoenix with the Pluto sign on its stomach and blood red eyes glaring at Evil Sasuke: the blood red eyes of eternal judgement.

Nico: Uh oh, the blood red eyes of eternal judgement!

Me: You've had this coming for a very long time, you fucker!

Lincoln: Trista's going to age him until he's nothing but dust, but we've got something far worse in store for him.

Then, as the vortex faded, Sailor Pluto emerged, but she was changed forever.

Sailor Pluto grew from 6'11" to 8'4" in height, she has metal gold braces on her biceps and thighs, and she now has fifteen green and grey planets orbiting around her legs and fifteen smaller green and grey planets orbiting around her waist, she has the body of a goddess, she has grey highlights in the bangs of her long flowing green hair and grey phoenix fire ombre streaks in the back and on the two strands and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon red eyes and a a green and grey energy aura with stars, clocks, magic, cats, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a cat with the Astrological Sign of Pluto emblazoned on her forehead and Third Eye with red iris, she has on cat earrings with red gems for eyes and holding the Star, Magic, Time, and Eternity Kanjis in its paws, she has on her Crystal Necklace of the Buddha with red gems in the gold clock links and red crystal links and a red angel-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a cat with red gems for eyes and holding the Star, Magic, Time, and Eternity Kanjis in its paws for the pendant and white and gold accented choker on her neck, she has on a short-sleeved white blouse, grey short-sleeved shirt with clocks on it, long grey skirt with clocks on it, white stockings, white knee-high high heels, and long sleeveless white trenchcoat with stars, clocks, magic, cats, phoenixes, and angels on the coattails and on the back is an angel with the astrological sign of Pluto above its head surrounded by clocks and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a green gem with neon glowing grey lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Sailor Pluto felt a sharp pain on her back, and then, her massive green angel wings with grey tips grew much larger for her new body with a wingspan of 20'0" and medium sized green angel wings with grey tips grew and sprouted out underneath her massive green angel wings with a wingspan of 15'0" and small sized green angel wings with grey tips grew and sprouted out underneath her medium sized green angel wings with a wingspan of 10'0" and she now has eleven massive and long green wolf tails with grey tips and grey markings, she has on a Ring of The Phoenix with grey gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

We were amazed by Sailor Pluto's Super Angel-Sailor Pluto Soldier-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Clyde saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Lincoln: Oh boy. Hang on. (SNAPS FINGERS)

Lincoln snapped his fingers and Clyde was back to normal.

Sailor Pluto: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Holy Celestial Magic Chronological Time Master Sailor Pluto Soldier Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Holy Celestial Magic Chronological Time Master Sailor Pluto Soldier Phoenix God Angel Love) Thanks for snapping Clyde out of it, Lincoln. But, I think someone is going to have to do the same to you and Nico. Girls, you're up.

Penelope Pluto, Charon Halinora, Gabby Halinora, and Polly Huntington: Let's do it.

Evil Sasuke: DIE!

Evil Sasuke charged at us again before the girls could transform, but Cage Blunt smashed him in the face with a punch and sent him flying into another wall, he got back out, but boy, was he absolutely pissed.

Eli: Better hurry and transform before that piece of shit charges at us again!

Suddenly, the purple eyes of Penelope Pluto, Charon Halinora, Gabby Halinora, and Polly Huntington turned neon purple, and they were surrounded by purple energy auras with stars, ice, darkness, metals, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approached Evil Sasuke, they left purple energy, stars, ice, darkness, metals, phoenixes, and angels with every step.

Penelope Pluto: You seriously don't even know when to take the hint, do you? But, then again, you're just a stupid idiot with hatred in your veins.

Charon Halinora: No matter how many times we put you down, you always have to rise from the dead to cause us grief.

Gabby Halinora: That's obviously the reason why we've got no other choice but to beat you up once again.

Polly Huntington: And if you think that we're going to kill you once more, you're dead wrong, in fact, we've got a special kind of punishment for you: one that'll make you wish that we killed you once again!

Suddenly, Penelope Pluto, Charon Halinora, Gabby Halinora, and Polly Huntington were surrounded by massive vortexes of purple energy, stars, ice, and darkness surrounding the vortexes, there are metals, phoenixes, angels, and Executor of The Underworld - Hades flying around the vortexes, and in the vortexes are four purple phoenixes with the Astrological Sign of Pluto on their stomachs and blood red eyes glaring at Evil Sasuke: the blood red eyes of eternal death and eternal judgement.

Nico: OH SHIT!

Me: WHOA!

Lincoln: Now, Penelope Pluto, Charon Halinora, Gabby Halinora, and Polly Huntington are going to transform, and at this rate, Evil Sasuke's really going to regret coming back from the dead.

We were amazed by the transformations of Penelope Pluto, Charon Halinora, Gabby Halinora, and Polly Huntington, and when Lincoln saw Penelope Pluto and Polly Huntington and Nico saw Charon Halinora and Gabby Halinora, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing blood, but when Evil Sasuke saw it, he went ballistic and went after them to kill them, but Lincoln and Nico fired rainbow energy blasts that hit Evil Sasuke and sent him flying into a wall, he got back out, but now, he was beyond pissed off.

Penelope Pluto: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Holy Celestial Arctic Ice Storm Master Pluto Keyblade Knight Phoenix God Angel and

Charon Halinora: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Gold Wealth Bringer Darkness Master Suppression Pluto Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Gold Wealth Bringer Darkness Master Suppression Pluto Phoenix God Angel Love) Honestly, this asshole just doesn't even know when to fucking quit!

Gabby Halinora: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Gold Wealth Bringer Darkness Master Executor of The Underworld - Pluto Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Gold Wealth Bringer Darkness Master Executor of The Underworld - Pluto Phoenix God Angel Love) He's such a goddamn bastard, and he's completely sick in the head!

Polly Huntington: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Gold Maker Wealth Bringer Darkness Master Executor of The Underworld - Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Gold Maker Wealth Bringer Darkness Master Executor of The Underworld - Phoenix God Angel Love) We just need to take him down, and then, Lincoln said that J.D. is going to use something on this twisted bastard, so Caleb, don't even think about blowing his brains out!

Fu: This should be good. Alright, let's do it.

May: At this rate, we probably won't get to do our rant!

Me: I won't be so sure.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Fu: Hmm. Yes and a so-called "Motherfucking Cur" was the only kind of person you can handle. J.D. remembered that your father said that very same thing to him in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of The Devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting, as one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch, and on top of that I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why he killed them all. YOU ALL FUCKING DISGUST ME!

WE CHEERED WILDLY FOR FU USING THE EVIL SASUKE RANT, AND THAT CAUSED EVIL SASUKE TO ABSOLUTELY FUCKING LOSE IT!

Evil Sasuke: YOU GODDAMN BITCH! I'LL KILL YOU!

?: (Three girls' voices) OH, SHUT THE FUCK UP, YOU ASSHOLE!

Evil Sasuke was blasted by three blasts of darkness and light, and then, we saw three girls arrive: one had orange hair, orange eyes, massive gold angel wings, the symbol of The Hidden Sun Village emblazoned on her forehead and the Sun Kanji on her right arm, she was dressed in orange and yellow clothes, and she has a gold sword in hand, and the other two girls have black hair, purple eyes, massive black angel wings, the symbol of The Hidden Shadow Village and the Symbol of the Hidden Dark Village on their foreheads, the Dark Kanjis on their right arms, they were dressed in black clothes, but one girl had a regular sword in hand, but the other girl had The Shadowsoul sword in her hand and The Book of Vile Darkness with her.

Lincoln: (GASPS) Serena Taiyou Rinka, Embodiment and Avatar of The Hidden Sun Village and Queen Goddess of Light and The Sun, Lori Yami Kage, Embodiment and Avatar of The Hidden Shadow Village and Queen Goddess of Darkness and The Night, and Yamiko Arashi Yami, Embodiment and Avatar of The Hidden Dark Village and Goddess of Darkness and The Night!

Naruto: I knew they'd come here.

Miyuki Murakami: Lori!

Lori Yami Kage: Miyuki! You're alive! We can catch up later.

Evil Sasuke: THE GODS OF THE VILLAGES?! I DON'T CARE HOW POWERFUL THEY ARE, ALL WHO CROSS ME WILL DIE!

Caleb Maxwell having had enough of Evil Sasuke's madness shot him in the leg and he screamed in agonizing pain.

Eli: We better take him down at once and have J.D. implement his plan.

Nico: Before Caleb kills him.

Lincoln: Let's do this.

Me: Time to get another thrashing, you son of a bitch!

Talia Senju Konoha, Asuka Valmorgia, Selene Houou Higeru, Fiona Shibuki Taki, Yamiko Arashi Yami, Lori Yami Kage, and Serena Taiyou Rinka: Your crimes will never ever be forgiven, you bastard, and the only thing a traitor like you deserves is death!

Me: Oh God, he's pissed off the Gods of The Villages, and now, he's about to get the punishment of a lifetime!

Qin: Yep!

Nico: Lets get him!

I teleported and kicked him in his face and knocked him down.

FORSAKEN BY WITHIN TEMPTATION PLAYS

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Ace: WHOA! Look at J.D. go!

Nico: YEAH!

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

HE WAS PISSED!

KRABLAM!

Evil Sasuke Roared and he was getting madder and madder and madder!

He went at me and I punched and pulverized him all over.

May: Geez, how mad does he have to get?

Nico: As mad as he wants for all we care!

Swellow charged at him and pecked him.

Then she fired a wave of energy and blasted him.

POW! BLAM POW SMASH!

I punched him down.

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: Yeah yeah yeah. You will never get my power. This power was given to me because I earned it! I fought long and hard with it. I got it through blood, sweat and tears. I never stole it.

Nico: That's right!

Me: You make me laugh but only because you are pathetic! (LAUGHING)

Evil Sasuke: What are you laughing at, you cur?!

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You got that right, now we get to beat his miserable hide into the ground once again, but I've got just the punishment for this bastard after we take him down.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope) At this point, I don't even care of what punishment you've got in store for him, J.D., as long as you make it as humiliating as possible.

Cage Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) But, you'll also get your chance to beat him down for everything he's done, Caleb.

Travis Tackett: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) After what we've heard from the team about this bastard, I'm almost tempted to kill him once more and send him to The Black Abyss.

James Blunt: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Bloody Darkness Vampire Phoenix God Angel Hope) The same goes with me, I've never met any mortal as rotten, bloodthirsty, ruthless, and completely unhinged as this bastard, but with what J.D.'s got planned for him, I've got no complaints, but we better take him down before he goes crazier than ever.

Lincoln, Sailor Pluto, Penelope Pluto, Charon Halinora, Gabby Halinora, Polly Huntington, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I went after Evil Sasuke, and we fired extremely powerful blasts of rainbow energy, green and grey energy, purple energy, dark green and dark purple energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Caleb Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Sailor Pluto, Penelope Pluto, Charon Halinora, Gabby Halinora, Polly Huntington, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and it was making Evil Sasuke even angrier than ever.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon

Phoenix God Angel Hope) You've never been able to beat Itachi then, and you'll never be able to beat him even now, you're just a pathetic stain on the earth and the universe, and you deserve only to die for everything you've done, you little pissant.

Caleb Maxwell fired orbs of darkness and blood and they exploded with incredible power as they hit Evil Sasuke.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Okay, stand back!

I took out the Girlification Rifle and I fired it, and it hit Evil Sasuke and it turned him into a girl, and we busted out laughing hysterically!

He looked like a hotter version of Mikoto!

I showed a mirror and she saw herself and then...

SHE SCREAMED IN FRIGHT!

Eli: (LAUGHING HYSTERICALLY) OH! OH MAN, YOU JUST TOOK AWAY HIS PRIDE AS A MALE AND IN THE CRUELEST WAY IMAGINABLE, BRO! THAT WAS AWESOME!

Ed: What just happened?

Me: I used the Girlification Rifle on Evil Sasuke and turned him into a girl.

Qin: Yep.

Me: I did say I was going to test it on him.

Caleb Maxwell: (Divine Echoing Godly Voice of The Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel and Divine Cosmic Eternal Harmony Universal Eternal Demonic Shadow Darkness Dark Death Harbinger Demon Phoenix God Angel Hope) Rather well deserved really. But, that's still not going to save you from me!

Then, Lincoln beamed the now female Evil Sasuke to The Masters of Evil before Caleb Maxwell could do even worse to him. Everyone cheered as we holstered our weapons and we powered down and Sailor Pluto's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large green and grey planets orbiting around her legs, fifteen smaller green and grey planets orbiting around her waist, smaller planets orbiting around her fingers, and massive green angel wings and medium sized green angel wings and small sized green angel wings underneath her massive green angel wings are permanent, Penelope Pluto's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large purple planets orbiting around her legs, fifteen smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings and small sized purple angel wings underneath her massive purple angel wings are permanent, Charon Halinora's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large purple planets orbiting around her legs, fifteen smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings and small sized purple angel wings underneath her massive purple angel wings are permanent, Gabby Halinora's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large purple planets orbiting around her legs, fifteen smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive purple angel wings and medium sized purple angel wings and small sized purple angel wings underneath her massive purple angel wings are permanent, and Polly Huntington's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark green wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large dark green and purple planets orbiting around her legs, fifteen smaller dark green and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive dark purple angel wings and medium sized dark purple angel wings and small sized dark purple angel wings underneath her massive dark purple angel wings are permanent.

Nico: Oh man, so that's what you had planned for him, that was so awesome, J.D., and really funny!

Me: Thanks, plus, it also got rid of that excess evil that was inside that bitch. One in The M.O.E. will be good enough, but the others are heading for The Black Abyss should they show their faces. So, Lincoln, you going to introduce us.

But, then, we saw Lincoln being hugged and kissed all over his face, arms, shoulders, hairy pecs, and ten-pack abs by the girls who arrived, and when they were done, Lincoln was covered head to toe in orange and purple lipstick kiss marks on his face, arms, shoulders, hairy pecs, and ten-pack abs and steam whistled out of both his ears and large wolf ears on his head and he had an In Heaven look on his face and an atomic red blush on his face, and we busted out laughing.

Selene Arcangela: I think you should leave this one to us, the first girl is Yamiko Arashi Yami, Embodiment and Avatar of The Hidden Dark Village and Goddess of Darkness and The Night, she's Lincoln's Guardian Angel from The Hidden Dark Village, she's a powerful shinobi and deadly master of the powers of darkness, the shadows, and the powers of the night, and here's an added bonus: she's The Goddess of Darkness and The Night and a master of Dark Style Jutsu, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's good friends with Naruto, Sakura, and Ino, and is a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Sakura, and Ino, and she also taught him many powerful Dark Style Jutsu and techniques along with the powers of the night and darkness. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and Ino arranged a date for Lincoln and Yamiko to go to a Japanese Restaurant, and they both enjoyed their date, and Yamiko hates all of Lincoln's enemies with a vengeance and she swore if they so much as tried to hurt Lincoln, she would condemn them to an eternity trapped in eternal night and let the darkness take their souls.

Nico: Whoa, scary.

Selene Emperyous: The second girl is even scarier, this is Lori Yami Kage, Embodiment and Avatar of The Hidden Shadow Village and Queen Goddess of Darkness and The Night, she's Lincoln's Guardian Angel from The Hidden Shadow Village, she's a powerful shinobi and deadly master of the powers of darkness, the shadows, and the powers of the night, and here's an added bonus: she's The Queen Goddess of Darkness and The Night and a master of Shadow Style Jutsu, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's good friends with Naruto, Sakura, and Ino, and is a great power that makes even the Akatsuki fear her including Orochimaru. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are and she's a powerful master of darkness and shadows and a very powerful and amazingly deadly master shinobi and powerful force of nature. She single-handedly annihilated an entire army of evil shinobi monsters from Orochimaru's creations and more and she has earned the intensely brutal hatred of the evil Sannin. She also single handedly annihilated an entire army of Mist, Cloud, Rock, Sand and Grass Shinobi as well as Moon, Snow and many more armies of evil ninjas, and she is also very good friends with the famous Miyuki Murakami - the Harbinger of Death. Also she has her very own Book of Vile Darkness and her sword the Shadowsoul kills any evil ninja she comes across. When she slashes them their souls become eternally trapped in the Book of Vile Darkness she has, and she not only traps them, but also has the power to use all their skills, techniques, powers and more. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Sakura, and Ino, and she also taught him many powerful Shadow Style Jutsu and techniques along with the powers of the night and darkness. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Sakura and Ino arranged a date for Lincoln and Lori to go to a Japanese Restaurant, and they both enjoyed their date, and Lori hates Killjoy Huggins and Chandler with a vengeance and she swore if they so much as tried to hurt Lincoln, she would slay them and imprison them forever in The Book of Vile Darkness.

Nicole: (GASPS) No way, she not only has the same Book of Vile Darkness just like me, but she also has The Shadowsoul, a sword from the dark depths of The Netherworld, and it kills any evil villain that she comes across, and when she slashes them, their souls become eternally trapped in the Book of Vile Darkness she has, and she not only traps them, but also has the power to use all their skills, techniques, powers and more like us and Zennia Nikolaevna.

Michelle Emperyous: Yep, and the third girl is Serena Taiyou Rinka, Embodiment and Avatar of The Hidden Sun Village and Queen Goddess of Light and The Sun, she's Lincoln's Guardian Angel from The Hidden Sun Village, she's a powerful shinobi and deadly master of the powers of the light and the sun, and here's an added bonus: she's The

Queen Goddess of Light and The Sun and a master of Sun Style Jutsu, and she holds more power than the Kages and the Daimyo combined and can destroy any ninja no matter how powerful they are, and she's not only very great friends with Naruto, Sasuke, Ino, Sakura, Fu and many shinobi in the world of Shinobi, but she's also the most powerful and strongest member of The Knights of The New Sun, and she's a great power that makes even the Akatsuki fear her including Orochimaru, and she's the Public Enemy Number 1 of the enemies of the light. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto, Sasuke, Ino, Sakura, Fu and many shinobi in the world of Shinobi, and she also taught him many powerful Sun Style Jutsu and techniques along with the powers of the sun and light. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Serena to go to a Japanese Restaurant, and they both enjoyed their date, and Serena hates Lori, Luan and Killjoy Huggins with a vengeance and she vowed that if they hurt Lincoln she would throw them into the fires of the sun.

Me: Wait, I remember her all too well, she's the most powerful and strongest member of The Knights of The New Sun from 150,000 years hence, and she's that powerful, it makes even the Akatsuki fear her including Orochimaru, and she's the Public Enemy Number 1 of the enemies of the light.

Nico: Whoa! And she came here when our counterparts from 150,000 years hence merged with us, that's so awesome!

Lincoln: That's right, and it's so good to see you again, girls. (Smirks) Of course, for that little ambush.

Lincoln made two clones of himself, and while he pinned Serena Taiyou Rinka to the floor, his clones pinned Yamiko Arashi Yami and Lori Yami Kage to the floor, and they kissed the girls on the lips and marked them by biting them on their right trapezius and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had three Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and three white and gold accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Serena Taiyou Rinka: Man, I had no idea you had such an animalistic romantic side to you.

Lori Yami Kage: In addition to how much you've grown.

Yamiko Arashi Yami: From the 11-year-old little boy we've known into a giant 9'5" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man. (Seductive Voice and rubs Lincoln's chest) Hope you've got more in store for us all later on at night.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln: J.D. (Sensed the Anothers) Aha, and we also got Anothers coming our way. (GASPS) And they're the Keyblade Knights of Chronos, Micron, Sucros, Turvy, Cubitron, Harmonia, Gigantus, and Saurian.

Me: Whoa!

Nico: Is the battle over?

Me: Yep.

Qin: Yeah.

Me: I did say I was going to have him turned into a girl and beamed to the M.O.E.

Me: Yeah.

Lola: Okay.

Nico: Good.

Qin: We could turn perverts into girls with it.

Nicole: Now that would be funny.

Nico: True. But no more ideas.

Me: Okay okay.

Nico: We're not giving Jiraiya any...ideas

Qin: Yeah.

Nicole: Okay okay. Sorry.

Lola: Yeah.

Camie: You're right.

Nico: And no, Poromon. We're not gonna use it on you and the other mascots

Poromon: Darn.

Qin: Okay we get the idea.

Camie: Yeah.

Poromon: We're working on something else anyway.

Me: Oh.

Xenia: Oh boy.

Poliwag: No spoilers.

Manaphy: Really.

Horsea: Just don't be confused.

Ed: Anyone want buttered toast and gravy?

Eddy: Shut up Ed.

Muk: I'll have some.

Ed gave him some.

Muk: Delicious!

Qin: Cool.

Nico: Yeah.

Ed: Thanks, Muk!

Nico: Funny and awesome.

Qin: Yep.

Ash: Ed, does your Muk like hugging you?

Ed: Yep!

Qin: (LAUGHS) Funny.

Camie: Yep.

Me: Okay now lets get the next part done.

She's a powerful and deadly warrior of good and master of all things giant and huge. She is the Keyblade Knight of the giant planet Gigantus and powerful master of all things giant and huge, and she can grow to any giant size. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of all things giant and huge and growing to any giant size, and she hates all of Lincoln's enemies with a vengeance and vowed that if they hurt him, she would stomp on them and squish them.

And Sena Saurian, Keyblade Knight of Saurian, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and master of dinosaurs and all prehistoric life. She is the Keyblade Knight of the dinosaur planet Saurian and she also knows all about dinosaurs. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained

Lincoln a lot in everything that she knows in mastering the powers of the dinosaurs and all prehistoric life, and she hates Lynn with a vengeance and she vowed that if she hurts him, she would feed Lynn to a nasty pack of Deinonychus.

Me: Whoa! Awesome to meet you girls. And Bianca and Gianna can you tell us about yourselves?

Bianca Butterfree: Sure. We went to Nico's classes in science. I specialize in butterflies.

Gianna Gyarados: And I specialized in fish.

Nico: Yep. Awesome huh.

Me: Yeah. By the way is the Another Psycho Rangers and Ed friendly or hostile?

Sally Sucros: Friendly but the Another Ed is really funny.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: OH YEAH!

Nico: And now we wait.

But then...

KRASPLAT!

A CHERRY PIE HIT NICO IN HIS FACE!

Nico: HEY! (Slurps) Yummy! Cherry pie!

Me: One of my favorites.

Nico: OKAY WHO IS THE WISEASS!?

Eddy: YEAH!, WHO THREW THAT?!

Me: I think THEY DID!

We saw ANOTHER PSYCHO RANGERS and Another ED!

Me: Another Psycho Rangers and Another Ed!

Another Psycho Red: (In a girls voice) Sorry about that.

Me: (GASP) That voice!

The Another Psycho Rangers merged and reverted back and it was the Embodiment of Cherry!

Me: Cheryl Cherry!

Nico: The Embodiment of the Cherry Dopant Cool!

Cheryl Cherry: Yeah sorry I tend to get really crazy doing that.

Psycho Red: I know the feeling myself.

Me: And who is the Another Ed?

She reverted back and it was a silly and bucktoothed version of Ed but he was dumber than Ed.

Ed: Edgar? WHOA!

Cheryl Cherry: It's okay. They are friends.

Edgar: (BARKS LIKE A SEAL!)

Mandy: Oh boy. An even dumber Ed.

Me: Boy he's even dumber than Cheese.

Nico: You two know each other?

Ed: Yeah he's my twin brother. But he is more stupid than me.

Eddy: (LAUGHS) Yeah he sure is Lumpy.

Mandy: Which makes our Ed the smart one.

Nico: Geez.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Cheryl Cherry: He promised to give Edgar here a brain. But I knew it was impossible. I threw pies at Swartz and we ran out of there.

Sakura Knudson: (LAUGHS) That explains why I found Swartz covered in cherry pie. That is funny and tasty.

Cheryl Cherry: Yeah it sure is.

Nico: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you two first.

We did so.

Me: Now lets get it on.

Nico: (gets out Psycho Rangers' Ridewatch) Time for Rangers gone Psycho!

May: (Gets out Belladonna Bratt's ridewatch) Time for some fun.

Maria: (Gets out Kohrak-Kal's ridewatch) Time for some ice power.

Penelope Pluto: (Gets out Sasquid's ridewatch) Time for some many armed power.

They used the powers of Psycho Rangers, Sasquid (Skannerz Commander), Belladonna Bratt, Casey Crawfish, Kohrak-Kal and Constellation and blasted the anothers all over.

Flame Mammoth, Blue Flame Princess, Flamebo, Giant Slime Princess, Ugly Monster and Patience St. Pim (Elements) Came.

Me: WHOA!

Nico: Nice team Flame Mammoth!

Flame Mammoth: Thanks Nico.

Qin: Wait a second! You are in the M.O.E. And with us too!?

Timon: WHAT'S GOING ON HERE?!

Ed: Me too.

Flame Mammoth: I'm also in Fire Man's team.

Lisa Loud: I believe I can answer that. We made our own versions of the Mavericks that can be on our side.

Me: Oooh that makes sense. Good thinking Lisa.

Laney: Boy that is an awesome team. Dr. Protopsychology must've given you the idea.

Flame Mammoth: Yeah she sure did.

Me: I agree.

Then Lucemon came!

Me: Lucemon!?

Nico: WHOA! Wait I think I know this Lucemon.

?: That's right.

Snimon came!

Me: Snimon! Wow!

Snimon: (In a Girl's Voice) (Kyrgyz Accent) Looks like the fun started.

Nico: Sasha Sni! Wow!

She reverted back and was a girl with green hair, green eyes, green clothes, green butterfly wings and had Snimon on her shirt and skirt and had a new crest on her forehead and the symbol of Kyrgyzstan on her arm and had a green scythe and she had a red Digivice on her hip.

Sasha Sni: We got this Nico. (Echoing) TWIN SICKLES!)

Lucemon: (Echoing) GRAND CROSS!

They fired blades of energy and planet bombs and the blasts hit the Anothers and blasted them and I caught the Anothers and purified them.

Me: YEAH!

Maria: Lucemon as someone's partner. Didn't see that coming

Me: Me neither. Wait. You're one of Kyrgyzstan's Digidestined.

Sasha Sni: That's right.

Me: Cool!

Nico: Yep.

Me: How did you meet Nico?

Sasha Sni: We met Nico when a bunch of Saberdramon were attacking Bishkek and we took them down and sent them back to the Digital World.

Nico: That's right.

Me: Wow! That is amazing.

May: It sure is.

Lucemon: I heard all about how you guys destroyed an evil powerhungry version of me and that is very well done.

Me: That was an epic battle for us back then and it was fun.

Lola: Yeah.

Nico: It's true.

Sasha Sni: I'm glad that you guys faced that one and took him down.

Me: we are too.

Penelope Pluto: Do you have a favorite memory of Nico?

Sasha Sni: I sure do. When me and Nico took down a terrorist organization in Kyrgyzstan and it was out to destroy America.

Me: Wait you mean the organization Kudaydın Oragı? That was you guys?

Nico: Yep.

Me: Cool!

Camie: What is that organization?

Me: Their name means God's Scythe. They were a terrorist organization that was going to destroy America with Chemical Weapons.

Nico: Yep. But we killed them all.

Me: Cool.

Nico: Yep.

Nico hugged Sasha.

Nico: I've missed you.

Sasha Sni: Same here.

We later went back home.

She is not a member of the Big Claw, but the Nightshift suspects that she is, as she wears a mask to cover her face as they do, and her goals are to murder people of power for her own gain, and she's one person whom Caleb Maxwell truly despises.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the nineteen girls here, but for today and in the next few days to come, as shown during my rescue in France yesterday, we're going to take down the members of The Big Claw Gang and send them to The Masters of Evil.

Then, Allie Maxwell appeared.

Allie Maxwell: Yep, and the first one we're going after today is Skull, this lady's a bit of a mystery to everyone, she never removes her mask. She's not a member of the Big Claw Gang, but the Nightshift suspects that she is, as she wears a mask to cover her face as they do, and her goals are to murder people of power for her own gain, and she's one person whom Caleb truly despises.

Caleb Maxwell: I've hated what she's done in murdering people in power for her own gain, she made that disgusted, I wanted to kill her and mount her head on a stake!

Kaan Demir-Vanhoof: (Belgian Accent) Goodness.

Lincoln: We'll settle with sending her to The Masters of Evil, Caleb. But, if Skull's here, that means we are going to run into The Big Claw Gang themselves.

Sailor Pluto: Looks like it.

Allie Maxwell: Sally no doubt is bringing the rest in to watch for themselves.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair, red eyes, large purple angel wings, pink clothes, long white sleeveless trenchcoat with stars, poison, darkness, snakes, phoenixes, and angels on the coattails, and on the back is Vennominon the King of Poisonous Snakes, she has a darkness greatsword in hand, and with her are the nineteen girls.

Lincoln: (GASPS) Carrie Estevez Salazar, Gene-Slammer of Vennominon the King of Poisonous Snakes.

Carrie Estevez Salazar: That's right, and I got the girls away from Skull, but she's heading here now, and The Big Claw

Gang's here.

And just as Carrie said, we then saw the rest of The Big Claw Gang: Chester, Nick Price A.K.A. Crowe, Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome arrive.

Allie Maxwell: I knew you guys would arrive.

Carla Claw: We're only here to watch the show. Now, here comes your target.

We then saw our target, the murderous assassin, Skull, and when Caleb Maxwell saw her, the sclera of his eyes turned black and his blood red eyes turned a brighter blood red and he fired a blast of black and blood red energy at Skull that caused her to lose her balance, but she regained her balance and footing.

Skull: Still that angry at me for my crimes, Caleb?

Nico: Judging from the way he almost tried to sever your legs, I'm guessing that's a yes.

Caleb Maxwell: And everything you've done was more than enough to piss me off to no end, killing people in power for your own personal gain and offering no reason, you disgust me to no end, and all you've gotten from me is hatred and wishing you dead on the streets. (Long black hair turns even wilder) And now, you dare to show your face again?! It's as if you're already asking me to kill you!

Cage Blunt: Oh crap.

Jack Howard: Here it comes, he's gonna lose it!

Caleb Maxwell: Now, your dance of death and murder shall come to a bloody end, Skull! (LAUGHING DEMONICALLY)

THEN, TORNADOES OF DARKNESS AND DEMONS ERUPTED OUT OF NOWHERE ATTEMPTING TO END SKULL WHILE HE WAS STILL LAUGHING DEMONICALLY!

Mad Cat Max: Damn, he's still as crazy and demonic as ever!

James Blunt: Now, to find out about Skull.

James Blunt bit her on the neck and drank her blood, and right there, he found out Skull was also a vampire like him, Cage, and Travis, and she was also once a Watcher, but was kicked out after she assassinated a Vampire Elder long ago.

James Blunt: I should've known. Guys, Skull's a vampire, and once, she was one of The Watchers, but she was kicked out after she assassinated a Vampire Elder long ago.

We gasped in shock, and enraged, Caleb Maxwell kicked Skull into a portal that led to The M.O.E. as Chester, Nick Price A.K.A. Crowe, Sarah A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Panther, Carla Claw, and Nekome watched everything.

Panther: Heh, you guys are just as tough as they.

Carla Claw: Just as the intel said, and I'm just as disturbed after what you just found out about Skull.

Sally Gamble: So, Skull was really a vampire and a wanted one for what she did. That was quite a disturbing revelation, but, at least, she was taken down, and Vypra's going to take care of her. Well, then, Team Loud Phoenix Storm, until we meet once again tomorrow.

The Big Claw Gang left.

Allie Maxwell: We'll be ready by then, Sally.

Lincoln: At least, Caleb went wild on Skull and really let her have it for what she'd done, and she'll be kept a close eye on by Vypra. (To Carrie Estevez Salazar) And it's so good to see you again, Carrie.

Carrie Estevez Salazar: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Lori.

Lori Estevez Salazar: You too, Carrie.

Suddenly, Lori Estevez Salazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Lori Estevez Salazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Lori Estevez Salazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Lori Estevez Salazar and hugged her, and Lori Estevez Salazar us very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and larger medium sized angel wings underneath with orange and aurora tips on the feathers and larger small sized angel wings with orange and aurora tips and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lori Estevez Salazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs and back) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Carrie Estevez Salazar, Gene-Slammer of Vennominon the King of Poisonous Snakes, she's Lincoln's Guardian Angel from Michigan, and the younger sister of Lori Estevez Salazar, and like Lori, Carrie is a powerful master of poison and snakes, and her bite is worse than her bark, because if you get bitten by her, she'll inject a very lethal and powerful venom via her fangs into your bloodstream and there IS NO CURE AT ALL! She's defended Lincoln tons of times from the wrath of Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, but she really AND I MEAN REALLY HATES LYNN WITH A BLAZING PASSION BECAUSE THAT FOUR-LEGGED AGGRESSIVE BELCHING FARTING PEA-BRAINED MONSTROUS GORILLA TRIED TO KILL LINCOLN BY SMASHING HIS HEAD OPEN WITH A SLEDGEHAMMER, BUT CARRIE CLOBBERED LYNN HARD AND PUT HER IN A FULL BODY CAST FOR TWO YEARS!

Nico: Sheesh! First, Lori did that to Lynn, now Carrie!

Me: Man, you and your sisters sure hated Lynn.

Lori Estevez Salazar: You have no idea.

Lincoln: It was really bad, Lori and her sisters couldn't stand Lynn trying to kill me by smashing my head open with a sledgehammer, but it wasn't just Lynn, Lori, Lola, Lisa, and Luan also pissed off the sisters big time, and now that you're here, Carrie.

Lincoln with his massive and muscular arms still wrapped around Carrie Estevez Salazar leaned his head down the right side of Carrie Estevez Salazar's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carrie Estevez Salazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carrie Estevez Salazar with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carrie Estevez Salazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carrie Estevez Salazar.

Carrie Estevez Salazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carrie Estevez Salazar's waist, and he leaned down to her face and kissed her on the lips, and with Carrie Estevez Salazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carrie Estevez Salazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Carrie Estevez Salazar: (In Heaven) My God. Oh, and Lincoln, the nineteen girls with me are a group of hot voluptuous women.

Me: Right. Everyone, let's go.

We went back to The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the nineteen girls, and when Lincoln saw them, he immediately recognized them along with his nose gushing out blood, the nineteen girls are Akane, Kaori Matsuno, Karen Himeki, Kumi Yamanaka, Leona Morimoto, Linda Hamilton, Madoka Araki, Maiko Kaneda, Maya, Miss Kawahara, Momoe Endou, Momone Nishizaki, Nanase Fujiwara, Reina Morimoto, Ruri Nonomura, Saki Yamagata, Saori Otokawa, Yuuki Miyagishi, and Yuri Nishizaki from Discipline.

Lincoln: Oh whoa, it's Akane, Kaori Matsuno, Karen Himeki, Kumi Yamanaka, Leona Morimoto, Linda Hamilton, Madoka Araki, Maiko Kaneda, Maya, Miss Kawahara, Momoe Endou, Momone Nishizaki, Nanase Fujiwara, Reina Morimoto, Ruri Nonomura, Saki Yamagata, Saori Otokawa, Yuuki Miyagishi, and Yuri Nishizaki from Discipline.

Nicole: So, those were the girls Carrie rescued from Skull, and she's right, they're a group of hot voluptuous women, and Dad and the others took the hint and got out of there, leaving you to get a gushing nosebleed when you saw them.

Lincoln: That's the reason why I came up with that code, in order for everyone to avoid getting beaten up by you. Are you girls okay?

Akane: Yes, we're okay, thanks to you.

Then, when Akane and the other eighteen girls saw who it was that saved them from Skull, their faces turned atomic red upon seeing the 18-year-old 9'5" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of

Akane: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eighteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium sized angel wings with aurora and orange tips spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nineteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane, Kaori Matsuno, Karen Himeki, Kumi Yamanaka, Leona Morimoto, Linda Hamilton, Madoka Araki, Maiko Kaneda, Maya, Miss Kawahara, Momoe Endou, Momone Nishizaki, Nanase

We returned home, and everyone was shocked to find out that the villain we went after was Skull, a villain not associated with The Big Claw Gang, but was just as bad.

But, when Lincoln showed what we all did in beating her down and him tying her up and sending her to Vypra, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Carrie Estevez Salazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we heard everything from the rest of the gang when they came back.

Lincoln: And you had to see it for yourself after I came back.

Nico: Now, that Skull's in The M.O.E., now we can focus on The Big Claw Gang themselves.

Me: You said it, and Allie's still going to provide us with the info as she joins us.

Allie Maxwell: That's right. Plus, I've had my run-ins with them on a personal note along with seeing their past histories as runaways abandoned on the street and of course taking them down on my own.

Roxy Drake: While your older brother was on the rampage slaughtering your ex-dad and your ex-older brother's organization and leaving quite a bloody mess.

Buffy Blain: Your brother always left quite a bloody mess of his dad's organization.

Cuffs Lane: Every criminal was afraid of your brother, and whenever they hear gunshots and screams of criminals, that just lets us know Caleb is running loose.

Captain Whitten: Every officer was afraid of running into your brother, Allie. Once he was a nice young man, but after what your ex-older brother, Drake, did, he turned very dark and vengeful.

Allie Maxwell: I know, Captain. Which is why I'm going to keep an eye on him, so that way, he won't try anything funny, or I'll kick his butt and put the cuffs on him. (CRACKS KNUCKLES)

Caleb Maxwell: Allie, did you forget just what kind of person I became after I came back from the dead?

Caleb Maxwell's blood red eyes turned brighter blood red and the skies turned blood red.

Allie Maxwell: Yeah, I get that. But, I've taken on training from the NYPD and learned a lot of moves to take down criminals.

Vessie Harris: That's only for criminals, sugar, this is your older brother, the demon who terrorized The Syndicate and slaughtered many of them.

Roxy Drake: Vessie's right, Allie, you can take down criminals, but not your older brother, you know he has the powers of darkness on his side.

Allie Maxwell: Hey, I also have powers of darkness as well, Roxy.

Allie Maxwell fired a blast of darkness which hit the jerks at Lynn's Table and it exploded and gold and currencies exploded out of them.

Nico: Awesome.

Lincoln: She's basically on par with her brother in terms of dark powers.

After Lincoln and all of us beat down Skull and sent her to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Carrie Estevez Salazar saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carrie Estevez Salazar: My God, I was right that Lincoln's really grown into a 18-year-old, 9'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carrie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carrie Estevez Salazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller

you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Carrie Estevez Salazar: I knew it was only a matter of time before he told everyone that story.

And when Tracey Mink and the rest of my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Caleb Maxwell went into The Simulator, and as it activated, he found himself in New York, but it was on the night that he was killed, and we saw it on the big screen.

Caleb Maxwell: New York, and on the night I was killed.

Caleb Maxwell then saw his Simulator counterpart, but minus the changes to him and he was wearing a dark red shirt, black pants, and black boots, and he was at work at his uncle's restaurant.

Caleb Maxwell: Now, to get a message to him.

Caleb Maxwell sent a telepathic message to his Simulator counterpart, and immediately, his Simulator counterpart felt a chill run down his spine.

Simulator Caleb Maxwell: Something very bad is about to happen. I better get down there as soon as possible.

Simulator Caleb Maxwell left the restaurant and then ran to The Hollowshade Bar with the real Caleb Maxwell following from the shadows. Simulator Caleb Maxwell entered the bar, and the patrons saw the panic in his eyes.

Mabel: Caleb, what's wrong?

Simulator Caleb Maxwell: Mabel, everyone, you need to leave, something bad is about to happen.

Junie: What is it? Your brother?

Simulator Caleb Maxwell: Yes.

Caleb Maxwell watched from the shadows.

Caleb Maxwell: (Smirks) Nice one. Now, to give you a little help in getting everyone out. (SNAPS FINGERS)

Caleb Maxwell snapped his fingers and everyone was sent back to their homes safe and sound leaving his Simulator counterpart alone in the bar.

Simulator Caleb Maxwell: Everyone's safe, now what?

Caleb Maxwell: (Telepathically) Now that everyone's at home, here comes the real challenge, two guys are going to show up, they're the vampire cats whom you ran into two days ago, but not that far behind, your insane brother's going to show up as well to kill you. Once those two vampire cats enter and once the cars arrive, I need you to run out the back door and hold off those two vampire cats, don't worry about the thugs, they'll be dealt with along with Drake.

Simulator Caleb Maxwell was alone in The Hollowshade Bar, but then, the front door opened, and as expected, he saw Cage Blunt and Travis Tackett under the influence of demon blood enter.

Simulator Travis Tackett: What the? Hey, where is everyone? I thought it was going to be a full house.

Simulator Cage Blunt: That's quite a letdown, now we won't be able to enjoy a bloody feast.

Suddenly, the two vampire cats spotted Simulator Caleb Maxwell.

Simulator Travis Tackett: Hey, Cage, doesn't that guy look all too familiar?

Simulator Cage Blunt: He does, that's the guy who blew us off when we offered him and his friend a quick bite. Now, he's here at the bar, too bad your friend with the weird powers isn't here to save you tonight..., Caleb Maxwell.

Simulator Caleb Maxwell's blood froze as he started to back away slowly as the two vampire cats were walking to him. Then, he heard the sounds of a couple of cars approaching.

Caleb Maxwell: (Telepathically) (To Simulator Caleb Maxwell) The cars driven by your brother and his thugs have arrived. Okay, when you hear my signal, you get ready to run out the back and let those two vampire cats follow you, and when you get to the spot I've got for you, hold them off.

Then, the thugs got out of the car along with Simulator Drake Maxwell, and were heading to The Hollowshade Bar.

Caleb Maxwell: (Telepathically) (To Simulator Caleb Maxwell) Now, run!

Simulator Caleb Maxwell: If you two vampires want my blood, you'll have to catch me first!

Simulator Caleb Maxwell started running as he ran out the back door.

Simulator Cage Blunt: (Laughs) Now, you're making this a lot more fun.

Simulator Cage Blunt and Simulator Travis Tackett ran after Simulator Caleb Maxwell, and once they did, the thugs and Simulator Drake Maxwell entered, but the bar was empty.

Simulator Drake Maxwell: (ENRAGED SCREAM) WHERE IS THAT BASTARD!?

?: Somewhere far away from you.

Then, blasts of darkness hit the thugs and they were killed, but Simulator Drake Maxwell got away in a fit of rage, and we saw it all on the screen.

Cage Blunt: So, that's why he did all that, he set it up as a trap!

Me: Clever.

Nico: And with his knowledge of what happened that night on his mind, he thought of everything.

We then looked at the screen and we saw Caleb Maxwell's Simulator counterpart still on the run from the Simulator versions of Cage Blunt and Travis Tackett and following the route Caleb Maxwell gave him. Then, he went into an apartment building and climbed it all the way to the top and opened the door, and he found himself on the roof of the building.

Simulator Caleb Maxwell: There's no way out of here and the only way in is through the door I went through, there's no way the vampires can find a way here.

Suddenly, Simulator Caleb Maxwell felt two hands on his shoulders, and he knew who those belonged to: the Simulator versions of Cage Blunt and Travis Tackett, and he grabbed them and Judo flipped them, only to take to the air and land.

Simulator Cage Blunt: Nice try with the Judo flip, but that wasn't going to work.

Simulator Travis Tackett: And did you think we'd just enter through the door, we can fly though. So, you chose the roof the place to make your final stand?

Simulator Caleb Maxwell: I don't plan on killing you two, just need to hold you both off.

Simulator Cage Blunt: You think the cops are going to help? No one's going to believe you, now then.

But, just as the vampires were about to attack, Simulator Caleb Maxwell punched Simulator Cage Blunt in the stomach and Judo threw him into Simulator Travis Tackett and they crashed into the door and got back up.

Simulator Travis Tackett: Hey, now that was just rude, you hit below the belt!

Simulator Caleb Maxwell: If you got a problem with that, come and get me!

The vampires hissed and attacked, but Simulator Caleb Maxwell continued holding them off, only for him to get punched in the face and sent flying into the nearby corner of the door. But, then, the door burst open, and they saw Simulator Drake Maxwell and the Simulator versions of Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell enter.

Simulator Caleb Maxwell: Drake, along with Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell. You bastard, you really went and lost it big time.

Simulator Drake Maxwell: DIE!

Simulator Drake Maxwell and the Simulator versions of Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell got out their guns and started shooting, but Simulator Cage Blunt and Simulator Travis Tackett weren't affected by the bullets, and those four are too blind to see what's happening. Simulator Caleb Maxwell got up and he went up to Simulator Nathan Daniels and he kicked him in the back and grabbed his head on both sides and snapped his neck, then, he punched Simulator Harold Devins hard in the stomach and sweep kicked Simulator David Lawrence and he delivered a hard kick to his spine and severed it, then he gave a stomach punch to Simulator Aaron Lowell before finishing him off with an uppercut.

Nico: Nice!

Then, Simulator Caleb Maxwell saw how badly Simulator Cage Blunt and Simulator Travis Tackett were shot at. He ran over and avoided getting shot at by his brother, and he grabbed a knife and picked up his right sleeve, and he made a cut on his right arm allowing blood to come out.

Simulator Caleb Maxwell: Here.

Simulator Cage Blunt grabbed Simulator Caleb Maxwell's right arm and bit into it with his fangs and drank his blood, but then, his eyes went wide and the dark sclera turned back to white, and then, Simulator Travis Tackett bit Simulator Caleb Maxwell's right arm with his fangs and drank his blood, but then, his eyes went wide and the dark sclera turned back to white, and they suddenly felt even more stronger.

Simulator Cage Blunt: W-what the heck was in your blood?

Simulator Travis Tackett: I don't even know, but it really feels incredible.

Simulator Drake Maxwell: YOU FUCKING ASSHOLES! DIE!

Suddenly, Simulator Drake Maxwell ran at Simulator Caleb Maxwell, only to wind up on the other side and he screamed death threats Simulator Cage Blunt and Simulator Travis Tackett, and he got out yet another gun. Simulator Caleb Maxwell saw it, and then, he saw a sword appear from nowhere and he grabbed it and rushed at Simulator Drake Maxwell.

Simulator Caleb Maxwell: DRAKE!

Simulator Drake Maxwell: (ENRAGED SCREAM)

THEN...!

SLASH!

SIMULATOR CALEB MAXWELL SLASHED AT SIMULATOR DRAKE MAXWELL'S HEAD WITH THE SWORD AND FLEW A GREAT DISTANCE AND LANDED AS SIMULATOR CAGE BLUNT AND SIMULATOR TRAVIS TACKETT SAW IT AND SO DID WE AND CALEB MAXWELL WATCHING FROM THE SHADOWS!

Me, Nico, and Lincoln: WHOA!

Maria: I've heard of a leap of grace, but whoa!

Cronus Chase: Incredible.

Then, we watched the screen, and then, we saw Simulator Drake Maxwell glare at Simulator Caleb Maxwell who turned to face his insane brother, and Simulator Drake Maxwell got out another gun to shoot his brother, or so he thinks.

Then, Simulator Caleb Maxwell raised the sword and it had Simulator Drake Maxwell's blood on it and it was running down and dripping on the ground.

Simulator Caleb Maxwell: It's over..., brother.

Suddenly, Simulator Drake Maxwell's head began oozing blood, and his head was split in half and his body fell to the ground, as Simulator Caleb Maxwell breathed a sigh of relief. Then, Simulator Caleb Maxwell walked to Simulator Cage Blunt and Simulator Travis Tackett who got up after feeding on the corpses, and they turned to Simulator Caleb Maxwell and walked up to him.

Suddenly, Simulator Caleb Maxwell felt an uneasy presence as he turned around and saw the real Caleb Maxwell as he banished the Simulator versions of Drake Maxwell and his thugs to The Black Abyss and disappeared. Suddenly, Simulator Caleb Maxwell dropped the sword to the ground.

Simulator Caleb Maxwell: W...what have I done? I...

But, then, Simulator Cage Blunt put his hands on Simulator Caleb Maxwell's shoulders.

Simulator Cage Blunt: You just killed your brother, but he became this way because of the choices he made.

Simulator Travis Tackett: If you let him live, he would've tried again to kill you. He was a twisted and sick person unable of repenting, and he really hurt you.

Simulator Caleb Maxwell: I know..., I...I just want to head home, I want this night to end.

They headed back to Simulator Caleb Maxwell's house and the explanation was already sent thanks to the real Caleb Maxwell and Simulator Caleb Maxwell found comfort from those around him as Caleb Maxwell exited The Simulator.

Nico: That was well done, Caleb. But, didn't that bring back many bad memories for you?

Caleb Maxwell: I'm not gonna lie and say it didn't, but it needed to be done. Cage and Travis weren't the only ones with demons that still lingered, I still had my own demons stemming from that night as well, and they needed to be put to rest.

Cage Blunt: That may be true, Caleb, but the true source of your demons were the ones whom you harbored hatred towards, and they're still in Hell.

Hunter: (German Accent) If they escape, there's no doubt you'll end them forever.

Lincoln: We'll be waiting for that day to come.

We got a shower, and then, Lincoln, Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume are heading to Reef Resort.

Akitsu: Wow, so this is Reef Resort, it sure is beautiful.

Lincoln: It sure is, Akitsu, and it's perfect for our first date, shall we?

Lincoln, Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mitsuha: (Swooning) So manly!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume and they hugged the girls in their abnormally massive and powerful muscular arms and Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume placed their hands on the massive pecs of Lincoln and his clones.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Reef Resort eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twenty-six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Akitsu, Benitsubasa, Haihane, Hibiki, Hikari, Ichiya, Karasuba, Katsuragi, Kochō, Kujika, Kuno, Kuruse, Kuzuri, Mitsuha, Miya Asama, Namiji, Nanami, Natsu, Oriha, Taki, Toyotama, Uzume, Yahan, Yashima, Yomi, and Yume are in your harem, Linky.

Jenna: You guys had no trouble at all.

Yomi: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really

swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: It's Bowser's Kingdom for Round 3.

Me: You know I'll be going for that.

Nora: Yeah! And me and Yang will go too.

Nico: Okay then. Lets go.

We went in and it activated and we were at Bowser's Kingdom for round 3!

Me: Nice!

Nora: This is gonna be awesome!

Me: Yeah!

Nicole: And you're going to be surprised on who you're going to face too.

Nico: Really?

Nicole: Yep. Head to the main courtyard and you'll see.

Me: Okay better get my gameface on. KIBAL! LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

We were then off.

Yang: I wonder who we're facing.

Me: We'll find out.

We flew and we arrived in the courtyard and then to our shock and horror we saw a woman made entirely out of PURE FIRE!

Nicole: Meet Esmeralda's Akuma form, HELLFIRE!

WE GASPED!

Nico: WHOA!

Me: My God! Esmeralda is that you?

Hellfire: Yes J.D. it's me.

Me: How did this happen to you? Was it because of Frollo?

Hellfire: Yes it was.

Me: That monster! That Blasphemous Heretic REALLY KNOWS How to piss me off!

Nico: Next time we see him he is DEFINITELY getting the Black Abyss. He and all his men will!

Hellfire: I agree! Where is he?

Me: Anti-Monitor might have brought him back but we don't know where he is. But if we find him he will pay.

Yang: And that's a Promise!

Me: Yeah! He and his men killed THOUSANDS of innocent people and almost burned all of Paris to the ground back over 500 years ago. No way in hell are we going to let him do so again.

Hellfire: I agree! Let me show you my power.

She fired waves of fire at us and I absorbed the fire and blasted her all over.

Yang and Nora fired waves of energy and blasted her all over.

Hellfire: Your power is amazing guys.

She fired waves of fire and I swatted the fire blasts back at her with my scythe.

Yang: Not bad. But I can burn too!

She fired waves of fire and blasted her all over.

Me: YEAH!

Hellfire: By the way guys congratulations on destroying Xehanort.

Me: Thanks. That was still an epic battle.

Nico: Yep.

Nora: Xehanort's not coming back either. The Anti Monitor didn't bring him back

Hellfire: That's good. I'm glad.

Me: Just because he isn't coming back doesn't mean I can do this.

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I formed a vortex of blue fire and out came the soulless mindless husk of Xehanort!

Me: My quirk for Wolf Moon enables me to control the bodies of those in the Black Gates and the Black Abyss. They obey only me.

Hellfire: That is amazing!

Me: It sure is.

?: (Echoing) MAGICAL GAME!

A ball of lightning flew in and it hit Hellfire and blasted her down.

Me: WHOA!

Then Wizardmon and a girl with blue hair, blue eyes, blue clothes, blue angel wings and a tiara with Splash Warfly on it came.

Selena Splash: Selena Splash, Embodiment of Splash Warfly.

Nora: Wow! Selena! Looking great!

Yang: I'll say!

Selena Splash: Same to you Nora and Yang. Been a while

Wizardmon: (In a girls voice) (British Accent) Lets make this a fun one.

Nico: Raven Snape! Whoa!

Me: Whoa are you related to...

Wizardmon: That's correct J.D. Severus Snape is my father.

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out.

Yang: I didn't know about that.

Nora: Me neither.

Nico put his skeleton back.

Nico: I hate it when that happens. But that is amazing!

Me: Yeah!

Nico: (gets out Phantom of Milo Booth and Psycho Rangers' Ridewatches) Time for this phantom to go psycho!

He activated them and fired waves of energy and blasted Hellfire.

Yang and Nora and Selena fired waves of water and energy and blasted Hellfire all over.

Raven reverted back and was a girl with green hair, green eyes, green and black clothes and had green angel wings and had Wizardmon on her forehead and skirt and had the House of Slytherin Crest on her vest.

Raven Snape: This will be most fun. (Echoing) MAGICAL GAME!

She fired a thunder ball and blasted Hellfire down and she was out.

We got 30 red moons!

Me: YEAH!

We all high five.

Raven Snape: That was a good one.

Me: Yeah.

Nico: Your father might be...complicated. But he really is a good man.

Raven Snape: I know he is. And I'm proud of him.

Me: We sure are.

Nico: (To Selena) How did you meet Nora and Yang.

Selena Warfly: I met them when they were battling Cinder Fall. I helped them send that bitch packing.

Nora: She sent her flying with a powerful water blast that sent her flying to the ocean.

Me: Whoa! That is an amazing water blast.

Selena Warfly: It sure was.

Nico: Yeah.

Me: Yep. Raven what's your favorite memory of Nico?

Raven Snape: Mine is where we battled Tom Riddle and the Basilisk in the Chamber of Secrets. It was before Team Loud Phoenix Storm was formed.

Me: Cool!

Nico: That was fun.

Me: Yep.

Nico and Raven hugged.

Nico: I've missed you.

Raven Snape: Indeed. Me too.

Me: Would you two like to join us?

Selena Warfly: We would be honored.

We left the Simulator and everyone cheered for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Blitz: Why are the mascots just sitting there?

Me: Hmm.

Nico: Strange.

Me: You guys okay?

They didn't answer.

Me: Hey don't give me the...

I went too grab them and my hand went through them and they were really holograms!

Me: Holograms!?

Stella Connington: I think I know what they were working on!

Me: They made holograms of themselves.

Qin: That is cool!

Me: Very futuristic.

Varie: Yeah!

Poromon: What do you guys think?

Me: Very lifelike and real!

Nico: Well done guys.

Eli: Yeah!

Me: That is amazing guys.

Poromon: Thanks.

Junkheap: How did you guys make this?!

Poromon: We found a bunch of projectors and made Hologram Projectors from it.

Me: That is awesome!

Wreck Gar: Can you guys show us more holograms?

Poromon: Sure.

They showed us Holograms of Digimon, Cybertronians, Pokemon, MTG Monsters and many more. Including us.

Wreck Gar: Wow! That is amazing!

Top Man: Those holograms can also be used to fool scumbags.

Me: Holographic decoys. That works perfectly.

Nico: Yeah!

Xenia: Good idea.

Varie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was none other than a clone of Tantrum, and he's causing havoc in Dakota City again! When we saw it, we knew it meant big trouble.

Lincoln, Nico, and me: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our shock, it was none other than a clone of Tantrum, and he's causing havoc in Dakota City again!

EVERYONE GASPED!

Maria, Carmen, Francis, Static, and Gear: YOU'VE GOT TO BE KIDDING!

Maria: Ugh, not another Tantrum Clone again! I thought we were done with that raging behemoth!

Nico: Apparently, not! I hate to find out the bastard who did that!

Lincoln: Let me handle the Tantrum clone again, I beat him once and absorbed him, and I'll do the same thing you did to LaSombra yesterday, J.D.

Nico: Hey, that's right, you also transformed along with Girl Jordan when Margie showed her face.

Me: Oh, this is gonna be good, and you'll probably get your harem swooning over you again.

Travis Tackett: Hey, be nice, J.D.

Cage Blunt: Anyways, we better take care of this monster and fast before all of Dakota City winds up a pile of rubble.

Lincoln: At least, we know where he's at, now all we got to do is stop him.

Nico: Right, Lincoln. Alright, gang, let's get a move on, that clone of Tantrum's going to regret coming once again.

Lincoln: Especially when I get through with him, I'll flatten that overgrown brute and throw him in a woodchipper.

Me: Yeah!

The previous group came.

Puff: Can me, Living Laser, Evil Star, Shiv, Trap Jaw, Number 7, INSTIGATOR, Radioactive Man, Key, and Greiger go with you guys?

Nico: Yes you all can come with us.

Qin: Yep.

Camie: Awesome.

Puff: Yeah!

Me: Cool! Wait where's Sarah?

Ed: I don't know. My baby sister isn't here.

Nico: Uh oh. I hope she isn't in trouble.

May: We'll find her.

Bai Tza: Nico, which Gene Slammer do you think you'll meet next?

Nico: Pumpkinmon next.

Brittney: Ooh! That one would be perfect for Halloween.

Camie: Yeah.

Lola: I agree.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure were in the vision: the figure is none other than Orochi, The Monster King, from the manga/anime series One Punch Man, and he's out to destroy mankind by turning every last human on earth into monsters. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure we sensed is none other than Orochi, The Monster King, from the manga/anime series One Punch Man, and he's out to destroy mankind by turning every last human on earth into monsters.

WE GASPED!

Nico: Oh, that's not good.

Alara Jasmine: No, it isn't. Leave him to us, we'll destroy him once and for all.

Lincoln: Right, Alara.

Nico: This is going to be one big messy battle against a monster like him. Alright, team, let's go, we have to head to Dakota City and destroy that clone of Tantrum.

Lincoln: He chose the wrong day to come back, now we're going to make him wish he hadn't come back, and once we get done with him, The Monster King is next.

Alara Jasmine: Everything you've done in your quest to destroy mankind by turning them into monsters like you can never be forgiven, Monster King. We'll make sure you pay for all of your crimes after we get done with that clone of Tantrum.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Dakota City to destroy the clone of Tantrum, and once we got done with him, Lincoln and Alara Jasmine along with me and Nico are going to destroy Orochi, The Monster King, from the manga/anime series One Punch Man.

We were off to the Dakota City sector

We arrived.

Evil Star: (to Shiv and Puff) You two happy to be home?

Shiv: We sure are happy.

Puff: Yep.

We landed but to our shock we saw SOME OF THE CITY DESTROYED!

WE GASPED!

Me: What the hell happened here?

Nico: Looks like Tantrum went on a rampage.

Alternate Chrysalis: We better fix this up!

I snapped my fingers and it was fixed instantly!

Trap Jaw: I wonder if emotions like happiness and joy can weaken Tantrum.

Me: That could be a possibility.

Nico: Yeah.

Qin: Yeah.

Blitzwing: First, let's tell Tantrum's history to those who are new

Me: Oh right. One of our most important rules. Know Thy Enemy.

Camie: Yeah.

Me: His real name is Thomas Kim.

I went over his history.

Thomas Kim was among the brightest students of Dakota Union High. When he grew angry or outraged, a startling metamorphosis would occur, causing him to become Tantrum.

Thomas Kim was a brilliant student in his own right, though his father was only satisfied with perfection. Though unaware of it or its consequences, he was exposed to Quantum Vapor during the Big Bang. Whenever he was enraged, he would transform into a giant purple monster, whose only motive was revenge.

One of his first victims was Miss Pettibone, one of his teachers. Thomas had received a 99/100 rather than a perfect score because of one typographical error. After school, the monster attacked the teacher, but Static intervened. Tantrum was much stronger, and threw Static in a dumpster. Confident the "bad man" who zapped him was gone, the Tantrum left.

The next day, Virgil and Richie went to see Thomas. Richie had found Thomas' near-perfect essay on the crime scene, and the two wanted to return it—and investigate Thomas at the same time. Threatened, Thomas sent them away. He became angry, and slowly transformed into Tantrum. Seeking revenge, he attacked Virgil and Richie in the Hawkins' home. Virgil drove him off, and—as Static—lured him to an abandoned amusement park. Knowing his powers had no effect, Static tries a different approach: allowing him to work through the tantrum, as his mother did to him when he was a baby. Having tired himself out, Thomas reemerged.

When I was done everyone that hadn't heard about it was shocked!

Ace: So like the Hulk whenever he gets mad he turns into Tantrum!

Nico: Yeah!

Me: Yeah no kidding.

Bruce Banner: I think I'll go hulk myself on him to show him I mean business too.

Laney: And I'll use Bane's powers too.

Me: Cool! And Ed can go Edzilla.

INSTIGATOR: Rest assured that the real Thomas is okay.

Nico: Yep.

Shiv: Yeah I remember.

Lynn: He is strong too. Just like Hulk.

Static: The first time I fought him, Richie didn't have powers and I only won because I tired him out.

Ramjet: How did you get him angry before?

Gear: Oh, we gave him back his essay paper and asked him questions.

Me: Really? That's interesting and cool.

Qin: Yeah.

Maria: Ebon always had a hard time with him in the Meta Breed.

Key: I can see why.

Me: Because of his uncontrollable temper no doubt.

Maria: That's right.

Shiv: Yeah he was a real handful.

Puff: Gave us one helluva hard time.

Teresa: Yeah he was totally out of control.

Francis: Yeah he just wouldn't listen to reason at all.

Ace: And you're sure the real Thomas is fine?

Lola: We're sure. After the day we met Maria, we made sure Thomas can't turn into Tantrum again

Me: Yeah I cured him and made sure of that.

Ace: Good.

Me: Yeah.

Then we heard a loud scream!

Ed: BABY SISTER!

Me: That was Sarah!

Troy: Rangers that's a Super Mega Win

We regrouped.

Tantrum Clone: (ROARS) TANTRUM SMASH YOU!

Lincoln: Okay, I've had it up to hear with you, this is the last time you're going to run free.

The Tantrum Clone went at Lincoln and he caught the Tantrum Clone's punch.

Lincoln: Nice try, little monster.

Lincoln held up his finger and flicked it at the Tantrum clone's forehead and sent him flying and he crashed into a coconut tree Lincoln grew.

CRASH!

Then

HE GOT HIT IN THE HEAD WITH FIVE COCONUTS!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 5 COCONUTS!

Me: Whoa, I hadn't forgotten that Lincoln's transformation also made him into a true giant.

Nico: Same here, but that was pretty funny.

Then, Lincoln did all kinds of wrestling moves on the Tantrum Clone and he was literally beating the crap out of him!

Me: WHOA!

Nico: Oh man, he's really laying down quite the beatdown on him! That is really brutal!

Luna: Way too brutal, dude. He's wrestled Lynn numerous times when she tried to hurt him, and she was no match for him.

Selene Arcangela: All those wrestling sessions are really paying off.

Lincoln proceeded to grab the Tantrum clone by the neck and punched him so hard in the face with his left fist, the Tantrum clone's nose was broken and was bleeding. Then, Lincoln put the Tantrum clone's head on his right arm and flexed his right arm as his giant bicep rose and punched him hard in the jaw, and that of course got the girls in his harem blushing like crazy and swooning over him.

Girl Jordan: (BLUSHING HARD) He's so much hotter and even more handsome and manlier than ever!

Lily the Mermaid: (BLUSHING HARD) My God.

Nico: Oh man, he's really putting on quite a show for his harem.

Lynn: And he's showing that clone no mercy! Get him, Lincoln!

Then, Lincoln lifted the Tantrum clone up with his left hand and threw him as he crashed into a brick wall he formed, and the clone came out and bellowed with rage.

Nico: Uh oh, he's got him bellowing with pure rage now! I think it's time we ended him once and for all.

Me: Let's do it.

Lincoln and the girls fired waves of energy and elements that transformed into the emotions and they smashed into the Tantrum clone and exploded.

Lincoln and his harem: EMOTION FINAL SMASH: EMOTIONAL LASER!

Lincoln and his harem fired a massive laser based on emotions that smashed into the Tantrum clone and exploded and he was lying on his back.

Number 7: This will finish it.

She fired lasers and missiles and energy blasts and blasted Tantrum all over.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the Tantrum clone's chest and he began absorbing him and he assimilated the clone's inhuman superhuman strength and superhuman agility and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of the Tantrum clone except for his tattered pants and he was sent to The Black Abyss forever.

Nico: That better be the last time we ever deal with a clone of Tantrum.

Me: You got that right.

Lincoln: After everything that rampaging beast has done, that better be the final time. Now, there's one last thing to do and one last loose end to tie up: The Monster King.

?: All of mankind shall be destroyed, and my kind shall rule the world!

Lincoln formed a massive indestructible diamond barrier infused with absorption energy that protected all of us from powerful energy blasts that came out of nowhere and the barrier really stood strong against them and the energy blasts were absorbed into us and we grew even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Monster King, or we will force you out.

A massive ominous-looking monster came out, it was Orochi, The Monster King.

Tatsumaki: I should've known you'd show up here, Monster King.

Alara Jasmine: But, this is where it all ends for you.

Suddenly, Alara Jasmine's purple eyes turned neon purple and she was surrounded by a white and purple energy aura with stars, light, light magic, jasmine plants, phoenixes, and angels, she unholstered her massive light greatsword, and as she approached The Monster King, she left white and purple energy, stars, light, light magic, jasmine plants, phoenixes, and angels with every step.

Alara Jasmine: You really are a monster to no end, all you desire is to destroy mankind by turning them into what you are. That's the last straw, now, we're going to destroy you once and for all and make you suffer the same fate as your former master.

Suddenly, Alara Jasmine was surrounded by a massive vortex of white and purple energy with stars, light, and light magic surrounding the vortex, there are Jasmine plants, phoenixes, angels, and Aromage Jasmine flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at The Monster King: the blood red eyes of eternal death and eternal judgement.

Selena Arcangela: Uh oh, now things are really going to get messy.

Lincoln: Yep, but The Monster King's had this coming for what he's done, and now, he's about to pay the price.

Then, as the vortex faded, Alara Jasmine emerged, but she was changed forever.

Alara Jasmine grew from 7'0" to 8'4" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large white and purple planets orbiting around her legs and fifteen smaller white and purple planets orbiting around her waist, she has the body of a goddess, she has purple highlights in the bangs of her long white hair and purple hairband with purple phoenix fire ombre streaks on the back and the two front strands and she has a large golden halo in the center with golden angel wings on the bottom and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a white and purple energy aura with stars, light, light magic, Jasmine plants, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Aromage Jasmine emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Star, Light, and Eternity Kanjis in their talons, she also has Aromage Jasmine with purple gems for eyes and holding the Star, Light, and Eternity Kanjis in its hands for the second pendant on the bottom of her purple angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links and jade beads from her merged Crystal Necklace of the Buddha and Jade Necklace of Shangdi and purple gems embedded on the gold lightning bolt links, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Suddenly, Alara Jasmine felt a sharp pain on her back, and then, her massive white angel wings with purple tips on the large white feathers grew much larger for her new body with a wingspan of 20'0" and medium sized white angel wings with purple tips grew and sprouted out underneath her massive white angel wings with a wingspan of 15'0" and small sized white angel wings with purple tips grew and sprouted out underneath her medium sized white angel wings with a wingspan of 10'0" that all gave off the scent of Jasmine plants and she now has eleven massive and long white wolf tails with purple tips and purple markings, Alara Jasmine has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor over the joints and gold dragon claws over her fingers and smaller planets orbiting her fingers like rings.

But, when The Monster King saw it, he went ballistic and charged at her with his axe to kill her, but Alara Jasmine fired a massive barrage of white and purple energy, stars, light, light magic, Jasmine plants, phoenixes, and angels which hit The Monster King and sent him flying into a wall, he got back up, but he was really really angry now.

Alara Jasmine, Lincoln, Nico, and I went after The Monster King, and we fired extremely powerful blasts of rainbow energy, white and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Monster King and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and

Alara Jasmine also did the same by firing white and purple energy slashes from her massive greatsword and gold-plated dragon claws, and he, Alara Jasmine, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was making The Monster King even angrier than ever.

And it caused The Monster King to transform into his true form by taking off his mask: a dark face with large and round eyes, a long serpentine body with several serpent-like dragons all over it, and multiple legs across his body that make him somewhat resemble a centipede.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've transformed into your true form. Now to end this.

Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into The Monster King and he began absorbing him and he assimilated The Monster King's Immense Strength, Immense Speed and Reflexes, Immense Durability, Enhanced Growth, Metamorphosis, Elasticity, Shapeshifting, Tendril Generation, Horn Manipulation, Monster Cell

Generation, Absorption, Energy Absorption, Regeneration, Fire Manipulation, Energy Projection, Gaia Cannon, Genius Combatant, Water Stream Rock Smashing Fist, and Gouketsu's techniques and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and medium sized white angel wings and small sized white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of The Monster King and he was sent to The Black Abyss forever. Everyone cheered wildly for what Alara Jasmine, Lincoln, Nico, and I did as we holstered our massive greatswords on our backs and powered down and Alara Jasmine's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long white wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, fifteen large white and purple planets orbiting around her legs, fifteen smaller white and purple planets orbiting around her waist, smaller planets orbiting around her fingers, and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath her massive white angel wings are permanent.

Alara Jasmine: It's all over, you monster, now burn in The Black Abyss forever. Thanks for helping me take down The Monster King, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Alara.

Me and Nico: Our pleasure, Alara.

Suddenly, Alara Jasmine wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Alara Jasmine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Aromage Jasmine flying in the air, and we saw a herd of Buffalo and many animals running across the field and light and the sudden growing of Jasmine plants and elemental forces behind them and we cheered wildly. Then, Lincoln and Alara Jasmine sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Luna: Oh man, that was one wild performance that we just saw!

Luan: No fooling, you four smashed that monster and Lincoln absorbed him.

Me: And sent him to The Black Abyss forever. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person and perfect for Valentine's Day: Carly Cupid, Avatar of Valentine's Day and Daughter of Cupid.

Selene Arcangela: (GASPS) Oh man, our Valentine's Day professional, I knew it would be her, and you guys are going to love meeting her, Carly Cupid is Lincoln's Guardian Angel from Michigan and a powerful master of light and love. As the Avatar of Valentine's Day and Daughter of Cupid, she has the powers of love times infinity and her love easily overpowers and cleanses the hearts of those consumed by despair and sorry and to those whose black hearts are forever filled with hatred and darkness, they are immediately destroyed and sent to The Black Gates. Plus, she also has the power to amplify and increase the passionate feelings of couples, and on Valentine's Day, that power's also at its most powerful. She met Lincoln long ago, and she and Lincoln along with his sisters have done many Valentine's Day activities together, and she and Lincoln made an awesome chocolate lava cake and red velvet cake in the shape of a heart one Valentine's Day at Lynn's Table, which they ate during a special Valentine's Day date. Lincoln made her a powerful greatsword of light and necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, when he comes of age, he'll marry her along with the rest of his harem, and her enemies are none other than the jerks and those who have nothing but black hearts forever filled with hatred and darkness, as she can easily sense them and destroy them.

Me: WHOA! Talk about feeling the love.

Lincoln: And those whose hearts are filled with hatred and darkness shall disappear into the darkness of The Netherworld forever!

Me: Evil better not mess with the power of love!

Nico: Meeting her is going to be really really awesome, and Valentine's Day is just around the corner, so it's no surprise that we're going to meet her.

Me: Yeah.

Electrocutioner: Tantrum has gone on his last rampage.

Captain Cold (laughs): Nice job naming two of the Decepticons!

Man Ray: And we'll get Sarah to the infirmary ASAP.

Nico: Okay then.

Poromon: Let's go there right now.

Major Disaster: And leave all the destruction here!

Poromon: But that'll take forever!

Cluemaster: All the more reason to start right now.

A few minutes later, Poromon was cleaning the mess up with a broom.

Poromon: (annoyed) You never see any of this in the comic books!

Me: Oh boy.

Nico: But great job today everyone.

Qin: Yeah.

Me: Nico is having to fix up all the destruction like this necessary? You know we can just...

Nico: I know and you're right.

I snapped my fingers and it was all fixed.

Me: There.

Applejack: (To the viewers) YEEHAW! Boy this was a great adventure for y'all.

Me: It sure was.

We got Sarah to the infirmary and went back home and enjoyed the rest of the day and went to sleep.

SATANIC PUMPKIN REVENGE

This is the sequel to the Satanic Pumpkin mission that Kendra did in 2022

In the early morning hours at 1:53 AM, Lincoln had a dream, and he saw three figures hiding out and living in Wave Ocean. But, this was no ordinary three figures, they were Callie Loud, the daughter of Lincoln's future wife, Live Action Arcee. Lightscreen, An Aquatic Serpentine. and Dreadnought, a Dreadnoughtus. Lincoln woke up from the dream, but he wasn't the only one, Live Action Arcee, King Khan, Ivy Loud, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Live Action Arcee: And it also means that we found out where our daughter is at.

Ivy Loud: Along with an Aquatic Serpentine and Dreadnoughtus.

Me: There at Wave Ocean.

Nico: A tropical beach near Soleanna New City? Oh man, that's not good.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Black Alpha, Live Action Arcee (Who has a human disguise), King Khan, Icy Loud, Me, and Nico were heading to Wave Ocean. Then, Lincoln saw a 14-years-old indian american girl who has light tan skin, dark brown eyes, and brown hair with light brown tips. She wears a pink striped shirt with a purple and light pink flannel shirt, gray jeans, and a pair of black and white checkered slip-on vans. A Giant 30 feet tall aquatic Serpentine with a primarily cream-colored body. Has light blue eyes with white pupils with long pinkish antennae above them. Additionally, there's long hair-like fins above the eyes, which begin thin and thicken towards the tips. The eyebrows extend to almost half of the body length and on top of the relatively small head is a straight spike. Running down either side of the neck are three black dot-like gills. The tail consists of four blue fins with pink ovals in their centers. Each of the tail fins overlaps the next slightly resembles a fan. And a Giant 30 feet tall Dreadnoughtus with dark tan blue with tan pale skin under the belly and stripe marks above the topside, and has dark emerald eyes with black pupils in the center. Lincoln saw who they were, they were Callie Loud, Lightscreen, and Dreadnought.

Lincoln: Excuse me, are you Callie?

Callie Loud: (Indian Accent) Yes. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Live Action Arcee (who's human disguise ia A strong and popular 18-years-old tomboyish Biker Girl who has pale skin, blue eyes, and long orange hair with dark pink streaks. She wears a pinkish sleeveless shirt with a Autobot symbol on it which shown her bellybutton, black jean with pair of three holes, a pair of black boots with pinkish slides, and she also has right golden jewelry serpentine shoulder band-like and left pinkish wrist band.) came out, and when Callie Loud saw her, she was stunned. And when Lincoln saw Live Action Arcee's human disguise, he had a atomic red blush on his face, hearts in the eyes, his nose was bleeding.

Callie Loud: (Indian accent) Mother?

Live Action Arcee: I'm here, sweetie.

Callie Loud ran up to Live Action Arcee, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Black Alpha, King Khan, and Ivy Loud.

Lincoln: And there's something you should know, Arcee, your mother is one of my many future wives.

Callie Loud: (Indian) Does that mean...you're my father.

Lincoln: (smiled) What else I wouldn't be?

That filled Callie Loud with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lightscreen: (sighs sadly) I wish I had a family.

Dreadnought: (to Lightscreen) But you still have me, my love.

Lightscreen: I know, but still.

Ivy Loud: Dad, can Lightscreen be part of your kids? She looks lonely.

Lincoln: Hey Lightscreen, Care to join the family?

That filled Lightscreen with joy, as she picked Lincoln up and they hugged as well.

Live Action Arcee: And thanks for helping me find a human disguise, Linky. I look like a real biker babe.

Lincoln: (Smiles Warmly) You're very welcome, Arcee.

Suddenly, Lincoln wrapped his massive and powerful muscular arms around Live Action Arcee and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Live Action Arcee still has a red blush on her face with steam coming out of her ears.

Live Action Arcee: (In Heaven) Whoa! What...A...Kisser.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Callie Loud and Lightscreen to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Live Action Arcee with her daughter, and Callie Loud and Lightscreen now has a loving, strong, brave, and caring father in their life.

After reuniting some of Lincoln's family from his dream most of us went back to sleep. But I couldn't sleep. I kept thinking.

Me: (In my head) Something is bugging me. I feel like there is more to Samara Morgan's story than I should know.

I went to the living room and got to watching THE RING!

I had it turned down and I put on headphones to watch.

Teenage girls Katie and Becca discuss an urban legend about a cursed videotape that causes whoever watches it to die in seven days. That night, Katie, who watched it a week ago, is killed by an unseen force.

At Katie's funeral, her mother asks her sister Rachel, a Seattle-based journalist, to investigate her daughter's death. Rachel discovers that Katie's friends all died in bizarre accidents at the exact same time and night of Katie's death. Rachel goes to the Shelter Mountain Inn, where Katie and her friends watched the tape. She finds and watches the tape; it contains strange and frightening imagery. She then receives a phone call from an unknown caller who whispers, "seven days". Though initially skeptical, Rachel quickly begins to experience supernatural occurrences linked with the tape.

Rachel recruits the help of her video analyst ex-boyfriend Noah. He watches the tape and Rachel makes him a copy. She identifies a woman on the tape: horse breeder Anna Morgan, who killed herself after some of her horses drowned themselves off Moesko Island. Rachel and Noah's young son Aidan ends up watching the tape. Aidan also possesses some supernatural abilities, which he uses to help with Rachel's investigation.

Rachel heads for Moesko Island to speak to Anna's widower Richard, while Noah travels to Eola Psychiatric Hospital to view Anna's medical files. Rachel discovers that Anna had adopted a girl, Samara, who possessed the ability to psychically etch images onto objects and into people's minds, tormenting her parents and their horses. Noah finds a psychiatric file on Samara that mentions a missing video record last seen by Richard.

Returning to the Morgan home, Rachel finds a birth certificate proving that Samara is the biological child of Richard and Anna. She also finds the missing video, in which Samara explains her powers during a therapy session. Richard insists that Samara is evil and commits suicide by electrocuting himself. Noah and Rachel find a loft in the barn, which the Morgans used to isolate Samara from themselves and the outside world. There is an image of a tree behind the wallpaper; Rachel recognizes it as a tree at the Shelter Mountain Inn.

They return to Shelter Mountain Inn, where they are led to a well beneath the floorboards. Rachel falls inside and experiences a vision of Anna dumping Samara into the well, where she survived for seven days. Samara's body surfaces from the water. After Rachel is rescued, they arrange a proper burial for Samara.

Back home, Aidan warns Rachel that it was a mistake to help Samara. Rachel realizes that Noah's seven days are up; Samara's ghost crawls out of his TV screen and kills him. Unable to deduce why she was spared, Rachel realizes that the tape seen by Aidan was a copy she had created. Rachel saves Aidan by having him make another copy to show someone else. Aidan asks what will happen to the person who watches the copy, to which Rachel does not answer.

I also watched Rings and The Ring 2

Some time after the events of The Ring, Samara Morgan's videotape has spread, as each person who sees the video makes a copy and shows it to someone else. A subculture has grown surrounding the video: people wait to see how close to the seven-day deadline they can get. When they grow too afraid to go on any longer, they show the tape to the next assigned person. Groups that have watched the video are called "rings".

The film is focused on Jake Pierce, the latest member of one such ring. The ring has recruited its next member, Tim, who will watch the tape when Jake cracks. Jake is amazed at what he experiences but it soon turns sinister, as he starts seeing visions of Samara, and has a similar dream that Rachel Keller had of Samara grabbing his arm and leaving a bruise. He cracks on the sixth day, but Tim refuses to watch the tape. It is revealed that another member, Vanessa, made Tim refuse, as she wants to see what happens on day seven.

By the next day, Jake has become so desperate he tries to play the video on the display models at an electronics store, but is caught and thrown out. Jake thinks of Emily, a girl he goes to school with. He invites her over. He experiences a vision in which Samara arrives; she reaches through the screen on his video camera and the vision ends.

An hour before the deadline, Emily agrees to come, leading to the opening sequence of The Ring Two; Vanessa is seen encouraging Emily when she is making her decision to go to Jake's house.

RING 2

Six months after the events of the first film and following the events of the short film Rings, Samara Morgan's cursed videotape has been circulating through teenagers in Astoria, Oregon. Jake Pierce is on his seventh day after watching the cursed videotape. Desperate, he asks his friend Emily to watch it. While Emily supposedly watches the tape, he briefly steps into his kitchen. Jake receives a phone call and is relieved to realize it is only his friend, with whom he had planned to trick Emily into watching the tape. Suddenly, Jake notices dark liquid pouring from under the kitchen door and runs outside to the living room, only to discover Emily closed her eyes while watching the tape. Jake is then promptly murdered by Samara.

Rachel Keller and her son, Aidan, have moved to Astoria from Seattle. Rachel works at The Daily Astorian for editor Max Rourke. Rachel learns of Jake's death, inspecting his body, only for Samara to appear, declaring that she has been looking for her. Rachel breaks into Jake's house, obtains the videotape and burns it. Aidan experiences a nightmare where Samara drags him into a television. He soon starts developing hypothermia and bruises on his arms. At a county fair, Aidan wanders into a restroom and takes photographs of his reflection, where Samara appears. Rachel takes him home but they are attacked by wild deer on the way. Rachel realizes Aidan may be possessed by Samara.

Max takes them in. While Rachel is attempting to give Aidan a bath, he develops an irrational fear of water. Samara causes the water to recede from the bath, replacing Aidan with herself, and terrorizing Rachel so that she tries to drown Samara. Max enters, seeing her drowning Aidan instead, and forces her to take her son to the hospital. Based on Aidan's bruises, psychiatrist Emma Temple suspects child abuse on the part of Rachel, who admits having postpartum depression, and she sends Rachel away. Looking for answers, Rachel returns to the Morgan ranch on Moesko Island, finding evidence of Samara's biological mother Evelyn, who tried to drown her as an infant. Rachel visits Evelyn in a psychiatric hospital, who advises her to "listen to her baby".

In the hospital, Aidan, possessed by Samara, telepathically forces Dr. Temple to commit suicide, then returns to Max's house. Max arrives, suspects foul play, and tries to secretly take photos of Aidan. Rachel arrives, discovering an affectionate Aidan waiting for her, but acting suspiciously out of character. She steps out, finding Max's corpse in his pickup truck. Rachel falls asleep, dreaming of Aidan, who tells her that she will have to exorcise Samara. Upon awakening, Rachel drugs Samara with sleeping pills and places her in the bath to temporarily drown Aidan in order to exorcise her. Samara is removed but appears on the television. Rachel allows herself to be dragged into Samara's monochromatic world.

Finding herself in the bottom of the well Samara died in, Rachel discovers the lid is partially open. She scales the well's walls, pursued by Samara, but escapes by climbing out and pushing the lid shut on Samara, locking her out of her and Aidan's lives.

Wandering through the woods, she comes to the cliff where Samara's adoptive mother Anna committed suicide. Hearing Aidan's voice, Rachel falls off the cliff and falls into the water, returning to the real world and reuniting with Aidan.

When I was done I saw that Samara's mother was insane and she was thrown into that well by her adopted mother who committed suicide.

I was scared but I was compelled to keep watching and I feel sorry for Samara. She was a tragic soul.

Me: (In my head) Oh man. Pour girl. I know now that she was doing all this because it's not her fault. Her own mother is to blame for it all. Fucked up bitch. Nico later today I'm going to reveal something that you'll probably kick me out of the team for. But it will be worth the risk. But that pervert priest will pay for his crimes later on. What he did was Sacrilege. Samara is not entirely evil. She just is a tragic soul. I hope I know what I'm doing.

I went back to sleep.

Kendra woke up to see Articuno staring at her.

Articuno: Morning Kendra. Time for breakfast.

Kendra: Morning Articuno. Be right down.

She went and got dressed and went to the table.

We were having Pancakes, French Toast and Chicken Eggs Benedict Vegas Style.

Kendra: Morning everyone.

Me: Morning Kendra. Breakfast is ready.

Kendra: Oh boy.

We got to eating.

Nico: This is gonna be awesome.

Me: It sure is. For thousands of years the Adriatic Sea has been widely known for lots of mythological scenarios in Greek and Roman Myth.

Nico: That's right.

Nicole: You're going to love the quarry we're going for next.

Me: Cool!

Fire Man: This will be awesome and fun.

Nico: Fire Man, I want to thank you, Flame Mammoth, and your teams for coming.

Fire Man: No problem Nico. I'm glad that Lisa built versions of the Mavericks for us.

Lisa Loud: Indeed and it's going to be fun and awesome.

Camie: It sure is.

Varie: Yeah!

Nico: Fire Man, what do you like to do in your free time?

Fire Man: I'm a heat robot and I make heat for those who are cold. I also like to be a chef.

Nico: Nice.

Flame Mammoth: I'm really excited for this one.

Nico: Flame Mammoth, how do you like it here with us?

Flame Mammoth: You bet I am Nico. This is gonna be so fun.

Flame Stag: All of the Mavericks are looking forward to this.

Camie: We can see that.

Me: Yeah this will be awesome. Now we BOTH have Mavericks on both sides.

Flame Mammoth (M.O.E.): And to avoid confusion Vypra marked us with their crest.

Me: Good thinking there.

Nico: What do you like to do in your free time?

Flame Mammoth: Well I was originally programmed to be a Flame Gel producer. I make Napalmic Gel.

Me: Wow!

Flame Mammoth: But I am a welder for a construction company in my free time.

Nico: Cool cool.

Me: That is awesome.

Qin: Yep.

Me: Wow yesterday was brutal!

Maria: No kidding! But I'm glad me and my fellow and former teammates in the Metabreed have seen the last of Tantrum.

Nico: You know how much destruction he caused yesterday?

Me: It was terrible! He leveled a quarter of the city!

Qin: Yeah!

Maria: Man he was totally out of control!

May: That is putting it mildly!

Eli: Yeah no kidding!

Maria: At least Edzilla and Hulk smashed him good

Me: Yeah that is for sure.

Qin: Wow! What a battle!

Me: And the mascots would in no way, shape or form be able to clean up all that mess by themselves.

Nico: You're right on that. Maybe I was too harsh on them for that. But it's good we got rid of Tantrum.

Me: Yeah. Edzilla really proved that he was stronger than Tantrum.

Eddy: (LAUGHS) He sure did. To quote Soundwave: (Robotic Voice) Edzilla always number 1. Tantrum always 0% loser.

WE LAUGHED!

Luan: (LAUGHS) Yeah!

Me: (LAUGHS) That is a good one!

Nico: That is definitely something that Soundwave would say.

Qin: Yeah.

Nico: To be fair, Major Disaster and Cluemaster made good points about cleaning up the damage

Me: True. But to be blunt there was no way the mascots would be able to clean up all that on their own.

Nico: Yeah. So Nicole what is our quarry?

Nicole: Well we're going after the Book of Higeru. It's the Book of the Hidden Fire Village and it's said to be in a Volcanic Island in the Adriatic Sea. It's said to have all the techniques of fire, lava and flames and inferno power.

Nico: COOL!

Xenia: Wow!

Nicole: My seismographic data has found a new volcano island in the middle of the sea. Active as Kilauea.

Nico: WHOA!

Nicole: Yeah.

Nico: Are we getting close?

Nicole: Well according to the map we're already there. Look!

We saw a smoking volcanic island. It was smoking as much as Mount Doom and was pouring lava into the sea and huge clouds of steam were pouring out.

Nico: WHOA!

Nicole: There it is.

Laney: Wow! This is a new volcano! It's amazing how it grew this fast.

Camie: No kidding.

Me: The shape it has is very reminiscent of Mount Doom.

Qin: Wow!

Lana: No kidding.

Nicole: Yep.

We saw the cave that lead into it.

Nicole: There's the entrance into it.

Nico: Here we go.

Juran: (GULP) I'm sweating already.

Nico: Keep it together man!

We went into the volcano and into the cave that lead into it.

Me: Wow!

Lola: Amazing!

Nicole: Yep. We'll call this volcano Mount Higeru.

Nico: Fitting.

Qin: Yep.

We went down and came to a temple in the middle of the magma chamber!

Nicole: There's the temple of Higeru!

Xenia: Whoa!

Juran: Wow! It's amazing!

Nico: Where's the treasure?

Nicole: It's in the temple. Lets go.

We went in the temple was amazing.

Qin: Whoa! Look at this place.

Nico: Yeah!

Nicole: Look!

We saw the book! It was an orange and red book with the Higeru symbol on it!

Nicole: There it is! At last we found it! The Book of Higeru!

Nico: Wow!

Maria: Who gets it?

Fu: Honou Moeru does. She is from the Hidden Fire Village.

Nicole: That's a good idea Fu. She does have blood ties to the Higeru Village.

Qin: Yeah!

I had her called in.

Honou Moeru: I'm here guys. Wow! So the book is going to be for me. That's fitting.

Nico: It sure is. Go for it.

Honou Moeru: With pleasure!

She went over and then picked it up and was reading it and then she was enveloped in a powerful aura of fire and she had a powerful transformation! She grew powerful fire angel wings and got stronger powers of fire and the Phoenix. She was more powerful than ever.

Me: WHOA!

Fu: Wow! Honou how do you feel?

Honou Moeru: I feel amazing guys!

Qin: Wow!

Me: You definitely earned it Honou.

Honou Moeru: Thanks J.D. bro.

Me: Anytime.

Nico: How do you feel?

Honou Meiru: I feel amazing guys.

Nico: Awesome.

Camie: Cool.

Me: Lets get out of this hot spot.

Nico: Good idea.

We got out of the volcano.

Me: Whew!

Qin: Wow!

Nico: That was awesome.

Lincoln: Okay, gang, we're in for one really dangerous battle: we're here on Magic Island, but here's the dangerous part: our old enemy, Blackbeard, has come back from the dead for revenge once again.

WE GASPED!

Me: WHAT THE ABSOLUTE FUCKING HELL?!

Nico: You've got to be fucking kidding!

Then, Lily the Mermaid appeared.

Lily the Mermaid: I wished that it wasn't true, but it is.

Lincoln: As much as I want to banish that bastard to The Black Abyss, I'm not going to, in fact, he's going into The M.O.E. since he's a very important part of world history and in the world of pirates.

Nico: That's a good idea, Lincoln. But, there may be someone who can get sent to The Black Abyss during my rescue.

Suddenly, Lincoln had a premonition, and it's not good: the next group of Morgana Midnight Sparkle's resurrected minions that're coming after us were none other than Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, brought back from the dead and they're back for revenge on us again.

Lincoln: Why, that little...! And Nico, you're right, I've just found someone, or rather, seven certain Dark Demon Goths.

Me: Lincoln, what's wrong?

Qin: (GASP) Oh God, don't tell me, which of Morgana Midnight Sparkle's resurrected minions are coming after us now?

Lincoln: Yep, Morgana Midnight Sparkle and the other Midnight Princesses have resurrected Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: I don't believe it, now that bitch and her minions have resurrected the demonic brothers of The Embodiments of The Cthulhu Mythos monsters.

Nico put his skeleton back.

Nico: I hate when that happens. But, I can't believe what you just told us. Well, you know what that means.

Lincoln: Yep, I'm going to kill them by draining them dry of their energy and sending them to The Black Abyss forever.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally can't believe that Blackbeard's back for revenge once again, and to make things even worse, Morgana and her minions have brought back Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha.

Selena Shub-Niggurath: I honestly couldn't believe it, but Morgana and her minions have done many low things in the past, so I should've expected that. I hope they're ready to die once again.

Lincoln: But, it'll be at my hands when I drain them of their energy and send them to The Black Abyss.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, Hawk, and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Blackbeard) AHA! Gotcha, you bastard. I just spotted Blackbeard, he's 20 yards away, but he's heading right for me, Nicole, and Lily the Mermaid, and he is major leagued pissed off! (Sensed Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha) And I just spotted Morgana's group of resurrected puppets, they're coming after us.

Nico: Uh oh. I can guess that Blackbeard is still absolutely pissed off big time at you, Nicole, and Lily the Mermaid for killing him many times in the past, so it's gonna get really really ugly.

We then saw a pirate ship coming.

Me: That's the Queen Anne's Revenge! Blackbeard's ship.

Nico: This is gonna be just like how we dealt with pirates before.

Me: Yep.

Nico: Lets get him!

Jimmy heard a Pokemon cry!

Jimmy: Look here guys!

We saw a Fletchling.

Me: A Fletchling!

Serena: Just like one that I know.

Nico: Cool.

Fletchling: Yeah it sure is.

We gave it some food.

Fletchling: Thanks.

Me: You're wecome.

Jimmy: Want to come with me?

Fletchling: Sure!

Jimmy: Cool!

We were flying in the air, and we spotted our target: Blackbeard, and like Lincoln said, due to the many times of being defeated by him and Lily the Mermaid along with Nicole back over 235 years ago, he's now extremely pissed off and out of his mind with bloodlust and revenge.

Lincoln: WHOA! Did we just make him mad!

Nico: Damn, you and Lily the Mermaid along with Nicole absolutely pissed him off to no end, he's now out of his mind with bloodlust and revenge. Better get him to cool down.

Lincoln: On it.

Lincoln formed a massive water ball that grew to the size of an overinflated volley ball and he threw it and the water ball hit Blackbeard drenching him in water and sent him flying into a coconut tree, and it major league drove him even more insane when he saw Lincoln, Lily the Mermaid, and Nicole once again, and we all landed.

Nicole: I should've known you'd show your face here again, you miserable salty sea dog!

Lincoln: It's been many years since we last defeated you and we sent you to your eternal damnation, Blackbeard, but as always, you sure don't know when to quit, and speaking of eternal damnation, Michael Hastur, you, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha better get out here, there's no use hiding! I can smell the stench of blood hanging over you!

We then saw our secondary targets: Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and they had the demonic Alicorn on their foreheads: proof they were brought back by The Midnight Princesses.

Selene Arcangela: Lincoln was right, so Morgana and her minions also brought you demonic dark goths back from the dead, and you're all still out for revenge on Lincoln and your sisters for killing all of you last year.

Michael Hastur: SHUT THE FUCK UP, BITCH! YOU AND THAT WHITE-HAIRED FREAK ARE DEAD, ALL OF YOU ARE FUCKING DEAD!

Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha: OUR MASTERS DESIRE YOUR BLOOD TO BE SPILLED!

Lincoln: You crazy demon dark Goths, I think you misunderstand of what's about to happen to all of you.

Lincoln stabbed seven of his eleven massive and long white wolf tails into Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and Lincoln began sucking out their energy as we saw energy visibly being sucked out of Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha and went into Lincoln.

When Lincoln was done and his tails retracted, Michael Hastur, Damian Shub-Niggurath, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha were left as desiccated corpses drained of life and energy, and their souls were sent to The Black Abyss.

Me: Whoa. That was...!

Lincoln: The Monster King's Energy Absorption ability, his tail is capable of pulling up energy directly from the Earth's core. When I absorbed him yesterday, I assimilated all of his abilities and powers and made them my own, and my absorption abilities have also increased infinitely combined with the absorption techniques of Cell, Majin Buu, and the many other villains who have power and energy absorption techniques.

Nico: I think I'm gonna go crazy upon hearing what I've just heard.

Me: Me too.

I unsheathed my sword.

Me: Lets cross swords.

Blackbeard: Lets cross swords me hearty!

Me and Blackbeard clashed.

Lily the Mermaid: Yikes! Okay, boys, you've had your fun, now it's our turn.

Suddenly, Lily the Mermaid's blue eyes turned neon blue, and she's surrounded by an ocean blue energy aura with stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels, she unholstered her massive Lily the Mermaid's Poseidon's Cosmic Water Oceanic Maelstrom Mermaid Greatsword of Maelstrom Mermaid Justice from her back, and as she approached Blackbeard, she left ocean blue energy, stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels with every step.

Lily the Mermaid: Even after seven long years, you still haven't changed at all, Blackbeard, you're still the most dangerous and monstrous person from all those years ago. But, either way, I'm going to take you down and send you straight to someone who'll put you in your place.

Suddenly, Lily the Mermaid was surrounded by a massive vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, mermaids, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a brown phoenix with blood red eyes glaring at Blackbeard: the red eyes of eternal death and eternal judgement.

Suddenly, Lily the Mermaid felt a sharp pain on her back, and then, her massive light brown angel wings with ocean blue tips on the feathers grew much larger for her new body with a wingspan of 50'0" and medium sized light brown angel wings with ocean blue tips grew and sprouted out underneath her massive light brown angel wings with a wingspan of 40'0" and small sized light brown angel wings with ocean blue tips and a wingspan of 30'0" grew and sprouted out underneath her medium sized light brown angel wings and another pair of light brown angel wings with ocean blue tips and a wingspan of 20'0" grew and sprouted out underneath the small pair of light brown angel wings and another pair of light brown angel wings with ocean blue tips and a wingspan of 10'0" grew and sprouted out underneath the small pair of light brown angel wings, and her blue mermaid's tail grew much longer and larger for her new body, Lily the Mermaid has on her Ring of the Phoenix with ocean blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand and she has on white fingerless gloves with gold armor on her fingers and gold-armored dragon claws and smaller planets orbiting around her fingers like rings and medium sized planets orbiting around her wrists.
